

## Chapter 289

This night, the family members who got the magic medicine could not sleep all night.

Warnia, who witnessed the miracle happening to grandpa with her own eyes, was also very excited.

Thinking of the magic medicine that Mr. Wade had quietly given to her, a strong warm current surged in her heart.

Mr. Wade treats her so well, this kindness is unforgettable!

Same as her, who fell into insomnia because of thinking about Charlie, and Aoxue, the little pepper of the Qin family.

After her father Qin Gang got the two magical medicines, he immediately gave her one as soon as he returned home and told her to hide it next to her body.

Now, this pill was stored close to her body, with her body temperature and fragrance on it.

The thought that this was given by Charlie to her made her happy and almost drunk.

And Charlie, as the big man behind all this, is still lying on the floor next to his wife's bed and continues to sleep particularly sweetly as his son-in-law.

Early the next morning, Claire went to the studio.

After so many days of preparation, her studio is said to have begun to take shape and is ready to officially open.

Charlie wanted to help her, but she only wanted to build her own business with her own hands.

Charlie understands her feelings. Since leaving the Willson family, she has been thinking about how to prove herself and can't let the Willson family look down upon her.

Well-dressed Charlie was about to go out to buy groceries and found that his pockets were bulging, which reminded him of the gifts everyone gave him yesterday.

Two smart keys for luxury cars, a Mingchao Chenghua Doucai wine glass, and a check for 100 million.

The Doucai cup was placed in a sandalwood box, which was relatively large, so he simply put the box together in his own small closet. As for the car bracelet and check, he originally wanted to put it in the cabinet, but after thinking about it carefully he gives up the idea.

Mother-in-law, she likes to come to the room to churn around when she has nothing to do. Last time Qin Gang gave him a jade bracelet, but his wife didn't wear it before she went along.

If she finds the check of 100 million and the smart keys of two luxury cars, she will definitely take it for herself.

More importantly, if she finds out, he can't explain it at all.

This one hundred million check alone was enough to scare her to death three times.

So Charlie left the smart bracelet and check in his pocket and went out to the vegetable market.

On the way, Qin Gang called him, and after a few greetings, he asked carefully: "Mr. Wade, do you still like the sports car given to you?"

"Oh," Charlie remembered suddenly, and said, "I haven't seen it yet."

Qin Gang said hurriedly and respectfully: "The car is at the Aurous Hill Convention and Exhibition Center. The International Auto Show is now underway. If it is not inconvenient for you to go there, I can send someone to the house in a transporter."

Charlie said, "Forget it, don't send to the house anymore, I'll take the time to check it out."

The community he lives in is very ordinary, and a house is worth two or three million. If two sports cars worth more than 40 million are suddenly parked, the entire community is estimated to be fried.

Therefore, he thought about parking the car first at Tomson's villa, where the villa has a private basement, and parking in the basement is more worry-free.

When he arrived at the vegetable market, Charlie received a call from Stephen, a good university brother. On the phone, Stephen asked, "Charlie, where are you?"

Charlie said: "I'm shopping at the vegetable market, what's wrong, Stephen, are you looking for me?"

## **Chapter 290**

Stephen hesitated a little and said: "My dear, I came to the Aurous Hill International Auto Show today"

Charlie knew that he was a car fan, and his favorite thing was cars. When he was in college, he used to save a month of living expenses and went to other cities to watch the auto show.

So he smiled and asked, "Did you go to see the car again?"

"Yes." Stephen said: "This time there are several world-class limited-edition sports cars coming to the exhibition, it is very rare to see them.

As he said, Stephen hurriedly said: "Oh, I didn't ask you to talk about this."

Charlie asked: "Then what are you looking for?"

Stephen hesitated for a moment, and then said: "That's it, I saw it at the auto show."

"My wife?" Charlie asked in surprise: "What did she go to the auto show?"

"I don't know either." Stephen said, "She is with a man, so I called to ask if you know this."

Charlie frowned.

Claire went to the auto show with a man?

Why didn't he listen to her?

Although the two of them don't communicate much, they will still tell each other about some things. She went to the auto show with a man. She didn't talk about it to him. Is there anything hidden?

Although Charlie is the Wade Family Young Mr. and Mr. Wade in the eyes of Aurous Hill big men, he still lacks confidence in his relationship with Claire.

He was also worried that Claire might be tempted outside, so he said to Stephen, "I know Stephen, thank you."

Stephen said: "Charlie, my mother called me just now and told me that something happened at home and asked me to go back. You should come and have a look."

"Okay." Charlie said: "I'll go and have a look later, you should be busy first."

After hanging up the phone, Charlie parked the electric bike on the side of the road and took a taxi to Aurous Hill Convention and Exhibition Center.

The Convention and Exhibition Center is a large-scale real estate project that specializes in undertaking various exhibitions. Basically, large-scale exhibitions in Aurous Hill are held here.

Charlie entered the exhibition hall, and when he looked around, he was surrounded by ordinary citizens watching the auto show, and the surrounding platforms were also full of luxury cars.

Here, the starting point is the imported luxury cars such as the Audi a8, including luxury sports cars such as Lamborghini and Ferrari. In the center of the exhibition hall, on the highest platform, there is one red and one black. A top luxury sports car.

These two cars were the ones that Solmon White and Qin Gang gave to Charlie.

An Aston Martin one77, a Bugatti Veyron Hermes special edition.

These two cars are also the two super luxury cars at the finale of the entire auto show. The surroundings of the two cars are almost surrounded by audiences and reporters.

Besides the two cars, there were two strong and mighty security guards. The security guards turned their backs to the two luxury cars and formed a circle facing the crowd so that the crowd could not touch the cars.

The host is introducing, saying: "These two cars have already been ordered away. They are personal items. You can watch and take photos, but you can't touch them. Thank you for your cooperation."

A reporter couldn't help asking loudly: "The auto show has just started, and both cars have been booked? If it is not convenient to reveal, who are these two rich men?"

The host smiled slightly and said: "It's not two rich men, but one rich man."

"One?" The reporter exclaimed, "Could it be that two cars were bought by one person?"

"Yes." The host nodded and said with a smile: "These two cars are indeed owned by the same rich man!"
