

Chapter 2851

When Luther heard this, he felt relieved and nodded slightly, looking forward to the future of the He family.

But he couldn't help but sigh when he remembered Ruoli: "Hey! It would have been fine if Ruoli was still here. When you consider the entire He family, your elder brother is devoted to material gain, your second brother's talent is mediocre, and your case is unique. It's one-of-a-kind.

There is no young generation that is optimistic and decisive, and who truly possesses the demeanor of a general, but if there was only one person, the entire He family, I can't think of anyone else who would be more qualified to lead the He family....."

Roma couldn't help but say, "If Ruoli is a girl with a foreign surname, even if she is here, many people will be unconvinced if she leads the He family."

"Are you really not convinced?" "It appears that you are a mother, and you don't know anything about Ruoli," Luther sneered.

Ruoli's acting style makes it impossible for someone in this family to remain unconvinced. Those stings would undoubtedly be handled by her.

Even if it's your eldest brother, the thorns on his head are all clean, so it's not Ruoli's opponent."

"Ruoli this girl, she was too aggressive before," Roma sighed as she remembered Ruoli's destruction of the entire Matsumoto family in Japan.

The Su family, who has been using her like a knife, is also to blame. The murderous aura has built up much too far. "Weight....."

"Yes..." says the speaker. "Don't worry about it, Roma, I know you really don't want to give up on Ruoli, or I'll choose some people from the younger generation at home, when they're a party of three or five," Luther sighed.

What do you think about going out in pairs to continue looking for Ruoli's whereabouts?"

"Dad, let's forget it," Roma said after a brief pause. Let's go see Master in Aurous Hill. We should set Ruoli's affairs aside for now if we're searching for her it will be distracting."

Roma couldn't contain herself on a few occasions and wanted to tell her father about her daughter Ruoli's current condition.

This would reassure and console the father.

More importantly, if the father really wants her to succeed the Patriarch in the future, her mother will be 10,000 willing to help. If the father was aware of Ruoli's condition, he could make preparations ahead of time.

She swallowed the words every time they reached her mouth.

She believed that because she had agreed to Master's request for confidentiality, she would not make an exception, even though it was her own parent, because otherwise there would be no honesty.

She reasoned that once the old man had gone to Aurous Hill and Master Wade had gotten to know him better, he could allow Ruoli to meet him privately.

Chapter 2852

Luther, on the other hand, was unconcerned. "Go, go to Anson, and explain stuff as soon as possible," he said after checking the time.

"Dad, if the Su family is to blame, what are you going to do?" Roma asked, nodding.

"If the Su family is a part of the family, it is naturally difficult to extract energy to deal with us," Luther said calmly. Furthermore, since we are aligned with Master Wade, we do not need to be concerned about the Su family pursuing us.

We could even tear up the face first if the Master family gives us an order to deal with the Su family. People are, after all, the masters. "This is the world's rule."

"I understand Dad," Roma said with a sigh of relief.

Someone knocked on the door outside the study while he was speaking.

"Come in," Luther said.

"Dad, you haven't finished talking here?" Tom said to Luther as he opened the door and looked at Roma suspiciously.

Steward Su has woken up and is eating breakfast, saying he wants to meet you to discuss the particular situation."

"It just so happens that I have something important to find him," Luther said, nodding. "Let's go together."

In the middle chuckles and murmurs, "Important thing?" What is the most important thing? Isn't that after a long conversation with Roma?! That's two billion dollars a year!"

"Dad...what do you want to find Steward Su for?" he hurriedly asked tentatively, thinking of this. "Hasn't there been any progress in the cooperation?"

Luther cast a look at him, seeing his eldest son's anxious expression, his appearance having lost two billion, and he couldn't help but feel disgusted.

The lion is said to be the progenitor of the dragon, and the phoenix is said to be the progenitor of the phoenix. I've always been obsessed with martial arts and have never yearned for so-called fame and fortune.

"What?" he said angrily, thinking about it. Are you concerned about shifts in collaboration?"

"Dad, the terms of cooperation offered by the Su family this time are uncommon in a lifetime," Tom hurriedly said. Don't get a case of the flu or make rash decisions!"

"Huh!" snorted Luther coldly. Is it prudent for you to pass judgment? To be honest, I have chosen not to work with the Su family any longer. Now I'm going to tell Anson in person about this decision!"

Chapter 2853

When Tom heard this, his whole person was suddenly struck by lightning!

He hurriedly stopped in front of his father, with an anxious tone, and even said incoherently, "Dad, that...no dad! We can't refuse this cooperation from the Su family anyway, it's a matter of the life and death for our family, dad!"

Luther couldn't help frowning and asking: "Joke! I don't want to cooperate with Su family, so why does it matter for the life and death of my He family? Cooperation has been our wish for a long time. Since I don't want to cooperate with him, then he still pays. Can this force me to fail?!"

Tom almost collapsed and blurted out: "Oh, dad! Why are you so confused!? What is the size of the Su family? How can we afford to provoke them? If we toast and not eat, eat good and drink fine wine, then in the future, once the Su family sees us as the enemy, how can we gain a foothold in the arena?"

Luther immediately scolded: "Tom! In your eyes, if my He family leaves the Su family, isn't it possible to have a foothold in the rivers and lakes? Don't forget, my family is one of the four major martial arts families in the country! When this family is ranked among the top four martial arts families in the country, nothing can this Su family do to us!"

Tom didn't expect his father's attitude to be so determined. He turned his head and gritted his teeth and glared at Roma, and sternly said: "Roma! What kind of ecstasy did you give to father? Do you know what a good opportunity is before us! If we miss such a good opportunity, then you are the sinner of the He family!"

Luther couldn't bear it and shouted angrily: "Enough! Shut up now!"

Tom was shocked by his father's voice.

Luther looked at him coldly, and hated that iron cannot become steel, and said: "I didn't expect that I could raise a son with such a soft bone! Tom, it is my decision not to cooperate with the Su family, and I will never change it again. Say one more thing, I will punish you for a month of lockdown!"

Chapter 2854

Tom suddenly felt five thunderstorms.

He knew that what he missed was a huge sum of 2 billion a year.

This money could allow him to live the most luxurious life in the world.

What luxury houses, yachts, airplanes...With this money, it is no longer a dream.

What is Sanya's villa? With 2 billion, he can buy a villa in Hong Kong, buy a villa in the United States, buy a villa in France and Switzerland!

With two billion, he can buy a luxury cruise ship with everything he needs to travel around the world.

With two billion, he can buy a private jet and go where he wants to go 24 hours a day!

At that time, he still needs to guard a small and cold place like Mocheng!

Until then, how could he still be holding back in this extremely cold place!

The pinnacle of life, but so!

However, all these beautiful dreams lasted only one night, and they were completely shattered before the sun had even come out this morning.

Seeing that he had lost his soul, Luther sighed with a sigh, then waved his hand and said to Roma: "Roma, let me see Anson!"

Roma nodded hurriedly: "Okay, dad!"

Seeing his father and sister walking away, Tom hurriedly followed. At this moment, he had already made a decision deep in his heart.

Since his father was stubborn, he would just separate from him! At that time, he will take away all the He family who are willing to cooperate with the Su family and who are willing to leave Mocheng to enjoy the glory and wealth!

...

At this time, Anson was eating breakfast leisurely in the dining hall of the He family.

The He family has a large population and a large dining area. Hundreds of people can eat in this dining hall at the same time.

Anson was holding a bowl of ballast porridge at this time while sucking into his mouth, while chewing on the slightly hard corn ballast with relish, he said something in his mouth: "I didn't expect the porridge made from this coarse grains to have a different flavor."

After speaking, he picked up a fist-sized meat bun and bit it down. While his mouth was full of oil, he also bit out the meat that was bigger than a ping-pong ball inside.

"It's delicious, delicious!" Anson looked relished, and he was very happy.

This time he came out, he quickly and smoothly completed the task that the master confided, and helped the master solve the urgent need, which can be regarded as a triumphant victory.

Therefore, it is natural to be in a good mood.

He is now only waiting for the convoy to arrive and take the He family to Suzhou. By then, the master will be able to breathe a sigh of relief.

Thinking positively, Luther and Roma walked over quickly.

Chapter 2855

As soon as Anson looked up and saw the two of them, he was a little surprised and smiled with a somewhat flattering smile: "Oh, how old! Ouch! Roma is back too! It's

great! I can invite Roma again this time. Master, he will be very happy when Roma comes out of the mountain!"

Anson didn't look down on the He family too much. In his eyes, the He family were just the subordinates of the Su family, and they were only subordinates who could gain a foothold by fighting and killing.

As for himself, although he is also a subordinate, least he is also in the top spot among subordinates.

In other words, the Su family has so many dogs, and he is the noblest one.

However, he only took a look at Roma, because after all, Roma is the woman of Zynn, the eldest son of the Su family. Although she has no status, at least she has given birth to a daughter for Zynn, so he is naturally a little more polite to Roma.

More importantly, Zynn's wife, Liona, has made up her mind to divorce Zynn, and after the car accident planned by his father, she will definitely draw a clear line with the Su family. In this way, Roma can appear openly. Where is it the need to hide anymore!

In case Zynn returns someday, maybe there will be a follow-up with Roma.

It is precise because of this that Anson has a somewhat flattering attitude to Roma.

When Roma saw Anson, she greeted him coldly and warmly: "Hello, Steward Su."

Anson smiled and said hurriedly: "Roma, we have not seen each other for some years."

She nodded: "Yes, it's been some years."

Anson smiled and said, "I didn't expect even you to come out of the mountain again this time. What a surprise!"

Luther on the side said lightly: "Anson, please report to Master Su after you go back. The He family can't cooperate with the Su family this time. Please ask Master Su to forgive us."

Anson heard this and asked dumbfounded: "Old He, who are you singing for again?! The bus convoy is coming soon!"

Luther handed over the one-billion-yuan check to Anson, earnestly said: "I have already said very clearly. The He family cannot cooperate with the Su family this time. In other words, we will not go with you today. So, please take this money back to Master, please."

Anson suddenly became anxious, and blurted out: "Hey old man, you can't make a mistake! Let me ask you, how can you change your mind all of a sudden when the arrangements have been made?"

At this time, Luther's eldest son Tom also grumbled: "Dad! The housekeeper Su is right. Our He family has always kept our promises, and we never break our promise, let alone turn back this time!"

Luther said coldly: "Tom, you don't have to try to persuade me here, I have decided, and I will never change it!"

After that, he looked at Anson, clasped his fists, and said: "Mr. Anson, wait for the car to come in a while, please I will trouble you to go back with the car yourself, the old man is will stay here, I am extremely sorry!"

Chapter 2856

Anson's heart raced when he saw Luther's resolute attitude. He had no idea why the old man Luther had suddenly changed his mind, and he had no idea how he could approach Old Su when he returned.

"Mr. He, you are still not satisfied with money, it does not matter; if you are not satisfied, you can simply ask it. Our master said that two billion is only an intention price; however, if Mr. He is not satisfied with the bid, he can still increase it by three billion in the future, what do you think?"

Tom on the side was almost insane when he heard, "Three billion?"

He doesn't have time to consider the concept of 3 billion, so he can only say to himself in his heart that he can directly multiply the original illusion of 2 billion by half. Luxury

homes all over the world can be upgraded to larger homes, and luxury yachts can be upgraded as well. Half the price of a private jet should be half the price!

Tom stared at his father with bloodshot eyes, blurting out, "Father! What are you still hesitating about? This is 3 billion!"

Luther screamed coldly, "Even if 30 billion, I refuse!"

Anson was taken aback.

Initially, it was assumed that if Luther was not happy with the 3 billion quotations, he would increase it slightly.

However, it appears that there is no longer any need to raise.

He nodded heavily and said, "Okay! Okay! What's your condition!" as his face darkened.

After all, he pointed to Luther, clenched his teeth, and said, "He, old man, toast not to eat or drink fine wine, I will write down this account for the master first; if the Su return to the original and profitable in the future, then they can get a thousand times better than this!"

"If you want to recall," Luther said sternly, "I, Luther, am never afraid of anything!"

He patted the table after speaking and said coldly, "Let's go! Let me see you off!"

"No need!" gritted Anson's teeth and exclaimed, "I'll go by myself!"

He gave Luther a sour look as he finished speaking and walked out of the dining room without looking back.

"Dad! Are you crazy?! We can't insult the Su family!" exclaimed Tom, stomping nervously.

"I am the head of the He family, and I will bear all the consequences," Luther said coldly.

Tom realized he couldn't convince his father, so he turned and ran after Anson.

Anson had come to the outside of the He family mansion in anger, and a convoy of several buses and trucks had just passed by.

Chapter 2857

Anson stepped forward as soon as the car in front of him came to a stop and said to the driver, "Just me, go to the airport!"

