

PUNISHED BY HIS LOVE

I'm Sorry My Love Novel Alternative

Chapter 2726

They would rather give up your company than let me go!

you understood? "

Liao Jie: "..."

If it was said that Lindazhou had a crack in the ground and wanted to get in, now it was replaced by the embarrassment of Liao Jie, such a large-scale society died.

His face was already hot and scalding, like making a steamed bun, bursting out layer by layer.

Galia has always looked at him directly: "Just because I was in love with you, you persecuted me again and again, and used persecution on me again and again!

Is there any difference between you and me pestering you at the time?

I pestered you because I couldn't let you go emotionally!

what about you?

How mean and how vile are you now?

You pat your chest and ask, don't you feel uneasy about your conscience?

Mr. Liao! "

"Stop talking!" Liao Jie suddenly raised his head, his face turned purple, but his expression was very sincere: "I'm sorry, Galia, I'm sorry for you, I'm too self-righteous, I think I can control you, I think, I can degrade you as much as I want.

If you refute me a little bit, I will feel that I will not be able to save face.

So I've been embarrassing you.

Always have to measure up.

In fact, I also discovered later that you are very different from before, and you have changed a lot than before.

I.....

To be honest, I even like you a little bit.

Don't blame Cui Yingying.

The reason why she targeted you like this was because she found out that I was a little distracted by her. I once called out your name in front of her.

She was shocked and had a big fight with me.

In fact, I was also shocked at the time, how could I call your name unconsciously?

I've always been reluctant to admit that I'm in love with you again. I hate myself for not being able to live up to my expectations. The more I hate myself, the more I hate you!

I hate you for messing up everything for me.

So, I've always wanted to get you out of my mind and out of my heart.

That's why I've made things difficult for you time and time again, driving you to a corner.

Lindazhou was also found by me. The reason why I came to Lindazhou is to let me clearly realize that you have not changed. You are still the very bad you through Lindazhou's exposure of you.

I want to come and correct you with Lynda state to get you out of my heart completely.

But it wasn't until this moment that I clearly realized that I was wrong.

Everything is my fault.

We've broken up, we don't owe each other.

I shouldn't push you like this again, I shouldn't be so hard on you. Shouldn't have killed you like this. "

Having said this, Liao Jie smiled sadly.

"In the end, I couldn't kill you all, but I pushed myself to a dead end, Galia, you also let me see your change again, your ability and your strength, to be honest, you have far more than me.

Both spiritually and professionally.

You are more than me.

And I'm more clown than a clown.

I'm also shooting myself in the foot.

I accept the penalty.

No matter how much Fu Corporation fines me, I will not refute it.

I quit my job when I returned to the company, and have since left the clothing industry.

I will come to terms with the pain, and I will be an upright person in the future.

I, here at this very moment, ask no one's forgiveness. "

Having said that, Liao Jie looked at Cui Yingying again: "Yingying, I'm sorry for you, you are a good girl, I made you jealous of Galia, and also hurt your father, I'm sorry.

If you want to punish, punish me.

It's all my fault.

Galia is a good daughter who is strong and courageous to correct her illness. We all treat her too much. "

Finally, Liao Jie looked at Galia and Christopher again: "Yingying is innocent in this matter. Let her go? I will break up with Yingying immediately."

After saying these words, he looked at the people present calmly and firmly, and finally landed on Galia, then stood up and bowed deeply to Galia: "Galia, I'm sorry."

Chapter 2727

Galia never thought that Liao Jie would suddenly change to be so sincere

No one sitting there thought about it.

For a while, Galia was at a loss for words, she turned her head to look at Christopher.

Christopher looked at Cui Yingying and Chairman Cui.

At this time, Chairman Cui also stood up with a look of guilt, and he sighed a long time: "Hi... I am an old man, I have never bent the law for personal gain in my life.

My daughter begged me.

I thought, at such an old age, I have no other requirements in this life, I just hope my daughter can live a happy life.

I thought it was just an ordinary member of the company, so I opened it when I opened it.

I never considered how much harm I would do to an ordinary employee.

Liao Jie is wrong.

My poor old man is even more wrong!

man!

If something is done unintentionally or if a young man makes a mistake, God will forgive it.

But, for someone like me, who holds the power of life and death, once a decision is made wrong, or if he knows it is unfair and he still makes a mistake, it is really unforgivable.

I was so wrong and I don't deserve to be forgiven.

