

Chapter 3108

"That won't be enough." Tasha said: "I heard from the sound engineer, it would probably cost more than 20 million."

Sara said immediately: "Then give him 30 million after the concert is over!"

Tasha: "Give it to him this time, but you still have to think about it. If he does this next time, what shall we do? After all, you have a lot of concerts this time."

"It's okay." Sara said confidently: "Don't worry, after this concert, he will definitely not pester me again."

Tasha nodded thoughtfully: "That's right... When you show the surprise to Charlie at the concert, Zhifei will definitely not pester you anymore."

Speaking of this, she heaved a sigh of relief and said:

"In this case, I will arrange the finance to prepare a check for 30 million and give it to him as soon as the performance is over."

"Okay, then you will give it to him then, I don't want to deal with him."

"Okay." Tasha nodded, and then said again: "Oh, by the way, Sara, when will you come over?"

Sara opened the mouth and said:

"I should take off at around 8:00 in the morning and land at around 9:30, but I have made an appointment with Charlie."

"He will come to the airport to pick me up at that time, so you don't have to worry about me."

Tasha: "Today Zhifei has been asking me when you will be here. I doubt his intentions about you."

He may find a way to pick you up at the airport. You have to pay attention to it in advance."

Sara suddenly said depressed: "He wouldn't be so boring, would he?"

Tasha curled her lips: "Even for us the staff, he came to the airport to meet us personally, not to mention you?"

"I guess he has been paying attention to the arrival information of Aurous Hill Airport for a long time ago, maybe for your plane, he has yet He has already seen the information of departure and route application."

Sara thought for a moment and said:

"Well, let's do this. Tomorrow, I will use my family's plane to apply for a flight permit that departs at 11 o'clock in the morning, and put a smoke bomb."

"You also talk to the on-site staff and say I can only arrive at one point in the afternoon."

"After I arrive, I will go directly to the venue for rehearsal, so that Zhifei also believes it.

Then I rent a business jet and fly over quietly at 8 o'clock in the morning."

Tasha hurriedly said: "Why is it so troublesome? Just ask Charlie to pick you up.

When Zhifei sees him, he will know that you already have a sweetheart, so he may find himself in trouble and return."

"How do you do that?" Sara blurted out: "Charlie is married. If someone else knows about me and him, it will be bad for him when this spreads out."

Tasha was stunned for a moment, and said helplessly for a moment:

"Okay... Then I'll tell everyone that you will arrive at one o'clock in the afternoon, hoping to fool Zhifei."

...

Chapter 3109

The next day.

Charlie and Claire got up early in the morning, and mother-in-law Elaine had already cooked breakfast.

While washing, Charlie received a WeChat message from Sara which said:

"Charlie, I can get to Aurous Hill Airport at nine o'clock and I will be out of the airport gate at ten o'clock. Is this time okay for you?"

Charlie immediately replied to her, no problem.

Then she sent another message, stating "I will see you then."

During breakfast, Charlie took another look at the time.

Claire goes out at 8 o'clock normally, and he drives her to the hotel site of the Emgrand Group by himself, and then he will go to the airport. Time must be too late.

Claire said to Charlie while eating, "By the way, from today onwards, you don't have to work so hard.

You drop me and pick me up every day. I don't think there have been any strange murders in Aurous Hill in the past few days. It's okay now."

Before Charlie spoke, Elaine hurriedly said, "Oh, my girl, this kind of thing can be sloppy. Maybe the murderer has been hidden temporarily."

"You should be more careful. You are the only daughter of your mom. There must be no mistakes!"

Since joining Tomson, Elaine has basically recognized the reality that her future life will definitely depend on her daughter and son-in-law.

Needless to say, the daughter is gentle, kind, and filial to her parents. Although in the son-in-law's case she has no choice, he is an outsider after all.

Therefore, on the one hand, she cared about her daughter, and on the other hand, she was also worried.

If something goes wrong with her daughter, Charlie will turn his face and ignored his mother-in-law.

In other words, Claire is the guarantee for her to enjoy a good life.

Although Charlie knew that Jinghai's senior brother Cary has already died, and there would be no such strange murders in Aurous Hill in the future.

But in order to reassure his wife and father-in-law and mother-in-law, he took the initiative to speak:

"Claire, during this time, let's be more cautious and don't take it lightly, so I'll drop you at the construction site for a while."

Claire smiled slightly and said, "After a while, you will have to work so hard to take me to the old town. I will not go to the Emgrand Group this morning."

Charlie asked curiously: "Why are you going to the old town early in the morning?"

Claire smiled and said: "The Group's design work has been completed and construction has started, so now it is also accepting other design orders."

"My employee received a new customer in the old city a few days ago.

To renovate an old house, the design plan was made by me. I have to go in person and talk to the owner over there."

Chapter 3110

Hearing that Claire had new customers, Charlie didn't think much about it.

Claire's company has two business lines, one of which is decoration design and the other is decoration undertaking.

Among them, decoration design is her main business, because she is good at design.

As for the decoration business, she is more of a supervisor, and the specific work has to be outsourced to the decoration company.

At present, the design work of the Emgrand Group has been completed long ago, the actual decoration is being carried out in an orderly manner, and is gradually on the right track.

So Claire's and part of the energy of the employees have been released and began to look for other projects.

After breakfast, the couple drove out of the house together, and Charlie drove her to the old city.

After the car drove a certain distance, Charlie said to Claire: "Wife, tell me the detailed address you are going to."

"I will open a navigation system, and I can also check the traffic information by the way."

Claire opened the mouth and said:

"I really don't know the specific house number, but I know it is near the Catholic Church in the old city, or you can drive there first."

Charlie couldn't help being a little surprised when he heard this.

This is because the old house where he lived with his parents when he was a child happened to be very close to the church in the old city.

He couldn't help but wondered: "Is Wife's new client is Zhiyu's mother, Auntie Liona?"

Thinking of this, he felt like he was thinking too much.

Due to a large number of historical buildings in the old city, many old houses are not allowed to be demolished and rebuilt, but there are still a large number of citizens living there.

So Claire's client should not be such a coincidence that it happens to be Liona?

At a certain moment, he also thought about asking his wife vaguely, such as her new client's last name, but he still gave it up after thinking about it.

When he drove the car to the Catholic Church in the old city, he turned left under Claire's instructions.

Seeing that he was getting closer and closer to the old house where he lived in childhood, he felt more and more uncomfortable with a sense of premonition.

Sure enough, when the car drove to the alley of the old house, Claire pointed to the old house clearly and said, "Husband, my client's house is that one. Just park the car at the door."

Chapter 3111

Charlie sighed inwardly: "This really deserves to come and I can't hide it."

Immediately, he pretended to ask her casually: "Wife, I have something to do, do you need me to wait for you here?"

"No need." she hurriedly said: "If you have anything to do, I guess it will be all morning on my side. After this is done, I will take a taxi to the hotel of the Emgrand Group by myself."

"In the evening you can come there and pick me up from there."

"Okay." Charlie breathed a sigh of relief.

What he thinks now is that it is best not to meet Liona and Zhiyu, the mother and daughter under this situation.

So, he slowly parked the car at the door of the old house, ready to wait for Claire to get out of the car, and then leave quickly.

However, what he is afraid of is destined.

As soon as he stopped the car, a black Mercedes car stopped behind his car.

The driver was a middle-aged male. After he got out of the car, he immediately opened the two rear doors and Zhiyu and her mother Liona walked down from left to right.

At this time, Claire also pushed the door and got out of the car.

The mother and daughter happened to see her from behind, so Liona shouted in surprise: "Manager Willson!"

Claire hurriedly turned around, saw Liona, hurriedly smiled, and said, "Hello, Auntie!"

Liona smiled and said, "Why Manager Willson came so early?"

Claire said hurriedly and politely:

"Auntie, we still have a lot of renovation and decoration this time, so I came over early to confirm with you some things in detail."

Liona nodded, pointed at Zhiyu next to her, and said: "Manager Willson, let me introduce to you, this is my daughter, Zhiyu Su."

After all, she said to Zhiyu: "Zhiyu, this is the owner of the design studio I told you, Claire."

Zhiyu nodded slightly, and said politely: "Hello, Manager Willson!"

Claire hurriedly said, "Don't call me Manager Willson, just call me Claire."

After that, she saw Liona introduced her daughter to her, so she was polite and naturally had to introduce her husband, so she hurriedly turned sideways and said to Charlie in the car:

"Husband, Come down and say hello to Auntie and Miss Su."

In fact, Charlie sat in the car and saw Liona and Zhiyu behind him through the rearview mirror of the car.

Just when he was thinking about driving away quickly, he didn't expect his wife to ask him down and say hello to them.

In this situation, it is definitely impossible for him to leave directly just by putting the foot on the accelerator pedal.

So he had to bite the bullet and get out of the car.

Chapter 3112

As soon as he got out of the car, he was recognized by Zhiyu with excellent eyesight.

Just as her eyes widened and she blurted out a word of kindness, Liona was also astonished. She never expected that the designer she was cooperating with was actually Charlie's wife.

When the mother and daughter were surprised, Charlie hurriedly spoke first: "Good morning, you two, please take care of me when we meet for the first time."

When Charlie said meeting for the first time, Zhiyu and Liona suddenly understood.

He definitely didn't want the two of them to show the truth about his acquaintance with him in front of his wife.

So, Liona hurriedly smiled and said: "You two are really talented women."

Zhiyu stood there silently, feeling a bit sour in her heart. At the same time, she couldn't help looking at Claire and compared herself with her in her heart.

Claire is naturally too beautiful, but Zhiyu doesn't think she is much worse than her. If you count her background, she will definitely beat her easily.

Claire didn't know what Zhiyu was thinking. Seeing that Charlie had come down to greet Liona and her daughter, she looked at Charlie and said softly:

"Husband, don't you have anything else? Go ahead, I have to go in and check the plan with Auntie."

Charlie nodded, and said smoothly: "Okay, then I won't delay your business."

After speaking, he looked at Liona and Zhiyu, smiled, and said, "Auntie, Miss Su, goodbye."

Liona and Zhiyu also politely bid farewell to him, and then watched him drive away with Claire.

Seeing Charlie left, Claire said to Liona: "Auntie, let's go in."

"Okay." Liona smiled slightly, and walked into the courtyard of the old house with Claire.

As the three of them walked, Liona asked with interest: "Claire, how did you meet your husband?"

Claire smiled slightly and said truthfully: "Husband and I were introduced by my grandfather."

"Introduced by grandfather?" Liona was very curious and couldn't help asking: "Then how did you get together?"

Claire said embarrassingly, "How can I tell you this... We were actually married at the request of my grandfather..."

Zhiyu couldn't help but gossippingly asked: "Ah? Didn't you guys fell in love freely?"

Chapter 3113

Claire bit her lip and said truthfully: "Before we got married, we didn't know much about it..."

Zhiyu was suddenly a little excited and blurted out: "Isn't that equivalent to an arranged marriage in a feudal society?"

Zhiyu's words made Claire suddenly more embarrassed.

She stroked the hair between her temples and said falteringly: "This...I don't know if it counts as an arranged marriage..."

Zhiyu couldn't help saying: "Before you got married, you two didn't know each other. Naturally, there is no emotional foundation."

"At the same time, there is no emotional foundation, and you married at the request of your grandfather?"

"Just like the writer Lu Xun back then, he and his original wife, Ms. Zhu An, did not have any affection. They married at the request of Mr. Lu Xun's mother."

With that said, Zhiyu suddenly thought of something, and blurted out: "Mr. Lu Xun and Ms. Zhu An seem to have not been a husband and wife in their lives. Wouldn't you two be the same?!"

Facing Zhiyu's straightforward words, Claire looked even more embarrassed, and said in embarrassment, "I...I...this...this..."

Claire's nervousness caused Zhiyu's eyes to suddenly look happy.

She felt that she should have guessed right, so Claire had such an unnatural performance.

If she guessed it right, then Charlie and her are only nominally husband and wife.

In that case, doesn't it mean that she has more opportunities?

Liona on the side also saw some clues from Claire's performance, and she also realized that this was an excellent situation for her daughter.

However, she was also ashamed of her own thoughts, after all, this kind of thing is not glorious, and even a little despicable.

At this time, Zhiyu hurriedly stepped forward, took Claire's arm, and asked in a low voice, "Claire, how long have you been married to your husband?"

Claire said truthfully: "We have been married for four years."

"Four years?" Zhiyu asked pretendingly in surprise: "Then can you tell me how is your arranged marriage, like how are you two getting along in four years?"

"Is it as a friend as a guest or a persons acting to live together, basically not interfering with each other?"

Chapter 3114

Claire was even more embarrassed by Zhiyu's question, and for a moment she didn't know what to say.

But the more embarrassed she was, the more determined Zhiyu's guess, and her heart became more relaxed.

Liona on the side saw Claire blushing with Zhiyu's question, and hurriedly said to Zhiyu:

"Zhiyu, stop talking nonsense here, how can you gossip about other people's privacy?"

Zhiyu also realized that it was really wrong for her to do this, and hurriedly said apologetically: "I'm sorry, Claire, I'm too much gossiping."

Claire heaved a sigh of relief and said hurriedly, "It's okay, it's okay."

After that, she quickly took out the tablet from her bag, opened the sketch she designed, and said to Liona: "Auntie, let's talk about the plan!"

Liona said: "Okay, it's important to talk about business matters!"

Zhiyu's heart was a little excited at this time.

For a long time, she felt that there were too many obstacles between herself and Charlie, and the possibility was very thin.

Among them, the biggest obstacle is Charlie's wife, who is comparable to the insurmountable Mount Everest.

Secondly, there is Sara who has a marriage contract with him, and even he even may have more confidantes she doesn't know.

However, the discovery just now gave her a little more confidence deep in her heart.

Because the biggest obstacle does not seem to be as difficult to overcome as she imagined.

At this moment, she had a feeling of indifference.

So, while her mother was talking about plans with Claire, she hurriedly walked out of the old house and went to the yard. Then she took out her phone and sent Charlie a WeChat voice:

"Grace, I didn't expect you to be with your wife all because of an arranged marriage!"

Chapter 3115

On this side, Charlie left the old town and was driving to the airport.

On the way, he was still thinking about the meeting with Liona and Zhiyu just now, and he couldn't help but sigh inwardly:

"In contrast, Aurous Hill is such a small city. If it continues to develop like this, the chances of meeting various acquaintances will increase in the future."

"The more, and the more people who know my true identity, if things go on like this, sooner or later there will be times when the paper won't hold the fire."

In addition to feeling that Aurous Hill is a bit small, Charlie also felt that more and more people were pouring into the city from all walks of life.

Zhiyu is here, Nanako is also here, and Sara will be there soon.

Just don't know where these people will go after Sara's concert.

Just when he was feeling deeply moved, he suddenly received Zhiyu's WeChat. Upon seeing it, he was shocked by the content of the text.

He looked at the time, and he had just left for only five minutes. Why did Zhiyu get these things out of Claire's mouth so quickly? !

He sighed at Zhiyu's shrewdness, and at the same time replied to her with a voice message: "What's wrong with the arranged marriage? Although Wife and I are in an arranged marriage, we have a very good relationship."

Zhiyu saw that Charlie replied to a voice message, so she cautiously put the phone in her ear and listened to the message from Charlie.

Afterward, she lowered her voice and replied: "My dear, don't lie to me. I guess you and your wife are not only in an arranged marriage, but you two have never been married properly, right?"

Charlie didn't expect this girl's eyes to be so poisonous, so he avoided talking about it: "There is no need to tell you everything about the matter between the two of us, right?"

Zhiyu replied earnestly:

"Avoiding to talk about it is a manifestation of a guilty conscience. Moreover, if you two are in a good relationship and you are married after marriage, then you will be married for four years and you cannot have any children. I'm sure that you two are married!"

Charlie was very helpless at her guess, neither admitting nor refuting it, and said lightly: "How do you guess is your freedom."

Zhiyu immediately accepted it and said, "Grace doesn't want me to guess, so I won't guess. Grace, don't be angry with me."