Tom rushed all the way to the front of the car, leaning against the door frame, and said to Anson above, "Steward Su, you calm down!"

"Can you hold your breath?" Anson asked, glaring at Tom: "I'll be a little enraged! Your He family is now able to handle it! Let's see!"

"Steward Su, listen to me, my father is old and stubborn; give me some time, and I will convince him; I will certainly give you a satisfactory response!" Tom exclaimed hurriedly.

"Come on, Tom, what is the character of your old man? I know very well that if you can convince him, you will be the Patriarch of the He family instead of him! He is still in his eighties, and refusing to pass it to you means he doesn't trust your ability! If he doesn't trust you, how will he listen to your persuasion?" Anson said dismissively.

Anson's words made Tom blush.

Anson's words are not without any merit, despite the fact that he intentionally sows discord.

Luther has not passed on the role of Patriarch to Tom because he does not trust his strength, and even less so his determination.

For a long time, Tom has been critical of this.

He knew he would be the prince if he were transported to ancient times, but which emperor abdicated until he was in his eighties?

Isn't it obvious that the prince must be forced to rebel?

As a result, his heart exploded with rage when he heard Anson's words.

"Steward Su, you are correct, I just can't convince my father," he said coldly shortly after.

Tom turned around and exclaimed, "Still I can convince myself to move my own legs!"

Anson's eyes widened when he realized this, and he blurted out, "Tom, what do you mean by this?"

"It's very easy," Tom exclaimed, "my father is unwilling to cooperate with the Su family, but I am. My cultivation is second only to the old man in the He family, and I have two sons and a hoard of people willing to follow me. As long as Master Su can look down on us, I am willing to take them and return to Master Su!"

Anson was ecstatic.

"The old thing with the surname He is too stubborn; it's hard to convince him to change his mind," he secretly says, "but this Tom seems to be genuine. If he really has a following and can take them to Suzhou, serving the Lord, then my mission this time isn't a complete failure."

He instantly changed his mood, grinned, and said to Tom, "Haha, Tom, come, come in!"

He took the initiative after speaking to reach out his hand and pull Tom.

.....

Chapter 2858

In the He family mansion at the time.

Luther has informed the entire family that the Su family's cooperation will be fully ended. The He family, who had decided to leave early in the morning for Suzhou, would no longer have to worry about it.

Luther took Roma to the ancestral hall, which was located at the tomb of the He family's ancestors, after announcing the news.

He decided to directly inform the He family's ancestors about the great news that he had broken through the four meridians.

The He family, on the other hand, was both pleased and sad when it was revealed that he had refused to work with the Su family.

In reality, no family can ever be fully united.

Every small family, if not anyone, owns a small abacus.

The fact that the desire to manage with the old man is relatively high and the majesty is relatively strong, and no one in the entire He family dares to disobey him, is the key reason why there have never been any disagreements over the years.

However, as the adage goes, stealing money is the same as murdering your parents.

Many people in this world place higher importance on money than on family love.

In other words, most people would betray their family love if the price is right and psychological needs are met.

It's just that everyone's internal price code is different.

Since certain economic conditions are difficult, parents may be able to spend one to two thousand yuan a month on pensions, allowing them to turn their backs on their brothers and sisters and remain disconnected.

Those whose economic circumstances are too good may seem pleasant on the surface, but once the fight for vast riches starts, everybody will do everything in their power to compete with their loved ones.

Now, Luther has turned down the Su family's offer of 2 billion or even 3 billion in cooperation, effectively separating the entire He family from this vast sum of money.

Some people are unconcerned with money, while others are obsessed with it.

And those who care can't wait to drink the old man's blood and eat his flesh.

Mr. He simply has the greatest majesty and cultivation foundation, and no one can provoke him, so they can only dare to be angry and not dare to talk.

However, in this situation, Tom met with a few brothers and a few uncles in the fastest time.

After some lobbying by him, almost half of the people were willing to go to Suzhou to serve the Su family with him.

Just as Luther personally lit three sandalwood incense in front of each ancestor's spiritual position, his youngest son Tim ran over and reported loudly outside the door: "Dad, it's not good! Big brother brought forty or fifty family members. They all are ready to go to Suzhou with Anson!"

Chapter 2859

When the He family heard the news that Luther has announced that he had broken through the fourth meridian, everyone was astonished for a moment, and then, there was a burst of almost crazy cheers!

Breaking through the four meridians means becoming a four-star warrior!

Throughout China, the title of "Four-Star Warrior" has not appeared in nearly a hundred years!

To them, hearing this news is as exciting as the news of the success of the first atomic bomb that the Chinese people heard back then.

Back then, China successfully developed an atomic bomb, which meant that the country no longer had to face nuclear threats from nuclear countries, and at the same time, they had strong self-protection capabilities.

Now, Luther has successfully broken through the fourth meridian, which is almost equivalent to the He family possessing an atomic bomb!

Just a few minutes ago, everyone present was worried about the future fate of the He family because of Tom and the others.

But now, they have completely ignored Tom's problem.

Because from now on, the He family will take a big step forward and become the top martial arts family in the country!

Luther's youngest son, Tim, was extremely excited. He blurted out, "Dad! Did you go to the ancestral hall early in the morning to report your breakthrough to the ancestors?"

Luther nodded: "Yes, Just now, I have already reported to all the ancestors of the He family. I believe that the ancestors will be proud of my success."

Tim couldn't help but sigh: "Dad, why didn't you announce this news earlier? If the eldest brother knows that you have made such a major breakthrough, he might not be tempted by the conditions set by the Su family."

Luther said lightly: "Fortunately, I didn't announce it in advance, otherwise how could I know his wolf ambition!"

After speaking, Luther sighed and said, "Well, everyone has their own ambitions. As long as he doesn't threaten to harm our He family's interests in the future, I will stay with him in the future."

Tim also knew that what his father said was reasonable, so he stopped insisting too much.

Luther's eldest brother, Robert said: "Luther, when will you announce the news of your breakthrough in the fourth meridian?"

Chapter 2860

Luther thought for a while, and said: "Let's announce it now, and inform all martial artists of this matter publicly, and also declare that from now on, the He family will no longer accept solicitations from anyone, and He's house in Mocheng will be closed from now on to entertain any visitors again."

In the martial arts family, there is an unwritten rule that once someone in a family with a name and a surname breaks through three or more meridians, it must be advertised among the martial arts people.

Luther is no exception this time.

Moreover, he knew very well that once the outside world knew that he had broken through the 4th meridian, a large number of people would come to visit Mocheng after hearing the wind.

Among them, not only fellows come to congratulate, but also scattered martial arts people come to apprentice, and there are also many families like the Su family who came to solicit.

Therefore, he let people explain in advance that the He family no longer accepts solicitation and no longer treats foreign guests.

This is tantamount to shutting out all the above possible people.

The reason for this decision was that Luther had already thought clearly in his heart that the future of the He family was actually pinned on Master Wade.

Therefore, the most important thing for him is to serve him with all his strength. As for other people, there is no need to waste his energy and the energy of the He family.

Robert was very puzzled and couldn't help asking: "Luther, in the past, some people broke through the three meridians. Almost all martial arts families would send people with gifts. Among the martial arts people, the limelight is naturally the same. But when we close the door at this time, will it look too different?"

Luther said earnestly: "Brother, I was able to make such a major breakthrough. Thanks to the help of a noble person, all He family will look forward to this nobleman in the future, and this nobleman will give He family a lot of very scarce training resources in the future.

Believe me, this will definitely benefit the whole He family. Maybe in a few years, the next person who breaks through the three meridians will appear in the He family, or maybe in a few years, there will be the next breakthrough like me.

People of the four meridians, by then, the strength of our He family will be different!”

Robert immediately nodded when he heard this, and said excitedly: “In this case, I will wait for nature to listen to your instructions!”

The remaining people, regardless of age or sex, are very loyal to the He family and Luther, so at this time Luther makes any decision, they will support him.

Luther also realized that after the eldest son took the group of people away, when he made major decisions, he lost a lot of voices of opposition or doubts, which also made him realize the importance of the team’s unity.

Chapter 2861

The current He family will no longer face endless internal friction as before. On the contrary, the current family will twist into a rope and work together to achieve greater achievements!

Thinking of this, he couldn’t help getting excited deep in his heart, and said, “That’s right! There is one more thing to announce to the public. All those who leave the He family will not be allowed to come back. From now on, the door of the He family will not open to the people who left!”

...

Just as Tom took a large group of He family to the airport by bus, the martial arts field suddenly caused an uproar!

The He family announced that Luther, the head of the He family, successfully broke through the fourth meridian!

As soon as this news came out, it immediately detonated the entire domestic martial arts field!

At present, among the hundreds of thousands of martial arts practitioners in China, 90% have just opened up one meridian.

Those who can get through the two meridians account for 9.999% of the remaining 10%...

There are only five people known in the country who can get through the three meridians and become a three-star warrior!

Moreover, these five people are all in the sequence of the four major families.

Except for the Northwest Huo family who owns two three-star warriors, there is only one of the remaining three families, including the He family.

As for the four meridians, there was no one before Luther.

In other words, he is currently the only martial artist in China who has broken through the four meridians.

This also means that Luther became the first person in the martial arts field in the country.

Originally, everyone on the bus was still looking forward to a new life after arriving in Suzhou. At this moment, don't know who shouted: "Second Uncle, he has broken through the four meridians!"

"what?!"

Everyone knows that Luther is the second of his brothers, so the second uncle is naturally him!

In an instant, the He family in the bus suddenly exploded!

Before Tom recovered, the phone exploded!

A large number of colleagues sent news to him and his father. Tom saw the news and his whole body was struck by lightning!

He never dreamed that he had just broken with his father on the front foot, and his eighty-year-old father on the back foot made an achievement directly!

Being very sensitive to money, he almost immediately realized that the He family was bound to rise to power from then on!

Tom was very annoyed at the thought of his father's announcement when he had just left on his front foot, and he thought to himself: "No wonder the old guy repented temporarily! It turned out to be a breakthrough in martial arts! I am his eldest son. He broke through such an important thing, but he didn't tell me! This is outrageous!"

Chapter 2862

Just when Tom was full of resentment, someone in the car shouted angrily: "The He family has announced to the public that anyone who leaves will not be allowed to go back!"

For a while, everyone was shocked.

They didn't expect that they would abandon the He family and raise another branch, but they did not expect that the He family gave them a trick to draw their salaries.

Now, they are abandoned sons of the He family.

Elder Su, who was far away in Suzhou, was also very depressed.

This morning, he heard almost all bad news one after another.

At first, Luther suddenly turned back.

Then, it was Luther who suddenly became the number one martial artist in China.

The most painful thing is that something that originally belongs to him became better after not belonging to him.

For example, a girl who once looked down on an ex-boyfriend suddenly became a master after a breakup, and then married the most beautiful girl, the girl might be depressed for a lifetime.

Although Chengfeng has no love for Luther. Luther was originally a subordinate of the Su family and served the family. To put it ugly, he was a dog of the Su family.

But now, he has turned against the family, and his strength has doubled after turning against the head. How can this not be depressing?

Chengfeng now feels that the world seems to be against him.

He wanted to betray Ruoli, but she just disappeared. The Japanese rummaged the coast of Japan, but she could not be found.

He wanted to kill Liona, but she was rescued by a powerful mysterious man. He wanted to kill her to protect the reputation of the family, but he didn't expect that the reputation of the family was not successfully maintained. On the contrary, he became infamous and embarrassed. Everyone yelled and beat the rat crossing the street.

Now the He family has made such a big move again, which makes his heart very uncomfortable.

In addition to these, his second son and eldest son have disappeared one after another, and the Chinese master who saved his grandchildren in Japan has also become a huge potential threat to him.

Thinking of this, Chengfeng muttered to himself with extreme depression: "I lifted a rock by myself, hit my own foot, a stone fell from the sky, and the damn hit my own foot. There is still a master in the dark, constantly moving. I picked up a stone and smashed it on my foot. I tossed and tossed, except for loss or pain. I didn't get any benefits. What the fuck is that?"

While being so depressed, his cell phone rang suddenly.

The call was an unfamiliar number from Aurous Hill.

Chapter 2863

He hurriedly connected, only to hear a man on the other end say coldly: "I have arrived in Aurous Hill. This is my latest contact information. Within the next seven days, I will

stay here and try to find what you are looking for. If I can't find him within seven days, I will go back to the UK directly. The deposit you paid will not be refunded!"

When Chengfeng heard this voice, he blurted out with excitement: "Oh, Master Cary! You have finally arrived in Aurous Hill! You must be very tired after traveling all the way from the UK? Would you like to rest for a few days?"

The other party said coldly: "No, I will start to do things right away. If you have any valuable clues, you can tell me."

