

PUNISHED BY HIS LOVE

I'm Sorry My Love Novel Alternative

Chapter 2752

Come on, all of you, this woman is a mistress, a vicious mistress. "

In fact, Luo Jin never scolded anyone from a young age to an old age.

She has never quarreled with anyone, so at this time, even if she is furious and full of anger, her swearing words are always the same, Mi Lu is a junior.

She is swearing on the opposite side, and she can't make new tricks again.

Not only Luo Jin can't scold people, Yan Weimin next to him can't even swear, only when his wife scolded, he supported his wife and wept.

But, even so, this is already the most hysterical vent for the couple.

After so many years, although they lost their daughter, it was only when no one was there. The husband and wife were sitting on the bed in the bedroom, holding their heads in pain. Once someone came, even if it was a brother or a sister-in-law, they forced their faces to smile. .

Later, Suzi, Qingrong, including Galia later, when these people came to their house, they always behaved very well and rationally, but after so many years, who came back to the hearts of their husband and wife collapse?

I'm going crazy, anyone know?

How much they think, how much they miss their daughter.

“Daughter, my daughter, my Galia, my little darling, where are you, don’t leave your mother behind, why don’t you take your father and mother with you, my little darling, I Galia.

Galia...”

Luo Jin finally burst into tears in front of the public, in Mi Lu’s small courtyard.

Her cry was so miserable that anyone who heard it couldn’t help but sympathize with such a bunch of elderly couples.

Although Mi Lu had no intention of drinking anyone’s blood, even though Mi Lu’s most real purpose was to get close to her parents, that is, to touch her parents’ white hair.

But at this moment, no one will turn to Mi Lu.

They were all infected by Luo Jin, and looked at Mi Lu with wide eyes.

What an extremely disgusting, extremely evil woman!

The people in the yard were all gearing up to kill Mi Lu.

At this moment, Mi Lu finally understood what Darius said. If the two old people vented once, only then could he relieve the pain and grief that had accumulated in the old man’s heart for many years.

The more they vent, the more they ease.

Seeing his biological parents sitting on the ground crying in the dark, almost fainted from crying.

Milu didn’t know what to say.

Even Darius couldn't say anything, Darius just squatted in front of Luo Jin, hugged Luo Jin with his arms, and kept shouting, "Mom, Mom, don't be sad, Mom, Galia can't be found, this is the case. Isn't it still me?"

You are my mother, forever!"

Shu Ming was sobbing and crying.

A big man can never cry on any occasion.

Then he lost Galia, and he was the one who suffered the most.

This time, today, Darius can finally take this opportunity to cry.

He held Luo Jin in one hand and Yan Weimin in the other. The three of them were in this small courtyard like this, crying very happily.

But who can say what about them?

Even Mi Lu, who was beaten and humiliated, burst into tears.

She moved to the three people little by little, raised her hand, supported Luo Jin, and then supported Fuyan Weimin.

She opened her mouth, her voice trembled, she even tried several times and couldn't control her voice, her voice was weird, excited and suppressed, she shouted in her hoarse, unpleasant voice: "Dad, Mom, A Zhen, I... I am Galia."

The three of them stopped crying, and Qi Qi looked back at Mi Lu.

The three of them said in unison, "You... what did you just say?"

"I'm Galia, Mom and Dad, I'm Galia." Mi Lu's tears poured down like a dyke burst.

Chapter 2753

Mi Lu's words were like a madman talking in his sleep.

As soon as she spoke, Yan Weimin, Luo Jin and Darius's expressions became even more angry.

Especially Darius, his annoyed teeth were clenched together, and he gritted: "You...you say it again, there is a kind of you to say it again!"

As soon as Darius finished speaking, Luo Jin pushed Mi Lu away: "You damn woman, you are a maggot, you won't let it go if you stick to our house, right?"

is not it!

To be able to say with a straight face that you are our Galia.

Do you think we are stupid, or do you think we are lunatics, you lunatic!

madman! "

Luo Jin was going crazy.

A seventy-year-old old lady, her hair was flying all over with anger.

Yan Weimin also looked at Mi Lu viciously: "You damn woman! If you make my old woman angry, I will fight with you!

Fight with you!

My old man is over sixty years old, who am I afraid of! I will kill you! "

Mi Lu smiled sadly: "Yes, you...you are right, I...how could I be your daughter?"

She sat on the ground and moved back twice.

A little bit farther from Luo Jinyan Weimin and Darius.

She was actually very desperate, she had been back in this city for a long time.

She knew her brother was looking for her.

She knows that her parents have always missed her, and all her friends have not forgotten her. She has made two friends who are like sisters. Even though she has been missing for so many years, her two friends still come to take care of her parents.

Her brother is not a real brother, he is already a cousin. But my cousin has never given up looking for her for so many years, and my brother has already searched the whole country.

And her husband.

The only love she has ever loved in her life, and who will never change in the future, has been waiting for her, waiting for her very carefully.

And her parents-in-law, they all want to treat her like their own daughters.

From childhood to adulthood, no matter what it is, everything goes smoothly. Everyone pets her and wraps her in a jar.

Galia, what virtue and what ability?

To enjoy such love.

How fair is God?

Since you have enjoyed such a sweet tolerance, are you bound to experience the bitterness of this world?

You know they love you so much, all of them, all of them love you so much, but you can't find a place to prove yourself.

your blood?

However, your blood is because you were sick, and even the bone marrow is transplanted from someone else's bone marrow, and your blood is neither like your father's nor your mother's.

who are you?

Even if you doubt yourself, are you still Galia?

you are not.

Your two children, until now, you haven't seen any similarities between them and Ah Zhen.

Is this God's joke with you?

Do not!

God once gave you such a strong and strong love, and let you taste the sweetness of the world before the age of 30, so now God let you taste the bitterness of the world again.

Mi Lu's tears had been hanging on her face all the time, running down her neck, wet the front of her clothes, and water could come out of the clothes, but there were still tears in her eyes.

She sat on the ground and stepped back a little.

Her voice became even more hoarse: "Yeah, how can I be your daughter? My blood type is not like yours, my voice, my appearance are nothing like your daughter, how can I be? What about your daughter?"

I.....

I was just wondering...can we...can we do a paternity test?
