

# Super Rich Dad Chapter 294-296

## Chapter 294 - Unexpected

After all, the hotel could now be described as having suffered heavy losses, and Qiao Dong still didn't know how he was going to explain this to his old man.

The hotel is now a huge loss, and Qiao Dong still doesn't know how to explain to his old man.

Qiao Dong thought to himself, if he agreed with Jiang Hao's opinion today, his old man would probably dare to pick his own skin later.

In addition to this, Qiao Dong himself could not get over that hurdle in his heart.

Even though you, Jiang Hao, are Shen Haoting's son, you can't have your girlfriend's relatives do something bad and then let our Qiao family take the blame, right?

Our Qiao family is not as wealthy as your Shen family, with tens of billions of dollars in assets at every turn, and the ten million or so that was smashed today, it's not sure when they will be able to earn it back.

The hotel rooms are like a pig's nest, so it's definitely not possible to continue operating, which is a big loss for Jane.

Although Qiao Dong is usually a loser and doesn't even blink when he spends money.

But now he had to pay for someone else's bill, he still couldn't bear to do it.

Jiang Hao didn't say anything when he heard Qiao Dong's words, but he was in a hurry.

Qiao Dong hurriedly changed his tone again and begged, 'Mr Jiang, how about this, I won't pursue them anymore, but you have to make them pay for the damage today, right? The things they smashed today were all my father's treasures, and I don't know how I'm going to tell my father about this.'

'Hey!' Qiao Dong lowered his head, sighed repeatedly, and said, 'Jiang Shao, you see, my father has been with you for so long, without me, there is also hard work.'

As he said this, Qiao Dong was on the verge of tears.

When Jiang Hao heard Qiao Dong's heartfelt words, he also felt a bit uncomfortable.

The things that had been smashed today were not a small amount after all, so how could they be dismissed so easily?

Jiang Hao turned his head and looked at the house again, cousin Xue Yuning's family, and couldn't help but sigh.

He then said to Qiao Dong, 'How about this, you tally up the losses today and give me a report, I'

Before Jiang Hao could finish his words, Qiao Dong hurriedly said, 'There's no need to tally, hey already finished tallying it up Jiang Shao, the stuff they smashed today is around 13.7 million.'

Jiang Hao smiled and frowned, thinking to himself that this guy's face would be cloudy and sunny at one time, was he faking it?

But Jiang Hao didn't care about that much, he said directly, 'Then how about this, 13.7 million, I'll pay 13 million, the remaining 700,000, you let them pay.'

After Jiang Hao finished speaking, he looked at Xue Yuning and said in a serious tone, 'This way, you will also be able to explain to your father, and the few of them, they will also be able to get some lessons.'

Jiang Hao thought for a moment and then continued, 'Oh yes, I can go with you to explain the situation to your father when the time comes, and since I said today that I would pay for this money, I will definitely keep my promise, don't worry about it.'

Hearing Jiang Hao's words, Qiao Dong immediately smiled with his eyebrows, in fact, what he was waiting for, was this statement from Jiang Hao.

In fact, Qiao Dong had long since seen that expecting Xue Yu Ning's cousin's family to compensate him for over 13 million was simply a fool's errand.

It was estimated that even if they were all sold, they might not be able to afford the money.

So Qiao Dong was crying and begging, but he was just acting for Jiang Hao to see, just to get him to pay the money.

Qiao Dong had recently heard from his own father that Shen Haoting had given Jiang Hao two billion before and had recently transferred another eight billion for him to start his own business.

This Jiang Shao was not short of money at all, a mere ten million or so was just a drop in the bucket to him.

'Young Jiang, is it true what you said?' I don't even know what to say, this is indeed the best of both worlds, after all, they don't look like people who can afford to pay more than ten million.'

Qiao Dong excitedly muttered to himself over there.

But Xue Yuning pulled Jiang Hao by the hand and asked with a surprised look on her face, 'Jiang Hao, is what you you just said true? No, don't do that, okay? This is too big a sacrifice for you, I don't want you to sacrifice so much for me'

Jiang Hao smiled, stroked Xue Yuning's hair and said comfortingly, 'Silly girl, what's the fear of sacrificing a little for you? And it's only ten million or so'

'Just over ten million?' Xue Yuning was surprised, 'Jiang Hao, don't make it sound so simple, okay? How many things can you do with ten million or so? You you're just going to give them to pay off their debts for nothing?'

Although Xue Yuning wanted Jiang Hao to be forgiving of her relatives, she really didn't expect that Jiang Hao would end up being this forgiving.

What Xue Yuning had wanted was for Jiang Hao to plead on their behalf so that they would not have to suffer, and if she could make them pay a little less money, that would be even better.

Chapter 295 - Overwhelmed

Only this Xue Yu Ning didn't hold much hope.