Chengfeng hurriedly said: "Master, things have made a little progress. I didn't have any clues about the mysterious person, but now I probably know that this person is of Japanese Chinese descent, and he is not very old, at most 27-28. He is about the age, but his strength is extraordinary.

It is said that even the Japanese ninja is not his opponent. He can deal with several by himself! Master, be careful!"

The other party said disdainfully: "What's so great about Japanese ninjas? It's like someone who has never killed a ninja. I think there was a Japanese ninja who had offended me back then. He was really strong. I would definitely not be his opponent when facing.

So what? He didn't know it, so he was poisoned by the poison I raised, and in his sleep, I personally cut his stomach with a ninja knife. When he died, his internal organs flowed out. It is said that his wife saw at the time, she was scared to death."

Chengfeng said in surprise: "I have long heard that Master Cary's methods are extraordinary. Since you have such skills, then I can be completely relieved. I am waiting for the good news of Master Cary's victory in Suzhou!"

The other party snorted and said: "I declare that someone likes killing people invisible, and likes to kill masters the most. I like to see those so-called masters who die unclearly in my hands, but they continue to die. They don't know why they died. This feeling, like a god, can control everything!"

Chengfeng was so excited that he blurted out and asked, "Master Cary, can you kill a four-star warrior?"

"Four-star warrior?" The other party asked in surprise: "Do you know a four-star warrior? As far as I know, there are no four-star warriors in the country for a long time, right?"

Chengfeng gritted his teeth and said: "Yes, one just came out this morning!"

The other party smiled, and said: "Four-star warriors are not easy to kill. If you want me to try, you can double the money to me."

The extremely depressed and extremely angry Chengfeng's heart had already burned him uncomfortably. Hearing this, he said without hesitation: "Master, money is not a problem, but you have to kill the Aurous Hill master first."

The other party hummed and said: "Don't worry, I will kill him first, and then I will talk to you about the four-star warrior."

After that, he directly hung up the phone to Convenience.

The master Cary mentioned by Chengfeng is a metaphysical master who he commissioned from the UK.

China has had a line of metaphysics since ancient times. Fengshui mysteries, Qigong insects, and even the Book of Changes, Bagua, and Qimen Dunjia belong to the line of metaphysics.

However, due to the vast land and resources of China, the customs, habits, and preferences of different regions are different, so metaphysics is generally more prosperous in the south.

In particular, Hong Kong has been the bridgehead for the development of metaphysics in the past two hundred years.

In Hong Kong, feng shui masters and metaphysical masters are not feudal superstitions believed by the poor.

On the contrary, the richer the person, the more obsessed they are with Feng Shui metaphysics.

There are many top wealthy people in Hong Kong who are worth over hundreds of billions or even over 100 billion U.S. dollars. These people, without exception, believe in metaphysics very much.

Not only the top wealthy believe that, but even the stars in the entertainment circle are also extremely fond of Feng Shui metaphysics.

Cary started his career in Hong Kong and grew up to become the most famous master of metaphysics on Hong Kong Island, and even became the queen master of the Hong Kong Li family.

Chapter 2864

More than ten years ago, the Li family wanted to transfer funds and business to the UK, so they invited him to go to the UK. Cary didn't want to stay trapped on a small Hong Kong island, so he went to the UK and established his own clan.

In the past ten years of Cary in the UK, relying on the resources of the Li family, he has indeed made considerable progress. Not only did he make a lot of money, but he also recruited many disciples.

However, he did not expect that the Li family made major mistakes in strategic direction in recent years, so that while the wealth continued to shrink, the reputation was getting worse and worse, and he was likely to become a mouse on the street.

This caused Cary to suffer as well.

He does not understand Feng Shui luck himself, and he is good at Miao Jiang Gu technique and some insidious things that harm others and self. After he started to behave like a man, the Li family immediately drew a line with him, so that Cary's income in recent years was straight Decline, now he is running out to make money by himself.

This time, Chengfeng asked someone to find him, offered him a price of 100 million pounds, and asked him to come to Aurous Hill to kill someone. Cary had never used the insidious methods he had learned to harm people in his entire life, so faced with such a

high reward, Naturally, without any hesitation, he just packed up and rushed over from England.

However, although this task is rewarded a lot, it is relatively tricky.

The most nonsense is that he still doesn't know who he is going to kill.

In the past, when he helped others to do things, they would directly tell him the information about the competitors he wanted to target.

For example, the other party's surname, birth date, ancestor, and even the ancestral tomb will be investigated first, and then he will start directly after he gets the information.

This time, Chengfeng didn't know the specific clues of the mysterious master, so he could only ask Cary to come over and let him use his metaphysical methods to find the person first, and then kill him!

Chapter 2865

After a day and night of flying, Zynn finally arrived in Syria.

Unlike Charlie, he has the benefits of taking a Concorde airliner. He can only fly all the way to the Middle East. After landing in Turkey, he took the road to cross the border overnight and into northern Syria.

When Zynn set foot on Syrian soil, he even had the desire to die.

Because he entered the country illegally, the vehicle dragged him all the way to avoid the city, so that he was shocked by this desolate country.

This devastated country is full of deserts, hills, and ruined villages and towns.

The endless deserts and mountains immediately reminded him of an ancient poem, the desert is lonely and smoked.

After going deep into Syria for a hundred kilometers, he realized in his heart that if Charlie doesn't nod his head, then he would not be able to leave Syria in his life, not to mention that he didn't know anyone here. Just because of the face that is very different from the surroundings, it is destined to be difficult to get out of this country.

Thinking of this, he was desperate deep in his heart.

He thought that his despair had penetrated into the Mariana Trench, and when it was impossible to be more desperate, he finally reached the armed zone occupied by Commander Hamid.

When the car drove into the valley, the fortifications on the mountains on both sides were being built in full swing.

Hamid's friend who worked in a construction team in Iraq, for the sake of money, arrived in Syria in just over ten hours. He has now begun to command his workers and the engineering company that Hamid had just formed last night. Work together and hurry up to build fortifications.

Zynn looked at the desolate valley in front of him, the soldiers with live ammunition around him, and the permanent fortifications being actively built, and he was crying deep in his heart.

"What the hell is this place?!"

"Located in the middle of ten thousand mountains, traffic is extremely blocked, and the level of development is far below that of a small mountain village in China..."

"I don't know, I thought this was the base area behind enemy lines during the War of Resistance Against Japan..."

Chapter 2866

Zynn wanted to cry without tears, if the TV series "Bright Sword" were filmed here, it would definitely be more real than the version that is currently broadcast on TV!

Just when he was crying without tears, the convoy, led by a military convertible jeep, stopped in front of Hamid's command.

As soon as the car stopped, Hamid, wearing a camouflage uniform, walked out excitedly.

The person who escorted Zynn was Issac's men, but Hamid didn't know Issac. He only knew that among these people, Charlie wanted to "foster" with him. The rest, it must be Charlie's men.

Charlie is not only his nobleman, but also his God of Wealth and his strategic commander. Therefore, he is also full of enthusiasm and respect for Charlie's men. Bring the passion and respect back to him.

Seeing Hamid stepping out like flying fast, Zynn felt a bit in his heart.

He thought: "This guy looks extraordinary, he should be the boss here."

When Hamid came out, Zynn was also dragged down by Issac's men.

Seeing a few yellow people with East Asian faces, Hamid immediately said with a smile: "You people should be Mr. Wade's men. It's really a welcome, a warm welcome!"

Several people looked at each other and couldn't help looking at each other.

In their impression, the slogans of welcome, warm welcome, are all slogans shouted by young pioneers with a blush on their cheeks, red scarves around their necks, and wreaths in their hands.

But they never expected that these words would be yelled from a Middle Eastern warlord who was big five and three thick and had a beard.

The headed person is Issac's confidant, and his name is Hale.

Seeing that Hamid was so polite and like a warlord, he smiled politely and asked, "You should be Commander Hamid!"

Hamid nodded and said with a smile: "It's all from the family, what is the name of the commander, just call me Hamid!"

After speaking, he said politely: "It must have been very hard for brothers to come from such a long way. Come, hurry up and have a cup of tea and take a break!"

Hale pointed to Zynn and said to Hamid, "Commander, this is Mr. Zynn Su who our young master asked us to bring over to experience life."

Having said that, he pulled a handful of Zynn's collar, pulled him in front of him, and said to Hamid: "Commander, our master has ordered, let me tell you, no matter what. This man will stay here well. Besides, you don't have to take him too much. Just watch him and don't let him run around. In addition, put him in the bunker fortifications during the war and don't let him get injured That's it."

Chapter 2867

Zynn's tears almost came down when he heard this.

"Is this the damn talking human? I spent 100 million US dollars, but in exchange for a sentence, don't take too much care, b@stard, isn't it!"

But Zynn dared not to be angry but didn't dare to speak, and he didn't even dare to put his unhappy emotions on his face.

After all, this Hamid is Charlie's friend, and it sounds like he is quite loyal to Charlie. In case he is unhappy, he will deduct his treatment or even torture him, then it will not be worth the loss!

When he thought that he would be "taken care of" by Hamid for a long time in the future, or that he would be merciful from his men, Zynn had to bite the bullet and complimented him: "Hello, Commander, admiring your name for a long time. It's a great honor to see you today!"

After speaking, he quietly looked at Hamid.

Then thought to himself: "At a glance, although the hardware in Hamid is very old and backward, there are at least a thousand soldiers, and after entering, I have seen a lot of

relatively modern weapons and equipment. How can I say this? The guy is also a warlord on one side, and he definitely has a bit of hard power.”

“However, logically speaking, this kind of person who puts his head on his waistband to beg for life should be very arrogant in nature. Even the president of the United States may not necessarily see it. How can he nod and bow to the young boy Charlie? Mom! doesn’t make any sense...”

Hamid then glanced at Zynn, and said without a smile: “You don’t have to slap my a\$, what kind of treatment you will have here in the future, what kind of life you will live here, it is not my decision. Brother Wade is in charge. He allows you to live in a small courtyard alone, and you can live in a small courtyard alone, but if he lets you sleep in the sheep pen, you can only go to the sheep pen!”

Zynn could only accompany the smiling face, nodded and bowed his waist, said: “That’s that, everything is decided by Master Wade...”

Hamid was too lazy to pay attention to him, and smiled and said to Hale: “Please tell Brother Wade, after this guy is handed over to me, don’t worry, as long as I am alive, I won’t let him die. If this place is captured by the enemy, I will destroy him with a single shot before I die, and I will never let him fall into the enemy’s hands!”

Zynn was about to scold his mother in his heart, and secretly scolded: “What the hell is your literacy level? Even speaking is self-contradictory! While saying that as long as you live, you won’t let me die, and at the same time, say in case something goes wrong. You beat me to death first and then you die. Isn’t this fcuking nonsense?”

Chapter 2868

Hamid didn’t have the time to take care of Zynn.

He smiled and said to Hale: “You people, I have made good black tea, come in and have a few cups!”

People in the Middle East love to drink black tea. Generally, a very large amount of tea leaves are boiled into a very rich tea soup, which is then paired with a lot of sugar and refreshments with extremely high sugar content.

This point is quite different from the Chinese people.

Seeing that Hamid was so hospitable, several people couldn't refuse for a while.

So, Hale said: "Commander, please arrange your subordinates first and take this man to his place of residence."

"Okay, no problem!" Hamid patted his chest and said, "Since Brother Wade ordered, I have asked people to prepare the yard. The yard is next to my guard camp, except for my guards. All the rest are soldiers from the army. There are people on patrols and guards 24 hours a day, and they will never let him run away!"

After speaking, he smiled and said: "And I have had people clean up the small courtyard again, and the conditions are also good."

Zynn heard this all the time, only to breathe a sigh of relief.

Since he got on the plane, he never thought about running away.

Because it is impossible to escape.

This kind of place where birds don't sh!t, even if they are exhausted, they can't run out.

What's more, the surrounding area is full of soldiers with live ammunition. In case the other party finds that a few bullets come over, there is no chance that he can keep a whole body.

Therefore, he can only force himself to adapt.

Chapter 2869

As for the future, he can only hope that his daughter, Zhiyu, can inherit the Su family as soon as possible.

But he changed his mind and thought again.

“Let Zhiyu inherit the Su family, and the possibility is almost zero... Let’s not talk about the old man who will never delegate power until death, even if he is willing to delegate power, my brothers and sisters, can be willing to let Zhiyu A girl who inherits the Su family? I am afraid that it will start an unprecedented family battle...”

Thinking of this, he felt even more desperate.

I don’t know how long and when my “Syria Journey” will end.

Soon, Zynn was taken by Hamid’s personal guards to a small farmhouse a few hundred meters away from the headquarters.

From the outside, this small courtyard is almost entirely made of loess, with earthen walls and earthen houses. Except for the roof tiles, which appear to be fired, there are almost no traces of modern processing.