As she said, she did not wait for Charlie to express his position, and hurriedly said again:

"By the way, I have an appointment with Miss Watt. We will meet at Emgrand Group at 9:30 this morning to discuss the details of the follow-up cooperation. I don't know when the friend will arrive. Will you come?"

Charlie replied: "I have something to do today, so I won't go there, but I asked Orvel to contact Melba. When you meet her, he should also pass by."

"I have promised to purchase material for the cargo ships, and The security work of the terminal is entrusted to him, so he will also cooperate with you in the future."

"If you have any requirements or needs, you can directly mention it to him."

Zhiyu said: "Okay Grace, I will discuss it in detail with Miss Watt and Mr. Orvel."

As she said, she suddenly remembered something and asked, "By the way, Grace, are you going to pick up Sara at the airport today?!"

When Charlie heard this, he couldn't help frowning and asked her, "Why do you say that?"

Zhiyu said truthfully: "I know that Grace and Sara have a marriage contract, and it is said that their family has not given up looking for you for so many years."

"Combined with her sudden selection of the first concert of the tour in Aurous Hill, it can basically be guessed. She must have done this with the Grace."

"Since Miss Gu has come from a long distance, as the host, it is reasonable for you to go to the airport to pick her up from the plane."

When Charlie heard this, he couldn't help sighing, Zhiyu is indeed very smart, even smart enough to make him involuntarily make wary of her!

Chapter 3116

When Charlie went to the airport, Zhifei had already learned the departure time of Sara's private plane from his own channel.

It just so happened that the informer he placed in the stadium told him that Sara would not arrive at the stadium for rehearsal until the afternoon.

The two time points of departure time and rehearsal time were very consistent, giving him a full grasp of Sara's itinerary.

He felt that since she won't land until 12 o'clock and a little closer, then he didn't have to worry about going to the airport.

So he confessed to his subordinates, set off on time at 11:30, and set off to the airport to meet Sara.

However, what he didn't know was that Sara was already sitting on the plane heading to Aurous Hill.

Charlie arrived at the airport at 9:30 in the morning. When he arrived, Issac had already arrived.

Under Issac's leadership, Charlie drove the car into the airport and drove straight to the hangar.

In order to prevent Sara's identity from being exposed, Issac used his relationship to move all the staff and other aircraft out of the hangar that can accommodate four aircraft.

This made sure that before Sara's plane stops, he and Charlie are the only two in the entire hangar.

Fifteen minutes later, Sara's business jet landed at Aurous Hill Airport, and then followed the guided car and taxied all the way to the hangar.

As soon as the plane came in, Issac took out a bunch of flowers from his car and handed them to Charlie, and said, "Master, these are the flowers you asked me to prepare."

Charlie asked in surprise: "When did I ask you to prepare flowers?"

Issac hurriedly lowered his voice and said, "Master, Miss Gu has come from afar, if you are not even ready to put flowers in front of her, how can you get past?"

Charlie looked down at the handful of roses, and said embarrassingly, "Even if it's giving flowers, it's not appropriate to give roses?"

"Not at all!" Issac waved his hand hurriedly: "Master, there is nothing inappropriate about it. If there are no flowers, it is really inappropriate."

Chapter 3117

As soon as Issac finished speaking, the cabin door of the business jet in front of him slowly opened outward.

The opened cabin door flipped to the ground and became a staircase. Sara ran down happily like a gust of wind.

"Charlie!"

Seeing Charlie, she yelled sweetly all the way, then ran to him, saw a bunch of flowers in his hand, and said excitedly: "Wow! Charlie, are these flowers for me?"

Charlie looked at the flowers in his hand, feeling helpless, but he could only nod and smile: "Yes, it's for you..."

"Great!" she took the flowers happily, looked around, and saw that there were no outsiders except Issac, so she immediately stood on tiptoe, kissed Charlie on the cheek, and said sweetly: "Thank you, Charlie!"

At this time, Issac hurriedly turned his head and walked aside with a smirk.

He knew very well in his heart that if the scene where Sara kissed Charlie just now, if it were filmed and posted on the Internet, it would probably be the top headline and number one hot search for at least one week.

Unlike Kim's enthusiasm that relies entirely on hype and money, Sara's enthusiasm is completely real.

In China, she is a national idol, the dream lover of all men, and her status is higher than that of Japan's national woman Yui Aragaki.

On this side, Charlie pretended to touch his face indifferently, and said to her:

"Sara, you must be very exhausted from the long journey. I'd better send you to the hotel to rest first."

She hurriedly took his arm and asked him, "Charlie, are you going to be free later?"

Charlie shook his head: "It's nothing, what's the matter?"

She said coquettishly: "Then you will have lunch with me in the hotel at noon?"

"Okay." Charlie agreed without thinking about it. He didn't plan to go home at noon anyway. It was the same wherever, wherever he ate.

So he took the initiative to open the door of the co-pilot and said: "Let's go, I'll take you to Shangri-La."

"Okay!" Sara hurriedly sat in with the flowers.

Charlie greeted Issac, and Issac got into his car, drove ahead, and left the airport.

On the way, Charlie asked Sara: "Sara, what time will Uncle and Auntie come over tomorrow?"

Sara said: "They should be here around this time tomorrow, or maybe a little later."

Chapter 3118

Sara spoke further: "By the way, Charlie, if you have nothing to do tomorrow morning, we can come to the airport to pick them up together!"

Charlie nodded and said, "Okay, you turn around and confirm the time with them. Then we will meet at the airport together."

Sara immediately took out her mobile phone and said with a smile: "Don't wait to turn around, I will make a video call to dad now."

Charlie said hurriedly, "No rush to ask now. Uncle may be at work. It doesn't matter if you ask at night."

Sara waved her hand: "Charlie, it is okay, I have to tell them about my arrival anyway."

After speaking, she clicked the request for video call.

Soon, Philip turned on the video and asked with a smile: "Sara, you have landed in Aurous Hill safely, right?"

She smiled and said, "Dad, I have arrived. Charlie came to pick me."

With that, she quickly raised her phone to the right, so that the camera could just capture Charlie who was driving on the left.

When Philip saw Charlie, he immediately smiled and said, "Oh, Charlie, you had to go to the airport to pick up my daughter!"

Charlie smiled and said, "Uncle, you are too far-sighted. Your daughter came to Aurous Hill, how can I not come to pick her up."

Philip smiled and said:

"Originally, I and your Auntie planned to come over there today, but there is a board of directors on the group's side that is about to open."

"Today it is really hard to get away, so I will come to Aurous Hill tomorrow morning to meet you."

"Okay, Uncle." Charlie hurriedly said, "Tomorrow, I will come to the airport to pick you up and Auntie together with your daughter."

Chapter 3119

As Philip was talking, on the other side of the video, Linan walked into Philip's office and said, "Philip, everyone is almost there. Come join us."

Philip smiled and said, "I'm videoing with Sara and Charlie. Would you like to talk?"

"Really?" Linan said with joy, and hurriedly ran behind Philip, leaned over, and smiled at the camera:

"Charlie, tomorrow is your birthday. Auntie wishes you a happy birthday in advance!"

Charlie hurriedly said, "Thank you, Auntie!"

Linan had long regarded him as her son-in-law, even her own son, so she was very close to him in her heart, and said with a smile:

"You won't come to Eastcliff this time to see me and your Uncle. we both miss you. Uncle talks about you every day here at home."

Philip smiled and said, "It's like you don't talk about it. How do I remember that you talk about him the most?"

Linan smiled and said, "Charlie is in my mind, just like my own son. Is there anything wrong with me being a mother?"

Philip nodded and said to Charlie:

"Look, Charlie, Auntie and I really treat you as our own child. If you have time in the future, you must come to Eastcliff to see us often!"

Charlie agreed without hesitation, and said, "Uncle, don't worry, I will definitely."

Philip nodded in satisfaction, and said:

"Charlie, Auntie, and I are going to convene the board of directors meeting, so let's not talk about it. Let's meet tomorrow!"

When Sara heard that her parents were going to the meeting, she hurriedly said:

"Mom and dad, don't hang up in a hurry. I haven't shown you the flowers that Charlie gave me!"

After speaking, she quickly switched the cameras and took a picture of the bunch of flowers on her lap.

Linan at the end of the video said with a smile: "Oh, Charlie is really interested in such a big bouquet of roses!"

"I have been with your dad for so many years, and it seems that your dad has never given me flowers."

Philip said embarrassingly: "We are an old couple, so how can we pay attention to these?"

Linan gave him a white look and said, "So this is the gap between you and Charlie."

"Do you think Charlie knows more about romance? Even just picking up at the airport, a bunch of roses is prepared by him."

Charlie was also very speechless for a while.

Sara smiled at this time and said, "Dad, did you hear that? You will learn more from Charlie in the future!"

After finishing speaking, she said contentedly: "Okay, I'm done showing off. Go ahead and hang up!"

Chapter 3120

After Sara hung up the video, Charlie asked her curiously: "Sara, now Auntie is also busy with the Gu Group?"

"Yes." Sara nodded and said with a smile: "Since dad recovered, the group has developed as fast as a chicken blood."

"Many things are there and they are too busy, and dad doesn't particularly believe in my two uncles, so mom just goes and helps him."

After speaking, Sara sighed: "Mom is really a strong woman, and she is more dedicated to her work than my dad."

"In the recent period, she has obviously become a little more haggard than before, which makes me feel distressed."

Charlie smiled slightly and said: "Then after Uncle and Auntie come tomorrow, I will give them supplementary medicine, which will definitely relieve their health."

Sara chuckled and said, "That's great! Charlie, you have such a good recipe, so you can just give me a pair of pills too. I have been working hard recently!"

"Okay." Charlie said casually: "Isn't that a sentence?"

Sara nodded, remembering something, and hurriedly asked: "By the way, Charlie, how is Kim now?"

"What did you do to him that made him make the decision to quit the entertainment industry?"

"He." Charlie said casually: "I asked Orvel to arrange for him to go out to sea for fishing first."

"Ah?" Sara asked with a look of surprise: "What?! Going out to sea to fish? Didn't his agency declare that he is going to study abroad?"

Charlie smiled and said, "He wants to study abroad? It's so beautiful that his liver hurts! I arranged for him a three-year internship as a seafarer."

"I arrange for him to go for an internship on a fishing boat when he is running. He will not be allowed to disembark after three years."

"It is estimated that he has already arrived in the South China Sea and started fishing."

Sara chuckled and blurted out: "Charlie, you are too bad, why let him be a seaman..."

Charlie said in a joking tone: "The main reason is that there are too many people living in the kennel. It is still being expanded at this time, so he is lucky."

Sara was stunned, and asked in a puzzled way: "Charlie, what kind of kennel? What does it mean to live in a kennel?"

Charlie waved his hand: "It's nothing, this kind of thing is not suitable for children, you don't need to know too much."

Sara stuck out her tongue and said obediently: "Okay, then I won't ask."

Chapter 3121

After that, Sara asked him again: "By the way, Charlie, you are going back to Eastcliff to attend the ancestor worship ceremony on Qingming Festival, right?"

Charlie nodded: "Yes, what's the matter?"

"Nothing." Sara said, "Isn't Qingming Festival in April? There are more than 20 days left. In other words, after more than 20 days, I will be able to see you in Eastcliff again."

Charlie smiled slightly: "Yes, I will definitely visit you and Uncle and Auntie at that time."

Sara said: "Your schedule is just right, because I'm going to the United States in mid-April."

"Going to America?" Charlie asked curiously: "Why are you going to America suddenly?"

"Not suddenly." Sara said: "I'm going to quit the entertainment circle this time, so I want to hold a few more concerts, which can be regarded as an explanation for the fans."

"I also have a lot of fans in Europe, America, Japan, and Korea. Among them, most of them are of Chinese descent."

"So in addition to our domestic, mainland, and Taiwan concerts, there are also some concert arrangements in Japan, South Korea, Europe, and the United States."

"From mid-April to the end of April, I will be in New York, Chicago, Los Angeles, and Houston in the United States. And five games in Seattle, and then another three games in Japan and South Korea."

Charlie asked in a puzzled way: "Why don't you finish the Asian performance first and then go to Europe and the United States? You will have tossed for more than half a month, and you have to toss back."

Sara smiled and said, "Mom and Dad happened to be going to the United States for official business in April, so I plan to go with them."

After that, she asked him again: "Charlie, do you want to go together?"

Charlie shook his head and said with a smile: "I won't go. There are quite a lot of things in Aurous Hill."

"It is estimated that April is the month when the Ocean Shipping Group will start, so I should not be able to get out."

Sara nodded, and said with some regret: "The main reason is that I am unfamiliar with the place where I was born in the United States. I always feel not used to it."

"It would be better to have my parents together. It would be better if Charlie we could go together, but you have yourself. You have to be busy with things, I can fully understand."

Charlie comforted: "Although the United States is far away, it takes only twelve hours to fly by plane."

"Besides, you are mainly performing for overseas Chinese, so you don't have to worry about being uncomfortable."

"Yeah." Sara nodded slightly and asked him, "Charlie, don't you want to go to the United States for a visit?"

Charlie shook his head: "What am I going to see there?"

Sara said: "Meet your grandpa and grandma, I heard my mother say that your grandpa and grandma are still alive."

Charlie was stunned. After a few seconds, he smiled unnaturally, and said:

"I'm not going to disturb them. After all, I haven't seen them a few times when I was young, and I don't want to go to them."

"They have no feelings for me either, having said that, I have no feelings for them either."

There is a word, Charlie did not say it.

In the past, he didn't know much about his mother's life experience, and he had only seen his grandpa and grandma when he was very young, so he and grandpa and grandma had no relationship basis.

Moreover, after he met Pollard, he told him that his mother's family is actually much stronger than the Wade family."

"His grandparents have always been dissatisfied with his mother's decision to marry his father and follow him back to China.

It is said that his mother may have had a lot of conflicts with her parental family because of this.

Now his mother is no longer alive, and their grandson, who has not seen each other in 20 years, would embarrass them if he really went to see his grandfather and grandmother.

Therefore, he felt that not to disturb them is a kind of respect for them.

Chapter 3122

Charlie drove to Shangri-La and took the internal elevator with Sara to the suite her team had reserved.

As soon as she entered the suite, Sara ran to the sofa in twos and twos and came to a standard bed, and said with emotion:

"Oh my god, it's really tiring to get up early to catch a plane."

Charlie smiled and said, "If you are tired, take a break first, and we will go to dinner when you are ready."

Sara hurriedly asked, "Charlie, where are you going to take me to eat?"

Charlie said: "Wherever you want, if you don't dislike it, we can eat something in the catering department of Shangri-La."

"If you dislike it, let's go to Orvel's Classical Mansion."

Sara hurriedly waved her hand and said, "Oh, forget the Classical Mansion."

"It's too much toss, too rich meals, and it's very tiring to eat, and I get the venue rehearsal at one o'clock, time is tight."

With that said, she asked diligently:

"Charlie, or let the catering department make some food and deliver it to the room. You can eat with me in the room."

Charlie nodded and said, "If you are too lazy to move, then I'll let Issac arrange for someone to bring a meal over."

She quickly said: "That would be better!"

Charlie called Issac and asked him to arrange for the food and beverage department to make some special dishes, which were delivered to Sara's room at about 11:30. Issac hurriedly went to the food and beverage department to keep an eye on them for fear of negligence.

At 10:30 in the morning, Zhifei's prepared motorcade had assembled at the entrance of the stadium, ready to go to the airport to welcome Sara's arrival.

In order to fully grasp the trajectory of Sara's actions, Zhifei specifically asked someone to ask about the status of Sara's private jet."

"Such as whether it has launched a parking bay, whether it has started queuing to leave the airport, and when it is expected to take off.

However, just when he was ready to leave for the airport, he received a message from Eastcliff, who told him that Sara's private plane had just canceled today's flight plan.

Zhifei couldn't react at all, so he called and asked:

"You said that Sara's flight is canceled? What's the matter? Is the weather in Eastcliff bad? Is there a thunderstorm or windy weather?"