After all, the things that had been smashed by her cousin's family were all actual antiques that had been auctioned back by people, where was the discount for such things?

But Xue Yu Ning had never expected that Jiang Hao would say those words in the end, that he would bear most of the compensation for his cousin's family.

On what grounds? Xue Yuning felt unworthy for Jiang Hao from the bottom of her heart.

After all, the plea she had just made was already enough to give face to the family, and now Jiang Hao was even going to do so, so naturally she would not agree to it no matter what.

'I don't agree.' Xue Yuning said firmly, pouting, her voice not too small.

And Xue Yuning's words, impartial as they were, were directly heard by her cousin who had been carefully observing the situation outside the door.

'Disagree?' Cousin Xue Yu Ning furrowed her brows tightly and muttered in her heart, 'What does she disagree with?'

But after thinking about it, Cousin Xue Yuning quickly figured it out and suddenly her face suddenly changed, almost cursing in a low voice, 'This son of a b\*tch, what does she want? Does she have to bring us relatives to our death? Even Mr Qiao has pleaded for us, but you still disagree? Are you a f\*cking human being or not?'

Cousin Xue Yuning's muttering to herself soon attracted Fan Deng's attention, and he frowned and asked, 'What's wrong? Who are you cursing?'

Cousin Xue Yu Ning coldly snorted, 'Humph, who else can I be cursing, of course it's that ungrateful bastard Xue Yu Ning, do you know what I heard just now?'

Fan Deng was confused and hurriedly asked, 'What exactly did you hear? Hurry up and tell me, what exactly did this little girl say?'

Cousin Xue Yuning gritted her teeth and said, 'Didn't I just hear Young Master Qiao pleading for us? Guess what? This son of a b\*tch, Xue Yuning, even said that she was against pleading for us. I guess Jiang Hao, that simpleton, was about to agree to let us go, but she ended up disagreeing.'

Upon hearing this, Fan Deng's face sank as he glared at Xue Yuning outside the door and said through clenched teeth, 'F\*ck, this b\*tch, she really doesn't recognize her own family, does she? What the hell does she have to do with this? What the hell does she want?'

At this moment, Xue Yuning couldn't help but feel a bit more apprehensive in her heart, muttering under her breath, 'I don't know what kind of trouble this son of a b\*tch will make later! Honey, what should we do?'

Cousin Xue Yuning looked at Fan Deng, obviously a little unsure of herself.

'This,' Fan Deng wiped the cold sweat from his forehead and shook his head slightly, 'I don't know what to do, but I remember this revenge today, Xue Yuning, you wait for me, I will pay you back with interest sooner or later!'

Outside the door, Xue Yuning still looked at Jiang Hao with an indifferent face and said, 'Jiang Hao, I just want you to reduce their punishment, but in no way do I want you to let them go, if you do this, I feel sorry for you, and it's not fair to you, after all, they treated you like that before'

Jiang Hao smiled at his words, 'Forget it, people like them, I don't care to bother with them, besides 700,000 is not a small amount for them, I guess in the end to fill the hole, they will have to lose their family's money, I think this lesson is not small for them, what do you think Yu Ning?'

Jiang Hao seemed determined to spare his cousin's family, and Xue Yu Ning was simply a little speechless.

She was actually a little confused by Jiang Hao, after all, it was Jiang Hao who wanted to punish them just now, and it was to make himself happy that Jiang Hao chose to follow his own advice and reduce the punishment for the family.

But how could they now be so determined to let them off the hook again?

Xue Yuning may never figure out the connection, what she doesn't know is that Jiang Hao is doing this for her sake.

After all, this is Xue Yuning's old family's relatives, if people came all the way over once and went back and even lost half their lives, this kind of thing would obviously have a big impact on Xue Yuning if it got into the ears of her old family's relatives.

The other people will think that Xue Yu Ning has become rich, so she has become uncaring and uncaring.

Jiang Hao wanted Xue Yuning to be well, so naturally he did not want her to end up looking like that in the eyes of his relatives.

So when Xue Yuning pleaded with Jiang Hao to reduce the punishment for the family, Jiang Hao thought that he might as well reduce it and let them off the hook.

In this way, they would inevitably be grateful to Xue Yu Ning as well.

More than ten million was nothing to themselves, but for them, these people might not be able to pay it back for the rest of their lives.

Instead of that, it would be better to reluctantly let them compensate 700,000.

Seven hundred thousand was obviously not a small amount to them either, so that on the one hand, they could be taught a lesson, and on the other hand, they could also be grateful to Xue Yu Ning from the bottom of their hearts.

In fact, to put it bluntly, if it was true that these few people would not be pursued at all, Jiang Hao would not feel able to live with it in his heart.