The small yard is not big. The yard after entering is just the size of a basketball court. There is a cowshed on the right hand side of the entrance, but there are no animals in it.

As for the middle of the yard, there is no root grass except the soil.

As for the supporting houses in this small courtyard, there are only three earthen houses facing the courtyard.

It’s not like the rural areas of China, where there is something like a wing house or something. There are only three earthen houses side by side, and the total is estimated to be no more than 40 square meters.

What made him even more disintegrated was that in the very central room, there was nothing but a dilapidated wooden chair.

On the left hand side, is an extremely simple bedroom. If it weren't for a pile of straw-like things in the middle of the bedroom, he wouldn't even know that the room was used for sleeping.

As the room in the middle, in this so-called bedroom, there is only a pile of straw and a pile of rolled bedding.

Zynn stepped forward and spread out the quilt, which contained a quilt, a mattress, and a pillow.

As soon as he saw this simple three-piece suit, he couldn't help but stomped his mother: "Fcuk! I spent 100 million dollars, how come even the bedding is second-hand? Just this tattered thing, buy a new set. It's not more than two hundred yuan, right?!"

Chapter 2870

Zynn was furious, kicked the pillow far away, turned his head, and rushed out to the room on the right.

As a result, as soon as he entered the door, he smelled a long-lasting stench.

Looking down, what the fcuk is this room, this is a built-up dry toilet!

There is nothing in the room, except that a deep hole is dug in the middle and two wooden boards are built. A hole was exposed in the middle. Inside is a cesspit. Besides, there is no sewage device. It is estimated that before it is full, it can only manually be removed...

He almost collapsed.

"From now on, if you have to shovel the pit every once in a while, who the hell can stand it?"

"The point is, this broken house has just a broken window, and the ventilation is not very good. In case of a large size here, how long will the smell be cleared?"

At this moment, Zynn felt that his future life was full of darkness.

Here, he has no personal belongings, no mobile phone, no computer, no internet, not even a cup to drink water. From now on, he can only sleep on the haystack every day, and he can only stay there when he wakes up. Sitting on a shabby wooden chair, or letting out the wind in this empty yard.

Come to think of it, this is even more tragic than going to jail.

After all, when in jail, at least you can still use the toilet, and you can chat and talk with inmates, occasionally watch TV in the cafeteria, and read newspapers when you go back to your cell.

But what can he do here? There is not even a person who can talk.

Thinking of this, Zynn, a fifty-year-old master, couldn't help but shed tears.

He is not like an average middle-aged person.

Chapter 2871

The vast majority of middle-aged people have suffered a lot in their childhood.

But Zynn was born with a golden key more than 50 years ago.

He has never suffered or been tired in his entire life, and the worst was that he was sent to Australia.

However, even during the days when he was sent to Australia, he lived in a large villa by the sea every day.

Compared with this, it is simply heaven.

Just when he was extremely depressed, someone opened the courtyard door and entered the courtyard.

Zynn hurried out and saw Hale stepping in under the leadership of several soldiers.

When Hale saw Zynn, he said, "Mr. Su, we are ready to leave for our country immediately. Come and see you before we leave. The detached house our young master has won for you, don't know if you are still satisfied?"

Zynn said without tears, "Brother, the conditions in this place are really terrible..."

Hale said earnestly: "Mr. Su, you are also an old comrade. You can definitely overcome some difficulties by gritting your teeth. People can conquer the sky, right?"

Zynn hurriedly said, "No... my brother... This condition is really bad. Or you can go in and see, my brother, where is such a place where people live? It's the donkey of the production team a few years earlier, which is also better than mine. The conditions here are not good!"

Hale waved his hand and said apologetically: "I'm sorry, Mr. Su, I'm in a hurry. I have to leave soon, so I won't go in and watch."

After speaking, he smiled and asked, "I don't know if you have anything to explain?"

Zynn really wanted to say something, please go back and tell Charlie, just say that Zynn is repenting with his eight generations of ancestors!

But this kind of thing, he is determined not to say it.

He could only choked up and asked, "Brother Hale, can I trouble you to take a message to Master Wade?"

Hale nodded: "Just tell me, as long as it's not a personal attack, I will try my best to carry it."

Zynn said hurriedly: "Can you let him say hello to Commander Hamid, and somehow buy me some furniture, so you can't let me sleep on the haystack..."

After finishing speaking, he hurriedly said: "Also, I don't have any daily necessities, not even a teacup or toothbrush. Can you give me a chance to let my daughter buy me some daily necessities from China and mail it over?"

Hale chuckled: "Mr. Su, I am not attacking you. You are also well-informed. But which domestic courier company does dare to deliver in Syria?"

Chapter 2872

Zynn was completely wilted.

Although he wanted to add another 100 million US dollars to Charlie to change at least a decent living condition for himself, he now has not so much money to spend.

Father Su has very close control over the financial power of the family. Although Zynn is the eldest son, he also has a lot of real estate and various assets, but he has not much money at his disposal.

The entire Su family's capital expenditure is basically through family credit, and money can be spent, but the money must be under the control of the family's financial system.

Chengfeng is not stingy, but has a strong desire for control. Even if he buys an airplane for hundreds of millions of dollars, he is not reluctant, but he must be informed and he must approve before one can spend the funds.

Once the Su family dares to be behind If he spends a lot of money, or transfers the money from the family credit to his own small vault, he will inevitably be severely punished by the family.

In order to consolidate financial power, the family's financial team is completely at the mercy of Chengfeng alone.

They will audit the capital expenditures of each Su family's heirs every once in a while. The severity of this audit is comparable to investigating financial crimes.

Therefore, none of the descendants of the Su family dared to spend money on the back of the old man.

Before Zynn bypassed the old man and paid Hamid US\$100 million, it was a cut beforehand.

If he did such an operation in peacetime, he would inevitably be severely punished by the old man.

So Zynn also knew very well that after the first time, he couldn't have the opportunity to repeat his tricks again.

Maybe the old man has stopped his family credit now, and besides he doesn't even have a phone call, it is impossible to get money to give to Charlie, so there is no other way but forbearance at the moment.

After greeting Zynn, Hale hurried away.

Leaving Zynn alone in this dilapidated courtyard.

Chapter 2873

Syria is warm and rainy in winter, and when Zynn was at a loss, heavy rain poured on his head.

He hurriedly hid in the room, seeing the rain getting worse and worse, making the entire yard muddy and desperate.

Although Syria's winter is relatively warm, when it rains, the temperature drops directly to about 10 degrees.

Coupled with the dampness and coldness, Zynn soon became a little unable to carry it, so he could only quickly spread the bedding and wrapped himself in a blanket to listen to the sound of rain outside.

While feeling bored, he subconsciously looked up at the wall and found that where the top of the wall was connected to the roof, many watermarks had leaked out of nowhere.

Zynn hugged his legs and sighed and cursed inwardly: "It seems that this stupid house is not only dilapidated, but it is also damn water leaking. It's fine for water to seep. It's best not to fcuking rain..."

As soon as he finished speaking, his forehead suddenly felt cold.

It turned out that rainwater seeped from the roof, gathered into a drop of water, and dripped on his forehead.

He touched his forehead, wet, and couldn't help crying and cursing: "Fcuk! Really damn the water leaking?! God, you're still endless?! Don't keep playing with me! Who can stand it?!"

Unfortunately, no one can hear his questioning.

Even if the soldier standing guard next door could hear it, he couldn't understand it at all.

...

At the same time, Zhiyu, the eldest daughter of Zynn who was not hopeful, formulated a three-year plan for herself after a day and night of rest and thinking.

She has always remembered what Charlie said, letting herself become the Patriarch of the Su Family within three years.

Although it sounded like a fantasy, she didn't want Charlie to look down upon her.

Therefore, she decided to work hard for this goal starting from today.

And her first plan was to thoroughly announce to the public the news of her and her mother's safe return.

The reason for doing this is on the one hand to deter her grandfather Chengfeng, on the other hand, it is also for the safety of herself and her mother.

She was worried that Chengfeng would not let her mother go easy in the future, so she decided to make this matter a little bit more influential.

In this way, the attention of the people of the whole country will be attracted by this matter.

No one dares to risk the world's unrest under the attention of the people of the whole country.

Therefore, the bigger the trouble, the more passive grandpa will act in the future and the safer she and her mother will be.

So she found her grandfather and asked to help contact the media. She was going to hold a press conference this evening about what happened to her and her mother in the Aurous Hill Tunnel.

The media, the police, and the people of the whole country have been waiting for the whereabouts of Zhiyu and Liona. Zhiyu believes that as long as the news is released, this conference will surely garner great attention.

To this end, she also contacted several popular video live broadcast platforms in China through friends.

This time, she intends to broadcast live directly online.

Chapter 2874

As a result, various media, websites, and news apps quickly received the news. The Du family announced that Liona and Zhiyu, who had been missing for many days, had returned to Aurous Hill safely. More details will be given in the press conference held tonight.

This news immediately swept the country!

Hundreds of millions of people have been following this case, and even many netizens have been discussing various possibilities about Zhiyu and Liona on the Internet.

Among them, most people think that the mother and daughter must have been killed.

But a small number of people still believe that miracles will happen, thinking that God will take care of the poor mother and daughter.

Now, the event that everyone has been following for a long time has finally settled!

It turns out that Liona and Zhiyu are really alive!

As a result, everyone began to look forward to the live broadcast of the evening conference.

Everyone wants to see with their own eyes, this mother and daughter are safe and sound!

The news that Zhiyu was about to hold a press conference reached Chengfeng's ears, and it frightened him all of a sudden.

He guessed that Zhiyu must hate him in her heart, so he could predict that he would definitely become a target at the press conference.

Although his reputation has been messed up, he really doesn't want to be lashed by the people all over the country...

No matter how strong a person's mental endurance is, it is also limited.

If only a few people scold occasionally, most people can resist.

But if dozens of people scold you all day long, quite a few people will feel a lot of pressure.

If tens of thousands, millions, or even tens of millions of people are overwhelmingly cursing, no matter how thick-skinned people are, they will not be able to withstand this pressure.

If resentment is also a kind of energy field, the resentment that Chengfeng carries is afraid that half of China can be enveloped in it.

Over time, this kind of torture has greatly consumed his fighting spirit and made him develop a kind of Go to your mother, I just go to the Maldives islands to take care of the old, no matter what his mother does kind of idea.

It's just that the desire for power in his heart is equally strong, so these two forces often compete at the bottom of his heart, which gives him quite a headache.

Today, Zhiyu suddenly wanted to hold a press conference, which immediately made him anxious.

So, he called Zhifei and asked, "Zhifei, I will ask you, do you know what your sister is going to say at the press conference tonight?!"

Chapter 2875

Zhifei has been busy with concerts in the venue recently, and he ran out to supervise the work early in the morning, so although he saw the news that his sister was about to engage in a press conference, he never asked her what she planned.

Therefore, he said to Chengfeng: "Grandpa, I happened to be busy with something today, and I haven't had time to talk to her. Why don't you wait for me for a while, I'll call her and ask her."

Chengfeng blurted out: "Don't call, there are many details on the phone that are undetectable, so you should go back and talk to her in person. It is best to bypass your mother and your grandpa and ask her in private. Ask exactly what she intends to do, and I have to make preparations here too."

Chengfeng was really afraid that Zhiyu would directly target him at the press conference.

People outside scolded him, it was a group of dragons without a head, one person spitting.

But if Zhiyu takes the lead in scolding him, then the anger of hundreds of millions of people across the country will have a very clear way to vent. At that time, I am afraid that some people will march on the street with banners to scold him.

Zhifei sensed that his grandfather was very nervous about this, so he hurriedly said: "Okay grandpa, I'll be back now, I will report to you as soon as there is progress!"

Chengfeng exhorted: "I'm not just asking you to inquire about Zhiyu's thoughts. You have to find a way to persuade her to let go of her hatred.

You have to let her know that she is from the Su family, not from the Du family. She and Su The family is a whole, and everything is fine, and everything is damaged if it is conflict.

Now the Su family's internal and external difficulties can no longer be consumed by us!"

Zhifei hurriedly said: "I know Grandpa, don't worry, I will try my best to persuade her!"

"Okay..." Chengfeng said dejectedly: "You must do your best to persuade her to handle this matter gently! As long as you can persuade her, Grandpa will not treat you badly!"

Hearing this, Zhifei agreed with excitement, and drove home quickly.

In Du's old house, Zhiyu shut herself in her room and is preparing the manuscript for tonight's press conference.

Tonight's press conference is the beginning of her three-year plan. It is of great significance for her, so she can't make any mistakes.

Zhifei knocked at the door and asked, "Zhiyu, can I come in?"

She heard her brother's voice and her expression was a little cold.