The other party's answer was simple and concise: "The breeze is blowing, and there are no clouds."

Zhifei frowned and asked, "Is that flow control?"

The other party's answer is still simple and straightforward: "The flow is normal."

"What's going on?!" Zhifei asked puzzlingly: "Isn't the flight canceled in these two situations? Either the weather is bad, or the traffic control!"

The other party opened his mouth and said:

"There is another possibility that the other party wants to cancel it. If the other party can't fly due to a temporary change, you can't let the plane fly by itself, right?"

Chapter 3123

Zhifei was agitated for a while, immediately hung up the phone, turned back to the inside of the stadium, and said to Tasha who was working:

"Tasha, what time will Miss Gu come over today?"

Tasha pretended to be surprised and said, "She will start the rehearsal at one o'clock in the afternoon. Haven't I told you about it a long time ago?"

Zhifei held back his anger and said, "I asked when she would fly over. I just heard that her plane has canceled today's flight plan."

Tasha asked with a look of surprise: "Ah? Really? I haven't heard of this, and she didn't tell me."

Zhifei asked her back: "You are her agent, don't you know when she will arrive in Aurous Hill today?"

Tasha nodded earnestly, and said: "Mr. Su, you are right. I really don't know when she will arrive in Aurous Hill today. She didn't let me arrange the pick-up, and only said that she would arrive at the venue after one o'clock."

Zhifei raised his wrist, looked at the limited-edition Richard Mille watch on his wrist, frowned, and said:

"It is 11 o'clock now. If there is any delay, she will definitely not be able to arrive at the venue on time."

With that said, Zhifei said, "Let me call Miss Gu."

Tasha said: "Mr. Su, if there is nothing else, I'll go ahead."

"Okay." Zhifei nodded, took out his mobile phone, found Sara's number, and dialed it.

However, a prompt came from the other end of the phone: "Sorry, the user you are calling has been turned off. Please try again later."

Seeing Sara turned off the phone, Zhifei was even more confused.

He didn't know that her mobile phone had been in the Do Not Disturb mode for a long time."

"In this mode, only a few calls she has whitelisted could get through. No matter who it is, it would be a shutdown reminder.

Therefore, he hurriedly asked someone to inquire about the relevant information of Aurous Hill Airport, but did not find that the airport had Sara's entry registration information.

He instinctively thought that she should have not arrived in Aurous Hill yet. Maybe she was delayed in Eastcliff due to some accident.

Maybe she would change to another plane to come to Aurous Hill soon. So he quickly ordered his men to drive to Aurous Hill Airport.

Waiting for the job, at the same time, he called his friends on the railway to ask them to help verify whether Sara bought high-speed rail tickets in the railway system.

In his opinion, from Eastcliff to Aurous Hill, she could not have other options besides flying and taking the high-speed rail."

"As long as he seizes these two channels, he will definitely be able to wait for her.

As a result, what made him think of abnormality was that he waited until nearly twelve o'clock, and friends at the airport and railway did not make any progress.

Chapter 3124

This made Zhifei particularly puzzled. He felt that Sara attaches great importance to this performance.

The performance will officially begin tomorrow, and she must finish the rehearsal today. It shouldn't be a temporary absence at this time.

However, he has not been able to contact anyone at the moment, nor can he find any clues, which makes him a little anxious.

Seeing that the time is only two or three minutes away from 12 o'clock, after thinking about it, he decided to give up the plan to pick her up from the airport.

First, he went back to the venue to have a look. In case she went to the venue rehearsal quietly and on time, and he is still at the airport, waiting to pick her up, that'd be a horrible story.

Wanting to understand this, he hurriedly led people to the Olympic Center.

Just when his car had entered the gate of the Olympic Center, Charlie drove Sara to the VIP passage at the back door of the Olympic Center venue.

Tasha has arranged for staff to seal the entrances and exits in advance to prevent fans from getting in.

After Charlie stopped the car, Sara said to him, "Thank you, Charlie, for bringing me here. I'll go now!"

Charlie asked her, "Sara, do you want me to accompany you to the rehearsal?"

Sara hurriedly said:

"No need! My rehearsal is confidential to you, and I can't tell you anything, otherwise, there will be no surprises at the official performance tomorrow. You should go to your own business!"

Charlie had no choice but to nod his head and said, "Okay, then I'll leave first. Call me if you have something to do with me."

She said playfully: "Charlie, don't forget to pick up my parents tomorrow with me!"

"Okay!" Charlie agreed, and said: "You go to work, I'm leaving."

"Goodbye Charlie!"

At the same time, Zhifei also drove into the VIP channel.

Since he himself is a partner of the organizer, he has been using the VIP channel these days, so the staff will let him go directly when they see his car.

As soon as he drove the car into the VIP aisle, he saw Sara stepping out of the ordinary BMW 520 in front, and when she got down, she waved at the person in the cab with a happy face.

Zhifei couldn't see the appearance of the driver from behind, but through the rear glass, he could see the back of Charlie's head.

Charlie has a short hairstyle. No matter who looked from behind, he could see that he was a man.

At this moment, Zhifei was furious, and gritted his teeth and cursed:

"Damn! I waited for you for noon, I didn't expect you to come with another man over! The airport and the high-speed rail don't have your information."

"But you have already arrived in Aurous Hill, it seems that you are deliberately avoiding me!"

Immediately, he carefully read Charlie's license plate number, took out his cell phone, and made a call.

"Hey! Help me look up a license plate information! I want all the information about the owner! It is urgent!"

Chapter 3125

Zhifei is not a local in Aurous Hill.

Therefore, although he can use a lot of relationships, the degree of reliability of this relationship is not high.

Basically, his subordinates have to find several layers of relationships in a roundabout way to reach the key person.

Normally, if he wants to inquire about the information of someone in this city, a call is made to the person under his hand.

This person under his hand will then activate contacts and find the local relationship in Aurous Hill. Although it is a bit more troublesome, it is not too difficult.

However, what he didn't know was that the BMW he wanted to check this time was registered under the name of Charlie's wife, Claire.

As the spokesperson of the Wade family in Aurous Hill, and as Charlie's right-hand man, Issac has already managed the upper and lower relations.

All the personal information related to Charlie, his wife Claire, father-in-law, and his mother-in-law, All have very timely warning reminders.

If someone inquires the information of the family of four in the system, the moment he enters his name or license plate number and clicks on the query, he will send an early warning to Issac as soon as possible.

At the same time, regardless of whether he is inquiring about the names of the four members of Charlie's family, or their license plates, addresses, and ID numbers, it is not that easy.

The system will immediately trigger the protection rules and first gives a feedback "system information maintenance, please try again later" prompt to the other party.

Therefore, when Zhifei found the key person and who entered Claire's license plate number into the system, Issac immediately received the message.

But the person found that the system was being maintained, so he didn't think much about it, and planned to wait a few minutes and try again.

While he was waiting, Issac immediately contacted the person in charge of the Aurous Hill Transportation Department to conduct a counter-check directly in the internal system.

In less than a minute, he found the person searching for Claire's license plate number.

The man was a middle-level manager of the Aurous Hill Transportation Department. A few minutes ago, he received a friend's entrustment to help inquire about a local license plate number.

The other party only asked for the registration information of the car. He didn't think much about it, so he prepared the feedback to the other party after checking.

But what he didn't expect was that Issac locked him in only less than a minute.

Then, he was suddenly called by the head to the office.

Chapter 3126

He didn't know it was his search behavior that caused the catastrophe. He pushed the door and asked with a flattering expression: "Sir, what do you want me to do?"

The person called Allan immediately asked him: "You just checked the information of a BMW in the system?"

"Uh..." the person said nervously, "No, is there any misunderstanding?"

"Misunderstanding?" Allan said in a cold voice: "Don't forget that there are behavior statistics inside the system."

"The login account which just checked the car info is yours, and the IP address that sent the query request comes from your workstation. How do you explain this?"

The man was startled. He usually has a good relationship with Allan, and he can be regarded as one of his confidantes.

It stands to reason that he shouldn't suddenly become so serious. He must have caused trouble.

So he hurriedly said in a low voice and flattering: "Allan, what we do is the work of the traffic system."

"I check the license plate number. There is no principle problem? Why are you so angry?"

Allan sternly said: "In normal times, opening one eye and closing one eye will pass, but this time you stabbed a big basket! I can't save you!"

The man asked nervously, "All...Allan...What the hell is going on here? Can you give me a rough idea? My heart is panicking like something..."

Allan glared at him and said coldly:

"Because of your business, President Issac from Shangri-La has come to me. You know his background. It is definitely not a trivial matter to let him find you so quickly!"

The man exclaimed: "Iss...Issac?! Allan, what should I do now, please show me the way!"

Allan opened the mouth and said: "There is a way to make up for the work, it depends on whether you are worthy of cooperation."

The man hurriedly said: "Cooperation? I will definitely cooperate!"

Chapter 3127

After Issac solved all the problems in the fastest time, he immediately called Charlie. At this time, Charlie had just driven away from the Olympic Center.

After answering the phone, Issac said to Charlie, "Master, someone inquired about your wife's car in the traffic data system just now."

Charlie frowned and asked: "Who did the investigation?"

Issac hurriedly said: "It is a middle-level manager in the relevant department."

With that said, he reported the incident word by word.

After Charlie listened, he said, "You have done a good job of this, so take precautions."

"This is my job."

Charlie asked again: "Have you checked back, who on earth wants to check my wife's license plate number?"

Issac hurriedly said: "The information found was an old classmate of the person involved in Eastcliff, and the other party worked in a company under the name of the Su family."

"The Su family?" Charlie suddenly realized something, and said:

"Then I guess the person who wants to check on me should be Zhifei from the Su family. I just drove the girl to the performance venue, and he probably saw us."

Issac blurted out: "Dmn, the ba5tard of the Su family has always been ill-intentioned towards Miss Gu."

"I heard that he organized a luxury motorcade to pick her up from the airport, but he was completely bypassed."

After speaking, Issac said again: "Master, this boy has probably been eyeing you. He wants to check your license plate number. It must be aimed at you."

"Although Aurous Hill is not in the Su family's domain, if they want, they can find a relationship from Eastcliff. I guess it won't be long before he finds you! You must be prepared!"

"Hmm..." Charlie said with a cold face: "Zhifei shouldn't see my appearance yet, but since he came to the door, he must take the initiative to attack this matter!"

Having said that, Charlie said again:

"Tomorrow night, I am going to attend the concert. If I don't do anything to Zhifei, I will definitely be unavoidable to meet him at the concert. I need to solve this trouble!"

Issac hurriedly asked, "Master, what are your plans?"

Charlie sneered and said: "In this way, you first let that person give feedback to Zhifei any false information, and the specific information is what I tell you..."

After that, Charlie informed Issac of his plan in detail and asked him to strictly follow the requirements.

Charlie knew very well that he had rescued Zhiyu and Zhifei in Japan, so if he really came face to face with him, he would definitely recognize him.

Therefore, instead of waiting for him to recognize him at the concert tomorrow, it is better to take the initiative to solve him.

Originally, he didn't want to attack him. After all, everyone has the right to pursue his favorite object.

He can't act on him simply because he likes Sara. After all, he is not as arrogant as that stupid Kim.

But this time the situation is completely different.

This Zhifei was so bold that he dared to let people check his wife's license plate number!

His behavior alone has clearly played the world!

Now that he has crossed the redline, he can't blame Charlie anymore!

Chapter 3128

Due to a very bad mood, Zhifei sat in his Rolls Royce and did not get out of the car for a long time.

Even though Sara's rehearsal singing soon hit his eardrums coming from the stadium, he still sat motionless in the car.

At this time, he was extremely unhappy.

The reason that made him unhappy was that on the one hand, Sara's deliberate avoidance of him, on the other hand, it was the unknown BMW driver.

And he didn't understand why Sara would condescend to take a cheap BMW to the stadium.

After all, a brand like BMW, in the second-generation circle of Eastcliff, is simply rubbish that no one touches.

Like their top rich second-generation, the advanced customized version of Rolls-Royce is basically the standard for travel.

A car of this class like BMW is not even worth mentioning in front of the high-end customized Rolls-Royce.

Seeing that more than ten or twenty minutes have passed, and his subordinates have not returned the information of the car, he can't help but feel a little annoyed.

When he was about to dial the number, he suddenly received a call from his subordinates.

He immediately connected the phone and yelled: "I let you fcuking check a license plate, where were you checking it for me, maybe on fcuking mars?!"

The other party hurriedly said: "Master calmed down. The people over there just reported that there was a problem with the system. It has just been dealt with. The car you want to check has results."

Zhifei hurriedly asked: "What is the result? Who is the owner of that car?!"

The other party replied: "Master, the BMW car you asked me to check is a car registered under the name of Aurous Hill Emgrand Group."

"Emgrand Group?" Zhifei couldn't help frowning.

Chapter 3129

He has been in Aurous Hill during this period, but he has some understanding of the situation in this city.

The largest local company here is the Emgrand Group, but the owner of this group is mysterious, and Zhifei doesn't know who this company belongs to.

So, he was a little surprised at once, and blurted out: "Is the info true?"

The other party replied: "It is definitely true. He also told me that the number of vehicles registered under the Emgrand Group's name is more than 500 large and small. This BMW is one of them, and there is a small detail. This car is not a BMW 520, but a BMW 760."

"Impossible!" Zhifei blurted out: "I saw the car's tail label says 520! How could it be 760?! Is it a mistake?"

"No." The other party said earnestly: "I have repeatedly confirmed that the license plate number is indeed a BMW 760. As for you said that the tail number is 520, then I guess it may have been tampered with."

After speaking, he said again: "Master, you may not know much about the entry-level low-end luxury cars like BMW, but there is actually a big difference between the BMW 5

Series and the 7 Series. At first glance, they seem to be similar, but in fact, there are many differences, but people who don't know it can't see it."

"Just like the current Mercedes-Benz E-Class and Mercedes-Benz S-Class, people who don't understand cars basically can't see the difference. Compare the video of the driving recorder with the photo of the BMW 760 on the Internet. If you find it wrong, I will immediately ask that person to follow up."

Zhifei naturally didn't want to make any difference, so he immediately said: "Let me look at the video of the dashcam. You can find me the detailed pictures of the rear of the BMW 760 and 520 and send it to my WeChat. I will confirm it first."

"Okay, master!"

Zhifei hurriedly opened the video of Rolls-Royce's built-in driving recorder and found the clip just taken. After playback, it can be clearly seen that the rear of the car is indeed written BMW 520.

The reason why he wants to figure out whether it is 520 or 760 is mainly to determine whether this car is an Emgrand Group car.

If it is true that this car is a BMW 760, then all the clues can be confirmed that this car belongs to the Emgrand Group.

But if this car is not a 760, or an ordinary 520, then it proves that the information feedback from his men is wrong.

In that case, either the subordinate has a problem, or the BMW 520 has a problem, or maybe it is a licensed car.

At this moment, he received several official details of the BMW 520 and BMW 760 from his staff.

He can tell at a glance that the official BMW 760 detailed map is exactly the same as the car he just saw.

This also means that the car just now is indeed the BMW 760 that has changed its tail.

It also means that the car is indeed from the Emgrand Group.

Zhifei frowned and called and asked, "Do you know who the boss behind Aurous Hill Emgrand Group is?"

"I don't know." The other party replied: "The legal representative of the Emgrand Group is Doris Young, who is the vice-chairman of the Emgrand Group, but the shares of the Emgrand Group are not in her name."

Chapter 3130

After speaking, the other party further introduced: "Although this company is registered in Aurous Hill, the equity structure model of Aurous Hill Emgrand Group is the same as that of domestic Internet giants. There is also an overseas parent company in the upper structure."

"What's more fucking is that its overseas parent company is an offshore company registered in the Cayman Islands."

"This offshore company controls 100% of Aurous Hill Emgrand Group, so you have to find out who the owner of the offshore company is to know. Who is the real owner of the Emgrand Group."

"It's so troublesome..." Zhifei asked: "Can you find out the shareholder information of this offshore company overseas?"

