#### **Chapter 2766**

"Idiot brother, he's dad!" At this time, the little girl with the lollipop in her mouth suddenly took the lollipop out of her mouth and stuffed it into her brother's mouth, then she lifted the chubby little girl. The arm rushed towards Darius's arms.

"Dad, daddy hugs, honey misses daddy, I want to eat candy."

Ah this...

Brother is stunned!

"Sister, come back, sister..." The elder brother was very reserved and wanted to pull the younger sister back.

But the younger sister has already thrown herself into Darius's arms.

Darius: "..."

Milu was also stunned.

She shouted in a panicked and humble tone: "Sister! Sister! Get out of your uncle's arms, sister, you have to be obedient!"

The younger sister was playing coquettishly in Darius's arms. She had just eaten a lollipop on her mouth, and it was sticky and sticky on Darius's white lining. She muttered, "I don't, I don't. , I want a dad, Mimi has a dad... Mimi asked her dad to take Mimi on a horse... woohoo, Mimi has a dad..."

The little girl burst into tears.

Looking up again, he smiled again: "Dad, your clothes are dirty...hehe."

Darius: "..."

He didn't say anything, it wasn't that he didn't want to.

Instead, his throat seemed to be stuffed with a ball of cotton, choking and choking, but his eyes couldn't deceive anyone.

At this moment, Darius's eyes turned red.

He choked his throat several times before he finally made a sound, but the voice was still choked: "Dad...Dad is not afraid of dirty clothes, Dad...I like it...I like it very much. My sister soiled Dad's clothes."

"Wow..." As soon as Darius finished speaking, his brother over there cried.

My brother is strong and manly.

He knew to leave Tangtang for his mother, even if he knew that his sister had eaten both Tangtangs late and he still ate them, he would still leave Tangtang to his sister. But at this moment, seeing his sister acting like a spoiled child in his father's arms, his brother couldn't help it immediately.

He was crying like a poor little one.

The crying mouth kept flowing out, and the words were not very clear: "Sister...Sister has a father...Tiantian does not have a father...Uuuuu. "

Darius immediately pulled his brother into his arms, and said gently:  
"Brother...you can also call your father, brother and sister were born by the same mother, and naturally they were also born by the same father, brother, why are you like that? Silly?"

My sister's father, of course, is my brother's father. "

"Dad, daddy, daddy... woo woo woo." This time, it was his elder brother who threw himself into Darius's arms and shouted for his father in a series of voices, as if he couldn't shout enough.

Darius held the two children in his arms at the same time, holding them tightly.

The people next to him were all stunned.

No one spoke.

Suzi and Rayna looked at each other.

Yan Weimin and Luo Jin's eyes did not blink.

The grandparents who took care of the two children smiled as if they were admiring a painting.

Only Mi Lu, with tears streaming down her face, her throat choked when she cried, she tried hard to calm down her voice, but what she said was still crying:  
"Ming Zhen...that Shu Shao...you mean...are you willing...willing to let my child call you...Dad?"

Darius raised his head and glanced at the people present, and then set his eyes on Mi Lu. He said calmly, "Yes, I am willing to let them call me Dad."

## Chapter 2767

No one could have imagined that things would turn out like this.

When Suzi, Darius, and the others came here, they only wanted to see the children, and only wanted to know the truth.

But at this moment, Darius was really attracted by the child.

His heart, which had never been able to find a wife or a child, was empty after all, so the moment he saw these two chubby little dumplings, his heart was captured.

A few years later, when Darius remembered this incident, he realized that the involuntary feeling he felt when he first saw the child was not because of how cute the child was.

Rather, blood is thicker than water.

It was his own child, and he felt intimacy as soon as they met.

This is an unbroken blood relationship.

"It's all right, now the two children will have a father." The grandma next to her smiled and burst into tears.

She looked at the people present, wiped her tears and said, "You don't know, Mi Lu cried every day looking at Mr. Shu's big picture, and every day told the two children that this is your father.

My boss and I have been worried all the time, Mi Lu should stop being stunned.

Mr. Shu is a famous family in Nancheng, how can he be the father of the child?

I didn't think big, one day Mr. Shu really came.

Really want to recognize these two children.

The two children are really cute, but they are too pitiful, but this is fine. "

The old lady was really happy for Mi Lu.

Mi Lu lived here for more than two years, and has always been filial to them. Just like their biological daughter.

"Let's all stay, eat here, I'll go grocery shopping. We have never had so many guests in our house. It's really hot today. You must stay, and I'll go grocery shopping." The old man was even more enthusiastic. .

As he spoke, he went out to buy groceries.

A room of people can't refuse anything.

Even Luo Jin and Yan Weimin felt a lot more pleasing to the eye when they looked at Mi Lu again.

"Child, I'm sorry, I... We also hope that you are our Galia, but your voice, your appearance, everything, including your DNA, are different from Galia. Today, if we If you are regarded as our Galia, wouldn't our child, our Galia, be in a corner and cry for a lifetime?" Luo Jin looked at Mi Lu and said sincerely.

"Mi Lu shook her head, tears streaming down her face: "Mom...no no, aunty..."

She never thought that in this life, she could face her own mother, but she couldn't call her mother.

This taste is extremely bitter.

However, like things are getting better now, isn't it?

If she is destined to experience a storm in her life, then let the storm come stronger, as long as this storm can pass.

She, Mi Lu, no, it should be Galia, who used to be a cookie has never experienced Galia, and she will definitely be able to support the past.

It's a good thing now.

At the very least, Mom doesn't reject her so much anymore.

Besides, isn't all her mother's rejection of her caused by missing her and loving him?

Galia, what are you so sad about?

You should be happy.

Such is life, pain and joy.

However, if the child is fine and he is still alive, this is the best.

Mi Lu looked at Luo Jin and Yan Weimin with a very gentle smile, she said sincerely: "Uncle, aunt... Actually, I didn't even think about recognizing you at first, my first thought was That is, I can take care of you by my side, I don't want anything, I just want to take care of you.

For Ming Zhen, I am the same.

I never thought about marrying him.