She has been speculating for the past two days that the private relationship between her brother and grandfather Chengfeng may be very close, and even his heart may have completely fallen to his grandfather.

But she has no evidence to prove it.

Chapter 2876

She knew that Zhifei went to the venue early in the morning to prepare for Sara's concert.

So she thinks that if Zhifei suddenly puts aside his own things and rushes back after he wants to develop the conference, then he has at least a 70% probability that he has fallen into his grandfather's trap.

Moreover, if Zhifei rushed back for this incident, and in front of her, said kind words to grandfather, and begged for forgiveness for his grandfather, then he would have completely rebelled 100%!

If Zhifei really turned against her, not only would Zhiyu's heart be guarded closely, but she would also be unable to forgive him.

Because she felt that what grandfather Chengfeng did this time was really inhumane, and almost killed her mother and herself!

In the face of this kind of big right and wrong, the brother said that everything should stand on the side of justice and family affection, and stand close on the same front with her and her mother.

If he stood beside his grandfather in the face of this kind of big right and wrong, it would prove that in his eyes, the importance of money and status has completely surpassed justice and family affection.

If that is the case, it also proves that her brother has lost the humanity that a normal person should possess.

At the very least, it is no longer in line with the basic requirements of her brother Zhiyu.

So, she put away her manuscript indifferently, and rubbed her cheeks with a cold and even stiff expression.

After trying to make herself look natural, she said, "Brother, come in, the door is unlocked."

Zhifei hurriedly pushed in.

As soon as he entered, he immediately locked the door and then looked at her.

herefore, today is actually her day to test Zhifei.

Chapter 2877

Seeing that there was nothing unusual in her expression, he smiled and said, "Zhiyu, why do you suddenly want to arrange a conference?"

Zhiyu said earnestly: "The people all over the country were paying attention to the safety of my mother and me when such a major incident happened in the tunnel. I think it is necessary to explain it publicly so that those who care about us can rest assured."

"Oh..." Zhifei nodded lightly and smiled: "So that's the way it is! You are right. Since the accident happened to you and mother, the people of the whole country have been paying great attention to your condition!"

"Moreover, there are still many people who spontaneously go out looking for various valuable clues. There are even people who have set up many analysis groups on the Internet. We work together to analyze the relevant clues of the incident. They are really very enthusiastic!"

"We really need to let them know that you and mom have returned safely!"

"That's right." Zhiyu nodded, and asked pretendingly: "By the way, didn't you go to the stadium to work? It's just such a thing, it's worth a special trip to come back?"

Zhifei smiled and said, "Zhiyu! I'm also worried about you. I'm afraid that you are too excited to think of these things when you are preparing for the press conference, so I came back to see you."

Zhiyu whispered: "Brother, thank you!"

"Between brother and sister, what are you doing so politely."

Zhifei patted Zhiyu's head and said, "Oh, yes, what are you going to say at the conference?"

Zhiyu said casually: "In fact, there is not much to say, I have summarized it, basically three points."

"The first point is definitely to tell everyone that my mother and I have returned safely, so that everyone can rest assured."

"The second point is to tell everyone that we were saved by a mysterious benefactor and he also gave us high-level medical care. On the one hand, it is an opportunity to thank my benefactor, and on the other hand, it is to eliminate the curiosity of the majority of netizens. I guess Many people must want to know how we survived such a serious car accident."

"As for the third point, I want to explain my attitude towards this matter. After all, people all over the country know that this matter was done by the Su family and even controlled by Grandpa. I want to talk to him at the press conference. Ask him to apologize and voluntarily go to the police station to surrender. After all, he is suspected of intentional murder."

As soon as Zhifei heard this, he suddenly became nervous and blurted out: "Zhiyu, the first two points are nothing, but the third point, is it a bit more radical and aggressive?"

"Aggressive?" Zhiyu asked her elder brother back: "He attacked my mother and almost killed us two! I just ask him to apologize and accept legal sanctions.

This is considered aggressive? So what is his behavior? Ruthless, inferior to beasts?"

Zhifei was embarrassed and said: "Zhiyu, you have to know, he is your grandfather after all, and, among so many younger brothers and sisters, he loves you the most! Look at the name he gave us, which one is not I have placed a lot of his requirements? Only you, he hopes you can be happy, nothing else matters..."

Zhiyu looked at Zhifei, deeply disappointed.

At this moment, she could already confirm that her brother was actually standing with the murderer, grandpa.

However, instead of expressing her disappointment, she nodded slightly and said indifferently: "Brother, I admit what you said, but you must be fair and objective when you behave and do things!"

"So, many things must be like sorting things, one is one, one yard is one yard!"

"It's not because he was nice to me before, I cannot forgive the fact that he wanted to kill my mother!"

Chapter 2878

Zhiyu's rebuke caused Zhifei a headache.

He couldn't help questioning her in his heart: "Grandpa really wanted to kill mother, yes, but is she not responsible for mother too?"

"As the daughter-in-law of the Su family, she kept thinking about the dead man named Wade, and she also went public to bid for the house that the family named Wade lived in. Isn't this like slapping on the face of the Su family?"

"Furthermore, everyone is an adult. Does hatred matter? The Su family has trillions of fortunes. Is it because the grandfather has brutally attacked mother that we have to draw a clear line with him?"

"Drawing a line with him is equivalent to drawing a line with the Su family's trillion-dollar property. In the end, aren't we left with ourselves nothing else?"

"If you lose the right to inherit the Su family's property, what will you and I do in the future?"

"Don't forget, our surname is Su, not Du. Do you still expect grandpa and grandma to give us a share of the inheritance?"

However, Zhifei could only complain about these words in his heart, and couldn't say it in front of his sister.

Because he knew very well in his heart that his sister was too strong in the concept of right and wrong, so terribly strong, there was almost no room for mediation. If he said this directly, she would not listen, but would turn her face against him.

Thinking of this, Zhifei was very depressed, and thought: "Hey, you are better suited to the name than I am."

She thought to herself, Zhifei agreed with Zhiyu's point of view, and nodded again and again: "Zhiyu, you are right, this kind of thing is really unforgivable, let alone you, I can't forgive it either."

Zhiyu didn't speak, she knew that if her brother said so, there must be something else.

As predicted.

Zhifei turned around and sighed: "But, let me tell you the truth, if we turn our faces with Grandpa, we won't get any benefit, and we can't give him any substantive punishment."

Chapter 2879

After a pause, Zhifei spread his hands: "Just let him accept legal sanctions as you just said. It's impossible. The old man is always cautious. There is never more than one firewall. You said he intentionally killed people. There is direct evidence?"

"As long as we don't have direct evidence, we can be said to be deliberately slandering. If it is really impossible, he can just push someone out to top the bag!"

"He can find too many people who carry the bag. As long as he has a word, I don't know how many people are rushing to carry this blame for him. Do you know how many scapegoats Anson helped Grandpa raise? Come any trouble! These are the firewalls of the old man!"

"If we don't have the resources and connections of the Su family, let alone bring down Grandpa, even Anson, we won't be able to bring him down!"

Zhiyu kept listening silently, and after Zhifei finished speaking, she asked him back: "When did you say that you are going to bring him down?"

Zhifei also asked: "Then what is your picture?"

Zhiyu said seriously: "I accuse him, maybe he has many ways to evade sanctions, but you have to know, if I don't accuse, he doesn't even need to evade! What I want is justice! It is justice in many ways! Not only result of justice, but also process justice and procedural justice! I know that result justice is very difficult, but procedural justice is within my power, so I must start a complaint against him today!"

Zhifei was big for a while.

He knew that, in fact, Zhiyu had no influence.

Because the Su family has always kept the personal information of the offspring very good.

The outside world doesn't know the names of the descendants of the Su Family, and naturally, they don't know who Zhifei or Zhiyu are.

But Zhifei is indeed different now.

The car accident in the Forbidden Mountain Tunnel in Aorous Hill is known as the "China Princess Diana Incident", and it has been made public through a video of the mastermind's confession.

You know, the population of Europe is only about half of China's, but Princess Diana's influence is very far-reaching, while China has almost twice the population of Europe, and the influence of Liona and Zhiyu's affairs is of course very far-reaching.

Chapter 2880

In recent years, the Internet has become more and more developed, and people have become more and more eager for all kinds of fairness and justice. Once some cases occur that can arouse the indignation of ordinary people, even if the parties are just ordinary people, it will cause an uproar on the Internet.

Both the unscrupulous and vicious nanny, or the murderer's beauty accomplice, have received condemnation from the people.

What happened to Liona and Zhiyu was not only bad in nature, vain family affection, and annihilated humanity, but also involved the grievances between the top giants, and the attention was naturally beyond ordinary.

Therefore, Zhifei can almost conclude that once Zhiyu condemns the old man and asks him to surrender at the press conference, there will be countless people's support and even petitions.

At that time, even if the old man has layers of firewalls, he can escape by chance. But such a massive condemnation will definitely make him peel off.

Thinking of this, Zhifei hesitated and said: "Zhiyu, would you like to talk to grandpa?"

Zhiyu frowned: "What shall I talk to him?"

Zhifei said very solemnly: "Of course it is about compensation! You are going to turn your face with him now, but the elder brother also has to remind you that if the trouble is really unacceptable, even if you get the old man into prison, you have to. Does not have any substantial benefits."

"Besides, the old man will definitely make arrangements for the Su family before going to jail, but the arrangement will definitely exclude all of our family. By then, he will be in jail, what shall we do?"

"You are the eldest granddaughter of the Su family. If you don't break your face with the Su family, then you are still the top rich second generation in the country.

As long as you have the aura of the Su family, you can marry the descendants of the top family in the future, even the European royal family, it is impossible for them to find any sense of superiority in front of you."

"However, once you draw a clear line with the Su family, the halo on you will completely disappear. What will happen to your life, your marriage, and your happiness in the future?"

"And you have to think about it, but it's okay to say that you don't have the Su Family's aura, but if you turn against the Su Family, it will be really troublesome. Who dares to marry you in the future? If they marry you, they will be the enemy of the Su Family!"

Zhiyu suddenly smiled when she heard this, and said: "Brother, in this world, except for my benefactor, I don't look at any man, whether he is a descendant of a top family or whether he is a grandson. Even if it is the royal family of Europe, it is worthless in my eyes!"

What Zhiyu said was from her heart.

But it was also what she deliberately wanted to say to her brother.

Since she confirmed that Zhifei has completely turned to the side, she has already started her own plan, which has only four words: the plan is to count.

She knew that Zhifei would definitely pass on these words to Chengfeng once and for all.

That is her real purpose!

Chapter 2881

As soon as Zhifei heard this, his whole person suddenly became nervous.

He knew that Zhiyu and his mother were rescued by the Grace this time.

He also knew that this benefactor had a mysterious identity and superior strength.

In the past, the two top masters of the Su family were Mr. Helo and Luther.

Mr. Helo is infinitely close to breaking through the third meridian.

And Luther is even more powerful, he was almost able to break through the third meridian.

But even Luther's strength will not be equal to a Shang among Japanese ninjas.

But at the beginning, in Japan, Grace easily killed several ninjas, and one of them was Shang Ninja!

Calculated in this way, the strength of Grace can beat Luther at least two to three.

Moreover, it is under the condition that he is not wounded at all.

This kind of strength is simply unheard of in the domestic martial arts field.

Let alone a three-star warrior, even a four-star warrior might not be enough to watch.

What worries Zhifei, even more, is that he doesn't know what the relationship between Zhiyu and the benefactor is.

Or, is there any substantial progress?

He also realized that Zhiyu had a certain amount of concealment from him about the matter of Benevolence's saving her. If she and Benevolence really have a relationship, then it will be over. If Benevolence helps her, even if he can't manage it. Defeating Su's family can also kill the old man!

Moreover, Zhiyu herself said that in this life she will only marry her benefactor, and no other men will be looked at by her. Maybe they really have something!

"This is bad..." Zhifei was flustered.

He thought to himself: "I should have thought that the benefactor might have fallen in love with Zhiyu..."

"Otherwise, he wouldn't be able to save her once in Kyoto and then come to Aurous Hill to save her again!"

"This is really bad..."

Chapter 2882

Thinking of this, Zhifei asked tentatively: "Zhiyu, do you know the specific identity of the benefactor? Wouldn't you two be together anymore?"

Zhiyu was silent for a moment, and said seriously: "Brother, I promised that there are some things about Benevolence that I can not say to the outside world, even to you, I can't, you have to understand."

There is no exaggeration in what Zhiyu said.

She did agree to this with Charlie, not revealing his identity and the specific details of saving her by him.

However, Zhiyu is smart because she knows, and she deliberately wants to be vague.

A statement of "something" immediately left the listener with a lot of room for reverie.

Zhifei really couldn't help thinking a lot.

