### Chapter 2734

If

she dies, I won't marry for the rest of my life!

Ah bah bah!

What am I telling you! Cursed my wife to death!

Damn you! "

Darius was really furious: "You woman, you not only deserve to die!" You are still ugly. You say that my wife has become ugly. No matter how ugly my wife is, she can't be as ugly as you. You have become too ugly. Don't you look in the mirror?

Ugly!

It's so ugly!

roll!

After shouting, Darius waved to the security guard again: "Security guard, come here and drive this ugly guy away! " At the wedding scene near my brother-in-law, I went straight to the police station! "

Mi Lu: "..."

She touched her cheek subconsciously. She

looked at Darius with red eyes, and tears fell instantly: "I... I look like this, it's not too bad." Ugly? "

Darius suddenly softened.

He was not a mean woman. He was mainly afraid of Mi Lu, so he wanted to say something vicious to dispel Mi Lu's thoughts.

Thinking of this, Darius was ruthless: "That's right! It's so ugly, I'm sick of being ugly, let's go!

Mi Lu turned around and stumbled away.

Watching Mi Lu walk away, Shu Ming said behind him, "I hope you don't pester me again in the future, let alone you, any woman in Nancheng, no matter how beautiful or young, still rich and powerful, I don't want it at all.

I just want my wife Galia.

I also hope you don't get distracted in the future. Instead, focus more on acting and create your own career!

Do it yourself! Watching Mi Lu walk away,

Dariuscai returned to the hotel gate to entertain guests with

Galia and Christopher. The wedding of Galia and Christopher was very grand and smooth, especially Christopher's father Mom, I'm really happy. My

son is almost forty years old.

Originally, the old couple thought that my son would be a bachelor for the rest of his life.

I didn't expect that at such an old age, we can still meet such a sensible and good girl. , This girl has taken care of Christopher's parents and Galia's parents for more than a year.

Moreover, this girl is not arrogant and pampered at all. She is willing to do any hard work and can cook.

Okay . They are very supportive.

Their old Yan family is a blessing they have cultivated in several lifetimes.

The whole wedding was full of joy and a complete success. Only after the wedding, Galia and Christopher, who had taken off their makeup, saw Galia's father. Mom hid in the corner and cried.

"Uncle and aunt, what's the matter with you? "Galia has changed her name from uncle and aunt to uncle and aunt.

Luo Jin raised her head and smiled at Galia: "It's okay Galia, my aunt is happy, seeing Christopher getting married and marrying such a good daughter-in-law, Uncle and aunt are very happy, just..."

Having said that, Luo Jin was choked up and speechless, she calmed down for a while, and then said: "It's just Galia, this child is not I know where she is and how she's doing, her brother is married, and she didn't even come to see you in person, we... uu..." The

fat piece put one arm around Luo Jin. Yan Weimin also lowered his head and secretly wiped his tears.

"Uncle and Aunt, I know you are sad, don't worry, when our wedding is over, let Christopher continue to look for Galia. In the years to come, no matter how

much time you spend. , we have to find Galia back and let our family reunite!  
"Galia said loudly.

"You are a good boy." Luo Jin cried and hugged Galia.

At this time, there was a sudden commotion outside the door.

One of them said in a loud voice, "You woman, what do you want to sneak in, do you want to steal something at the wedding venue?"

## Chapter 2735

Everyone heard the sound and looked over, and saw two security guards, holding a cow with grass on his head and clothes on his body, and a muddy Woman, come over.

Galia also came to the woman: "Mi Lu...is that you?" The

security guard said angrily: "This woman came out of the grass next to the artificial river at the far end of the lawn, I guess She knew in advance that we were going to have a grand wedding here today, so she had been there for a long time . She

must be a habitual offender.

Mrs. Yan, please check your valuables first, and I will send this habitual thief to him. The police station."

"No, no, I'm not a habitual offender, nor a habitual thief." Milu stammered and explained incoherently, her eyes humble and sincere.

She desperately broke free from the security guard's hand and looked at Galia: "Mrs. Yan, you...you know you're not a habitual thief, you've seen me, right?"

Please explain to them that I'm not a habitual thief.

I'm a thief. Actor.

I'm a little famous actor who will become more and more famous in the future.

I'm not bad. In the

future... I will definitely become famous in the future."

When I heard Mi Lu say this , Galia suddenly felt an indescribable grief in her heart, as if she saw her former self, who was eager to prove herself in front of others.

