Two female staff members pushed a bright and fully enclosed glass car. Inside the glass car, the ring in the collection is really colorful and dazzling. color.

The fake Galia looked dumbfounded.

Also dumbfounded, there was a fat black man with binoculars sitting in the car across from the jewelry store.

The fat black man muttered: "My dear! How much you love this woman, how willing to be so willing! This woman is really damned! Too damned!"

In the jewelry store here, Shu Ming looked at the fake Galia gently: "Do you like this ring I gave you?"

Fake Yanyan's tears of excitement flowed out: "I like it, husband, I like it so much! I really like it!"

"This ring should have been given four years ago, but unfortunately, at that time..."

"It's okay, my husband is okay, isn't it the same now? Even though it's four years late, I still wear it, isn't it the best?" Fake Yanyan said while holding back her excitement.

"Put it on and show me!" Darius said.

"it is good!"

Saying that, Ming Zhen took out the ring and put it on Fake Yanyan with a sense of ceremony.

At that moment, Fake Galia's heart froze.

She felt like a dream, floating. There is an unreal feeling.

Darius!

The second richest man in Nancheng, the noble son of Nancheng, Darius, finally gave her a priceless ring?

Wow!

She is happy to die!

At this moment, Fake Yanyan wanted to scream!

She was immersed in happiness, and she didn't even hear Shu Ming shouting her name.

Not heard.

It's been a while since she thought of herself as Galia, so when Shu Ming called out her real name, she didn't even realize it.

Darius shouted a second time: "Mi Qunli, are you happy?"

"Well, you..." This time, Fake Yanyan finally heard it.

She was terrified all over.

His lips turned white with fright: "You... what did you call me just now?"

"Mi Qunli." Shu Ming looked at Mi Qunli gently, even his eyes were still dotting.

Mi Qunli: "..."

"Do you like this ring?" Darius asked again, "If you like it, I can give you a lot more."

Mi Qunli: "You... what did you call me just now?"

"Mi Qunli." Darius repeated.

"You...how did you know, no no no, I'm not Mi Qunli, I'm not... Who is Mi Qunli, I don't know, it's that damn Mi Lu Is it your sister? You...Azhen, what are you talking about?" Mi Qunli was so frightened that he lost his mind.

Darius's expression was still gentle and doting: "Mi Qunli, let me tell you by the way, all your relatives and friends, all relatives and friends, are all in the Public Security Bureau now, only you, there are plainclothes outside the door. Waiting for you, did you say you wore this ring to the police station?

Or take off the ring? "

Do not!

No no no!

why!

why is it like this?

What went wrong?

why! Why at this juncture, Darius had already put a ring on her, and only let her reveal her secrets? She hasn't slept with Darius all day, and she hasn't slept with Mrs. Shu all day, but she has already stepped into this door, just one step away, one step away, she is really Mrs. Shu, why is this juncture piercing her ?

The fake Galia looked at Darius in disbelief.

Darius still smiled gently at her.

At this moment, two plainclothes were waiting outside.

On the opposite side, in a black car, a black and fat man also aimed at Galia with a black guy, and said: "I finally waited for the best angle, woman, go to hell!"

"boom!"

After an unknown object passed through the glass of the jewelry store, it went straight to the temple of Mi Qunli, who is also the fake Yanyan.

"Ow..." Fake Galia's temple was penetrated, and she fell to the ground.

Chapter 2821

A second before he died, Fake Galia was still conscious.

She watched helplessly as she fell.

She never thought that if she was exhausted, and she was one step away from the wedding, she would be able to replace the real Galia and become a real upper class in Nancheng, a rich wife.

She was shot and killed.

who is it?

Before she could study it carefully, she fell to the ground, and her regrets were forever sealed in her body.

Without even crying, he fell to the ground.

How unwilling she must be, her heart stopped beating, but her eyes were still closed.

Darius was also stunned.

He planned to wipe out the entire gang of Mi Qunli, and he did it. Today, the police came to surround this group of people, but Darius never thought that at this juncture, Mi Qunli would be beaten to death. .

who is it?

Shu Ming looked out of the window in shock. The car that shot out of the window had already been blocked by the police. Today, the police here are much better. There are plain clothes, and there are also police officers hiding in the dark. All of them are to arrest Mi Qunli. But they never thought that instead of arresting Mi Qunli, they arrested the shooter.

The fat black man in the car never thought that his investigation was foolproof, and he had inspected all aspects well. This is the best place to shoot Galia. Why are there so many police officers in all directions?

He didn't even have time to hide the tools for committing the crime, so he was caught.

A prank.

A coincidence in which Mi Qunli had plastic surgery to look like Galia, and then pretended to be Galia, but was shot and killed, ended up like this.

The police caught the fat black man, and after interrogation, they found out that he was sent by the three brothers of Darius who were far abroad to shoot Galia.

This man was in Nancheng and had been staring at the Shu family for several years.

Galia has been unable to stare, has been unable to stare.

Galia finally appeared, and he also found an opportunity to finally kill Galia. The police solved the case so quickly.

What is this called?

Darius couldn't help but sigh.

The three brothers were brought back at the same time, and the biggest messenger was sentenced to death.

Two older brothers were sentenced to life imprisonment.

Shu's father and Shu's mother can't accept such a thing. They cried for a long time, but what can they do?

He raised four sons in total, three of whom only spent the family's money, framed the family time and time again, corrupted the family's style, and committed crimes again and again, and no one could save them.

Fortunately, the most filial young son is still by their side, and here is the greatest comfort of Shu's father and Shu's mother.

From then on, the three brothers of the Shu family demons had come to an end.

Moreover, the fake Galia actually died.

Isn't that called not dying?

Originally, this irreversible catastrophe should have fallen on Galia, but the real Galia avoided this catastrophe, and the fake Galia replaced it.

After all the relatives and friends of Galia who had been lying in the police station were brought to justice, Darius calmed down.

There's been a lot going on these days.

He didn't have time to think about it in detail.