"Zhiyu said something, what is it? Is she really with her grandson?!"

So, he hurriedly said: "Look at you, you still see me like this. If the two of you are really together, then he will be my brother-in-law in the future. Our dad's whereabouts are still unknown. In case you two get married, we will pay. If you can't find him, maybe I will have to hand you over to your benefactor at the wedding. What can't you tell me?"

Zhiyu said very seriously: "Brother, if I were fortunate enough to step into the marriage hall with the Grace as you said, I won't hide it from you, but it's not time yet after all."

Zhifei realized that it was impossible for his sister to tell the specific situation, so he cursed to save the country and sighed:

"In fact, in the literary themes since ancient times, heroes are indispensable for saving beauty. This is also very understandable. After all, which woman can withstand the shock of life-saving grace."

Zhiyu followed his words, nodded, and said with a smile: "Yes, you see, since I came back from Japan, I've been so desperate to find my benefactor all the time. I was almost blinded by the airport surveillance video... ..After all, life-saving grace is really too deep for a woman!"

After that, she couldn't help but sigh: "God is still good to me. I thought I would never meet my benefactor in my life. Unexpectedly, he would save me again in Aurous Hill..."

Zhifei heard this and couldn't help asking: "By the way, Zhiyu, I've always been curious, is he a Chinese or a Japanese Chinese? This time he saved you in Aurous Hill, but it's him. Has he been in Aurous Hill, or has he been watching you quietly?"

Zhifei asked this question because he wanted to get more information about the Grace. If the Grace was originally from Aurous Hill, he would be able to narrow the scope a lot.

How can Zhiyu couldn't hear the true motive in the words of her brother, but she pretended to be a little bit ashamed, and with a completely shy appearance of a girl, shyly said: "Oh, brother, I can't tell you about this, or you Guess for yourself?"

Zhifei thought: "You suddenly became so shy, you look like a girl in love, do I still have to guess?"

"No wonder... No wonder the benefactor appeared in Kyoto last time, this time in Aurous Hill. It turns out that this time he came to her... Isn't it possible that he has been obsessed with her since that time?"

"Yes! The time is right! Zhiyu came to Aurous Hill with mother first, and it happened after a few days in Aurous Hill. It is estimated that when she first came to Aurous Hill, the Grace had already heard the news... .."

"Otherwise, it would be too late to save her in such a short time..."

Thinking of this, Zhifei panicked even more.

Chapter 2883

Originally, both he and his grandfather were worried that this press conference would bring an even more fatal blow to the old man's personal reputation.

However, it now appears that the "benevolent man" who is hidden in the dark but with great power is the real danger that needs to be dealt with!

So, Zhifei sighed and said, "Hey, if you and your benefactor can be cultivated, I will be, your brother, 10,000 times happy for you. As for the grandfather's side, I can't do much better. Advise you, but I still suggest that you think twice. There is still some time before the press conference. Think about it again."

Zhiyu knows that her brother said so, this is to temporarily terminate the conversation.

It is very likely that he intends to report the situation to the old man as soon as possible.

After all, she just moved her benefactor out and put another smoke bomb. Now her brother must have been bluffed by her, and his cognition has also been driven away.

This is actually Zhiyu's purpose.

She knew that her abilities were limited, not to mention what she had, so she could only move out of the banner of her benefactor to fake her might.

Although she was a little bit ashamed, but fortunately, she was just a feint and didn't leak any information about Benevolence.

So she said to Zhifei: "Brother, don't mix up this matter, let me take care of it myself."

Seeing Zhiyu's attitude, Zhifei didn't try to persuade her anymore. He planned to report the important situation that he had just discovered to the old man to see what his attitude was.

Thinking of this, he didn't say anything but sighed: "Think about it for yourself first. If you have any ideas, you can also talk to me. I won't go to the venue today and go back to the room to lie down for a while."

"it is fine."

Zhiyu escorted Zhifei out of the room. As soon as the door closed, her expression instantly became very indifferent. She could no longer suppress her inner worries and hurried back to her room with a gloomy expression on her face...

Chapter 2884

Zhiyu's guess of Zhifei was indeed accurate.

The first thing Zhifei did after returning to the room was to immediately report to Chengfeng what he had just talked to her.

When Chengfeng heard what Zhifei said, Zhiyu decided to accept legal sanctions at the press conference tonight, and his whole person suddenly felt extremely anxious.

He naturally has a way to protect himself from legal punishment, and what he is really worried about is that if she does this, he will never come back.

This is because as long as they have broken the law, the people of the whole country will not easily forget this matter. In that way, as long as they are still in the public eye, the people will feel that they are a criminal who should go to jail.

In this way, no matter where he goes, he will be beaten like a rat in the street.

In terms of fame, he will never stand up.

Just when he didn't know how to stop Zhiyu from condemning him at the press conference, Zhifei gave another message that made his jaw dropped.

Zhifei said: "I've explored Zhiyu's tone. It seems that she might have an affair with that mysterious master. I think that mysterious master knew that Zhiyu came to Aurous Hill, so she came here. Yes, this also explains why he was able to rescue Zhiyu and mother as soon as the incident happened!"

After listening to this, Chengfeng's palms of his hands were full of sweat.

He found that things have indeed been developing in the worst direction.

He was afraid that Zhiyu and Liona would survive, but neither of them came back just like everyone else.

He was afraid that Zhiyu was saved by the Japanese master of Chinese descent, and he was indeed the result;

He was afraid that there was a person behind Zhiyu who had been supporting her. As a result, he did not expect that the two of them really seemed to have a love affair.

Chapter 2885

In this situation, the best solution Chengfeng can think of is to quickly repair the relationship with Zhiyu.

Other than that, there seems to be no better choice.

If he can repair the relationship with Zhiyu as soon as possible, he can temporarily stabilize her emotions and behavior. Not only will the trouble of the press conference be saved, but the threat of the mysterious master will also be much reduced.

In that case, he can also win more initiative.

Maybe he can let her put down her guard completely, so as to find out the specific information of the master through her, and then find a way to solve the master completely, and then find a chance to send her abroad under house arrest, all crises can be lifted.

Thinking of this, Chengfeng made up his mind and said to Zhifei: "I will call Zhiyu immediately and see if I can persuade her."

Zhifei hurriedly said: "Grandpa, if you want to call her at this time, doesn't she know that I have withdrawn the money secretly with you?"

Chengfeng said indifferently: "With Zhiyu's cleverness, even if I don't call her, you suddenly go back and ask her about this, she should have already guessed it."

With that, Chengfeng sighed again and continued: "Maybe the reason why she told you this is to use your mouth to pass these words to me, and then come to negotiate terms with me."

Chengfeng still knows his granddaughter very well.

Zhiyu was so smart when she was a child, she was definitely not comparable to his other grandchildren, and she couldn't be led by Zhifei.

Zhifei felt his cheeks hot after hearing Grandpa say this.

He knew that his younger sister was indeed smarter than him, but the words of the old man did hurt his self-esteem somewhat.

At the same time, he couldn't help asking from the bottom of his heart: "Could it be that Zhiyu is really borrowing my mouth to send a message to the old man?!"

Chengfeng didn't have the time to care about Zhifei's mood at this time, and said: "If you do, let me call Zhiyu."

After that, he hung up the phone and called Zhiyu.

Zhiyu was sitting at the desk at this time, staring at the mobile phone placed on the desk.

Seeing the phone rang suddenly and it said "Grandpa" twice, she was relieved.

However, she did not pick up the phone immediately, but only pressed the answer button when the phone rang for the fourth time.

Chapter 2886

As soon as the phone was connected, Zhiyu asked in a cold voice, "What are you calling me for?"

Chengfeng heard her question and hurriedly explained: "Zhiyu, grandpa called to apologize to you. Regarding the encounter with you and your mother, I do have to take full responsibility, but I want to tell you clearly, I never thought of hurting you. What happened to you was just an accident."

Zhiyu gave a hum, and said silently: "I believe what you said, but the fact that you were going to kill my mother is not an accident, right?"

Chengfeng knew that there was no need to explain or cover-up at this time.

Everyone is a smart person, and this kind of well-knowing thing is naturally impossible to clean up.

So, he sighed and said ashamed: "Hey! I admit that I do have a big opinion of your mother, especially this time she went to Aurous Hill to publicly participate in the auction of Changying's old house, which made the whole Su family's face lost.

I was furious for a while before I made that irrational decision. I hope you can understand my difficulties to a certain extent..."

Zhiyu said neither humble nor overbearing: "Yes. Of course, there is something wrong with my mother in this matter, but I think she is not wrong. After all, it is my dad who betrayed the marriage first!"

"He had cheated before my mother was pregnant with me, and he had an illegitimate daughter. You also know this!"

"In contrast, my mother came to Aurous Hill after she clearly requested a divorce from my dad!"

"What's more, I don't think there is a principal problem with what she is doing. Because of such a little thing, you hurt my mother. It's a bit too much!"

"Yes, you are right!" Chengfeng said sincerely: "After this incident, I regretted and blamed myself, so I also hope that you two can give me a chance to make up for it."

Zhiyu said lightly: "I don't think there is anything to make up for this kind of thing. My mother will never want to see you in her life. I may not want to see you for a long time in the future."

After speaking, Zhiyu said again: "Although I am your granddaughter, deep down in my heart, I still hope that you can use it to assume responsibility and consequences and surrender to the police."

Chengfeng was extremely annoyed when he heard this.

However, he did not dare to express anything but said helplessly: "Zhiyu, after all, I am the head of the Su family. Not only should I lead the family forward, but also represent the image and status of the Su family. I really went to jail, not only was it not good for the Su family, it was not good for you either."

Zhiyu said: "I just want a just result."

"Justice?" Chengfeng sighed and said, "Zhiyu, let's do this, you are a smart girl, we don't have to talk around like that. You can tell me directly, what on earth do you want me to do so you can forget it?"

Zhiyu said: "I just said, I hope you surrender yourself to the police!"

Chengfeng smiled and sighed: "Zhiyu, if I'm not wrong, you have said so much to Zhifei, you should be thinking about this matter, can you negotiate some conditions with me?"

To be honest, I don't blame you for having such thoughts. After all, I will make compensation for your wife. So if you have any request, just say it, as long as I can accept it, I will agree to it!"

Chapter 2887

Zhiyu heard Chengfeng straightforwardly say what he thought in his heart, and couldn't help but sigh in her heart: "Talking to smart people is peace of mind. Everyone is a master who can nod in a word, saving a lot of twists and turns."

As a result, she no longer concealed her true motives and said: "You are right. I really want to get some compensation for my mother and me. I think this is what we deserve."

As she said, she added: "By the way, this is not only for me and my mother, but also for my dad! I heard that he, like my second uncle, has disappeared. He is only working for the Su family. Those who are missing should receive a certain amount of compensation."

Chengfeng asked her: "Zhiyu, don't you know about your father's disappearance? He disappeared in Aurous Hill, and I think his disappearance has a very strong relationship with your benefactor."

Zhiyu denied: "I don't know exactly how my dad disappeared. I only know that he came to Aurous Hill to help Su family negotiate cooperation with the Japanese."

Chengfeng sighed and said, "Your dad did go to Aurous Hill to discuss cooperation. He was going to see Ito Takehiko from the Ito family, but he has disappeared before he even meets Ito Takehiko."

Closely, before he disappeared, he used his authority to transfer the family's 100 million U.S. dollars to an unknown overseas account. I suspect that he might have been kidnapped."

With that, Chengfeng asked again: "Do you really know this thing? Did you never ask the benefactor, or he didn't tell you at all?"

Zhiyu said indifferently: "He never told me, but I don't think he has any reason to target my dad. My dad has never offended him, and the danger that my mom and I encountered this time has nothing to do with him."

When Chengfeng heard this, his face suddenly became very ugly.

"Zhiyu said that Zynn didn't offend her benefactor because Zynn didn't participate in her and her mother's distress. Isn't that just to point fingers to me?"

"In other words, I offended her benefactor for planning the assassination of Liona? Then is he still prepared to deal with me?!"

Zhiyu's words contained a faint threat, which gave Chengfeng a headache.

However, he now dare not directly offend his granddaughter.

After all, he also plans to ease the relationship with her first, and then find a way to find out who the benefactor is.

If he could provide Master Cary with some clues and let Cary use metaphysical means to kill him, then he could solve this problem once and for all in the future.

So, his tone was immediately full of compromise, and he said with emotion: "Zhiyu, what you said is really correct. I'm sorry for you and your mother. And your dad suffered an accident because of the Su family. I really have to compensate you well..."

Chapter 2888

After speaking, Chengfeng said: "Zhiyu, what compensation do you want, just say it, as long as I can do it, I will promise you!"

Originally, Zhiyu did not want to make any transactions with him.

