The moment he lifted his foot, he heard a voice outside the door.

"Lulu, are you in the house? How can I hear a voice in your house? Are you okay? What's wrong with you, is it okay?" There was a female voice outside.

Mi Lu replied with difficulty: "No...Sister Yang, I...I have nothing to do, just the washbasin fell off just now, nothing to do. You don't have to come in, I'm changing my clothes. ,not very convenient."

"Well, okay, you have something to call me, I'll go have breakfast first."

Mi Lu climbed to Darius's feet and hugged Darius's feet.

She looked at Darius's eyes as if she looked at the gods she had believed in her whole life.

Darius: "..."

"Are you a masochist!" He was already so angry that he was smoking.

"No, Master Shu, I just love you."

"But I only love my wife, only my wife, only my wife, listen carefully!" Darius crouched down, raised his hand and twisted Mi Lu's ear, and shouted loudly in her ear: " You ruined me, ruined my wife's love! I'm going to kill you!"

"You love your wife so much?" Mi Lu asked with a smile, her expression was so sweet.

"Of course! She is my favorite, and the little sweetie in my heart is the treasure of my life." Darius said viciously.

"I don't ask you to love me, you don't have to love me, I am unilateral, I am unilaterally willing to let you send me all my life, okay, Master Shu?" Mi Lu began to beg Darius.

"Don't you understand what I'm saying?" Darius began to twist Milu's ears again.

Mi Lu's painful face was deformed, but she was still smiling: "I will serve you well, as long as you let me serve you, you will know that you are the happiest man in the world, you just need to give me Just a chance to serve you, okay?

Just let me be by your side?

"You are really the most shameless woman in this world! How can I be so unlucky!" Darius was no longer as angry as before, he turned his head to look for clothes.

However, he found that there were no clothes in the small room.

"Where's my clothes, let me ask you about my clothes!"

"Oh, I...I, I washed it for you, I'll go get it for you, I'll bake it for you after just washing it, it should be dry, I'll go get it." Saying that, Mi Lu was about to stand up and open the door.

But she grabbed the door handle and tried hard for several times, but she couldn't stand up, but it hurt: "Ow..."

Blood spit out again.

Darius was suddenly startled: "You... what's the matter with you?"

Chapter 2741

Mi Lu smiled and said, "It's fine, I'm fine, I don't hurt, I'm fine."

Darius glared at Mi Lu viciously, then bent over and wanted to hug her. When he got up, just as he was about to touch her, he realized that he was undressed. He immediately straightened up again, and angrily raised

his hand and slammed the door: "Bastard! Bastard! Darius, you are a goddamn bastard bastard!" The blood from his own beating came.

"Don't, don't mutilate yourself like this, Ming Zhen, Ah Zhen, don't mutilate yourself, you have to cherish yourself." Mi Lu hugged Darius's leg and begged him.

Seeing that he stopped beating, she hurriedly said: "I...I'll go out and get you clothes, I'll go out."

She wanted to stand up, but she couldn't, and she struggled to get up. The door handle, it took a long time for the door to open, and then he didn't forget to look back at Darius with a smile: "You... go to bed first, go to bed quickly, cover the quilt."

Darius: "..."

He was so angry that he was about to explode, but he felt a little distressed about this woman for some reason.

Mi Lu climbed out, then supported the wall outside the house, stood up little by little, and staggered to get her clothes that were drying outside.

Suits, trousers, shirts, ties, and underwear.

Shu Ming threw up last night, and there was nothing better.

She put Darius on the bed and sat tiredly on the ground, still teasing him: "I miss me so much, why are you still not thin, it's still so hard for me to support you!

I almost broke my arm and neck,

you're the only one! Heartless!"

Saying this, Mi Lu suddenly lay down in front of the bed again, crying in front of Darius: "Azhen, you... if you don't love me so much? If you don't love me, you If you find a woman to remarry and live your life well, how good?

I don't have to worry about you so much.

I don't have to pester you like this, A Zhen.

But...

but if you really find Other women, you are empathetic and don't fall in love, do you know how sad I will be?

I may be so sad that I will no longer have the courage to live.

Ah Zhen, I... do you know how happy I am?

I'm happy, and I feel sorry for you.

What can I do in my life? I

went to college with my parents at home, but I didn't achieve anything at work. How can a cripple like me deserve your love for me so much?

What advantages do I have? Ah, let you love me so much.

Ah Zhen... woo woo woo."

She lay down in front of his bed and fell asleep crying.

After sleeping for a while, she woke up and rested.

He got up and started taking off his clothes and shoes.

How much alcohol did he drink?

From the inside out, a whole body of wine.

She knows him, he has a slight habit of cleanliness, and he never wears his clothes until the next day. How could she be willing to let him be so sloppy for such a precious man.

She took off his clothes from the inside out, nothing left.

Seeing his body, she was so kind.

But no matter how kind she is, she has to wash his dirty clothes first, take his suits and trousers to the dry cleaners, wash and dry them before taking them back. His shirts, panties and smelly socks are all washed and dehydrated by her own hands, and then taken back. The hair dryer blew a little bit until it was 80% dry, and then left it to dry outside.

All the clothes were dry overnight.

Even a pair of shoes was wiped clean by her with toothpaste and lemonade from the inside out, and the shaved leather shoes were as good as new.

Mi Lu put these clothes in from the outside, and she struggled to the point of sweating.

She could feel her rib breaking and it hurt.

However, she is very happy.

Even if she was beaten to death by Darius, she was extremely happy.