"Unable to find out." The other party said truthfully: "The Cayman Islands has long promulgated judicial regulations to provide comprehensive privacy protection for all companies registered in its territory."

"Information related to directors and shareholders is completely confidential. The bank's strategy is exactly the same, so we can't find any information."

"Grass!" Zhifei cursed angrily: "I don't believe in this huge company of Emgrand Group in Aurous Hill. Does anyone know whether its boss is a man or a woman, and how old is that person?"

The other party immediately said: "The person who gave me the information told me that their boss is very powerful, young and handsome, and he also said that he was the mysterious rich man who was very famous last year in Aurous Hill!"

"What mysterious rich man?" Zhifei heard the other party saying that the boss of the Emgrand Group was young and handsome, and immediately became a little unhappy, and asked coldly, "Is this mysterious rich man very famous?"

The other party replied: "According to my source, he is quite famous. He used tens of millions of cash in a jadeite shop to smash a despising salesperson. At that time, there were a lot of rumors in the city about him."

Zhifei was a little annoyed.

He felt that if according to his subordinates, the boss of the Emgrand Group was really a strong competitor.

Combined with Sara deliberately bypassing him, coming to the scene with him, and being so affectionate to bid farewell to him, maybe this guy has already taken a step ahead and won Sara's favor!

Thinking of this, he felt angry and anxious, and blurted out, "Is there any personal information about this Doris Young?"

"Yes!" The other party introduced: "Her information is more transparent. She is a native of this city. She has all traces to follow in the past. She was a school teacher. Later, she joined the former Emgrand Group in a short time."

"She helped the Emgrand Group continue to grow and develop, she has also been promoted all the way to the position of Vice Chairman of the Group. She has been the top leader of the group until now."

Zhifei nodded and said, "In this way, if you want to know who the boss of the Emgrand Group is, you have to have a good chat with this woman."

After that, he immediately ordered: "You can contact this woman for me, saying that I want to take some time to visit her at the Emgrand Group and talk to her about business cooperation."

Zhifei felt that as the eldest son and eldest grandson of the Su family, as long as he reported his name to visit, who should not consider him a guest?

At that time, he meets that Doris, and will try to figure out the identity of her boss from her mouth.

If she doesn't say anything, then throw a cooperation intention as a bait.

In this way, he believes that the boss of the Emgrand Group will definitely be impatient to meet him after hearing the news that the Su family is going to cooperate with him.

After hearing this, his man hurriedly asked him: "Master, when do you want to meet her?"

Zhifei said without hesitation: "As soon as possible, better if now!"

Chapter 3131

Zhifei never dreamed that the information he received through his subordinates was actually a game that Charlie deliberately asked the trusted man to play.

He deliberately revealed his identity as the "Chairman of the Emgrand Group" to Zhifei, just to make him have a sense of urgency, so as to completely divert his attention.

Otherwise, if Zhifei had been making a fuss about his wife's BMW car, he could soon get his wife's true identity.

Therefore, he deliberately let people propagate a false message, telling the other party that this car belongs to the Emgrand Group.

At the same time, in order to strengthen Zhifei's trust, he deliberately exposed the details of the BMW 760 which is actually a BMW 760. In this way, naturally, Zhifei can be convinced strongly.

Once Zhifei believed that this car belonged to the Emgrand Group, his attention was completely deflected.

Then he released the chairman of the Emgrand Group's information. He may be a handsome, young, and rich young man, and is related to the god-level wealthy status circulated on the Internet. Then he will believe in all this even more.

As Charlie expected, Zhifei's current attention was focused on the chairman of the Emgrand Group.

While asking his man to arrange a meet with Doris Young of the Emgrand Group, he took out his mobile phone and searched for the short video of the god-level rich man who was all the rage in the city.

Sure enough, he found the scene where Charlie was photographed and recorded at the Jewelry shop.

However, it is a pity that the shooting angle of that video is not good, and the distance is relatively far, so he can't see Charlie's appearance, but the figure can be seen with a clearer outline.

That person is 1.85 meters tall, weighed less than one hundred and forty catties, had a body comparable to those long-legged men in the popular entertainment industry, which made Zhifei jealous.

He is most dissatisfied with his height. Although he is already 1.75 meters tall.

Among men, his height is considered to be above average, even two or three centimeters higher than the popular national trend at the beginning.

Nevertheless, he still carries in his bones, some dissatisfaction, because he only has the rich and handsome, if you want to occupy the "high" also, at least 1.8 meters or more.

Chapter 3132

Therefore, when Charlie's height in the video was about 1.85 meters, and he was ten centimeters higher than him, Zhifei felt quite upset.

At this time, Zhifei's assistant ran out of the stadium and knocked on his car window.

He opened the central control lock, and the assistant hurriedly pulled the car door and got into the co-pilot.

He asked, "Master, Miss Gu has already started the rehearsal. Don't you want to go in and take a look?"

"No, I don't!" Zhifei waved his hand irritably, and said, "Hurry up and make an appointment with that Doris Young. I'm going to see her!"

"Okay." The assistant nodded and said: "I have asked someone to inquire about her contact information just now, and it is estimated that he will be able to reply in a while."

Just finished speaking, the phone immediately received a text message.

In the text message, there is a string of mobile phone numbers starting with 139.

The assistant hurriedly said: "Master, the number has been sent, I will call her now!"

Zhifei gave an absent-minded hum, still staring at the phone screen, Charlie's figure in the short video, all over his mind.

At the same time, his assistant had put the call to Doris's cell number.

This person did not go around on the phone, and directly reported to Doris about his family, saying:

"Hello, Vice Young of the Emgrand Group, right? I am the assistant of Mr. Zhifei, the young master of the Su family of Eastcliff."

"Our young master wants to talk to a senior from the Emgrand group about cooperation. I wonder if you have the time to meet with our young master?"

"What? Eastcliff's Su Family?" Doris pretended to be surprised, and then said in a flattered tone:

"Oh! I never dreamed that I would be able to see Young Master Su in our Emgrand Group?! It's really unbelievable."

"Fortunately, I don't know when the Young Master will have time? I will come to visit him at any time!"

Chapter 3133

Zhifei and his assistant, who was sitting next to him, were very satisfied with the excitement that Doris showed, and Zhifei's expression was slightly relieved.

His assistant said at this moment: "Our young master is now in the city here, so if you have no problem, our young master can come to meet you now."

"That's great!" Doris's voice was very excited, and blurted out: "Then I will immediately discard all the arrangements for the afternoon and wait for Master Su here!"

Zhifei's assistant gave a hum, and asked tentatively: "By the way, our young master would like to meet the boss of Emgrand Group. I wonder if he has time in the afternoon?"

Doris hurriedly said: "I'm really sorry, our boss has always been very low-key, and he is still a hand-off shopkeeper."

"Basically, he comes to the company two or three times a year, and he never participates in any commercial activities or meets anyone in the industry. Even me. I don't know where he is, so please forgive me, Master Su."

Zhifei's assistant was also very helpless when he heard this, but fortunately, at least he was able to let the young master meet this woman first, so he said:

"Since your boss is not in the company, then wait until the opportunity arises. I will accompany you later."

"Our young master will come to your Emgrand Group first, and you will do the greeting and security work ahead of time."

Doris said without hesitation:

"Don't worry, I will arrange the people under my hand to make preparations. When Master arrives, he can take the special elevator directly from the underground garage to the top floor!"

"Okay." Zhifei's assistant said: "In this case, we will be there in 20 minutes."

After hanging up the phone, the assistant said to Zhifei: "Master, I will ask the bodyguard to prepare the vehicle, so don't drive by yourself."

Zhifei nodded. The reason why he drove by himself was original because he wanted to have a private space with Sara after picking her up, but unexpectedly, the meticulous preparations ended up being nothing. It's fcking mad when I think of it!

Zhifei's bodyguards and subordinates quickly organized the team. The assistant personally opened the door for him and escorted him into the back row of another Rolls-Royce. Then the team immediately set off for the Emgrand Group.

However, Zhifei couldn't even dream of it. At this moment, Charlie was already in Doris's office, waiting for his self-investment.

And Doris stood in front of Charlie respectfully, and asked: "Master, Zhifei will be here soon, how should I respond?"

Charlie smiled slightly, pointed to the back door of Doris's office, and said, "When he comes, I will go to your lounge and rest for a while. You can talk to him first, and I will come out when the time is right."

Doris nodded, and couldn't help asking again:

"Master, what do you plan to do with him? He is the Su family's grandson. If you want to attack him, the Su family will definitely not give up."

"Besides, if he disappears in the Emgrand Group. The Su family will definitely do everything possible to figure out all the circumstances of the Emgrand Group. By then, will your identity not be exposed?"

Charlie smiled and said: "It's okay, don't worry about this, I have my own way!"

Chapter 3134

Twenty minutes later.

Zhifei's motorcade drove into the underground garage of Emgrand Group.

Doris has arranged in advance for her secretary and the person in charge of the security department to wait in the underground garage.

As soon as the convoy arrived, they immediately stepped forward to receive them respectfully, and then took Zhifei and his entourage from the special elevator in the underground garage to the top floor of the Emgrand Building.

Zhifei really enjoys the feeling of holding the position of the moon among stars. In his opinion, a company of 100 billion in the Emgrand Group should be like the present when facing himself, the young master of the Su family. So all next to him are all respectful.

Doris's female secretary led the way and said as she walked: "Master Su, our deputy is waiting for you in the office, but her office is not too big, so your entourage will have to manage. They will take a break in the meeting room next to it, and I will ask someone to arrange tea for them."

Zhifei nodded lightly.

He also didn't want to take a lot of people into the other party's office to talk about things.

Moreover, he didn't feel that he would be in danger if he came to a group with a market value of hundreds of billions.

So he said to his assistant: "You go to the conference room and wait for me."

The assistant nodded immediately and said, "Okay master!"

Zhifei's assistant and bodyguard were introduced into the meeting room, and Doris's female secretary brought Zhifei to the office alone.

The female secretary knocked on the door, and Doris personally opened the door to the office. Seeing Zhifei, she respectfully said: "Hello Master Su, I am Doris Young, Vice Chairman of Emgrand Group. Welcome, with your visit, the Emgrand Group is shining!"

Zhifei did not expect that the vice-chairman of the Emgrand Group was such a beautiful and charming lady with considerable beauty. Seeing her wearing a professional suit with a knee-length skirt and her slightly curly long wavy hair, he was a bit stunned for a while.

Chapter 3135

Originally in Zhifei's vision, since this woman could use her own efforts to become the vice-chairman of the Emgrand Group step by step, then she would have to be at least thirty-five or even over forty years old.

After all, it takes time and experience to advance in the workplace. No one would believe that a woman under the age of thirty can rely on her strength to become the second-in-chief of a company with a market value of 100 billion.

Because of this fixed thinking mode in his heart, the moment he saw her, he felt amazed.

Therefore, he also nodded very gentlemanly and said: "I didn't expect Vice Doris to be so young and to become the second-in-chief of a company at such a young age. The personal ability must be very remarkable.

Doris smiled humbly, and said humbly, "Master Su, I've been awarded."

After that, she hurriedly turned sideways and said, "Please come in!"

"Okay!" Zhifei nodded, and strode into the office.

Doris said to her secretary: "Go and prepare the best tea for Master Su."

The secretary hurriedly said: "OKay Vice-Chair!"

After the secretary left, Doris immediately invited Zhifei into her office and invited him to sit down on the sofa. Then she asked politely: "I wonder why Master Su came to our Emgrand Group?"

Zhifei smiled and said: "I have been in Aurous Hill for this period of time, and I am interested in making some investment in the city. I heard that your Group is the largest enterprise in Aurous Hill, so I want to cooperate with you."

Having said that, he also deliberately added: "Oh, yes, the 'one point' cooperation is at least 50 billion."

"Oh? Really?!" Doris immediately showed strong interest and asked with excitement: "I don't know what kind of cooperation Master Su wants to do?"

Zhifei smiled slightly, raised his hand and pointed to the high-rise buildings outside, and said with a smile: "Real estate, hotels, energy, automobiles, the fields you can think of. Basically, our Su family is involved in these fields, so we can cooperate in fields. It's not too much."

Chapter 3136

After that, Zhifei said: "Isn't new energy vehicles very popular recently? There are R&D and production bases for new energy batteries and vehicles in several cities across the country, but Aurous Hill doesn't seem to have it yet?"

"I think we can establish a joint venture here. A new energy battery manufacturer specializes in the production of supporting power batteries for new energy vehicles."

"It happens that we also have two traditional car brands in the hands of the Su family. Recently, we are also preparing to transform and develop new energy models. We will cooperate in depth at that time. Maybe we can build a brand of new energy vehicles together."

Anyway, it's just babbling, so Zhifei brags about it, and he doesn't say anything about it with a deep heart. The Su family does have two traditional car brands, and they are indeed engaged in the transformation of new energy.

However, this kind of thing, from Business logic says that even if they find someone to cooperate with, they will only find professional companies in related fields to cooperate, and it is impossible to come to cooperate with an innocent company like the Emgrand Group in a second-tier city.

However, Zhifei feels that now new energy is a big outlet, and all companies want to come in and get a share of the pie, and it must be the same for companies of the size of the Emgrand Group.

Many companies see that the new energy industry is becoming more and more popular, but they can't find an entry point. Now they are giving Emgrand Group a free opportunity to enter the new energy field. It is impossible to refuse, such a big deal.

Of course, he is not a wealthy boy who is here to give opportunities. The reason for drawing such a big cake is to take the opportunity to attract the chairman of the Emgrand Group.

Really.

As soon as he said this, Doris's eyes flashed brightly. She couldn't hide her excitement and said, "Oh, let's talk about it Master Su, our boss has always wanted to wade in the field of new energy vehicles."

"It's just our Emgrand Group. We have always focused on real estate development and commercial real estate management. The development of the real estate, shopping malls, and hotels is our specialty."

"However, we are unable to develop new energy vehicles. The boss is worried that there is no good opportunity. If the Su family is really interested in cooperating with us, that's really a gift in the snow!"

Zhifei was very satisfied with Doris's performance, smiled slightly, and said seriously: "vice-chairman Doris, I always speak for words. Since I have come here on my own initiative, I naturally hope to cooperate with your Emgrand Group."

Speaking of this, he paused for a moment, and then continued: "As you know, although our Su family has a strong overall strength, our main business is concentrated in and

around Eastcliff. There is no business foundation in Aurous Hill. There is no network at all.”

“If you want to build a new energy battery and automobile production base in Aurous Hill, you must have in-depth cooperation with Aurous Hill local companies.”

“In this way, it will be easier to approve, acquire land, build factories, and apply for government subsidies.”

“Your Emgrand Group is the largest enterprise here. Cooperating with you is to join forces for mutual benefit!”

“That’s great!” Doris said excitedly: “Since Young Master Su can value us, then we will definitely go all out in cooperation!”

“Yeah!” Zhifei nodded in satisfaction, then changed the conversation, and suddenly said: “Oh, right, vice-chairman Doris, I estimate that the total investment of this cooperation project will be at least 60 to 70 billion, and it may even be worth hundreds of billions.”

“For such big cooperation, I want to meet your boss and have a chat in person. I wonder if you can ask him for me?”

“This...” Doris hesitated for a moment, and then said: “Mr. Su, let me tell you, our chairman has always been not very concerned about the Emgrand Group...”

Chapter 3137

To say that Charlie is not very caring about the Emgrand Group is the expression of Doris’s true feelings.

She knew that Charlie was in the lounge behind the office, so she said this a bit loud on purpose.

Since the change of the Emgrand Group to him, the number of times Charlie has come to the office together is estimated to be no more than ten times.

What makes Doris helpless is that every time Charlie comes to the Emgrand Group, it is not because of something related to business.

In other words, Charlie, the owner, never worried about the development direction of the Emgrand Group.

In the past, Doris had no opinion on this. On the contrary, she also liked the freedom of being 100% trusted and being able to do it by herself.

However, since she had a good impression of Charlie from the bottom of her heart, his reckless attitude made her feel a little alienated from him.