She didn't care about money, and it was not so easy to forgive him for what he did, and she could not forgive him for what he did all his life.

However, since Charlie let her become Su Family Patriarch within three years, she has changed her mindset.

She used to be in the family, not fighting, not robbing, and not getting ahead, but now, she wants to change her way.

So she asked Chengfeng: "The reason why my dad wants to meet Yuuhiko Ito must be for the ocean shipping business, right?"

"Yes." Chengfeng said frankly: "Our ocean shipping business has now been stopped, and there is dissatisfaction with Su empire from above, so I have not let go of it during this period.

Your father also wants to take our ships and the resources and transfer them to Japan, and the Japanese company's shipping permits, route resources, and terminal resources can be used to continue operating this business, but it's a pity..."

Zhiyu said at this time: "Well, I want the Su family to transfer this business to me. In the future, all the ocean transportation business of the Su family will be in my charge, and all related resources will be controlled by me."

"Furthermore, I also require that I am solely responsible for the operation and finances, and the equity belongs to me alone, and I must not have any affiliation with the Su family!"

Chengfeng did not expect Zhiyu's appetite to be so great.

He secretly thought in his heart:

"Zhiyu girl, want the entire ocean transportation business of the Su family?"

"Su empire's total assets in this business exceed 300 billion! At least 20% of Su empire's assets!"

"She wants to walk so much in one breath, this girl really has a lot of appetites!"

Chapter 2889

Chengfeng is obsessed with power, and for him, he is 10,000 times unwilling to let others separate power from him.

Therefore, at such an age, he still has to firmly control the position of Su Family Patriarch, and control every sector of the Su Family's business, as well as the overall financial power.

His seven children hadn't mentioned the idea of separating the family before, but he was resolutely rejecting each time.

Later, the seven children changed their way of thinking, regardless of the family. At least the business should be divided up and given to different people to take full responsibility.

But he still disagreed.

He is like an ancient emperor, not only disagreeing to distribute the world to the princes, but also disagreeing to let his children become kings in charge of one party.

In short, the Su family belongs to him, so no part of it can be separated.

Because of this, when he heard Zhiyu's request, his first thought was to get very angry.

If it were in the past, let alone Zhiyu, even his own children, anyone who would dare to speak to him like this would definitely get a slap in the face, and then directly driven away to some overseas country.

But now, various crises forced him to carefully consider Zhiyu's request.

He thought to himself: "If I don't agree, if she holds a press conference tonight, my reputation will never stand up;"

"Moreover, what if her benefactor stood up for her and then attacked me?"

"Before Cary killed her benefactor, I could only promise her first."

"What's more, the Su's ocean shipping industry has basically been shut down, even if it is temporarily given to her, she will not be able to make any storms, nor will she get any benefits!"

"When I resolve the threats behind her, I can naturally get these businesses back easily."

Thinking of this, he gritted his teeth and said, "Okay! Grandpa promises you! Su's ocean transportation business will be yours in the future. If it is convenient, you come to

Suzhou to find me, and I will do all the relevant documents and contracts, and put it in your hands!”

Zhiyu said: “Grandpa, it’s true that I am still complaining to you, so I may not be able to face you for the time being. As for the contract, I will ask a lawyer to help.”

Chengfeng hesitated for only three seconds, and said straightforwardly: “No problem! In this case, I will let Anson come to Suzhou. You can find a lawyer to connect with him. After the connection is completed, the Su family ocean shipping group is yours!”

Chapter 2890

The so-called press conference, the so-called result justice, and the procedural justice, for her formerly, absolutely did not allow any moisture to be mixed in it.

But for Zhiyu now, the main thing is that she can achieve the results she wants, and she can compromise.

And the result she really wanted was Su’s ocean shipping business.

Although this business is now in trouble because of Chengfeng’s actions, she is confident that this business will be restored to life.

The ocean shipping business has high profits and great potential, and it is definitely the most promising sunrise industry at the moment.

Moreover, the Su family’s business has been hit hard and cannot be revitalized. Now that the old man is looking for this business, the old man can still accept it through gritted teeth.

But if she asks him for those industries that are currently operating smoothly and are highly profitable, he may not be able to agree.

So, she said to the old man: “Grandpa, since we have reached a consensus, please arrange for Anson to come over before dark, and try to sign the contract before the press conference.”

Chengfeng had no other words, and immediately said: "I will let him come by helicopter now, and he will be over there in an hour!"

Zhiyu said: "Okay, then I'll wait for Steward Su."

Chengfeng hung up the phone, his face was already dark to the extreme.

He couldn't help muttering to himself: "Zhiyu, Zhiyu, I want you to know the joy of fish, but I didn't expect you to be the only one who is not satisfied! Grab a little bit and want to bite such a big piece of meat, you good granddaughter, you really make me admire!"

After that, he gritted his teeth hard, picked up the landline phone on the desk, pressed the quick dial, and said, "Anson, come to my study!"

Half a minute later, Anson knocked on the door of the room, by the way, pushed the door in, and asked respectfully: "Master, are you looking for me?"

Chengfeng said in a cold voice: "Bring the legal director, and then bring all the equity information of our shipping company, the company's articles of association and official seal, and go to Aurous Hill urgently."

Anson asked puzzledly: "Master, what do you want him and take these materials to Aurous Hill?"

Chapter 2891

Chengfeng gritted his teeth and said: "I want you to go to Aurous Hill and change the shipping company's ownership to Zhiyu. From now on, the shipping company will be hers alone."

"Ah?!" Anson's chin was almost astonished, and he blurted out: "Master, you...are you...are you kidding me?! For such a big shipping company, just give it away like that?!"

Chengfeng asked in return: "Otherwise? Zhiyu is a good girl now! My reputation will be in her hands in the future, and if she really asks me to surrender in front of the people of the whole country, then how can I settle this matter? I don't want to think about turning over again in the future!"

"Moreover, there is a mysterious master behind this girl, and I am not sure now, whether I can kill him before he attacks me!

Anson asked quickly: "Master, the British Cary has arrived in Aurous Hill, right? Is there any progress on his side?"

"Not yet." Chengfeng said: "Although Aurous Hill is a small city, it has a population of nearly 10 million. It is as difficult as climbing to the sky to find someone, so we still have to give him some time!"

Anson hurriedly said: "Master! In my opinion, you might as well call Luther yourself. This old thing is now a four-star warrior. If you can convince him and let him protect you personally, your safety will be guaranteed.

Greater the protection, and there is no need to worry that the expert will come to trouble you!"

Chengfeng sighed: "Luther didn't leave any leeway before. I think he is determined to draw a clear line with us. Asking him now will probably be useless."

After that, Chengfeng said again: "Even if Luther still has a chance, it will never be possible to find a breakthrough in a short while, so you should go to Aurous Hill first, first give the shipping company to Zhiyu and stabilize this matter. Go through today's hurdle safely."

Anson nodded and said respectfully: "OK master, I am ready to go!"

...

at the same time.

Charlie has received a call from Roma.

The He family has selected ten family members with the strongest strength, the highest talent, and the highest loyalty this time, and they are ready to set off to Aurous Hill to report to him immediately.

Chapter 2892

According to Roma, Luther, who has just broken through the fourth meridian and became a four-star warrior, also became one of the ten people.

Charlie didn't feel much about who came from the He family, after all, he didn't really need the He family to work for him.

However, hearing that the old man of the He family personally put on the battlefield did make Charlie feel the sincerity of the He family.

Because the He family is here tonight, Charlie came to Shangri-La and told Ruoli the news.

Ruoli was naturally extremely excited when she heard that both her mother and grandpa would come.

After hearing that Grandpa had broken through the four meridians and became a four-star warrior, her eyes were wet with excitement.

She looked at Charlie, choked, and said, "To break through the four meridians and become a four-star warrior is the biggest and greatest wish of my grandfather in his life. After he was sixty years old, he knew that he would definitely have no hope of breaking through in his life, so he kept putting this incident and regarded it as the biggest regret of his life..."

Having said this, she said with a grateful expression: "Master, all thanks to the opportunity you gave, if it weren't for your pill, grandpa would definitely not have such an opportunity, thank you!"

Charlie smiled slightly: "You don't have to thank me for anything. The cooperation with your He family is indeed for your face, but this kind of cooperation is also equal, and it is not my unilateral charity."

"Furthermore, I may have many places where I need to use the He family in the future. As long as the He family can work with me wholeheartedly, I will definitely give them more opportunities to rise."

"This kind of opportunity is not only money and pill, it may even include a complete inner family boxing technique and other inner family techniques."

When Charlie said this, he paused and asked: "According to my observations, the inner boxing technique that your He family cultivates should be a broken scroll. I don't know if what I said is wrong?"

Ruoli said quickly: "Master really has a lot of magical powers, you can even see this..."

After that, she explained truthfully: "In fact, the inner boxing techniques that the He family has passed down for hundreds of years were not created by the family ancestors, but were obtained by chance by them."

"In fact, when it was first obtained, it was a fragmented volume, and most of the content was missing..."

Chapter 2893

"Therefore, when the He family practices this inner family boxing method, there are many restrictions, and it is easy to cause internal force disorder and life-threatening injury"

"It is precisely because of this that the family settled in the coldest place in China, because the colder, the less the chance of internal forces being disordered..."

Charlie nodded.

In fact, the way of martial arts has been in decline a lot since its development in ancient times.

In fact, from the Song Dynasty to the late Ming and early Qing, the development of martial arts was relatively prosperous.

After all, in the era of cold weapons, kung fu was very useful, not only to protect the home and the country, but also to make a living, so in addition to scholars, the rest of the people wanted to become martial arts masters.

However, in the Qing Dynasty, foreign powers opened the country with guns and suddenly let countless martial artists discover that they could hardly practice their skills for a lifetime, and they were even no match for a bullet gun or a cannon in the hands of foreigners.

In the beginning, many patriotic martial artists also had the heart to serve the country loyally, but their strength was not worth mentioning in the face of hot weapons.

The most sighing thing was that thousands of names and regiments besieged hundreds of foreigners in Dongjiaomin Lane, but they stayed for 56 days, but they didn't attack.

Since then, a large number of martial arts practitioners have become the biggest opponents of martial arts from their original love of the field. The reason is that they have seen a huge gap and realized that they have lost a bullet in their lifetime efforts.

Since then, domestic wars have been perennial, domestic, and foreign troubles, and the speed of weapon development has been getting faster and faster, which has widened the gap between martial arts and weapons.

Therefore, since the Qing Dynasty, martial arts began to go downhill, and it has not really re-emerged until now.

Originally, there were millions or even tens of millions of people in China, out of the total population, who practiced martial arts, but now, there are no more than hundreds of thousands of martial artists in the country out of these billion people.

Many internal martial arts have been gradually lost in this period of time, so that many martial arts practitioners do not have complete internal martial arts to practice, which can be regarded as a great sorrow of the decline of this art.

Chapter 2894

However, the enthusiasm of this art today is not at all inferior to those of their ancestors.

Take the He family as an example. In fact, the He family has always been eager to fill up their incomplete set of internal boxing, but unfortunately, they have not found any relevant clues.

For Charlie, the inner boxing method was nothing remarkable.

The "Nine Profound Heavenly Scriptures" recorded a lot of internal martial arts, and he didn't even bother to practice these, because he had already completely exceeded the level of martial arts practitioners. This internal martial arts was of no value to him.

However, if he casually took out one of the internal boxing techniques in the "Nine Profound Heavenly Scriptures", I am afraid that the martial arts families in the world would be able to trade their heads for this.

What's interesting is that nowadays, among the martial arts practitioners in the country, the only one who has mastered complete internal martial arts is the little pepper Aoxue who has just entered the industry and has no style.

The "Four Elephant Palms" she is now quietly practicing is a complete internal boxing technique that Charlie found out from the "Nine Profound Heaven Classics".

Therefore, he said to Ruoli: "If the time is right in the future, I can provide the He family with a complete internal boxing technique. By then, I may be able to help the family to a higher level!"

She was shocked when she heard this, and she was equally excited.

She didn't doubt that Charlie had a complete inner family boxing technique, but she did not expect that he would be willing to take it out and give it to the He family.

Although Charlie did not say to give it immediately or definitely, he also said that it would be given when the time is right, which means that he is willing to give it to the He family as long as the time is right.

Ruoli was very clear about the significance of complete internal martial art.

So when she heard this, she couldn't wait to hope that the He family could become Master Wade's confidant as soon as possible, and at the same time, she could receive the inner family boxing technique gifted by him as soon as possible!

While Charlie was chatting with Zhiyu, his mobile phone suddenly received a call from Leon.

This made Charlie a little curious.

Chapter 2895

Generally speaking, Leon doesn't contact him very often, but whenever he contacted him, it was usually a very important matter.

