

PUNISHED BY HIS LOVE

I'm Sorry My Love Novel Alternative

Chapter 2774

Shen Wei looked at her mother calmly: "Ms. Suzi! I don't want to force myself, I don't want to wrong myself, because I just wanted to call Christopher, so I called.

I don't think it's illegal for me to call Aunt Christopher, right?

So Ms. Shen, please don't interfere with me! "

"You little thing! Your wings are hard!" She Niang raised her hand and poked Shen Weiyi's forehead: "You are outspoken for a while, you call Aunt Christopher like this, in case your Aunt Christopher comes back one day, how much she must be sad?"

"impossible!"

"You crow mouth! Are you saying that your aunt Christopher can't come back?"

"No!" Shen Weiyi explained to his mother angrily: "I mean, it is impossible for a second Aunt Christopher to appear in front of me, because Aunt Christopher has already returned, this is it! "

"Are you so sure?" Suzi muttered in his heart.

"If it's a fake replacement!" Shen Weiyi said very confidently.

Suzi: "..."

In fact, she always thought that Mi Lu was Christopher, but the truth speaks louder than words.

"Only, you are already in high school. You should know that genes cannot be changed. The genes of your Aunt Milu and Grandpa Yan's are different..."

Shen Weiyi sneered: "It can only be that the DNA is wrong!"

Suzi: "What did you say?"

Shen Weiyi gave his mother an angry look: "Nothing to say, I went to play with Aunt Christopher! You talk, by the way, remember to make Aunt Christopher's favorite food at noon..."

Turning his head, Shen Weiyi asked Mi Lu, "Aunt Christopher, what do you like to eat?"

Milu was startled.

Shen Weiyi encouraged her: "Can we talk together?"

Mi Lu and Shen Weiyi said in unison, "Chestnut stewed chicken...Chestnuts are soaked in chicken juice."

Chestnut stewed chicken.

Suzi was suddenly stunned.

Christopher really likes stewed chicken with chestnuts, but what she wants to eat is not the chicken in the stewed chicken with chestnuts, but the chestnuts that have been soaked in water from the stewed vegetables.

In the past, when they and Christopher went shopping together, Christopher always ordered this dish no matter which restaurant they were in.

It was as if she couldn't eat enough.

"You see, old lady!" Shen Weiyi gave his mother a displeased glance.

Suzi was embarrassed and speechless.

On the other hand, Mi Lu said, "It doesn't matter, it doesn't matter, it really doesn't matter, I'm very satisfied now. Besides, there are many people in this world who love to eat chestnut stewed chicken. The chestnut stewed chicken is a home-cooked dish, and many people love it. of."

Pan Mingsai, who was on the side, also rounded up the game: "Yes, there is nothing strange about this. I also prefer to eat chestnut stewed chicken."

Pan Mingsai didn't care whether Mi Lu was Christopher or not.

Or maybe Christopher is Mi Lu.

No matter who it is, living in this world, everyone has their own destiny.

But the most important thing is to live well and work hard every day, that is the most important thing.

Pan Mingsai is a very hardworking female doctor.

"Sister Mi Lu, I just want to ask why your face plastic surgery failed so much, the most obvious place you can feel is that your emotions are a little stiff, that is, if you laugh, maybe Your face is all twisted.

You have been treated like this, have you held the medical beauty hospital accountable? "

Mi Lu blushed slightly and said: "I... I was treated like this, it's not... it's not the responsibility of that medical and beauty hospital, it's my... own responsibility.
."

Pan Mingsai was even more puzzled: "Your responsibility, sister, you are a plastic surgeon, you are a client, what is your responsibility?"

Mi Lu took a deep breath and said, "Because I was injured by a fall, my entire face was deformed, so I had to make up my face as a last resort."

Chapter 2775

Pan Mingsai: "Hey, Sister Mi Lu, why are you so pitiful."

Mi Lu smiled slightly: "Mingsai, let's not talk about this anymore. By the way, how is your medical study? I remember when you first came from Jiaying Island, you were still a high school student. At that time, your grades were not good. Well, you came to Nancheng to study in the high-level resumption class."

Pan Mingsai: "You...you know my name is Mingsai?"

Shen Weiyi was also stunned: "Aunt Christopher, you are Aunt Christopher!"

Even Suzi and Arron next to them were stunned.

Mi Lu was a little embarrassed: "Oh... yes... I'm sorry, I... I'm the one... I often harass Shao Shu from time to time, so I am sorry for Shu Few relatives and friends are ... are more concerned.

I know that Chu Tian Ling Chu is a friend of Shu Shao.

I also know that you are... the girlfriend of Young Master Joan, I... in order to get close to Young Master Shu, I... have already inquired about it. "

Milu's voice was just hoarse, but she never stuttered.

But at this moment, she stammered, unable to speak.

Seeing that all the people present were stunned, Mi Lu settled for herself: "That, Suzi... No... I'm sorry, I came here today, and I didn't even think about your family. Guest, I just... don't... don't disturb you, your family can get together, I'm leaving."

"How do you know we are a family?" Shen Weiyi asked with red eyes.

"You...you...I...I asked about it, Mingsai... Mingsai is the son of your dead fourth uncle and his eldest brother. , she called your fourth uncle as the fourth uncle, your father, and also called the fourth uncle, I...your father also regarded her as a niece, and I...I have all inquired about it." Milu's face turned red.

As she spoke, she got up and walked out.

She has settled for the status quo.

Living in this world, she can see her parents and Ming Zhen every day, and her children can live in Ming Zhen's house, which is very satisfying for her.

She doesn't want to fight for herself anymore.

I don't want to embarrass a child.

Only sixteen years old.

Mi Lu knew that when such an old child was the most serious, she would break the casserole and ask to the end, and she couldn't rub a little sand in her eyes.

But, her affairs are not clear.

The DNA in the hospital could not be found, so how could Shen Weiyi find out?

The best way is that she will not come here in the future, not meet with the only one, and not let the one to investigate this matter, Mi Lu is afraid of hurting the one's heart.

The child is only sixteen years old, and it is still time to protect her pure heart.

"I... gone Suzi, I am gone, I'm sorry, I'm sorry, you guys... you comfort and comfort the only, don't... don't let the only call me Christopher, I sound awkward, my name is Mi Lu... I'm leaving." Yu Bi, Mi Lu escaped and left Suzi's house.

As soon as she walked out of the gate of the community, Mi Lu couldn't bear it any longer. She sat on the road and cried with tears streaming down her face.

She was relieved.

Whether it was Suzi, Ming Zhen, or his parents, they all missed Christopher immensely and were unwilling to give up.

I saw the only one today, the only one is also such a thought.

This shows that they all love her like that.

She was really relieved, even if she died at this moment, it would be worth it.

At the same time, she was sad.

Seeing so many people, her relatives, her friends, so many people who love her, why can't they recognize each other?

why!

God is really good at joking with her.

Directory cried and left outside Suzi's house.