This kind of grievance mainly stems from a feeling of neglect deep in the heart.

She hoped that he would come to the Group frequently, even if it is to deprive her of decision-making power, Charlie had the final say, and she had no opinion.

Because in that way, she would be able to see him often.

Unfortunately, he never took this business seriously.

Therefore, she deliberately took this opportunity to make complaints, hoping that after Charlie heard it, he would be more concerned about the development of the Group in the future.

At this moment, Charlie felt somewhat ashamed when he heard Doris's spit.

When it comes to him, it is really a complete hand-off worry-free owner.

After taking over the business, without asking questions, it was completely entrusted to Doris to manage.

That's all, after JX Pharmaceutical was started, he also threw it directly to Liang to operate.

Except for a trip to Japan in person and the pharmaceutical company that incorporated the Kobayashi family, he has never taken care of JX after that.

Moreover, when the ocean shipping group is launched in the future, there is a high probability that it will not be too much trouble.

Because there will be Melba and Zhiyu sitting there, and there will be Pollard Watt, the professor of the economics behind him, for guidance and support, it seems that he is completely useless.

Charlie couldn't help sighing in his heart that he was indeed lucky. He met a lot of reliable and competent subordinates and collaborators.

It is precisely because of their strength that he can be at ease as a business owner.

Otherwise, he would be exhausted by the trivialities of several companies.

Chapter 3138

At this time, Zhifei, who was sitting outside, asked Doris with an incredulous expression: "Why is your boss not too concerned about your group's affairs? Does he have other business outside?"

Doris nodded, and said: "Our boss does have other businesses out there."

Zhifei suddenly felt a little puzzled.

"I originally thought that the chairman of the Emgrand Group, his net worth is only an Emgrand Group, that's all."

"In that case, how could the chairman of a group with a market capitalization of 100 billion in his neighborhood compare to me, the eldest master of a trillion-dollar asset family?"

"But looking at it this way, it seems that the chairman of the Emgrand Group has other industries outside..."

"Furthermore, he doesn't care about the Emgrand Group, which has a market value of 100 billion yuan, indicating that the market value of his external industry is for sure a lot more than that of the Emgrand Group!"

"If this is the case, then this person's strength is a bit unfathomable."

In Zhifei's view, if he only had 100 billion, then everything was clear. His ceiling was 100 billion, which was far behind himself.

However, if he has more than one hundred billion, then everything becomes confusing.

More than 100 billion, it may be 200 billion, or it may be 300 billion or even 500 billion.

Once the ceiling is gone, then this height is not predictable for him.

This made Zhifei's deep sense of crisis even heavier.

In fact, he also knew his own burden.

Although he was the eldest son of the Su family, he was just enjoying the aura of the Su family.

His grandpa Chengfeng occupies the control of the entire family, let alone his own, even his father has no real power.

Without real power, it means that there is no real money.

The chairman of the Emgrand Group can put out tens of billions of cash at will, but he can't put out so much money at all.

In this case, in front of the chairman of the Emgrand Group, he will become a straw bag of gold and jade, but also a ruin...

And why does he want to pursue Sara with a deliberate effort?

On the one hand, it was because he was really obsessed with Sara, on the other hand, it was because he had no real power in the Su family.

Therefore, he eagerly wants to use Gu family's wealth to improve his own strength and even wants to use Gu family's strength to make Grandpa look at him with admiration.

In this way, it will also enhance the possibility of him inheriting the Su family in the future.

For these reasons, Sara has a powerful strategic significance to his life.

In his mind, there is absolutely no room for the slightest mistake!

Chapter 3139

When he thought of this, his heart was even angrier.

Not only did he hate the chairman of the Emgrand Group, he even dared to run out to win love, but also hated his grandfather Chengfeng.

A dying old thing who firmly held control of the Su family and was reluctant to let go of his power towards his younger generation.

He even hated his sister Zhiyu.

She actually took advantage of the grievance she had suffered, forced the old man to leave the entire ocean transportation group, and even took the old man's private island for retirement.

In contrast, he has nothing.

Really, nothing...

Thinking of this, he gritted his teeth and raised his head to look at Doris.

He said, "Miss Vice-chair, your boss will not have trouble with money if he wants to come. If we both reach a cooperation, it may be a company with a scale of hundreds of billions."

"Looking at our domestic new energy car companies, the market value of the largest one has approached the 100 billion U.S. dollar mark, which is more than 600 billion yuan!"

"If we join forces, we will probably not be any worse than them, so big. Your boss will be interested in buying and selling if he wants to, so you might as well call him or send a text message to report and see if he is really interested."

Doris hesitated for a moment, and said: "In this case, I will report to our chairman first."

Zhifei instantly beamed his eyebrows and blurted out: "Okay! See what he says."

Doris took out her mobile phone and sent a message to Charlie on WeChat.

The content is: Master, how should I reply to him now?

Charlie replied: You ask him if he is really sure that he wants to see me.

After receiving it, Doris put down her phone, looked at Zhifei, and asked seriously: "Master Su, are you sure you want to see our chairman in person?"

"Of course I am!" Zhifei said without hesitation:

"Ms. Doris, I don't mean to look down on you, but for such a big business, it is naturally more efficient to talk to your boss directly. What do you think?"

Doris nodded, her tone suddenly lost its enthusiasm, and she said lightly: "Well, since you are sure, then I will invite our chairman to talk to you."

Zhifei couldn't help frowning. He didn't expect that Doris suddenly became cold-hearted, and changed her respectful expression just now, and changed the title from "you" with admiration and awe to "you" with indifference.

This made him feel a little bit in his heart. A feeling of offense passed his mind.

At the moment when his anger surged, a door in the office was suddenly pushed open, and a somewhat familiar voice came and asked with a sneer: "Mr. Zhifei, you are so impatient to see me right?"

Chapter 3140

Zhifei never dreamed that a person would suddenly appear in the innermost part of Doris's office.

Moreover, he was more puzzled as to why this person's voice made him feel a little familiar.

When he subconsciously turned his head to follow the sound, his whole brain exploded with a buzzing sound.

His eyes widened in an instant, and his thinking fell into sluggishness in an instant!

He naturally recognized Charlie at a glance!

After all, the impression he left on him in Japan was too deep, and he could not forget this appearance until his death.

At this moment, he was shocked to the core, and immediately afterward, he couldn't help but mutter:

"Ah...it's...it's you?! This...how is this possible!!!"

Charlie came to face him and asked jokingly: "Why? We haven't seen each other for some days. When you see me again, you won't even call me Grace?!"

Zhifei was instantly stunned by Charlie's powerful aura, and immediately came to his mind the shocking picture of him killing several ninjas in Kyoto, Japan that day!

So, he trembled all over, and immediately bent over and bowed, and said respectfully:

"Well...Grace...you...how are you here?! My sister and I have been looking for you since our goodbye in Kyoto."

"I want to repay your life-saving deed, but I didn't expect to see you here... I am so surprised to see you just now, how improper my manners are, please forgive me!"

Charlie sneered and said: "Zhifei tell you something, you don't even treat your own in Eastcliff well with respect, and you have come to Aurous Hill to get respect."

"You have come to Emgrand of your own initiative, you wanted to see me. I have come out as you wished."

"Now tell me why are you here has your brain stopped working?"

Zhifei exclaimed: "Grace...you...you are the chairman of the Emgrand Group?!"

Chapter 3141

Charlie smiled and said, "What? I am the chairman of Emgrand Group, which surprised you?"

Like a quail, Zhifei said honestly: "This...to tell you, I really didn't expect..."

Charlie nodded, and went straight to the opposite side of him, sitting on the single sofa opposite him carelessly, spreading his hands on the backrest, raising his long legs, and asking him:

"Let's talk, it takes so much effort to find what I do?"

Zhifei had a guilty conscience, but he could only bite the bullet and said: "I...I came to you...I want to...I want to talk to you about cooperation..."

Charlie nodded slightly, did not break him down, but casually said:

"I heard it all just now, you want to invest tens of hundreds of billions of dollars, and engage in the new energy automobile industry with Emgrand Group, right?"

Zhifei could only nod his head, and said with some guilty conscience: "Yes...yes..."

Charlie smiled slightly: "This is a good thing! Your investment of 10 billion dollars, when will it arrive?"

"Huh?" Zhifei asked subconsciously: "Grace...you...what do you mean?"

Charlie casually said: "I don't mean anything, don't you want to invest with me? Since it is an investment, you naturally have to take out the money first?"

Zhifei hurriedly said: "This...for such a large investment, there must be a lot of preparatory work, and this investment is also for us to establish a joint venture company."

"Then according to the agreed ratio and valuation, each will bring the investment in their respective sectors..."

Charlie waved his hand: "With me, the rule of investment is that you first put the money in my account. Didn't you come with sincerity?"

"Hurry up and arrange your finances first, and put 10 billion in the account of the Emgrand Group. Then we will talk about cooperation in the future."

Zhifei's cold sweat suddenly flowed down like a waterfall.

He said nervously, "Well...blessed, your request...I really can't meet it...It's impossible for us to finance without seeing the contract or doing anything on paper."

"In the case of risk assessment, a huge amount of 10 billion is not put on the accounts of other companies..."

Charlie sneered and said, "Is it because you are not ready to commit this money, or you don't have that much money at all, and you just came here to talk to me for nothing?"

Chapter 3142

Zhifei's nervous back got chills, and he blurted out: "Grace, don't get me wrong, why should I be meeting in vain with you... I sincerely want to cooperate with you..."

Charlie nodded and asked with a smile:

“Since you really want to cooperate with me, let your finances put a 10 billion cooperation deposit on the account of the Emgrand Group.”

“If you can’t get the money, you don’t want to leave this place.

Zhifei was startled immediately, and blurted out: “Grace...I...where will I get ten billion dollars in funds in such a short while!”

Charlie sneered and said: “What? Didn’t you say that you want to cooperate with hundreds of billions of projects?”

“You will have to do hundreds of billions of projects. Shouldn’t there be 10 billion funds?”

“If you don’t have 10 billion. If you can’t get it out, you still come over and say you want to cooperate with me. Doesn’t this mean that you are here to entertain me on purpose?”

Zhifei panicked and explained: “No...it’s not like that, I...I really want to cooperate...I really want to cooperate!”

Charlie nodded: “You really want to cooperate. Make a deposit first. When the money arrives, start cooperation immediately.”

“Don’t worry, I won’t be greedy for a penny. I will sign a contract and write a paper for you when the money arrives to ensure the safety of your funds.”

At this time, Zhifei, seeing Charlie clutching 10 billion tightly and not letting go, his whole body was so nervous that he was sweating, and he dared not even look at him.

In the Su family, how could he have the qualifications to mobilize 10 billion.

He really asked him to raise money right away. It is estimated that he can get one hundred million by any means possible. Ten billion is absolutely impossible.

Seeing that he was not talking, Charlie suddenly yelled, “Speak! Are you dumb?!”

Zhifei shuddered, and said quickly, "Grace, don't be angry...I am only here to discuss cooperation intentions on behalf of the Su family."

"Although I am the eldest son and grandson in the Su family, I can also come out to discuss cooperation on behalf of my grandpa."

"But I really don't have the right to arbitrarily control the funds."

"For the specific allocation of funds during cooperation, my grandfather has to nod."

"As long as we reach cooperation and my grandfather has no objections, the money will definitely be cashed out immediately..."

What Zhifei wanted was, no matter what, to escape today's level first.

Because he knew Charlie's horror very well, if he couldn't pass this level today, then he would definitely be cold.

So he hurriedly promised Charlie: "But you don't have to think too much about it. I and the entire Su family really really want to cooperate with you and the Emgrand Group!"

"I'm here this time. I want to seek cooperation, absolutely nothing else!"

Charlie smiled: "Since you said that you really want to cooperate, then I have a question for you."

Zhifei hurriedly said, "Grace, please say..."

Charlie looked at him sweating profusely, and asked coldly: "Why did you investigate my license plate number?!"

Chapter 3143

"what?!"

Hearing Charlie's questioning, Zhifei's whole body was like falling into an ice cellar!

He finally found out sadly that he originally thought he had hidden his motivation very well, but in fact, he had already exposed it!

As early as when he saw Sara coming out of Charlie's BMW car, and then let people check the information of that BMW car, he was completely exposed!

And what he didn't expect was that behind all this was the benefactor who had great strength and saved him and his sister, and even saved his mother and sister some time ago!

At this moment, he realized that he was the one who hit the rocks with pebbles and was overpowered...

Thinking of Charlie's extraordinary strength, and thinking of the disappearance of his second uncle, the disappearance of his father, and the bizarre death of Cary, an extremely strong fear suddenly surged in his heart!

After that, he quickly slid off the sofa, knelt in front of Charlie with a puff, and said with tears:

"Grace Grace! I was wrong! I really knew it was wrong! It's all because I was obsessed and had a ghost. I saw Sara get down from your car. When I saw her, I wanted to find out your identity."

"If I knew that the driver were you grace, even if you give me eight courage and eighty hundred courage, I would not dare to check your car... Please forgive me, please forgive me. This time! Please!"

Charlie sneered and said: "Zhifei, you have to know, you still owe me a life, why do you have the face to beg me to forgive you now?"

Hearing this, Zhifei was struck by lightning.

He didn't doubt that Charlie could easily take his life.

Moreover, as Charlie said, he saved his life in the first place.

If he can save him, he can kill him. With his strength, the bodyguards in the conference room are not enough to watch, so even if he calls for help, it doesn't make any sense. It's very likely that the bodyguards have not arrived yet and die in the way.

Chapter 3144

Thinking of this, Zhifei immediately kowtowed to Charlie like crazy, and choked in his mouth: "Please Grace, spare me this time. Your great kindness, I will never forget! Please look at me."

"It's not that I deliberately disobeyed you please let me go. From now on, I will repay your life-saving grace by being a cow and a horse!"

Charlie waved his hand: "Just save it, you know in your heart that you are not the kind of person who knows gratitude!"

"I..." Zhifei was startled, and blurted out: "I am! I really am! Grace, please believe me!"

Charlie sneered and said: "If you really know the gratitude, you won't be planning Sara's concert here when your mother and your sister were missing."

"Do you think I don't know people like you? You, your father, and your grandfather are all the same. Personal interests are above everything else."

"In the face of personal interests, family affection is not important, let alone the mere life-saving grace, don't you think so?"

Zhifei trembled violently in fright, crying, and said, "Grace... I won't do sophistry or deny what you said, but please look at the face of my mother and Zhiyu, and forgive me for being confused."

"From now on, I will change my mind and be a new person, and I will never repeat the mistakes of my father and my grandfather!"

Charlie sneered and waved his hand: "Sorry, you have no chance!"

He really didn't plan to leave Zhifei any chance, because this time, Zhifei had already touched his negative scale.

When Zhifei heard Charlie say that he had no chance, his whole body collapsed instantly.

Immediately, he cried bitterly with his nose and tears: "Grace...My dog's life...you save it, and you should take it away...but I still want you to forgive me."

"Even if it's because of the face of my mother and my sister, spare my life as a dog... Grace... Please, Grace..."

Charlie watched him cry in tears and distress. He smiled calmly and said: "I have already seen your mother and your sister's face, and have bypassed your dad's life. Do you want me to spare you one more fate?"

Chapter 3145

Zhifei asked subconsciously: "Grace, my dad...Is my dad still alive?!"

Charlie smiled faintly: "Your dad is now in Syria. Although he can't come back for a while, he will definitely not die for a while."

"Syria?!" Zhifei was dumbfounded and asked, "My dad... how could he go to Syria?"

Charlie smiled and said, "The reason he went to Syria was because he provoked me."

"I should have killed him by a hundred, but I thought of your mother and your sister's face saved him. Let him go to Syria to reflect on his deeds."

Zhifei didn't expect that his father was sent to Syria by Charlie, so he couldn't help asking: "My father, my father...how did he offend you? In my impression, he and you must have no intersection..."

"How did he offend me?" Charlie snorted and said lightly: "I forgot to tell you, I have a feud with your Su family, especially with your father and your grandfather."