From now on, I will step down as a director of the Fu Group.

I also.....”

Speaking of which, Mr. Cui looked at Galia: “You are a good boy, I have seen your work ability, and all your achievements since you joined the company today.

It’s my poor old man being too selfish.

I’m sorry, kid. ”

As soon as the words were spoken, Mr. Cui bent down and gave Galia a deep 90-degree bow.

Galia suddenly became at a loss: “Old man...that, the old chairman...”

“Child... I bless you with your rising in the Fu Group, and I am very relieved, I know that you will never rely on your husband’s position to seek benefits for yourself and suppress you. Others, you are a down-to-earth and hard-working child. Christopher has never seen the wrong person or chose the wrong wife, so I can rest assured.

We, the Fu Group, should all have such an atmosphere for the best development.

Children, you are the pride of our Fu Group!

I am also proud of myself!

Thank you for teaching me a lesson!

From now on... I will go home to retire. ”

What he said was so sincere, his voice was choked, there was a lot of reluctance and regret in his tone, and everyone could hear how good his attitude was.

After speaking, he turned around and left.

Galia also choked and stopped Cui Senshi behind him: "Old Chairman, you did something wrong, and I am very angry with you. Maybe God won't forgive you, but we are too far away from God. There are too many human beings to be governed by God, maybe he has forgotten us long ago? So even if God does not forgive you, but I...I forgive you!"

"What?" Chairman Cui thought he had heard it wrong.

"I forgive you! I am willing to forgive you!" There were tears in Galia's eyes.

She has always been a soft-hearted girl.

After seeing the mischief of others, he also has the courage and hard work to the end.

However, she can't see the sincere repentance of others, who in this world does not make mistakes?

Everyone commits.

She Galia had made serious mistakes. If it weren't for Christopher, Suzi, they tolerated her and gave her courage, how could she have achieved today?

Besides, Chairman Cui has been conscientious and conscientious all his life, and it really does not harm others and benefit himself.

Only this time, it is also a love girl.

So Galia chose to forgive.

Chairman Cui: "Child..."

"Do you know why? Although I hate you as an employee, but in private. I especially envy your daughter to have a father like you, she is so happy.

Chapter 2728

It would be great if I had a dad like you who could do everything for me regardless of right or wrong, just for my happiness.

I know, I can understand you.

You have investigated and I know that I have always been conscientious and conscientious when I came to Fu's Group, and I know that I work so hard.

Likewise, I know you too.

You have been in charge of the Fu Group for so many years, and you have never had a false public benefit, and you have never been so unreasonable. This is your only time.

Or because of your daughter.

So, I forgive you. "

Galia said it very sincerely.

Chairman Cui listened with great admiration.

He looked at Christopher with a blushing old face: "Kuan, you are really discerning. You have found this good wife. This child is very amazing. She deserves you to have."

"Old Cui, since Galia doesn't hold you accountable, you can stay." If Galia didn't say anything, Christopher would not hold Cui Dong at fault.

We have worked together for so many years, and Chairman Cui has always taken good care of Christopher.

Christopher has not been in the company for so many years, and he has undertaken the fewest tasks. Cui Laoke has never arranged anything about Christopher.

Christopher has a number in his heart.

"No!" Cui Dong refused categorically: "I am old, and it is time to retire. My position in this position will affect the development of young people. In the future, if I am confused for a while, I will still do wrong things.

So Kuaner, don't persuade me.

I decided to quit.

And, I will let you keep my 20% equity first. "

Christopher: "Old Cui, this..."

Chairman Cui smiled gently: "But Mr. Yan, I have an unkind request from my old man. I wonder if you can agree to me?"

"Old Chairman, you said, as long as I can do it, I will promise you!" Christopher said immediately.

"I think..." Cui Dong looked at Cui Yingying: "I want my daughter Yingying, like Galia, to start from the bottom in the company, and then rely on herself step by step. With her hard work, she has a legitimate career and allows her to support herself. Do you think it will work?"

With that said, Chairman Cui looked at Cui Yingying: "Yingying, you don't object to Dad's decision, do you?"

Cui Yingying immediately cried: "Dad, I have no objection! I'm sorry, Dad, I hurt you. As long as Mr. Yan and Mrs. Yan agree, I am willing to clean the toilet in the company."

Cui Yingying looked at Galia and Christopher again: "Mr. Yan, Mrs. Yan, can you please give me a chance? I will assure you that I will work hard, as long as the company wants me, I start with cleaning.