Galia asked in a bit of hatred: "You are really, you have your own career, and your acting skills are also good, why are you entangled with Brother Ming Zhen? He has told you that he is also a wife

. Are you so persistent?"

Galia has also pestered others before, she knows the feeling of not being affirmed, so at this moment, she knows that Mi Lu's behavior is quite annoying.

She didn't blame Mi Lu too much either.

Mi Lu swallowed her throat and said a little embarrassedly: "I am an actor, I really want to see that kind of large and luxurious wedding scene, I just want to gain some experience in my acting skills.

I have no other intentions.

From the front door I can't walk in, so I'll take a detour to the artificial river over there. I climbed over from the public beta over there.

I just want to see your wedding scene. I didn't steal anything, nothing else.

Can you ? Don't send me to the police station?"

Galia sighed, and then said to the security guard, "Forget about the security guard, she is really not a thief, she just wants to attend my wedding, and there is no invitation, we are negligent.

Let her go." The security guard was

slightly embarrassed: "Oh, good, good."

Suzi and Arron, who were standing not far away, looked at each other and smiled, Arron said to Christopher, "Galia is now She really

has grown a lot, which can be seen from her inclusiveness. People often say that tolerance is great. In the future work, Galia will definitely be your best right-hand man. I will be relieved to leave it to you to take care of it."

Christopher also smiled with satisfaction: "Yes, Galia is kind-hearted and very tolerant. But fourth master, while we are talking, our age is also Not too young, I will be forty soon.

Galia will also be thirty-two this year.

We will fight for a few more years, and while trying to maintain the prosperity of the Fu Group, we must also consider letting the junior take over.

What do you plan to make the only one? Time to take over?"

Kung Fu, the only one who spoke, is already sixteen years old this year.

High school.

When he thought of the only one, Arron smiled helplessly: "This child has no interest in doing business or taking over the shift, but her younger brothers are seven or eight years younger than her, ten years old.

They are still so young.

Think about this . , I am worried. In

any case, I don't want to interfere with my children. With such a big family business and such huge assets, if I can't even guarantee the happiness and happiness of my children, what should I do with such strong assets?

So, The only thing you can do is do what you want.

## Chapter 2736

As long as she is happy, what if she doesn't inherit the Fu Group?

In the past few years of vacancies, we can also look for good managers, the same is true.

In this world, the capable people originally lived, whether they were insiders or outsiders, as long as they could carry forward the Fu Group. "

Arron is informal.

"I know the fourth master, I will put more effort into this aspect and slowly find candidates for you." "Christopher said respectfully.

"Okay." "Arron nodded.

While the two were talking, the security guard on the other side had already left.

Mi Lu, who was released, looked a little helpless. She kept apologizing like Galia, and after apologizing, her eyes turned again. Yan Weimin and Luo Jin who looked at Galia intently: "You... hello. "

"It's you, who keeps trying to marry my son-in-law?" "Yan Weimin looked at Mi Lu angrily.

Mi Lu swallowed again: "I...I...believe me, I can...also be like Mrs. Yan. Take care of you, I...I didn't want him to marry me, I...I just wanted to be his friend.

I think he's a... nice guy, and I want to be a normal friend.

Let's start with ordinary friends..."

Yan Weimin: "..."

He really doesn't know what to say.

Although he is in his sixties and old, he also knows that, Nowadays, all walks of life are introverted, even the star circle is the same. It

is not easy to mix.

Some people say that so-and-so star is doing something in order to be in the top position, but think about it in turn. In this industry, if you don't do this, you are an anomaly. Even if you try to keep your innocence, you may be thrown all over your body. piss.

The circle was already chaotic.

Who can tell the difference between black and white?

The woman in front of her, although ugly, a little tired, and dirty, but Yan Weimin could see a kind of sincerity and desire in her eyes.

Those eyes are quite piercing the heart of the people.

He thought this way, but he didn't expect that his wife Luo Jin also pulled Yan Weimin's shirt and said: "For the people, forget it, it's not easy, it's really not

easy for her to eat for the sake of eating, I see She thought of our daughter, if our daughter is still alive now, and life is so hard in the world, how hard we will be.

Let her go.

Don't embarrass her."

Hearing what Yan Weimin and his wife said, Mi Lu burst into tears. Falling down reluctantly.

She couldn't hold back, and rushed towards Yan Weimin and Luo Jin.

"Hey! What are you doing!" Suzi, who was not far away, immediately scolded Mi Lu.

Mi Lu suddenly stopped again, she saw Suzi's colleague, her eyes froze for a moment, her lips involuntarily shouted: "Shen..."

and then immediately changed her words: "Mrs. Fu, you. ....Hello, your...your friend..."