Having said that, Charlie paused for a while, and then said: "Oh, yes, I forgot to introduce myself. My surname is Wade, my name is Charlie, and my father's name is Changying Wade."

"Ah?! Wade... Changying..." Zhifei was completely shocked when he heard this.

Zhifei had never heard of Charlie's name, but Changying's name had long been known to him.

And he is not a fool, he knows very well that his mother has always loved Changying, who already passed away.

Even the emotional discord between the parents is because the mother has always been obsessed with that man.

However, he never dreamed that his benefactor, who had saved him and his sister in Japan, turned out to be the progeny of Wade family and had a feud with Su family!

Moreover, he is Changying's son!

He was extremely nervous, and asked in a trembling voice: "Grace...you...are you really Changying's son?!"

Charlie said lightly: "Yes, I am!"

After getting his affirmative answer, Zhifei knew that Charlie couldn't let go of him so easily.

Because not only does his family have a feud with his family, but, as he said, he still owes him his life.

What's more damn it is that he unexpectedly came to the door without knowing it. Isn't this just the right thing to do?

Thinking of this, his heart was completely ashes, his eyes also looked at Charlie with deep fear, and tentatively asked: "Grace, what are you going to do with me?"

"Or... or you send me to Syria too, let me be in company with my father. We two will reflect on and atone for our sins in Syria..."

Chapter 3146

For Zhifei, as long as he can keep his life, it is more important to him than anything else.

Because he knew very well in his heart that Charlie had enough strength and enough reason to kill him.

And with his strength, even if he really killed him, the Su family might not be able to avenge his life.

After all, his grandfather didn't even see his face, so he was so worried that he couldn't sleep at night!

In order to make peace with him, grandpa even gave the entire Su family's ocean transportation group to his sister.

From this, it can be seen that his grandfather is extremely afraid of Charlie.

Therefore, as long as he can survive, it doesn't matter if he has to throw himself into Syria.

At least, there, he can still depend on his father, and he won't be alone.

Charlie heard Zhifei's begging for mercy and couldn't help but smile and asked, "What? Do you want to go to Syria, too?"

Zhifei nodded without hesitation, and said firmly: "I want to go! I'm willing to go! Please let me go, please!"

Charlie looked at him, smiled slightly, then waved his hand, and said in a cold voice, "How could I reunite you father and son in Syria? You think too beautiful, right?"

Zhifei panicked and begged: "Grace, I beg you, as long as you can spare my dog life, I'm willing to do anything you want me to do. You saved my dog's life."

"If I kill me. Won't your efforts to save me in the first place would be in vain? Please look at this point and give me a way out."

Charlie looked at him with a smile and without a word. He kept seeing Zhifei feeling so terrified that he was so scared that he calmly said:

"Zhifei, in fact, you have to be thankful that you have a good sister."

Zhifei was a little stunned at once, and blurted out, "Grace...what do you mean?"

Charlie said indifferently: "I have a big project to cooperate with your sister now. For your sister's face, it is not impossible to spare your life."

Chapter 3147

In fact, Charlie did not intend to really kill Zhifei.

Not only is he still cooperating with Zhiyu, but also because he has some respect for Zhifei's mother, Liona.

That woman has loved his father for so many years and has never done anything to destroy his family. Just her feelings for his father deserves his respect.

Even, it is worthy of his gratitude.

He is grateful that his father has been dead for so many years, and she still remembers him.

After all, it is not easy for a person to be remembered by others if he dies.

If he really killed Zhifei, how would he face Liona in the future?

Therefore, he knew very well in his heart that he could not follow this path.

Zhifei was so excited when he heard Charlie's words at this time, he blurted out and asked: "Grace, you really decided to forgive me this time?!"

Charlie waved his hand and said indifferently: "Today is your fate. However, as the saying goes, death can be avoided, and living sins are hard to forgive!"

Zhifei blurted out with excitement and without hesitation:

"As long as Grace can spare me, I am willing to do anything you want me to do! I have no idea how you punish me!"

Charlie thought for a while and said, "Well, your family has always acted ruthlessly, your six relatives have not confessed, and your sins are serious."

"Since you want me to spare your life, then you might as well concentrate on paying for your family."

"Okay! I will atone for my sins!"

When Zhifei heard this, although he didn't know how Charlie wanted him to atone for his sins, he still agreed without hesitation and blurted out:

"I am willing to atone for my sins! I am willing to do it for me, for my dad, for the whole Su Family's Atonement!"

"Tomorrow I will go to the temple to burn incense and worship Buddha, so as to accumulate more yin virtue for my Family!"

Charlie smiled and said, "Your sins are so prudent, how can it be solved as simply by burning incense and worshipping Buddha?"

Zhifei asked confusedly: "Grace, what do you mean?"

Chapter 3148

Charlie said calmly: "Since it is a serious sin, then naturally you need to be more pious and more disciplined."

"I think you might as well start from tomorrow, use three steps and one bow, all the way from Aurous Hill to the Jokhang Temple in southwest China On the pilgrimage."

"Use your most pious heart and your most down-to-earth actions to alleviate the sins of your Su family."

With that said, Charlie calculated for a moment, and said:

"If you go to the southwest from Aurous Hill, it should be nearly 4,000 kilometers. If you knock your head in three steps, the speed will be a lot slower."

"If you walk for twelve hours a day, don't say too much. It's okay to walk four kilometers. If you count it this way, you should be able to get there in three years."

"Ah?!" When Zhifei heard this, he almost couldn't help kneeling to fall to the ground.

He really hadn't dreamed that Charlie would punish him in this way.

"Knock head all the way from Aurous Hill to the Jokhang Temple?! And it will take three years to get there?!"

"Isn't this killing people?"

"I heard that Delong from the Kevin family of Eastcliff used to ride a bicycle all the way from Eastcliff to Aurous Hill. This has subverted my own perception."

"If I have to kowtow all the way to the southwestern border, would it be better than Delong? Hundreds of thousands of times worse?!"

Charlie looked at Zhifei and asked with a sneer: "What? You don't want to accept it? If you don't want to accept it, don't blame me for not giving you a chance to survive!"

Hearing this, Zhifei didn't even think about it, and quickly said: "I am willing, I am willing, I am absolutely willing!"

At this time, Zhifei had already thought out a response plan in his heart.

He murmured in his heart: "Now I have to agree to get out of here first!"

"As long as I escape, I will try my best to leave China as soon as possible!"

"At that time, the emperor is far away, even if this Charlie has the ability, he can't find me all over the world to punish me, right?!"

Charlie seemed to have seen his plan a long time ago, he smiled slightly and said: "Since you have agreed, there is no chance to go back."

"I don't regret it! I will never regret it!" Zhifei expressed his stance again and again, just thinking of getting out quickly.

At this moment, Charlie stood up and tapped the top of Zhifei's brain lightly with his finger, and a trace of aura poured into his brain from Charlie's fingertips.

Immediately, Charlie spoke in an unquestionable tone, and said:

"Zhifei, remember, you will go home after you leave this place, lock yourself in the room, don't go out, and don't talk to anyone. If someone asks you, you just say you want to be alone."

"When you wait until nine o'clock in the evening, you will come out of the room, gather your family, and connect with your grandfather through the video."

"Tell them that after careful consideration, you feel that your father and grandfather are sinful people."

"So Decided to start at 7 o'clock tomorrow morning and kowtow all the way to the Jokhang Temple to repay the sins of the Su family."

"If Chengfeng dares to stop you and threaten you, you will count his crimes. Call him murderer!"

"In addition, before you confess to your family tonight, you have to record a video."

"After you finish talking to your family, you will immediately post it on the short video platform to tell the people across the country about your decision."

"If someone stops you at that time. You will be forced to death."

"However, I am not that unreasonable and unsympathetic person. Considering your poor physical fitness, I allow you to bring a few more followers along the way, and even a private doctor, so that they can protect your life along the way."

"It's safe, but you have to remember that the road, you still have to go step by step, and you have to knock yourself one by one!"

"On this road, you only need to make atonement sincerely. After you arrive at the Jokhang Temple, you can come back to Aurous Hill and come to the Emgrand Group to find me, do you understand?"

Zhifei at this moment, the whole person looked a little sluggish, and his eyes looked a little hollow, but his tone became very firm and said: "You can rest assured, I understand everything!"

Chapter 3149

In fact, Charlie had long known that Zhifei was pursuing Sara.

In line with the principle of "freedom of love", he did not want to interfere more with Zhifei. Even if Issac suggested that he intervene before, he never thought of it.

Charlie also felt that everyone has the right to like and be liked by others.

As long as the favorite is fair and reasonable, no one has the right to interfere.

But Zhifei was wrong, he didn't figure it out himself.

Before he pursued Sara, he had regarded her as his personal belonging.

When he found out that he was driving Sara to the stadium, his first thought was to do everything possible to investigate his identity, point the finger at him, and even have to investigate his wife's license plate has completely violated the basic principle of "freedom of love".

Therefore, Zhifei's decision is also the key to his determination to punish him.

It was precise because of this that Charlie gave him psychological hints.

The psychological hint is a very powerful brainwashing function, and Charlie uses aura as a medium, this kind of psychological suggestion is even more insoluble.

Charlie also knew very well that if he had just reached a verbal agreement with Zhifei, then he would have repented immediately after he left this room, and might even run away.

Even if he was forced to be helpless and really kowtowed his head all the way to the Jokhang Temple, then he is likely to do everything possible to slip on the road.

And it is impossible for him to keep staring at him. The only solution is to give him a strong psychological hint and make him follow the arrangement.

After this psychological hint was given, he was like Wu Qi who had to have special meals every hour. No one could stop him, and no one could make him give up his demands.

As a result, he will strictly demand himself, three steps and one bow, one step less, one less head, he himself will not forgive himself.

In this way, it is naturally impossible to slip away.

However, psychological cues have powerful side effects.

Once he accepts this kind of psychological suggestion, his whole person's normal thinking mode will also be greatly affected.

At that time, in the eyes of others, this person may be like a crazy fool, which is incomprehensible.

But to Charlie, it didn't matter, what he wanted was Zhifei to honestly go through the long head of the next three years.

He once saved his life, and now he will avenge his grievances, and he will not kill him.

It is already extremely kind, and letting him go to kowtow to redeem his sins is also considered a kind of preferential treatment to him in Charlie's eyes.

Chapter 3150

Zhifei has been completely finished by Charlie's psychological suggestion at this time, and what he thinks in his mind is all Charlie's instructions to him.

Seeing this, Charlie said: "Okay, you go call your subordinates now and let them take you home. If they ask you how you talked, you tell them that this matter is a misunderstanding. The person you are looking for is not in the Emgrand Group."

Zhifei nodded immediately and said, "Grace, I know!"

After speaking, he immediately turned around and walked out without looking back.

Seeing this, Doris hurriedly asked Charlie: "Master, just let him go like this?"

Charlie nodded: "Let him go, we don't have to worry about the rest."

"Okay." she said in a convenient way: "Then I will send him out to avoid doubts."

Charlie nodded slightly, and Doris hurried over and said to Zhifei: "Master Su, I will see you off."

Zhifei nodded stupidly, and said subconsciously, "Thank you."

After going out, he just came to the door of the conference room, his assistant and a group of bodyguards quickly got up and came out.

The assistant stepped forward and asked in a low voice: "Did you inquire about the identity information of the chairman of Emgrand Group?"

Zhifei said lightly: "This time the matter is a misunderstanding. The person I am looking for is not in the Emgrand Group. Let's go. Take me home."

The assistant was a little confused, but he didn't know exactly what Zhifei saw in the VIP passage of the stadium.

Maybe it was Zhifei who made a mistake by himself, so he didn't think too much. He said: "Okay young master, then we will send you back now."

Along the way, Zhifei did not speak, but sat in the car alone with his eyes closed.

The convoy sent him to Du's old house. Zhifei spoke to the assistant before getting off the car and said: "Okay, you guys go to do your own business, don't worry about me, I want to go home and take a good rest."

The assistant didn't think much, and hurriedly opened the door to Zhifei and watched him enter the Du's house, and then greeted others to drive away.

When Zhifei returned home, only the servant was at home. He greeted him without paying attention, so he went straight back to his room and locked himself up.

The servant thought he might be in a bad mood, and didn't take it too seriously, let alone touch him.

Chapter 3151

In the evening, Liona and Zhiyu went home one after another. The servant told them that Zhifei had locked himself in the room in the afternoon and never left the door.

The mother and daughter respectively knocked at the door and asked, Zhifei. The reply to them is that "I want to be alone."

The family didn't take it seriously.

After all, he is an adult, and sometimes it is normal to want to be alone.

However, at nine o'clock in the evening, when Zhifei pushed the door and came out of the room, he gathered the whole family solemnly, saying with a serious face that he had something to announce.

When the family sat down in the living room and wanted to hear what he had to announce, he took out his mobile phone and sent a video invitation to Chengfeng.

Zhiyu was a little upset when she saw him sending a video to Grandpa, and asked: "Brother, why are you going to video call with Grandpa?"

Zhifei said seriously: "I have a major decision about myself to be announced, so I also want to inform him at the same time."

Zhiyu said with a black face, "Then you don't want to take pictures of me and my mother too."

Zhifei nodded, and sat a little further away.

Soon, the video was connected.

Chengfeng asked at the end of the video: "Zhifei, how come you make a video call at this time?"

Zhifei said calmly: "Grandpa, I have a major decision, and I need to tell you."

Chengfeng was confused, but he nodded, and said, "Is there any major decision, you can talk about it."

Zhifei sat up straight and said seriously: "I Zhifei, after careful consideration, deeply believe that my father and grandfather are sinful people, so I decided to start at 7 o'clock tomorrow morning a journey."

"I kowtow all the way to the Jokhang Temple to repay the sins of the Su family. I don't know how long this trip will take."

"If I can kowtow all the way to the Jokhang Temple in three years, I will come back and continue the kowtow again my head, for three years!"

Liona and Zhiyu were naturally dumbfounded.

And Chengfeng at the other end of the video, his face is already extremely ugly!

He cursed in his heart: "Did you stinky kid got kicked by a donkey?! Says I am guilty?! Even if my damn sin is so grave, I don't need you to smash your head to pay for me! You dmn it. Deliberately want to make me ashamed?!"

Thinking of this, he yelled with a dark face: "Zhifei! You are just fooling around! Don't forget your identity! You are the eldest son of the Su family!"

"As the eldest grandson of the Su family, you are not busy with your studies and work. "

"Don't take the Su Family's interests as the highest interest, but instead, want to engage in this kind of brain-dead thing. Where do you let the Su Family's face go?! Where do you let my face go?!"

Zhifei was unmoved by Chengfeng's roar, and said indifferently: "I have decided! No one can block my decision!"

"I will set off on time at 7 o'clock tomorrow morning. Then, I will ask the whole country, all the netizens to supervise me!"

Chapter 3152

Chengfeng almost exploded in anger at this moment.

"What's going on?"

"I just spent so much to barely pacify the troublesome Zhiyu, but who would have thought that after not even two days of peace and quiet, the thick-browed Zhifei, unexpectedly mutinied now."

He now completely does not understand, his own damn grandson has eaten the wrong kind of medicine?

When the life and death of his mother and sister were unclear before, he didn't turn his face with him like he does now, but swallowed his breath and kept flattering by his side.

Now things are all over, this kid seems to have suddenly recovered and started to compete with him.

When he thought of this guy, he would use the sturdy way of kowtow all the way to the Jokhang Temple to make atonement, Chengfeng was nervous and sweated.

As the eldest son of the entire Su family, Zhifei, if he really puts this decision into action tomorrow, it will inevitably arouse the eager attention of the people across the country.

By that time, the entire Su family's face would be completely lost.

And the evil deeds that he has done, he is afraid that someone will come out and whip the corpse again.

Thinking of this, Chengfeng said angrily: "Zhifei! You unfilial grandson! If you really dare to do this, then I will drive you out of the Su family and no longer recognize you as a grandson!"