So, he hurriedly connected the phone and asked, "Steward Leon, is it something important that you are looking for me?"

Leon smiled slightly and said, "Master, I have nothing to do with you, but there is something that may require you to come up with an idea."

Charlie asked, "What's the matter?"

Leon said, "That's right, Miss Zhiyu's conference will be broadcast live on the whole network tonight.

She also contacted the short video platform you asked Wade family to buy, and hope we can also participate in this conference. I hope we can provide some recommended resources, so I would like to ask you to come up with an idea and see if you agree to her."

Charlie didn't pay much attention to the news today, so he still doesn't know that Zhiyu will appear in a press conference.

Suddenly hearing Leon say this, he asked very curiously: "Why is she suddenly appearing in a conference? And also engaged in such a big battle... Has she disclosed in advance what the conference is about?"

Leon hurriedly explained:

"It is said that the content of this press conference is related to their experience during this period. After all, the people of the whole country have paid great attention to the fact that they were missing after a car accident. Now that they have returned to the public eye, she should give an explanation."

Speaking of this, Leon paused slightly and said:

"And I think she must have a big move for this press conference.

Maybe she wants to take advantage of this opportunity to tell her grandfather in front of the people of the whole country. Chengfeng was in trouble! That's why I called to ask you, should we get involved in this matter?"

Charlie hesitated for a moment, combined with Zhiyu's character in his mind, pondered the matter carefully, and said: "Steward Leon, you can let our short video platform broadcast it for her."

Leon said: "Master if she really attacks Chengfeng at the press conference, it will be more or less embarrassing for us. After all, Old man knows that the short video platform is in the hands of Wade family. If we come forward to help Zhiyu live, maybe it will be rejected by insiders."

The upper class has the rules of the upper class.

Generally speaking, the upper class doesn't like to engage in small actions behind the scenes.

In the past, many wealthy people manipulated social media by looking for people who had nothing to do with them. Even if the whole world felt that they did it by themselves, there was no direct evidence to prove it.

But the Wade family is different this time. People all over the country know that the short video platform belongs to the Wade family. If the Wade family deliberately disgusts the Su family on their platform, it will definitely be a little unglamorous in the eyes of outsiders.

Charlie smiled and said at this time: "From my point of view, Zhiyu shouldn't attack her grandfather at this press conference, so you can let the short video platform rest assured to broadcast it for her."

Chapter 2896

Leon asked in surprise, "Master, why are you so sure?"

Charlie smiled and said: "If you have to explain the reason, it will be a long story, but you just believe me."

Leon hurriedly said, "Okay young master, then I will deal with it."

"Okay." Charlie asked with a smile: "Steward Leon, is there anything else?"

Leon said, "The rest is nothing."

Charlie said in a convenient way: "That's good, then do this first, and then contact me if you have anything."

After hanging up the phone, Ruoli who was next to Charlie hurriedly asked, "Master, Sister Zhiyu is going to hold a press conference?!"

"Yes." Charlie said with a smile: "Not only will a press conference be held, but also a live broadcast will be conducted on the entire network. By then, there will be at least tens of millions of people watching the live broadcast simultaneously on so many platforms."

Ruoli asked incomprehensibly: "Then why do you think she will not attack Chengfeng? This is a good opportunity to ruin him!"

Charlie smiled slightly: "It seems that your sister is a little smarter than you."

Ruoli put out her tongue in embarrassment, and said with a sigh:

"How can I be compared to Sister Zhiyu, who has received elite education since she was a child, and she is also a high-achieving student who graduated from a top university.

In contrast, except After 9 years of compulsory education, I have never attended high school..."

Charlie shook his head and smiled: "This doesn't have much to do with how many studies she has attended, mainly because Zhiyu clearly knows what she wants."

Ruoli asked curiously, "Master, can you tell me more specifically?"

Charlie explained: "Everyone thinks that your sister's press conference is an excellent opportunity to challenge Chengfeng, and everyone thinks that as long as your sister seizes this opportunity, Chengfeng will be ruined and never turned back. , But if you think about it, what does this mean to her?"

Ruoli was even more puzzled, looking at Charlie blankly, and said seriously: "At least she can get revenge! Attacking the enemy is not just revenge for herself?"

Chapter 2897

Charlie looked at her, shook his head, and said, "When Zhiyu does this, it is just a bit of hatred for Chengfeng. It won't have any other effects, and it doesn't even make him lose a dime. It's meaningless."

Charlie said again: "This is different from when I first exposed Chengfeng's conspiracy. Before I exposed him, Chengfeng's personality was very top-notch. It can be said that countless people worship and admired him. Made him fall to the altar, and also caused the Su Family to suffer a great blow."

"Including the suspension of ocean shipping business, it is also the punishment given to him by the above."

"However, Chengfeng has already been thrown this time. Even if Zhiyu stood up and scolded him today, she would just pour cold water on the fallen Chengfeng. It is impossible for him to fall again."

"Rather than pour a pot of dispensable cold water, it is better to take this opportunity to ask him for some benefits."

Ruoli exclaimed: "Young Master, you say that my sister wants to make peace with him?!"

Charlie waved his hand and said, "On the surface, it is a peace talk, but in reality, it is cutting Chengfeng's meat with a blunt knife."

After that, Charlie said again: "This time Chengfeng must be severely cut by Zhiyu. After this cut, the two of them seem to have reached some kind of reconciliation condition, but in fact, the relationship between them. The old man and grandchildren's love points are completely exhausted, and after the talks, they are the real enemies."

Ruoli couldn't help asking: "In this case, Sister Zhiyu will be in danger in the future, right?"

Charlie shook his head and smiled: "No, Chengfeng provokes no one, dare not provoke her. Don't forget, there is me behind Zhiyu. Chengfeng is absolutely absolute before he finds me out. He dare not start with Zhiyu."

After speaking, Charlie said again: "Your sister is really going to work hard for the position of Su Family Patriarch this time. This is a good thing. If she really becomes Su Family Patriarch in the future, Su Family and Wade Family have been in the past decades. We can draw a full stop for the kindness and grievances!"

"Moreover, your future, even your mother and the future of the whole He family, will have a better home!"

"At that time, you can change your identity and assist her as sister's side!"

"If she has the support of you and the He family, her future will be limitless!"

Charlie's hatred of the Su family was only on those people who were related to the Anti-Wade League back then.

Chapter 2898

Now, Zynn, the apparent leader of the Anti-Wade Alliance, has been thrown into Syria by himself, and Shoude, the apparent number two figure, has also entered the Orvel's kennel.

So at the moment, Chengfeng is the only enemy from the Su family.

According to the agreement between Charlie and Zhiyu, she ascends to the top of the Su Family Patriarch and could take the initiative to surrender Chengfeng in exchange for her father to return to China.

If she can do this at that time, she will get Zynn back, but she still has to make sure that he stays away from all the real power of the Su family, forcing him to retire.

In that way, whether the Wade family or himself, they can let go of all their old hatreds with the Su family, and never offend the river.

Therefore, Charlie naturally hoped that Zhiyu would get better and better by then.

And Ruoli was also Zhiyu's half-sister. When the two sisters met last time, Charlie looked at her closely.

He can be sure that in Zhiyu's heart, there really is this sister Ruoli.

And Ruoli also has her sister.

More importantly, Ruoli now has no cruelty and hostility at the beginning. In the future, she will definitely be able to follow Zhiyu with all her heart and escort her.

He originally thought that his arrangement is very reasonable, and he also considered the two sisters very much.

But he never expected that Ruoli's eyes would suddenly turn red when she heard what he said.

She looked at him and choked: "Master... Ruoli's life was saved by you... My cultivation was also broken through with your help... You are Ruoli's greatest benefactor in this life. In the future, if I just want to stay with you before and after serving you with all my heart, and don't want to return to Su's house..."

Charlie explained: "I'm not asking you to go back to the Su family, but you will go back after your sister becomes the head of the Su family."

Ruoli choked up in anger and said, "Then I won't return! Although my sister and I have half the same blood relationship, in the final analysis, I don't owe her anything, and I don't want to stay with her in the future..."

Chapter 2899

Having said this, she subconsciously grabbed Charlie's hand and cried and said, "Master, please don't rush away in the future, okay?"

Charlie said helplessly: "You are only more sensitive to your identity and cannot return to normal life immediately, so I will keep you by my side, but in the future, this matter will eventually pass, and the hatred of the Japanese will also recede by the time.

It gradually fades and is even forgotten. At that time, you can have your own life again. Why do you need to spend it by my side?"

Ruoli said firmly: "I don't want my own life...I just want to stay with you before and after the horse..."

As she said, she wiped away her tears, and said a little angrily:

"Master, if you don't want me to follow you someday, if you don't want to be stalked, I will find a nun's haircut when the time comes. For nuns, eat fast and recite Buddha for the rest of life! Don't think that me if it frightens you.

I can swear to the sky with my own life. If there is any violation, the sky will thunder and kill me!"

Charlie was completely speechless, and he asked after a long time:

"You...what are you doing? You are only in your early twenties this year, and you will have a lot of good times in the future!

And with your current cultivation base, even if you start from now on, there will be an improvement in your cultivation base, and you can easily live a hundred years old, which means that your life has only passed one-fifth, or even one-sixth!"

"I don't care." Ruoli said firmly: "If I hadn't met you, my life would have passed one hundred percent, and there would be no Ruoli sitting here safe and sound!"

So, No matter how long I have left, it will be given to me by Master, so I am willing to spend this time for you only!"

When Charlie heard Ruoli's words, deep in his heart, he was moved and helpless.

He originally wanted to continue to persuade this stubborn girl, but the look in this girl's eyes seemed to be something he could not persuade at all.

So he gave up this idea.

Just like what he said earlier, there is still a long, long time in the future, and there is absolutely no need to pursue Ruoli to be able to achieve it in one step now.

There will be a lot of time in the future, and the days to come will be long, and even if her mind is as solid as a rock, it will definitely change over time.

Thinking of this, he simply turned off the topic and said: "By the way, Ruoli, I have asked Mr. Issac to urgently buy a riverside villa. The villa is a second-hand detached house with eight rooms.

In the basement, when your grandpa and the others come, they will live there, and they can practice quietly without being affected by the outside world."

Ruoli hurriedly said: "Master, you don't have to spend so much money. The He family used to serve the Su family. They lived in the Su family. They were divided by gender and lived in the upper and lower bunks like the school dormitory. A villa is too expensive..."

Charlie smiled and said: "I bought the villa and loan it to your grandpa. You must not have any psychological pressure, and I bought the house as an investment, mainly for the appreciation of the value."

Ruoli said again: "However, after Grandpa and the others come, they must be waiting for you 24 hours a day, and they will even be around you on call 24 hours a day. You arrange for them to live in the villa. In case you have something to do, They must not be able to arrive in time."

Chapter 2900

Charlie smiled slightly: "These are all trivial things. In fact, I am used to being alone. Generally, I don't keep people around. Even Orvel and Issac are not by my side 24 hours a day.

They usually do. They have their own affairs, they have their own lives, and they won't revolve around me 24 hours a day. The same goes for your grandpa and others with him."

Ruoli asked hurriedly: "Master, if you don't let Grandpa and the others follow you, what are their main tasks after they come?"

Charlie said: "I've already thought about this. When the time comes, these practitioners of your He family can be divided into several people to help Orvel and Issac."

"Even though there are many younger brothers with Orvel, they are all unfamiliar with the techniques. It's okay to fight hard with others on the street. If they really meet a master, all of them will be given for nothing."

"So at that time, your family, on the one hand, will help Orvel do some things beyond his ability, and on the other hand, will also help him train his little brothers a little."

"As for Issac, although all the people under his hand are well-trained, they are still a bit worse than you martial people, so you have to help them improve their overall strength."

Ruoli hurriedly said: "These must be fine! Grandpa and they must be able to do very well!"

With that said, she looked at Charlie a little embarrassedly, and asked faintly: "Master, I don't know... I don't know what your arrangement is for me..."

Charlie smiled and said, "You are now in a special situation, so just continue to stay in Shangri-La, and try not to have any contact with anyone except me and your mother."

Ruoli has no opinion on Charlie's arrangement.

She is most afraid that he would also send her to Issac, Orvel, or her sister.

Since he is willing to continue to keep her in Shangri-La, of course she is also willing to accept it.

Anyway, as long as she doesn't get driven by him to other places and sees him often, she will be satisfied.

Charlie said to her: "By the way, I have never allowed you to contact the outside world, or even let you have access to outside information.

On the one hand, I am still a little wary of you, on the other hand, It's really because your identity is too special. If the news is revealed, it is easy to cause trouble for you."

After speaking, Charlie paused, and then said: "But now it seems that you are no longer as irritable as when the accident happened, and you have also met your mother. I believe your current state of mind must be relatively stable. A lot."
