

PUNISHED BY HIS LOVE

I'm Sorry My Love Novel Alternative

Chapter 2744

He knew Darius. He knew that Darius would not do this until he was forced to do so.

Besides, even if Darius wants to find a woman, it is impossible to find a woman who is not beautiful or an actress. As long as the Shu family wants to go to Darius and want to marry again, he should be able to pick it up in Nancheng. Marry?

"I know, I know everything, I'm just worthless for my daughter, where is my daughter, can I still see my daughter in this life?" Luo Jin burst into tears, crying very sadly.

"Darius! I am your ancestor!" Rayna slapped the table and ran out immediately.

"Rayna, what are you doing!" Suzi followed behind.

"I'm going to break Darius's leg!"

"He's your cousin!"

"He's still your cousin, you protect him, you protect him, I don't have such a cousin, if the cousin is yours too! It has nothing to do with me!" Suzi didn't even recognize it.

"Shrew!" Suzi shouted from behind, Rayna had already walked away.

She went out and drove straight to Darius's house.

Arriving at Shu's house, the car stopped, Rayna got out of the car and rushed forward excitedly, and met the housekeeper of Shu's head.

"Miss Biao, are you here to see your aunt? You are not here someday. My wife misses you. I bought a bunch of clothes for your two children a while ago. Oh, Miss Biao, are you here? What's the matter, why are you so arrogant?" While speaking, the housekeeper also saw Rayna's anger.

"Where is the dog's Darius? I want to split the dog's in half!"

"You... scolding you... you are scolding your wife. Your wife is your own aunt."

"My goddamn mouth!" Min Qing was angry, raised his hand and slapped himself fiercely, and continued to walk in while hitting.

"Miss Biao, don't make trouble...you..." How could the housekeeper stop the angry Rayna?

As soon as Rayna spoke, he rushed outside the large living room.

Before entering the door, she heard a cry: "Master, ma'am, I...I don't think about what to do, I just think, I can...I can serve in Mingzhen. The young master is in front of you. I can serve you in front of you. I can serve you tea and water every day. I just...I am very satisfied. I never thought about letting Master Ming Zhen marry me.

I hadn't thought about..."

This is Mi Lu's cry, she is begging Darius's parents in a very humble way.

"How can your face be so thick, how can you be so thick! You have followed Ming Zhen to our house, shouldn't you be in the hospital now, go back and our family will pay for your medical expenses!"

Once you are healed, you will have nothing to do with our family.

Get out! "Shu's mother cried with tears in both eyes.

She was beating her chest while crying: "How do you tell me how to deal with my daughter-in-law, how do you ask me to face my in-laws, you damn woman, get out of here... Ming Zhen, give her to her I'll get out."

Darius knelt in front of his mother: "Mom, I'm drunk, I can't blame Mi Lu for this, I have to bear the responsibility that I should bear, in the end it was I who injured her."

"You let her go, I don't care..." Mother Shu cried heartbreakingly.

What happened to their Shu family?

The life and death of the daughter-in-law is unknown, and the twin grandchildren don't know where they are, but there are such bad goods in the family!

How unlucky!

"I'm dead..." Mother Shu cried and fell into Father Shu's arms.

Hearing that her aunt was so sad, Rayna outside the door was even more annoyed, she suddenly pushed the door in, rushed in front of Mi Lu, and put her foot on Mi Lu's back: "You shameless thing, look at me I won't kill you today!"

Chapter 2745

"Ow..." Mi Lu's rib was just connected, and she was kicked by Rayna like this, and she was in pain again.

When she turned around and saw that it was Rayna, she immediately reluctantly supported her little face: "Rong...Xiao, what are you doing for me, miss?"

"Kick to death you shameless little three! You can still come to the door in a grand manner! You know that this family has a mistress! Do you know that there is a mistress!

Little three!

get out!

If you don't let me go, I'll disfigure Darius's disfigured face today!

I see how he seduces the mistress by relying on his good looks! "

"That, Miss Biao, why don't you understand that you are all scolding your aunt?" The housekeeper really couldn't listen to Rayna's scolding.

Mi Lu, who was kicked to the ground, heard this, but with a painful face, she suddenly smiled.

Compassionate or Compassionate.

It is really easy to change the country, but the nature is hard to change.

After a few years, Rong Rong still remembers their friendship, and even came to ask for justice for her. How can she not get excited in her heart?

Not impressed?

Mi Lu turned around and climbed in front of Rayna, hugged Rayna's leg: "Rong...Miss Biao, you are Miss Biao, right, I...I'm not As you think, I won't compete with the original hostess of this house.

I.....

I just wanted to..."

"fu** you! What do you want! You are not allowed to think about anything! Get out of here right now! Get out!" Rayna was extremely domineering.

"Rongrong!" Auntie called Rayna.

Rayna immediately cried: "Auntie! You know Galia, when Galia disappeared, she had the flesh and blood of your Shu family in her stomach, how could you be so cruel?"

You know Galia's parents, Galia is such a child!

Galia is now more than uncertain.

When she was at Shu's house, she never made you angry.

What a good girl, with your Shu family flesh and blood, you just found another woman for my cousin without even looking for her bones?

If Galia comes back one day.

Tell her where to go? "

Rayna burst into tears.

Auntie also cried: "Rongrong, you have to calm down, didn't we admit this woman!"

It was your cousin who injured the family. We cannot be irresponsible.

We also want Rong Rong, we really want to, but if Rong Rong doesn't come back in this life, will Ming Zhen be so lonely all his life? All three of our other children have been sent abroad and will never come back in this lifetime.

Only Ming Zhen was at home alone.

We can't let the Shu family have no future, right? "

Rayna looked at her aunt desolately: "Auntie, so my friend Galia is really in the past tense?"

"Hey..." Auntie sighed heavily: "Perhaps, our Shu family is destined to have no future in this life, right?"

After a pause, my aunt looked at Mi Lu: "Miss Mi, first of all, even if you don't have Galia, even if something happens to you, our Shu family won't want you.

Because we really don't like a stalker and unknown woman like you.

Secondly, our family does have a daughter-in-law, her name is Galia.

Our family has now unanimously decided that when our daughter-in-law comes back, if our daughter-in-law does not come back in this life, it means that our Shu family is destined to have no descendants, and we recognize it.

If a few years later, what I am saying is if, if we really get the news of Galia's death, then we will consider Ming Zhen's marriage, but that person must not be you!

So you die of this heart.

Regarding the fact that Ming Zhen kicked you and injured you, plus the one that Rong Rong kicked you just now, our Shu family is fully responsible.