"From now on, you will die for me? Your life or death has nothing to do with my family, and the trillions of assets of the family have nothing to do with you. Go out and fend for yourself!"

Chengfeng felt that his words were already very, very heavy, and Zhifei was the kind of master who admired vanity and lust for prosperity, so he would definitely be scared off by his words.

But where can he know that Zhifei at this moment has been given a very heavy psychological hint.

He now felt that the entire Su family was extremely dirty, and the sins of the entire family were waiting for him to kowtow all the way to the Jokhang Temple tomorrow to make atonement.

So in the face of Chengfeng's threat, his whole person only felt that an unprecedented sense of justice burst into the sky in an instant!

Chapter 3153

Immediately, he slapped the table angrily, and sternly reprimanded: "Chengfeng, you old dog! You are dead seventy-six years in vain!"

"You have spent a life of greed, you will control the Su family power until your death, and you will persecute your son, daughter-in-law, and even your two grandchildren for profit.

"You are cold-blooded, cruel, inhumane, and with no regard for human decency. You are simply the dregs of society, and you should be punished!"

"If you still have the slightest conscience now, you should immediately surrender to the police and pray for the law to impose a capital punishment on you!"

"But you old dog, you still do your own way and remain unmoved! Continue to do those shameless things in secret!"

"I... I have never seen such a brazen person!"

Zhifei's impassioned scolding made the surrounding mother, sister, and other relatives stunned for an instant.

And Chengfeng on the other end of the video can no longer be described as stunned. He is already extremely angry, and he only feels the blood rushing up wildly, and the entire cerebral blood vessel that supports his life is about to burst.

He stubbornly covered his heart and faced the video. Zhifei on this end screamed in anger and trembled: "You...you...you beast! I...I...I..."

Before he finished speaking, Chengfeng coughed violently, almost coughing out of breath.

Immediately afterward, he felt dizzy in his brain and the pain in his brain was unbearable. Then he rolled his eyes and became unconscious.

Who could have imagined that Chengfeng, the Patriarch of the Su family, who had been used to seeing all kinds of wind and waves all his life, would have passed out directly because of his grandson's reprimand?

At this time, Anson suddenly appeared on the video screen.

He realized that something was wrong and ran over when he heard Chengfeng yelling at Zhifei as a beast.

After seeing that Chengfeng had passed out, he immediately took out the walkie-talkie and shouted nervously: "Master! Master, what's wrong with you, master?! Where's the doctor? Let the doctor team come over soon, the master has passed out!"

After speaking, he saw Zhifei's video on the phone, and hurriedly asked: "Master, what is going on with him, Master?!"

Zhifei watched the unconscious Chengfeng in the video, his expression was very cold, and he said coldly: "He? He is self-inflicted and can't live!"

Anson was dumbfounded: "What the hell is this? Is this the Zhifei who flattered and begged for the favors of master? How dare you say such a thing to the master?!"

Anson, who was eager to protect his lord, was instantly furious, and he blurted out: "Zhifei! What kind of status do you have that you dare to say things to Master! Do you want to rebel?!"

Zhifei said disdainfully: "Bah! I will make this old thing counter? I, Zhifei, have been ashamed to be with him all my life!"

After that, he turned off the video directly.

Chapter 3154

In an instant, the entire Su family villa exploded.

On this side, the people in the Du's house were also completely trapped.

Zhiyu looked at her brother, feeling that her eyes were about to fall off.

Two days ago, she had just determined that her brother had already turned to grandpa.

But she never expected that it was only a few days later, and he seemed to have changed in an instant, and he cursed grandfather with blood in an instant...

So, she couldn't help asking Zhifei: "Brother, what happened to you today?!"

Zhifei's expression was indifferent, and his eyes were empty and said: "Nothing, I just can't understand what he did!"

Zhiyu was stunned and then asked: "Then you said you decided to start tomorrow and kowtow all the way to the Jokhang Temple. Are you serious? Or just talking about it?"

Zhifei glared at Zhiyu, and said in a very dissatisfied tone: "Of course I am serious! How can you doubt my intention?!"

"Do you think Zhifei would make a joke about such a sacred thing?! Is it true? In your heart, Zhifei, is a sensational, back-and-forth villain who speaks for nothing?!"

Zhiyu was suddenly scolded by her elder brother. She couldn't wait for a hundred thousand question marks in her mind, and her heart was shocked.

She couldn't understand more and more, what happened to her brother?!

"My brother is mentally retarded?!"

"Or is it an evil on his mind?!"

"Or has he lost his mind?!"

Bewildered, she immediately looked at her mother Liona with a plea for help.

Liona was completely confused.

She found that she could not understand her son who she had been raising for more than 20 years.

In her own impression, he is not such a person at all.

Don't look at his name as Zhifei, but in fact, she knows very well that in the Su family's environment, the Su family's men basically disregard right and wrong and only care about their interests.

Zhifei suddenly has a sense of justice, and completely turned his face with Chengfeng. This is completely like a different person!

So, she couldn't help but tentatively asked: "Zhifei, tell your mom the truth, what happened to you today? Did you encounter something outside or are stimulated by something?"

"No." Zhifei said indifferently: "I just suddenly thought about my whole personality, and realized that my life can no longer be so degraded!"

"The sins of the Su family are too serious. As a descendant of this family, I must stand up. , To redeem the sins for the Su family!"

Liona was even more surprised, but she earnestly persuaded him: "You know what is wrong, mom is really pleased that you can recognize this, but you don't need to treat yourself in such a harsh way."

"From here all the way Kowtowing your head to the Jokhang Temple is a full thousand of kilometers away. Your body simply can't bear it. In addition to the plateau over there, severe altitude sickness may kill you!"

Zhifei said indifferently: "These are not problems. I am going to redeem my sins, not to commit suicide, so I am going to take an entourage, and even a private doctor, so that they can protect me along the way."

Liona couldn't help but tentatively asked: "Son, have you really decided? Is there any room for a step back?"

Zhifei stood up, his face was stern and determined, and said: "Mom, don't persuade me, I'm determined and I have made my decision, it is final!"

Chapter 3155

After Zhifei said the three words "I have decided", he immediately turned around and returned to his room.

After returning to the room, he posted the video he had recorded to the short video platform.

Afterward, he called his men again and arranged to follow him to go to the gate of Jokhang Temple the next morning.

His men were shocked by his decision, and they really didn't want to follow him on this trip.

However, although he didn't have a lot of money, he still had no problem with spending tens of millions to gather these minions.

Therefore, this group of people began to prepare for him to travel early tomorrow morning under the temptation of money.

Outside his room, Zhiyu and Liona were at a loss.

Liona asked her daughter: "Zhiyu, what happened to your brother? How could he suddenly make such a decision?"

Zhiyu said with a stern face: "I really can't figure it out... He has always liked Sara and put a lot of effort into her concert, but tomorrow night is the time for her concert."

"Saying that it is absolutely impossible for him to choose to leave Aurous Hill at this time. Doesn't this mean that all previous efforts have been wiped out?"

"Yeah..." Liona said with a worried expression: "He is in a state as he has been attacked by an evil spirit. I wonder if he has been stimulated?"

Zhiyu shook her head and said seriously: "I went to meet with Charlie's Melba today. I don't know what happened to my brother. Why don't I ask someone to inquire."

Liona agreed and said: "You must first inquire about your brother's route of activity today, and then see who he has met and where he went, and then filter out valuable clues from it."

Zhiyu nodded and said, "Okay mom, I know it in my heart, don't worry."

At this moment, Zhifei's short video clip became popular on the platform.

These things that happened in the Su family during this period have long been regarded by the people of the whole country as a kind of pastime and topic after the evening tea."

"Until some time ago, when Zhiyu held a press conference online, the people of the whole country were paying close attention to the Su family every step of the way.

Chapter 3156

Originally thought that Zhiyu never mentioned the attitude of making Chengfeng responsible for his actions at the press conference, which represented her compromise and also represented the end of this rich family's grievance.

However, what everyone did not expect was that there is a new sequel to this incident today!

Zhifei, the eldest grandson of the Su family, suddenly jumped out at this moment and accused the family."

"He also said that he would kowtow to the Jokhang Temple in order to make atonement for his family. In the eyes of the majority of netizens, this is really strange and interesting.

Therefore, this video caused a lot of waves in an instant, and even rushed into the hot search list of Weibo.

At this moment, Elder Su had been sent to the best hospital in Suzhou for emergency treatment because of a sudden loss of consciousness.

The children of the family were rushing to the hospital while sitting in the car and watching Zhifei's video yelling at him. Calling him a damn traitor.

But Charlie, the initiator of all this, drove the car leisurely at this time and took his wife back home.

As soon as he parked the car, and walked into the house hand in hand with his wife, the phone in his pocket vibrated.

After entering the house, when the wife went to wash his hands, Charlie took out his phone and glanced at it. It was a WeChat message.

When he clicked it again, it turned out to be from Zhiyu.

The content reads: "Grace, my brother went to the Emgrand Group today, did he come to see you?"

Charlie frowned slightly.

Zhiyu found him so soon?

Chapter 3157

In this way, this girl must have connected her brother's affairs with him in her heart.

Thinking that the two sides will have cooperation in the future, Charlie did not hide it.

He walked out of the door and came to the yard, and replied with his voice: "Yes, your brother ran to the Emgrand Group today. On the surface, he saw the vice-chairperson, but he was actually there to find out about my identity."

Zhiyu also sent a voice to ask: "Then he suddenly became what he is now, is it because of you?"

Charlie admitted frankly: "Yes, he investigated my wife's license plate number. This behavior made me very dissatisfied."

"Not only that, but he also wanted to dig out my true identity, since he had to find it himself. To not be awkward, then I can only fulfill him."

Zhiyu hurriedly pleaded: "Grace, my brother has no social experience. Sometimes he is easily inclined to do wrong things. If he did something wrong, I apologize for him..."

"If you are still not satisfied, you can beat him and scold him, but let him kowtow all the way to the Jokhang Temple... This is too harsh..."

"This road is nearly 4,000 kilometers. With his body, he can't get to the place in three or four years..."

Charlie said coldly: "Some mistakes can be made, but some mistakes are not. He stretched out his hand to me and my family."

"For this alone, I have a reason to kill him; and don't forget, he owes me a life, and the two things add up."

"I originally had no reason to keep him, but the reason I let him go is to give you face."

"Furthermore, I also allowed him to take his entourage and a doctor. In this way, he can eat and live well at other times except for kowtow every day. This is already very favorable to him. What are you dissatisfied with?"

Zhiyu was asked by Charlie in return, and suddenly she didn't know how to answer.

At this time, Charlie said again: "In addition, you have to figure out a little bit. Your brother is not like you or your mother in his heart. He is like your father."

"He does not rely on feelings to stand in line, but on profit. If you want to become the Su Family Patriarch, he is a huge threat to you."

"I let them both disappear temporarily for a few years. This is to 'protect you out of the city and helping you get on the horse.' Without them here, you can better use your abilities to fight for the power of the Su family!"

"If you can inherit the family within three years and have great power, your dad and your brother will come back at that time, and they will be there to follow you."

"Then you will give them a little favor from the Su family's big plate. Enough for them to live a life of good food and good living, just to sit back and relax!"

"But if I leave the two of them here, they will only become your enemy, your stumbling block, and they may even attack you for profit."

"If I leave your brother, you are always overwhelmed by his status as the eldest son and grandson, and your brothers and sisters will definitely turn back because of their interests in the future!

"But I let him leave for three years, and when the new king is crowned, he will come back again. He will at that time be no longer your brother, but your courtier!"

"The courtier is in front of the emperor, and he wants to worship three times and nine times!"

Chapter 3158

After hearing Charlie's reply, Zhiyu fell into deep thought.

She knew that he was right.

"In front of the seat of the heir of the Su family, everyone is an enemy!"

"Dad and her brother and cousins are all enemies."

"My brother and I, as well as the brothers and sisters of several other uncles, are also enemies."

"If Dad and brother are here, they wouldn't be willing to let her sit as the head of the house."

"In the end, maybe the three of them will turn against me."

"However, if I can hold the position of Patriarch first, then when they come back, everything has been settled. There are nearly 100 direct relatives of the Su family, but there is only one Patriarch."

"There is an insurmountable relationship between the other members and the Patriarch. Gap."

"This is not just a chasm, it is also a moat. Without this moat, even a pro-daddy or a pro-brother might not be able to resist the temptation of huge benefits..."

Thinking of this, she understood Charlie's hard work.

"Although Gracee punished my brother, it may not be what it looks, but this incident actually helped me clear the obstacles in essence."

"Furthermore, with my acting style, I can't fight against my father and brother because of my interests."

"Grace now distributes them separately. On the one hand, this helps me avoid the difficulties that I may face in the future, and on the other hand, he also protects the personal safety of my father and brother."

"This can be described as killing two birds with one stone."

h2>Chapter 3159

At this point, Zhiyu said to Charlie: "Grace, your intentions are good, I understand!"

The top giants of modern society are in fact no different from the emperors and nobles of feudal society.

The internal operating mechanism of each family is exactly the same as the royal family of a feudal dynasty.

In such a special environment, it is not age or seniority that determines status, but title and rights.

Before choosing who is the prince, the princes are basically equal in principle, but there are slight differences because of the differences between the elders and the young.

However, even the eldest son is just the elder brother of other princes, but he is still of the same generation as other princes. When other princes see him, it is impossible for them to worship him thirty nine times.

However, once someone becomes a prince and inherits the throne, all other princes, whether it is his elder brother or younger brother, will treat him as monarchs and fully obey his orders when they see him.

This is the difference between monarchs and ministers.

The same goes for Zhiyu now.

Zhifei is now her brother.

But once she inherits the Su family, and Zhifei is her courtier, everything must be her head.

Even the father of the two, Zynn, is the same.

Therefore, although Charlie left the lives of Zynn and Zhifei, he must wait for Zhiyu to inherit the Su family before releasing them.

Because he believes in his own vision, Zhiyu is different from the rest of the Su family, and will never do anything to avenge, so as long as she is in charge of the Su family, he doesn't have to worry about what Zynn and Zhifei's ability to play bad tricks.

Zhiyu also understood Charlie's intention.

Therefore, at this moment, the gratitude in her heart for him has further sublimated.

Chapter 3160

Charlie said to her at this time: "So many things have happened in the Su family, Chengfeng's pressure should be almost unbearable. What you have to do next is to gradually let him release more power and resources to you. and gradually strengthen your right to speak in the Su family."

Zhiyu said: "Grandpa must be very dissatisfied with me now, I think he will definitely be on guard for me in the future..."

"So what?" Charlie smiled slightly and said: "In my opinion, his current core demands are two, one is that he doesn't want to hand over power, and the other is that he doesn't want the Su family to split or go downhill."

"To put it bluntly, the former is that he wants to ensure that her rights in the Su family are not threatened when she is alive, and the latter is that he hopes that after his death, the legacy he has worked hard can continue to be passed on."

"Although he must have a lot of dissatisfaction with you in his heart, to consider the future of the Su family, he can't find a better heir than you."

"He is almost 80 years old, and he has a life span of more than ten or twenty years left when he is to live fully. Of this, half of the time may be completely paralyzed in bed, unable to move or even lose the ability to think."

"Therefore, he can really hold the power of the Su family and take charge of the lifeline of the family for only a few years. If in these few years, he does not find a capable successor as soon as possible and help him consolidate his inheritance status."

"Then once he has passed these years, the entire Su family will begin to fall apart. By then, he will most likely be lying in a hospital bed, witnessing the Su family being torn apart and even killing each other."

"If you have the opportunity, you have to make him recognize this reality, and ask him if he is willing to ruin the family's and decades of foundation for the joy of these last few years!"

Zhiyu said, "Okay Grace, I understand! Thank you!"

...

Just when Zhiyu realized Charlie's hard work, Sara just finished the last dress rehearsal.

On the stage, she repeated all the songs to be sung at tomorrow night's concert three times.

But fortunately, she didn't need to sing hard, because the main purpose of rehearsal was to confirm all the procedures and details of the performance, especially the matter of dancers in the band, matters of lighting, sound, stage art, and live accompaniment.