Chapter 296 - Listen to me

Jiang Hao wiped the tear marks from Xue Yuning's eyes and said with a smile, 'Alright, that's it, just listen to me.'

'But,' Xue Yuning gritted her teeth, just as she was about to say something, she saw Jiang Hao making a silent pack at herself.

'Ai,' Xue Yuning sighed, simply speechless.

But in her heart, she felt more and more sorry for Jiang Hao.

Xue Yu Nings looked at Jiang Hao with deep emotion and murmured in her heart, 'Jiang Hao ah, you treat me like this how do you want me to repay you ah me, I'm really afraid I won't be able to repay you for being so good to me by then.'

Xue Yu Ning took Jiang Hao's hand and clutched it tightly as if she had something to say but couldn't.

'Young Dong, go and do as I say.' Jiang Hao twisted his head to look at Qiao Dong and smiled, 'I'll ask Sister Ye to credit the money to your family company's account later, don't worry.'

Qiao Dong was overjoyed and nodded his head, 'It's fine, it's fine, there's no rush, Jiang Shao, hey you can do it whenever you feel like it, why are you still polite with me?'

Although Qiaodong said so, in his heart he still hoped that Jiang Hao would immediately credit the money to his company's account.

He even felt that if his father found out about this matter later, he would definitely praise himself.

After all, he hadn't offended Jiang Hao, and he looked quite happy about it.

Secondly, he had recovered a loss of more than ten million dollars.

Because Qiao San had almost emptied the funds in their family's several hotel accounts in order to run up this Cloud Mist Villa, and now with an extra ten million dollars of income out of the cold, Qiao Dong felt that his old man would be overjoyed.

'Then, Young Jiang, shall we go in?' Qiao Dong said with a smile.

Jiang Hao nodded, glanced at Xue Yuning, took her hand and walked towards the room.

As they watched the three enter, Xue Yuning's cousin's family, who were already apprehensive, had their hearts practically in their throats at this point.

They looked at Jiang Hao and Qiao Dong with awe, and stared at Xue Yuning with hatred, their hearts filled with mixed feelings.

The three of them looked at each other as if they were on death row awaiting sentencing.

Wang Li was even so excited that tears were flowing down her face as she looked at Jiang Hao and Qiao Dong, her voice trembling, 'I'm begging you, please let us go, I'm so old, I won't live for a few more years, if you guys dare to do anything to me today, I won't even let you go.'

'Shut up!' Before Wang Li could finish her words, she was violently thrown a slap by Fan Deng.

The current situation. He couldn't care less, what mother-in-law and mother-in-law, even if his own mother stood here and dared to talk nonsense, he dared to slap over.

After all, Wang Li's bullshit is really hard to hear, and it might provoke people again.

Fan Deng then squeezed out an embarrassed smile and said to Qiao Dong, 'Young Master Qiao Qiao, don't listen to her nonsense, I'm sure you'll give us a fair deal today'

'Pfft' Qiao Dong smiled and actually laughed outright, 'Justice? Haha, yes, yes, yes, I will definitely give you justice today!'

When he said this, Qiao Dong was almost gritting his teeth, in his heart he had the desire to eat Fan Deng's family alive, to give you justice?

If Jiang Hao hadn't pleaded with them today and compensated most of the damages, he would have killed these people.

Qiao Dong looked back at Jiang Hao respectfully, then cleared his throat and spoke sternly, 'Just now, Jiang Shao and Miss Yu Ning were outside and told me a lot, so for their sake, I won't do anything to you guys today, humph, if this was someone else and you dared to smash our family's hotel, I would have to skin you!'

Not doing anything to himself? That means, he was going to let himself go?

Hearing Qiao Dong's words, Cousin Xue Yu Ning was simply so excited that she was about to jump up and down, and tears were starting to well up in her eyes.

On the other hand, Fan Deng also heaved a sigh of relief. He had thought that he would definitely be dead this time, but now it seemed that he was not in much danger.

Cousin Xue Yu Ning's family looked at each other in excitement, all feeling like they had survived the robbery.

‘Thank you, thank you so much young master Qiao, you are really’ said Wang Li, full of excitement.

‘Yes, yes, thank you for not taking the blame, we promise, we won’t dare to do it again’ said Fan Deng.

However, when he heard their thanks, Qiao Dong frowned deeply, because it was Xue Yuning and Jiang Hao who had chosen to let them off the hook. How dare they come to thank themselves?

Qiao Dong couldn’t help but look at Jiang Hao nervously, thinking that this young man Jiang would not think that he was stealing the credit because of these people’s casual thanks, right?

If that was the case, then he probably wouldn’t even know how he died.

However, Jiang Hao didn’t seem to care about this, and just lightly glanced at Xue Yu Ning’s cousin’s family before dropping his eyes on Xue Yu Ning again.
