

# Chapter 2746– 2747 of A Dish Best Served Cold Novel

## Chapter 2646

Finally, in order to allow the sweet spring in the mouth to enter Mark's body smoothly, Yu Yun could only pry open the corners of Mark's lips with a more shy mood.

In this way, the sweet spring with its aftertaste and fragrance was delivered into Mark's mouth in this way.

After the spring water was delivered, Yu Yun quickly moved the corners of her lips and got up and left.

Even after feeding Markshui, Yu Yun's pretty face was still blushing.

I don't know if it's because of panic or shyness, my chest can't help but rise and fall.

Oh my god~

Yu Yun couldn't imagine that she actually fed Markshui in that way just now.

Fortunately, I was not seen by anyone, otherwise, if I let others know, she would be completely ruined for her first name.

“However, only this time.”

“In the future, no matter what, this sect master will never do this again.”

Yu Yun said vowedly, she swears that this violation of principle is the first and the last time.

In the future, no matter what happens again, Yu Yun will never violate her own character principles.

However, as soon as Yu Yun's words fell, Mark's almost dreamlike voice came again in his ears.

“Water~”

“Water...water...”

Yu Yun's face turned black at that time.

by!

Is this bastard a pig?

Is that big sip of water not enough for him to drink?

Even more?

“Impossible, don’t think about it this time.”

Yu Yun gritted her teeth and said angrily.

She had just sworn an oath, and naturally she would never violate it.

She had already decided that even if Mark died of thirst and had a fever, she would never feed Markshui regardless of her image, status, or principle.

Yu Yunxiu clenched her fists, her eyebrows and her eyes filled with determination and determination.

At this time, Mark was still shouting.

He was once so shameless, but now he is haggard, like a candle in the wind, it seems that it will go out in the next second.

Looking at Mark’s appearance, Yu Yun’s heart became softer again.

“Yu Yun, yes... I’m sorry...”

“I, Mark, after all, I still broke my promise.”

.....

Perhaps it was the reason for the fever and confusion, Mark had already started to talk nonsense.

Obviously the battle was over long ago, and he seemed to be still in the battle just now and didn’t come out.

However, these few words of Mark were like thunder, exploded in Yu Yun’s heart, and once again touched the softest string in her heart.

She didn’t expect that the young man in front of her was almost dead, but she was still thinking about her.

“Hey~”

“Think about my life, I have never failed in my life.”

“But it has been repeatedly defeated by you~”

Yu Yun smiled bitterly, and there was endless helplessness and bitterness in that sigh.

In the end, Yu Yun violated the oath just now and once again helped Mark fetch water.

And once again, as before, gave Mark water personally.

The red lips are on each other, the lips and teeth meet, and then the after-rhyme allows the sweet spring water to flow down from between his lips and teeth.

Once again, so close contact with Mark.

The sniffles can be heard, and the after rhyme can even count Mark's eyelashes by opening his eyes.

This is not the first time that he kissed Mark.

But even so, the shyness in Yu Yun's heart is still strong.

However, the only thing that made Yu Yun gratified was that fortunately, Mark was still in a coma at this time and did not wake up.

Otherwise, if you let the bastard see that she took the initiative to kiss him, then she will be jokes by the bastard for a lifetime after she is over.

## Chapter 2647

However, just when Yu Yun was so grateful, who could have thought that Mark, who was originally unconscious, had more than one reason why the tongue in his mouth suddenly moved.

Then, in Yu Yun's stunned eyes, she was entangled with her fragrant tongue and touch.

Boom~

At the moment when Mark's tongue touched, Yu Yun only felt like thunder exploded in her mind, and her whole person was immediately stunned, and her brain buzzed.

At the same time, Yu Yun's delicate body was also instantly stiff, and the numbness felt like a current flowing through her body.

The pretty face was even more blush, and nearly 10,000 fawns were touching in his chest.

The stunningly pretty face was filled with endless panic and shyness.

For so many years, perhaps she has been at the pinnacle of extreme power, who lives and kills, is the existence that everyone respects and admires, and is the senior expert in the eyes of warriors from all countries around the world.

However, Yu Yun is undoubtedly inexperienced in this kind of male and female matters, no different from the young girl in the school who is still in the cardamom age.

That's why, only Mark's tiny movements under a kind of unconsciousness made Yu Yun so shocked and embarrassed.

However, when she was panicked, Yu Yun didn't know why, and she felt a bit of excitement and joy deep in her heart.

This is undoubtedly unbelievable for the after rhyme.

People in her position, things in the world, have rarely made them feel sad and happy.

Yu Yun remembers that the last time she felt joyful was when she stepped into the titled master many years ago.

But now, she has this kind of emotion again?

Is it because of him?

After a brief absence, Yu Yun quickly recovered her senses.

She left Mark immediately, as if to calm herself down as soon as possible, she even ran out of the cave, unwilling to get too close to Mark.

But a few minutes later, she was still uneasy after all and returned here again.

After that, she stopped delaying and began to help Mark to heal his injuries.

Of course, Yu Yun hadn't practiced any medical skills. The healing she said was just to help Mark convey the true energy.

As for the remaining injuries, they mainly rely on Mark's own self-repair function to heal itself.

What she can do is more of a supplementary role.

Time passed slowly.

In the cave, two figures are sitting peacefully.

The bright moonlight was faintly scattered, but it was the gorgeousness of the ground in front of the two Yu Yun.

By this time, it was already late at night.

Yu Yun's healing to Mark has also ended.

She had already sent a part of the zhenqi to Mark, as for the rest, she had to wait for Mark to wake up.

At this time, Mark was still in a coma.

But the body was no longer as weak as before. The true qi that Yu Yun sent to Mark allowed Mark to regain some qi and blood, and his breath became much more stable and powerful.

However, he is still asleep.

The slender eyelashes swayed slightly in the night breeze.

Yu Yun was by his side, just like Mark had guarded her.

It's just that the identities of the two are reversed now, and she is to guard the young man.

Yu Yun always wanted to take advantage of this time to calm down and practice, but she couldn't help herself, and she couldn't help but look at the young man.

It was the first time to look at him so carefully, Yu Yun discovered that Mark's eyelashes were so long, longer than those of a girl, and even more beautiful.