I am not afraid of being dirty, not afraid of suffering, not afraid of being tired!

I must learn like you and stand up step by step!

May I? "

Having said this, Cui Yingying suddenly gave a bleak smile: "But it doesn't matter, because of my bad deeds, I don't think the company will want me, so I won't mind, even if the company doesn't want me, I will rely on me in the future. I am trying my best to find a job outside.

This is me... I apologize to Galia for my actions.

sorry. Galia.

I do not ask you to forgive me. "

After speaking, Galia also bowed deeply to Galia.

Then, she took her father's arm and said, "Dad, let's go."

"Okay!" said Chairman Cui.

"Wait a minute!" Christopher stopped the old chairman: "I will discuss with the other directors whether the old chairman should go or stay, but Yingying can stay.

I believe that Yingying will be able to take over your father's position in the future.

I believe that in the near future, our company will have an excellent female chairman. "

Cui Yingying looked at Christopher in disbelief: "Is what you said true?"

Christopher smiled slightly: "Of course it's true."

"Thank you Mr. Yan, Mrs. Yan." Cui Yingying said gratefully.

Christopher smiled: "It would be embarrassing to call Mrs. Galia Yan now, because we don't have a banquet yet, but I'll take this opportunity to announce that I'm going to have a wedding party with Galia!"

Chapter 2729

Are you going to have a wedding?

This message came too suddenly.

Liao Jie and Lin Dazhou, who originally wanted to find a hole to drill, couldn't help but look up at Galia.

The wedding has been announced, which must be true.

In the hearts of Liao Jie and Lin Dazhou, one regrets the other.

I regret my deception too much.

It's not a problem if you regret not giving people a chance to reform, and you have to kill everyone.

The results of it?

He didn't drive others to death, but he gambled his own way.

Seeing that the people in the entire reception room were revelling, Liao Jie and Lin Dazhou walked out of the Fu Group in despair, and at a gate, the two of them fought frantically.

They beat each other's nose and face, and their hair fell out.

From a distance, Suzi and Arron were sitting in the car watching all this.

Suzi said with disgust: "It's said that women fight each other's hair and fingernails dig each other's faces, why is it the same for this man? Lin Dazhou is too old to beat Liao Jie, but he beat Liao Jie. Jie's face was scratched like a chicken's paw.

Seeing the two of them fight like this, Shaoqin, do you think we have gone too far? "

Arron shook his head.

Introducing Lin Dazhou into Liao Jie's field of vision, and letting Liao Jie know that Lin Dazhou was Galia's former boss, both intentionally or unintentionally, all these were secretly operated by Arron.

Arron has always been a ruthless man.

He and Suzi, even Christopher, could not help Galia for a lifetime.

In order to cure Galia's heart disease, Galia must be given a strong medicine.

If Galia can support herself in this contest, then in the future, Galia must be invincible.

The reason why Arron is willing to help Galia in this way is mainly because the child is very talented.

Co-ordination ability, the mind is smart.

She just has a poor inner quality. She has low self-esteem and vanity since she was a child, which is not a big problem. It's a good seedling when cured.

After Arron thought about it, it was nothing more than a few results to find Lin Dazhou.

First, when Galia saw Lin Dazhou, she was cowardly and didn't know how to deal with it. This was the worst plan.

But Arron felt that Galia was not so bad.

The best scene Arron thought of was that Lin Dazhou came, and when he and Galia saw each other, they would be shocked, but Lin Dazhou, as the husband of a company and half an elder, should be broad-minded. At most, when I see Galia, I will ridicule Galia, but in the end I will tolerate and encourage Galia.

And Galia's best performance is to see Lin Dazhou coming, without resentment or resentment, and still not humble or arrogant, to receive Lin Dazhou in a business manner, and cooperate with him.

This is the best state Arron imagined.

I also feel that it may develop in this direction, and everyone is happy since then.

It made him never think that a big man like Lin Dazhou is also a successful person, why is he so small?

People are really unpredictable.

People's inferiority is sometimes not exposed or not, but it depends on whether the opportunity is suitable or not.

For some people, once they get the chance, their inferiority will be exposed at a glance.

Lin Dazhou never thought that Galia would become so powerful and would not be afraid of him at all, not afraid of him from the bottom of his heart!

Let him this time was originally a great opportunity, and the opportunity to cooperate with the country's leading comprehensive company was gone.