She looked around, but didn't say anything else.

He just looked at Suzi and smiled with incomparably flattering eyes.

Suzi didn't like such a woman who was too flattering, so she endured her discomfort and said to Mi Lu: "It is really hard to be a supporting role in a movie, and there is no famous protagonist and no protagonist. Big, few announcements, I can understand that.

You can climb up, but you can't do anything.

If you do anything to such an old elderly person and affect their lives, I will make you unable to borrow any role in this city, let alone this city, even the whole country, I will make you unable to get along . ”

Suzi's words were very cruel.

It was mainly for Galia's parents. She didn't want Galia's parents to have lost their daughter and to be harassed by outsiders. With

such cruelty, Mi Lu's face was not at all. Not embarrassed, but she thanked Suzi with a face: "Thank you, thank you Mrs. Fu, thank you so much, I... I'm leaving. With the words, Mi Lu turned around and left. After she limped forward a few steps, she looked back at Yan Weimin and Luo Jin. At

that moment, Mi Lu's tears suddenly burst down, and she He turned around suddenly and ran out with a lame leg.

## Chapter 2737

No one knows how fierce Mi Lu's tears are.

Seeing Mi Lu running away, Suzi hesitated for a second, and she suddenly felt that Mi Lu's back was not a back, right?

It was a momentary feeling, a bit like Galia.

But can't tell where it is.

"What's wrong with you?" Arron asked Suzi.

Suzi sighed and shook his head: "Maybe I miss Galia too much, you know, I have no friends since I was a child, the best friend in my life is Galia, she is my little cookie, Xiao Healing, she has no heart I have no lungs, and my heart is full of sweetness.

When I met Galia, I always thought that sweet things were luxury goods and should not belong to me.

After meeting Galia, Galia was full of eyes and filled me with stuff. It's all sweet.

She ate fast food with me, scolded Rayna with me, and spent the most difficult days with me. I have never seen Galia unhappy.

Her happiness, her cheerful smile, she I am the little princess, and the whole world must pamper me, pamper me, and pamper me. That little energy that pampers me is the best medicine in the world.

Play with Galia. You can live a long life.

But what about Galia?"

Thinking of this, Suzi was extremely sad.

At the same time, she also saw that Galia's parents were also sad.

Suzi, Arron, Christopher and Galia all went to comfort Yan Weimin and Luo Jin together.

"My Galia, can she come back in this life? Where is she, this child, why is she so cruel, leaving her parents behind and never returning?" Luo Jin almost cried out in Yan Weimin's head in the arms.

Galia was also in tears.

She had never seen the real Galia, but only a photo of Galia. In that photo, Galia was like a little sun, and she was indeed likable.

The young couple who just got married almost helped them to get Yan Weimin and Luo Jin into the car. The two took the old couple to their home

and stayed with them for a long time. In the end, Christopher said apologetically to Galia: "Wife, I'm sorry, my uncle and aunt are so pitiful."

Galia gave Christopher a sullen look: "Your uncle and aunt are not my uncle and aunt."

Christopher hugged Galia and smiled: "Of course it is!"

"That's what you said! I hate you!" Galia slapped Christopher.

Christopher sighed and said softly: "I don't know if I can find my sister in this life, even if there is only one hope, I have to find it, otherwise, not only my uncle and aunt will not be able to support it, but even Lian Ming Zhen, it may also become more and more decadent, we are back, taking care of our uncle and aunt, we still don't know what Ming Zhen will be like today?

Ming Zhen is watching my wedding with you, what will he think?"

Galia also sighed with emotion. : "My sister is really worth it, I found such a good man who is infatuated."

Christopher smiled comfortably: "Who said no, you don't know how Ming Zhen spoils my sister, he is really a good man, obviously he is He came from a wealthy and noble family, but Mingzhen has no aristocratic air at all. He is very peaceful and generous.

My sister and Mingzhen are together, and she really does not touch the spring water.

If my sister does not disappear, I think My sister is the happiest little girl in the world.

At home, I have my parents, my brother, my uncle and my aunt, and when I get married, my mother-in-law and my family love me. But

, I really answer that sentence, and God is jealous of her beauty.

God just can't see my sister . .

Let my sister disappear for nothing, and even Ming Zhen is helpless. I'll give him a call..."

Christopher couldn't bear Darius to leave alone, so he took out his mobile phone and called Darius. There was a ringtone on the other end, but he didn't answer it for a long time.

The phone hangs up automatically.
