Chapter 2750 – 2751

Chapter 2750

In this world, there is a black, red, black and red star named Mi Lu. Mi Lu has to support her two babies. Mi Lu has to endure the coworkers who do not have the love of men and the life that her best friend likes, and also endure the rejection of everyone. , In this life, she may only play one kind of role, that is, any actress who is a little famous, is not very good at accepting roles that are extremely vicious and vicious.

From then on, perhaps in this life, Mi Lu can only live this kind of life.

She is not strict.

That person is loved by everyone, her parents are alive, she is loved by her brother, and her best friend is pampering her. Galia, who wants her husband to be tolerant, is dead and lives in the hearts of her relatives, friends and husbands.

And the one alive is Mi Lu.

Mi Lu's crying eyes were sore, and the little nurse who came to inspect her saw Mi Lu like this, and she also looked at her with incomparable contempt: "You deserve it!"

Then, after rudely checking Mi Lu's injuries, he left.

Mi Lu was in the hospital, and it took about ten days for her to be discharged by herself.

For ten days, no one came to see her.

Darius has never been here.

In addition to being sad, she was also happy.

That is, she should be able to go see her parents. Darius promised her that when she was healed, she would take her to see Yan's father and Yan's mother.

I can finally meet my parents face to face for real.

They would beat her and scold her.

But, it's all right.

She is happy.

Mi Lu packed her simple luggage, left the hospital alone, and took a taxi back to her residence alone.

It was a rental house renovated from an old factory building. Each room was a single room. It was very simple and the rent was cheap. Most of the people who live here are even smaller than Mi Lu, and they can only earn a hundred yuan a day and receive a boxed lunch.

Seeing Mi Lu entering the factory compound, everyone looked at Mi Lu with strange eyes.

Some people didn't speak, but their eyes looked at Mi Lu with contempt.

Some of them are jealous.

Some scolded directly.

“Yo, the big star is back! I thought the big star would go to the villa on the top of the mountain, why did he come back to us with a ragged dick by himself? Will the big star continue to grab food from us?”

“You called it wrong, who is a big star! It’s good or bad that they are famous and wealthy, and they can be taken out of the rental house by Darius, the premier luxury and rich in Nancheng, no matter how big the country’s stars are. Bar?”

This is definitely the standard of the rich and wealthy. ”

“Maybe they just come back to pack their luggage, and immediately move into the big villa on the top of the mountain, enjoy the treatment of the rich mistress, and enjoy the group of servants?”

“Ha! This is really interesting. She moved to a villa on the top of the mountain. Don’t wait to be beaten to death. This time, Young Master Shu didn’t beat her alone. This time, it was three!” Someone finally told the truth.

However, Mi Lu didn’t understand the truth.

What three people are going to beat her?

Who are the other two?

What is the situation?

“Mi Lu, you’re back, go back to your house and have a look, your house... has a guest.” After all, there are still extras who have a better relationship with Mi Lu.

Mi Lu looked at the woman: “Thank you, Sister Yang.”

As she said that, she walked towards her rental house suspiciously.

The door of the house is wide open, and she has the key in her hand. Who opened her door? Mi Lu carried her luggage and trotted to her room.

When I felt the room, I saw a pair of old people walking out of it.

Mi Lu immediately froze at Emperor Yuan, her lips twitched, unable to speak for a long time: "You...you..."

"Crack! Crack!"

Luo Jin raised his hand and slapped Mi Lu twice with his bows left and right: "You drinker of human blood, why do you use our daughter to promote you, what are you?"

Chapter 2751

Mi Lu was dizzy after being beaten. She touched her face and was speechless for a long time.

Since she was a child, her parents were not willing to beat her once.

Looking at Luo Jin's crying face, Mi Lu, who was beaten, suddenly knelt down: "Yes... I'm sorry, I'm sorry."

She hugged Luo Jin's leg and cried more fiercely than Luo Jin.

She wanted to see her parents. She had longed for this day for a long time. She thought that her parents would beat and scold her, but shouldn't she be the one who sent her to the door?

Why did her parents come to beat her so quickly.

Mi Lu, who didn't know why, could only keep saying sorry.

Luo Jin cried even more fiercely: "I'm sorry, what's the use! You woman, why are you so vicious, you wander around outside our community every day, and you've been staring at us for a long time, haven't you!

You're the only one in the world who's looking forward to our daughter's death, right?

What hatred does our daughter have with you!

You want to drink my daughter's blood like this? "

"I...I don't have any." Even though she knew that her own mother was in front of her, Milu still cried aggrieved.

"No?" Luo Jin glared at Mi Lu angrily: "Don't you preach everywhere that you want to take care of us for our daughter? You don't drink our daughter's blood, you go to my son-in-law every day and show all your hospitality to him. ?You all sorts of backwards?

you b!tch...

Why don't you die. "

Luo Jin has been honest all her life, very cultivated and self-sufficient, but at this moment, she is scolding Mi Lu like a shrew.

For such a long time, she had seen this woman several times, and each time she wandered around the gate of their community. At first, when Galia told them to be careful about this woman, they didn't take it seriously.

But I never thought that she was really a shameless woman who entangled Ming Zhen.

After so many years, Ming Zhen couldn't find Galia. Even if he remarried, Yan Weimin and Luo Jin had nothing to say. After all, it was their daughter who

disappeared. After all, Ming Zhen had never done anything wrong to her daughter. Waiting for Galia, and wasting his whole life.

However, Darius didn't say anything about continuing the string, but this woman took the initiative to come to the door, not only entangled Mingzhen in various ways, but even their old couple, this woman did not let go.

Forget all of this, she can still publicly say in front of the media that she wants to take care of their old couple for their daughter.

Where is this filial piety for their daughter.

This is like stabbing a knife in their chest!

I have never seen such a bully.

Their precious daughter can't be found, and it is possible that they will never come back in this life. They have lost their onlyness, but do they deserve to be bullied like this?

Anyway, they have already lost their loneliness, who are they afraid of?

Luo Jin sat on the ground and scolded Mi Lu like crazy: "If you rely on your thick-skinned skin, you will do all kinds of evil, and because you are playing a bad woman, you will be as bad as you can!

I'm sitting here today, and I'm going to show everyone what a virtue you are.

All of you, come and see, this woman, she tried every means to seduce my son-in-law, how many times my son-in-law has told her that he has a wife and a wife.

But this woman just doesn't listen.

She just wants to rely on my son-in-law.

Not only did she rely on my son-in-law, she also ran to my door to be wild, and went to my door every three days to piss us off.

You all look at this woman, how shameless she is.

Does she think that she has made our old couple so angry that no one will know that she is a mistress since then?

Don't worry, we won't be so easily mad at you!

We have to live well, and we have to tell people all over the world that you are a junior, you are a junior.
