

Chapter 275

Early the next morning.

Charlie was about to go out to buy vegetables, so he received a call.

It was Aoxue, the little pepper of the Qin family.

Aoxue got on the phone, and asked happily, "Mr. Wade, are you at home now?"

Charlie snorted and said, "At home, why, are you looking for something to do with me?"

Aoxue said: "My dad asked me to send you some medicinal materials, saying that it was Warnia's order. I wonder if it will be convenient for you? If it is convenient, I will bring it to the door."

His wife, Claire, went to work in the studio. The Old Master drove his mother-in-law to Tomson's villa to see the progress of the renovation, so Charlie was at home alone, which was not inconvenient.

So he said: "It's convenient for me. Come here directly."

Aoxue hurriedly said, "OK, Mr. Wade. I will be there soon!"

A few minutes later, Charlie heard a knock on the door.

When he opened the door, he saw Aoxue, who was wearing a beige dress with a black shawl and long hair, was standing in the doorway, with a huge suitcase in her hand, and a shy face.

"Hello Mr. Wade, I am Aoxue, I don't know if you still remember me"

Aoxue was extremely nervous at the moment.

Since her father told her yesterday the importance of Mr. Wade to the future of the family, she tossed and turned all night and did not sleep well.

Charlie was naturally all thinking in her mind.

She is also at the age of a young girl.

Which girl doesn't want to find a handsome, rich, and powerful man who is a good husband too?

And when she looked around, there were no men in the world who could compete with Charlie!

This is the real candidate for a good husband!

Don't say that Dad hopes to make progress with him, even if he doesn't say it, she can't help but be fascinated by him.

Charlie didn't know why Aoxue was so nervous. The last time he saw her, she was very savage and insisted on competing with herself.

Why does she seem today as if he has changed?

The hot little pepper suddenly turned into a fresh and delicious cucumber?

So he asked curiously: "What's wrong with you today? It seems to be a big change from before?"

Aoxue said in embarrassment, "Mr. Wade, I used to be ignorant, and last time I was frivolous in front of Master Wade. Please forgive me."

Charlie smiled and said, "It seems that the changes are really big."

After speaking, he flashed over and said: "Stop talking at the door, come in."

Aoxue nodded hurriedly and walked in carefully holding the box.

Charlie saw that it was exhausting to pull this huge box. Aoxue is also a trainer and has some strength. Normally strong labor may not be her opponent. She is still so hard. It seems that this box must be very difficult.

So he asked curiously: "What's in your box? Why is it so heavy?"

Aoxue hurriedly said, "Mr. Wade, these are all medicinal materials my father prepared for you, and they are all top-quality medicinal materials!"

After speaking, she put the suitcase on the floor of the living room and opened the suitcase.

Chapter 276

The most eye-catching medicinal materials are really the best!

Even Charlie himself had no way to buy the best medicinal materials!

Charlie was a little shocked and couldn't help asking: "How can your father get so many such good medicinal materials?"

Aoxue hurriedly said: "Mr. Wade knows something. My Qin family manages a lot of business. One of them is medicinal materials. Our ancestors were medicinal materials dealers from the Qing Dynasty. We had our own mule and horse team to collect the top medicinal materials and transport them. We sold it to princes and nobles in the capital and sold it to rich merchants in Aurous Hill. For so many years, we have not lost this business.

After that, Aoxue hurriedly said: "By the way, my father asked me to tell Mr. Wade that if Mr. Wade has any demand for medicinal materials in the future, tell us directly, the Qin family will do everything possible to meet your needs!"

Charlie was also surprised.

Ever since he accidentally obtained the Nine Profound Heavenly Secrets, he was attracted by the mystery in it. There are so many abilities and prescriptions for refining medicine, but many medicinal materials have never even heard of it.

He was still worrying about this, but he didn't expect that the Qin family was a medicinal material merchant with a century-old heritage!

This is really nowhere to be found after breaking through the iron shoes, and it is all effortless!

So he couldn't hide his joy and said, "Okay! Very good! With the help of your Qin family in the future, my medicine refining will be much easier!"

Aoxue heard Charlie talking about refining medicine, hesitated again and again, gathered courage, and knelt on the ground with a thud.

Charlie was startled by her sudden movement, and asked in surprise: "Aoxue, what are you doing?"

Aoxue knelt on her knees, clasped her fists in her hands, and pleaded with a pious expression: "Mr. Wade! My father heard that you are going to make magical medicine, and he yearned for it, so I begged Mr. Wade, can I be here? After refining the magic medicine, it is also too"

Aoxue stayed for a long time and didn't say anything else.

She has always been admired by others since she was a child. How can she beg others? Not to mention begging for something.

Therefore, this thin-skinned girl is now embarrassed to tell her real needs.

Seeing her hesitating, Charlie couldn't help worrying about her.

However, even if Aoxue didn't say it, he knew Aoxue's request in his heart.

So he said lightly: "Does your father also want a magic medicine?"

Aoxue nodded as soon as she heard this!

Immediately, she hurriedly said: "If Mr. Wade is too burdened, we will never force it!"

Charlie smiled.

What kind of magical medicine is the medicine he wants to refine for Tianqi and the others? It's nothing more than the lowest grade medicine in the Nine Profound Heaven Scriptures.

This kind of thing is easy and trouble-free when refining. As long as there are raw materials, it can be produced in minutes, which is faster than steaming buns with noodles. What the Qin family wants is nothing more than medicine. Of course, he will not refuse.

The most important thing is that in the future, he will rely on the Qin family to prepare medicinal materials for himself.

If this time he can take the Qin family for his own use and let them become his disciples, it will be much easier for medicinal materials in the future.

So, he looked at Aoxue, who was embarrassed and flushed with eyes full of pleading, smiled slightly, reached out to support her, and smiled: "Your father wants my medicine, I can give it."

"Really?" Aoxue was suddenly excited when she heard this.

Charlie smiled and said, "Of course it's true. Even if you don't look at your dad's face, I can't refuse it because of your little beauty."

In fact, Charlie was joking.

But unexpectedly, after Aoxue listened, the deer slammed into her heart!

At this time, Charlie, in order to invite people to buy their hearts, smiled indifferently: “Well, since I have a relationship with your Qin family, this time I will give you two pills when I refine the magical medicine!”
