

Chapter 283

The pill that Charlie held in his hand was nothing but the medicine he refined according to the Nine Profound Heaven Scriptures, but it made everyone's heartbeat crazily.

A crowd of people waited to see the crystal clear pill, and everyone's breathing started to rush.

Among these people, Tianqi, the oldest, was the most excited, and even the genius doctor's usual indifferent manner was almost unable to maintain.

He has a serious old injury that has not been cured, which has caused him to suffer from illness for half his life.

Last time, he occasionally got the pills refined by Charlie, and the symptoms relieved a lot, but the cure was not yet possible.

Now, after hearing that the effect of this new medicine was more than ten times that of the last time, Tianqi was so excited that he even felt that he would be able to completely heal the old wounds.

If Mr. Wade's magic medicine can really have this effect, then this is a great kindness!

And Warnia's eyes were extremely excited.

Although Charlie used acupuncture to save her grandfather, his body is still weak. If he wants to live and live a long life, he must rely on Charlie's magical medicine.

Therefore, at this time, her eyes looking at the magic medicine was extremely hot, and the eyes looking at Charlie were even hotter.

As for Qin Gang, he almost shouted with excitement when he thought of getting two magical medicines.

Charlie said lightly at this time: "Some problems that modern medicine cannot overcome, such as diabetes, kidney failure, and other malignant diseases, can be cured by taking this pill."

Everyone was even more shocked by the voice!

Although the diseases Charlie said casually are very common, they are all difficult diseases in modern medicine. Not to mention that they can't be cured by taking medicine, even going abroad can't cure them.

Especially diabetes is also known as undead cancer, there is no cure at all!

But here with the help of Charlie, a magic medicine can be cured.

This is simply a medical miracle!

Everyone present sighed inwardly, Mr. Wade is really the genius doctor of the world, the true dragon of nine days!

Aoxue's beautiful eyes were shining, and her complexion was as if a fire was burning. She couldn't help thinking that Mr. Wade, a figure like this, will surely soar into the nine heavens. She must seize the opportunity and she must not miss it.

Zhovia couldn't help showing her admiring eyes at Charlie.

Charlie's ability was something she could not imagine in her entire life. If she could learn some trivial methods under Mr. Wade, it would be enough for the entire medical world.

At this moment, Charlie saw that everyone was eager to see through, smiled faintly, and said: "Okay, let me divide the medicine!"

Everyone couldn't bear it for a long time, and their faces were full of excitement.

Charlie stood up, took out a pill with one hand, first handed it to the oldest Tianqi, and said lightly: "Mr. Shi, this one is for you."

Tianqi trembled. He knelt on his knees, holding his hands above his head respectfully, and said humbly, "Mr. Wade gave me the medicine! Mr. Wade is very kind, and I am willing to be a cow and a horse for my whole life, and repay Mr. Wade!"

Charlie smiled slightly: "Mr. Shi, you and I are also destined, don't be so polite."

After all, put the pill in Tianqi's hands.

Tianqi was full of tears, and when he thought of being tortured for half his life by an old injury, he subconsciously wanted to take it all out and completely free himself from the pain.

Chapter 284

Charlie stopped him and said lightly: "Mr. Shi, this medicine is too strong. You only need to take half a capsule to cure your old disease. Treasure the remaining half capsule, and it will be of great use in the future.

Tianqi's heart was shocked, he could heal himself with only half of it? This is really amazing!

Thinking of this, he took out the blade used to scrape the dregs of medicine, split the pill into two, then opened his mouth and swallowed it.

Everyone looked at him intently, hoping to see a miracle happen.

A few seconds after Tianqi took the pill, his face instantly became flushed, his skin instantly turned red, and he sweated a lot.

Tianqi felt like a magical warm current in his body was running around.

His body like long-dried yellow earth with mottled cracks, and this warm current, like mild clean water, quickly fills up the cracks in the yellow earth and nourishes the entire land.

He felt that his stubborn and old wound had started to repair quickly, and his eyes widened, revealing an expression of disbelief!

"Mr. Wade, this is really amazing! The old disease that has plagued me for decades is completely healed within a few minutes!"

Tianqi's eyes were full of tears that flowed down his cheeks.

Over the years, he was tortured by the old illness and collapsed. Not only was he unable to treat the illness himself, but he was also in danger of losing his life at any time, and his life was extremely painful.

But now, Charlie's half a pill will cure him completely.

This can be said to be amazing, and it is no longer able to describe it in words!

Puff!

Tianqi knelt again, and the old tearfully said: "Mr. Wade, you are my reborn parent. If you don't dislike it, Tianqi is willing to treat you with the courtesy of father, brother, and teacher titles."

Suffering from illness and pain, once he recovered, the ups and downs made him feel excited.

Everyone saw Tianqi recovering like this on the spot, and they admired the magic medicine made by Mr. Wade even more!

This pill alone is worth more than ten thousand gold. After they get it, they won't sell it for any amount of money!

Charlie looked at Tianqi, supported him with one hand, and said, "Mr. Shi, I have taken your mind, but you are an elder, after all, so don't salute me in the future."

Tianqi hurriedly said, "Why then, Mr. Wade is the benefactor in the next step"

Seeing that he had a strong sexual axis, Charlie stopped talking, but looked at Warnia, took out medicine, and said, "Miss Song, this medicine is for Mr. Song."

Warnia hurriedly knelt in front of Charlie as Tianqi did before, and raised her hands above her head: "Thank you, Mr. Charlie, for giving the medicine! Your great kindness, the Song family will never forget!"

Charlie nodded and smiled, and took out two pills without failing, hiding one pill in the sleeve, and putting the other pill into Warnia's hands.

Warnia got the medicine and was excited. She was about to close her palm and carefully put the pill away. At this time, she felt a round object in the center of her palm.

She felt a little in her heart, raised her head to look at Charlie, and saw Charlie looking at her with a smile on his face, and blinked his right eye lightly, and suddenly understood what Charlie meant.

This is Charlie giving her one more, and then told her to keep quiet

Warnia was extremely excited and touched. She didn't dare to hope that Charlie could give her two pills.

Moreover, the second one was given quietly. Does this mean that the second one was not given to Grandpa by him, but given to her?
