I'm Sorry My Love Novel Alternative

Chapter 2772

Arron put the piggy bank aside and asked with concern: "What's the matter, baby? You need money, but the food your parents gave you are not enough? Why did you open your piggy bank?"

Once the piggy bank is opened, you can't close it. "

Arron still remembered that Shen's only piggy bank was Pan Mingsai's first year of studying abroad, and he brought it back to her from abroad when he came back.

Growing up, the only person Shen admired the most was her sister Mingsai.

How could she be willing to break the piggy bank that Mingsai's sister gave her?

Shen Weiyi nodded solemnly: "Well, no more. I just want to take out the money."

"Tell Dad, what do you use the money for?" Arron asked.

"There is a girl in our class who has... leukemia. Her family has spent hundreds of thousands for her, and the family has no money. I want to make some for her." Shen Weiyi told his father the truth.

"How much do you want to give her?" Arron asked.

"I have about 10,000 yuan in my piggy bank, and I'll give it all to her." Shen Weiyi said without hesitation.

"Silly child! Why take the money out of the piggy bank? Dad can give it to you. You can donate 20,000 to her if you want. You are here to help your classmates, and Dad supports you."

Shen Weiyi shook his head again: "Dad, I'm sixteen years old now, and I already understand that in this world, it's not easy for anyone to make money, my mother is like this, and so are you."

Donating for others is a good thing of great love, but I also have to do my best.

I can't take money that doesn't belong to me and do things that I can't do, it's not right. "

Hearing Shen Weiyi say this, Arron was shocked again.

He has always regarded the child as an ignorant child, but he never thought that a sixteen-year-old child has become so mature and stable in considering issues. This made Arron feel extremely proud.

He put his daughter in his arms: "My daughter is the pride of my father!"

"Come on, Dad, I'll open the piggy bank for you. We broke sister Mingsai's piggy bank. We invited sister Mingsai to dinner at home on weekends. It just so happened that she hasn't been here for a long time." Arron said.

"Yeah. I'm also thinking of inviting Sister Mingsai to dinner." Shen Weiyi immediately became happy when he heard that he was going to invite Pan Mingsai to come to the house.

On the weekend, Arron and Suzi's family invited Pan Mingsai to their home.

Today's Pan Mingsai has a doctor of medicine.

She studied for an eight-year master's degree.

The later major is specializing in medical aesthetics.

He just came back from studying abroad a few years ago, and now he is the most sought-after young doctor in the best hospital in Nancheng.

However, Pan Mingsai, who specializes in medical beauty, still has a flat face, a collapsed nose, and even more freckles on her face than when she was seventeen or eighteen years old.

While sitting in the living room doing homework, Shen Weiyi couldn't help but ask Pan Mingsai: "Sister Mingsai, you said that you are all studying medical and aesthetics. Have you ever thought about giving yourself a little adjustment?"

Pan Mingsai looked at Shen Weiyi angrily: "What? You always thought I was the world's top beauty when you were young!"

Shen Weiyi hugged Pan Mingsai's arm and said apologetically, "Sister, don't be angry, I'm just telling the truth, I was ignorant when I was a child, but now that I've grown up, I'm thinking about you from a practical perspective, look at my Uncle Tianling. He looks so handsome..."

Pan Mingsai smiled gently: "Sister understands what you mean, Tian Ling is very handsome, I really don't match him when I get together with him, but if you want someone to love yourself, you can't rely on looks, no matter how good you are. Appearance is always going to age."

After a pause, Pan Mingsai said, "Furthermore, if my parents are affected by physical changes, if they change, my relatives..."

Having said that, Pan Mingsai looked at Arron and said, "I only have two relatives in this world, my two fourth uncles. If I have plastic surgery, my two fourth uncles don't know me anymore, what should I do?"

So no matter how ugly I am, I don't have plastic surgery. "

As soon as Pan Mingsai finished speaking, there was a knock on the door.

Shen Weiyi immediately went to open the door, the door opened, Weiyi was stunned: "Excuse me, who are you looking for?"

At this time, Pan Mingsai also came to the door. When he saw the person coming, Pan Mingsai blurted out, "Miss, the plastic surgery marks on your face are very serious. Where did you get the plastic surgery?"

Chapter 2773

There was a trace of sadness in Mi Lu's eyes, and then she said in a desolate tone: "My plastic surgery is really amazing, and all the people around me don't know me, even the best only one who played with me. Sister, you don't even know me anymore."

"Aunt Christopher, you are Aunt Christopher! How did you become like this? No! You are...Aunt Mi Lu?"

What a smart child Shen Wei is.

Although she has never seen Mi Lu, she has heard her parents say about Mi Lu. Her judgment is the same as that of her mother. Mi Lu may be Aunt Christopher, otherwise, how can she know so many details Woolen cloth?

For example, now, Mi Lu calls her sister Wei.

Even my mother doesn't necessarily know this name. It's a little secret between Shen Weiyi and Aunt Christopher, okay?

"No, I'm not Christopher, I'm Mi Lu." Mi Lu said shyly.

"Are you Mi Lu?" Pan Mingsai also asked.

She also heard about Mi Lu from Suzishen and the others.

Mi Lu nodded: "Yeah."

Pan Mingsai said sincerely: "Although I don't know why you have plastic surgery, I can see that you have plastic surgery, and it seems that... the plastic surgery failed?"

Mi Lu lowered her eyes, nodded, and then shook her head again.

At this time, Suzi also came to the door: "Mi Lu, you're here, come in, come in quickly, only Mingsai, what's the matter with the two of you, why did you block Auntie at the door to prevent Auntie from coming in?"

Only then did Shen Weiyi come back to his senses: "Aunt Christopher... No, Aunt Milu, come in quickly."

After a few people let Mi Lu in, Mi Lu put down the gift she was holding, and then said, "I'm here to thank Suzi today, without the little trust Suzi has in me, I may now be killed?"

More likely to be admitted to the police block as a fraudster.

I specially came to thank Suzi. "

Suzi touched Mi Lu's hand, shook his head and said, "Mi Lu, you are too polite."

Shen Weiyi was very distressed by Mi Lu's tone: "Aunt Christopher, you and my mother are still so polite, you were not like this before, by the way, Aunt Christopher, have you noticed that I have grown taller than before?"

I'm almost 1.7 meters tall now. "

Suzi raised his hand and slapped Shen Weiyi's hand: "The only one! It's Aunt Milu!"

Shen Weiyi spread out on the sofa, then raised his hand and patted his forehead: "Suzi! Let me make a verbal agreement, okay? Leave me alone on this matter!"

Suzi: "What did you say?"

"I'll take Aunt Mi Lu's aunt Han Cheng's aunt Christopher, leave it alone!" Shen Weiyi insisted.

"Why!" Suzi asked in confusion.

"Intuition!" Shen Weiyi said bluntly: "I just call it wrong, I just call Aunt Christopher twice. When I called out for the first time, I also regretted it. How could I call Aunt Milu Christopher? What about Aunt Yan?"

Be sure to remember next time, be sure to think about it.

But if she shouted again, she would still call Mi Lu Christopher.

There is no way.

Because Shen Weiyi met Mi Lu for the first time just now, she was convinced that Mi Lu was Christopher.

In her mind, Mi Lu did not exist.

Only Christopher exists.

So, she will be wrong.

unless you force yourself.

But the sixteen-year-old Shen Weiyi asked himself, why should I force myself?

I just want to call Aunt Christopher.

What's wrong?

Is it illegal?