After confirming that there are no flaws or omissions in the entire process, she is already confident about tomorrow's concert.

Tasha stepped onto the stage at this time, handed a bottle of water to Sara, and exclaimed: "Sara, the stage visual and auditory effects are really great this time!"

"Not only is it beyond all your previous concerts, but even I have never seen such a great live concert in my memory!"

Sara smiled and said seriously: "Thanks to everyone's hard work."

With that, she said excitedly: "With such a good hardware foundation, tomorrow I will be able to give Charlie an unforgettable birthday present!"

Tasha curled her lips: "You know your Charlie, don't forget, his wife will come to see you at the concert tomorrow night!"

Sara smiled and said: "So what, in my mind, my concert tomorrow is to show him alone, and all the others are in insignificant supporting roles."

As she said, she couldn't help sighing: "I have to say that this set of lighting and sound equipment that Zhifei bought is beyond my expectations. It is really too extravagant to use this equipment for concerts!"

"Yeah!" Tasha smacked: "The investment in this area alone is higher than the income of the concert."

"Except for a super live event like the Olympic Games, no one would be willing to invest such a large cost in commercial performance. In order to please you, Zhifei cannot invest such a large cost."

Chapter 3161

Speaking of this, Tasha suddenly remembered something, and said mysteriously: "Hey, Sara, do you know that Zhifei, just made a public decision on the Internet..."

Sara hurriedly asked: "What decision?"

Tasha said seriously: "This guy I don't know if his brain is kicked by a donkey. He suddenly announced that tomorrow morning, he will set off from Aurous Hill to the Jokhang Temple in the southwest."

"It will be a three-step kowtow and a kowtow all the way. This is four thousand-kilometer roads!"

Sara asked in astonishment: "Is he crazy? Why did he suddenly make such a strange decision?"

Tasha said: "This is not the strangest thing. The strangest thing is that this guy actually scolded his grandfather and dad, saying that they were sinful, and went on a pilgrimage to help them wash away their sins. Do you say this person is mad? Can a normal person do such a brainless thing?"

"Besides, tomorrow is your concert. This guy has been busy for so long and spent so much effort just waiting for this concert?"

"If he says, he will leave for the Jokhang Temple early tomorrow morning, he certainly didn't plan to watch the concert that night."

Sara also felt very puzzled. Although she was not familiar with this man, these situations were indeed very different from his style of acting, which made her very surprised.

In doubt, she suddenly thought of Charlie, so she quickly took out her mobile phone and sent him a WeChat message: "Charlie, does Zhifei's matter have anything to do with you?"

Charlie received the WeChat content and replied to her with a dog-headed expression, plus four characters: "What do you think?"

Sara sent a face with a smirk covering her mouth, and also replied with four words: "It must be you!"

Charlie didn't deny it either, and replied: "This guy has played a bit too much. After I sent you to the stadium today, he asked his people to investigate my license plate number."

"He even went to the Emgrand Group to perform a big show just to see me. On the one hand, so I gave him a little punishment."

Sara made an angry expression, and then said: "Why is this guy investigating your license plate number? Is it because he saw me getting off your car?"

"It should be." Charlie said with a smile: "Maybe he has been in love with you secretly, so he has been dazzled."

Chapter 3162

Sara didn't know that Charlie punished Zhifei mainly because he wanted to investigate Claire's BMW.

In her opinion, the reason why he punished Zhifei was that he attaches great importance to her deep in his heart, and even had protected her as private property, so naturally, he did not want to let men like Zhifei to come to entangle with her.

Originally, she was a very independent young woman, and she had always scorned the machismo that women are accessories of men.

However, since the reunion between her and Charlie, the big woman thinking in her heart suddenly disappeared.

Her biggest wish right now is to be able to stand by Charlie's side, being collected, cared for, and even occupied by him like a precious private item.

Therefore, even though she felt deep in her heart that Charlie had been a little bit heavier in punishing Zhifei for her, but her heart was still full of a different kind of happiness.

So, she replied with shame:

"Fortunately, I have decided to quit the entertainment circle after this concert. Otherwise, I don't know how many people will be taken to the southwest by Charlie for a pilgrimage..."

Charlie smiled and said, "Don't you leave the entertainment circle without someone like Zhifei harassing you?"

Sara said earnestly: "After I quit the entertainment industry, I will be ready to take over from my dad. When that happens, I will be a lady at home every day, and I will devote myself to my career when I go out."

After that, she said again: "But if I can get married sooner, it doesn't matter if I take over dad's shift later. If my hard-working dad retire later, I will give you two or three children."

"Anyway, my father is in very good health now, and I don't think it will matter if he has been working for another ten years!"

Charlie was a little embarrassed when he heard Sara say that she was going to give birth to two or three children very frankly, so he simply changed the subject and asked her:

"By the way, when will Uncle and Auntie arrive tomorrow?"

She replied: "They should be around eleven in the morning."

"Okay." Charlie said: "Then tomorrow at nine o'clock, I will pick you up from the hotel, and then we will go to the airport together."

Sara immediately replied excitedly: "Okay! Then I'll wait for you at that time!"

Chapter 3163

Charlie ended the conversation with Sara. When he put away his mobile phone and walked back to the villa, his wife Claire was chatting with his father-in-law and mother-in-law on the sofa.

Seeing him coming in, she hurriedly asked: "My husband, tomorrow is your birthday. I just discussed it with my parents."

"I will come back early tomorrow afternoon and make a big meal with my parents at home. We are a family of four. We will celebrate your birthday at home, okay?"

Charlie smiled and said: "It's okay, just have something casually, don't be so troublesome."

"How can you say that?" Claire said earnestly: "This is your first birthday after moving to a new house. It must be a little grander!"

Elaine also hurriedly said: "Yes, good son-in-law, you are the pillar of our family, we are celebrating your birthday, it must be more grandiose!"

Jacob said with some shame:

"Charlie, you and Claire have been married for four years. In these four years, your mother and I haven't given you a birthday celebration. I'm really ashamed!"

"Yeah!" Elaine also hurriedly said: "Because I haven't given you a birthday party before, I just wanted to give it to you this time."

"I originally suggested going out to eat, so I decided directly to go to the best hotel in Aurous Hill."

"But later I realized that it's more meaningful to celebrate the birthday at home. I think it's the same."

"Birthdays are definitely the most warmth at home. So tomorrow, the three of us will give you a good birthday banquet. I will give you a warm and unforgettable birthday!"

Charlie couldn't help feeling a little moved when he heard this.

It's not because of Elaine's attitude. After all, she has always recognized money, not the people.

What really moved him was Claire's intentions.

Celebrating a birthday at home is definitely harder than going to a restaurant to eat ready-made food. His wife can have this kind of heart, which proves that she really is waiting for his birthday.

Moreover, in the past few years, when he had nothing to do and was very unwelcome at home, she would still remember his birthday, and would always quietly buy a cake and drag him out to find a place that she can afford. At a lowkey restaurant, two people would eat a meal quietly.

Thinking back to this, he was grateful for Claire's persistence over the past few years.

Chapter 3164

At this time, Claire said to him: "My husband, tomorrow I have to go to the old town. I will go to the construction site of the Emgrand Group at noon."

"In the afternoon, I will be back early, about four o'clock to start preparations. For dinner, you will eat less at noon tomorrow and save your stomach for a big meal at night."

"Let's start early in the evening. After your birthday, we will go to see Sara's concert!"

Charlie nodded and smiled: "No problem at all!"

After speaking, he checked the time and said: "Claire, you will watch TV with your parents for a while, and I will take a shower."

"Okay." she nodded, and when Charlie came upstairs, he suggested to Jacob and Elaine: "Mom and Dad, let's stay until 12 o'clock in the morning. This time we all can wish Charlie together his birthday for the first time."

"Okay!" Elaine clapped her hands and said, "I will wait until twelve o'clock, and say happy birthday to my good son-in-law!"

Jacob naturally didn't have any comments, but he kept sighing with emotion: "Oh! Thinking about the attitude towards Charlie in the past few years, I still feel uncomfortable as a dad..."

Elaine, who was on the side, didn't think about it. She just kept chanting, "I don't know if this good son-in-law is celebrating his birthday. Will his customers come to give him gifts?"

"Last time at the new year, those people didn't give away fewer things, all kinds of rare and precious treasures, it's really blinding!"

Claire helplessly said: "Mom...what are you thinking about here...the things that those people gave Charlie, to be honest, I've always been a little worried, I hope they don't bring such things again in the future."

"You are afraid for no reason." Elaine waved her hand indifferently:

"My good son-in-law is now a Feng Shui master. What rich people like to do most is to honor Feng Shui masters. The money given by rich people somewhere to such a master was in billions, which is amazing!"

Jacob said solemnly: "That guy is a big liar, didn't he get caught later?"

Elaine curled her lips and said, "What does it matter to my good son-in-law? He shows feng shui to others, that's all true talents!"

As she said, Elaine continued with emotion: "Didn't they still give my son-in-law a luxury yacht?"

"My legs and feet are not very convenient. I have never had the opportunity to experience it on a yacht. I feel regretful when I think of it. ..."

Jacob opened his mouth and said, "The weather hasn't really warmed up yet. Go on a yacht to feel the northwest wind on the sea? I want to go too but wait till Qingming Festival."

Elaine's eyes lit up, and she blurted out, "That's good! After the Festival, I would be able to remove plaster from my leg too!"

After finishing speaking, she quickly said to Claire: "Claire, when that happens, you remember to remind Charlie, let him take us out on the yacht!"

Chapter 3165

After Charlie came out of the shower, seeing his wife Claire hadn't returned to the room, he put on his pajamas and went to the living room again.

In the living room, the family of three was chatting happily.

Jacob and Elaine, the old friends who had been arguing about separating, unexpectedly stopped pouncing at each other.

Charlie came down and asked curiously: "Claire, Dad, Mom. Why don't you go back to your room to rest?"

Claire hurriedly got up, ran over to take Charlie's arm, and said with a smile:

"My parents said they want to stay awake, your 27th birthday is less than two hours away. Everyone is waiting to wish you a happy birthday!"

Charlie smiled knowingly, and said, "Thank you, wife, thank you, parents."

Elaine immediately flattered and said, "Oh my son-in-law, what you and doing with your mother so politely, it is really too strange."

After finishing speaking, she immediately asked: "By the way, my son-in-law, tomorrow is your birthday. Will your customers come to our house to give you gifts like the one time at New Year?"

Charlie was startled. He didn't know whether Issac and the others would come to give him gifts.

However, he did have some headaches about the scene of queuing to take gifts, so he made up his mind to say to Issac after a while and asked him to ask some other people, if he really wishes to prepare gifts for him, he would ask him to not do it or deliver home.

So while he took out his mobile phone to send Issac WeChat, he said to Elaine, "Mom, the reason why they came to give gifts during the New Year is mainly that I helped them a lot last year, so they concentrated on coming over at the end of the year to say thank you."

"They will definitely not come on my birthday, after all, people's money is not brought by the wind."

When Elaine heard this, she couldn't help but said with a bit of disappointment on her face: "I thought they would come tomorrow too. If this is the case, then wait patiently until the end of this year."

Claire on the side heard this and shook her head helplessly.

Afterward, it was rare for the family to sit together and chat quietly.

Both Claire and Jacob talked about their own work.

Chapter 3166

Although Claire has been very busy recently, she feels very fulfilling.

Although she has been working for so many years before, she has been working in the Willson Group before.

Not only did she have to be blinded by the old lady, she was also constantly squeezed out by her cousins. That kind of work was very awkward and it was difficult to perform with her own Strengths and abilities.

Now that she works for herself after starting her own business, she can naturally sweep away the previous haze, and since the start of her business, she has received a lot of support and help from the Emgrand Group.

Therefore, she has gradually found a sense of success in her career and feels energetic every day with a sense of fulfillment and accomplishment.

As for Jacob, he has made considerable progress in the Calligraphy and Painting Association recently.

He is now the executive vice president of the Calligraphy and Painting Association, the second-in-command of the standard, and has a little fame and influence in small circles.

He happily introduced to his family: "Recently, our Aurous Hill City is actively building the image of a historical and cultural city."

"The city has allocated a lot of funds to support the cultural field. Because of this, my painting and calligraphy association has recently won subsidies from local governments, it will get better and better in the future."

"With government subsidies and help, our calligraphy and painting association is no longer just a hobby-based non-governmental interest group, but has become a semi-public and semi-private non-governmental charity organization!"

"Moreover, in this special subsidy from the government, all the full-time staff of the Painting and Calligraphy Association has been given a good salary. In the future, I will also have a fixed salary in the Painting and Calligraphy Association."

Elaine asked curiously: "Oh, your calligraphy and painting association has started to pay you wages now?!"

Jacob said with an arrogant expression: "Not only pays but also a lot of other things!"

After that, he said again: "Look, as executive vice president, starting from this month, my monthly basic salary is 12,000 yuan, which is the second-highest in our entire painting and calligraphy association after President!"

Later, Jacob said again: "This is just the basic salary given to us by Aurous Hill City. In fact, many private enterprises have recently wanted to take up the business of cultural development, so they also donated a lot of funds to our Association."

"They have a lot of matchmaking and resources, our association has successively undertaken many painting and calligraphy activities recently, so we will be very comfortable in the coming days."

Chapter 3167

Elaine hurriedly asked: "Then you can make money even if you cooperate with private enterprises?"

"Of course!" Jacob said immediately: "Private enterprises have their own sponsorship, and each event will give us some transportation consulting fees."

"I heard Chairman Pei calculate it. If two events are held a week, and all of us are present, it is estimated that we can get anywhere from 3,000 yuan to 5,000 yuan for an event."

"Damn!" Elaine said in surprise: "Can one event earn so much?! That would be two games a week, eight games a month, and a 3,000 yuan per game, which would be more than 20,000! With a basic salary, wouldn't it be possible to earn more than 30,000 a month?"

"Yeah." Jacob nodded and said with a smile: "I used to wonder why so many people like to volunteer to participate in various associations and societies that are not paid."

"Thinking that they are all seeking fame and face, but now I understand. It turns out that there are still a lot of ways in it, and if it is done well, there will be a lot of room for profit."

Elaine suddenly became interested, looked at Jacob, and asked in a flattering tone: "Jacob, when my legs are healed, can you get me into your calligraphy and painting association?"

"Arrange a part-time job and give me a salary. If there are any activities, I can also follow it. I am idle at home anyway."

Speaking of this, she touched her right leg and sighed, "Hey, I have been too miserable for most of the year. I didn't do anything. I stayed at home and raise my legs, but it made me feel bored."

Jacob was taken aback and hurriedly persuaded her: "Oh, our association has long since stopped recruiting new members. Recently, there are dozens of people who want to come in line and are waiting for interviews and defenses."

"You don't know much about painting and calligraphy. If you want me to say, don't toss about it. Wouldn't it be okay to stay at home peacefully? When your legs are ready, you can walk around, or travel."

To put it simply, he is thinking that she has ridiculed him for a long time. This b!tch, now wants to join the Calligraphy and Painting Association? Does she think he is mad?

However, he knew very well that at this time, when she was angry, he would have to go when he said such things, so he could only persuade her.

But even so, she was still a little dissatisfied, and coldly snorted: "What? Do you despise me? You can join the Calligraphy and Painting Association as the executive vice president, don't even have the qualifications to be a member? Don't think I am."

"I don't know what you are, the executive vice president. Isn't it because of my good son-in-law?"

"Otherwise, your three sticks can't show a f*rt character, and you would have long been squeezed out, waiting at the door of the Calligraphy and Calligraphy Institute. It is not your but a dog's turn to become a vice president!"

Jacob's face flushed suddenly, and he thought to himself: "This b!tch is really right. I was almost squeezed out at the beginning. Fortunately, Charlie gave me a lot of face."

"When Pei saw Mr. Orvel treating me respectfully, he rushed to flatter me, and then gave me the position of executive vice-chairman, but Elaine's words are too ugly, what kind of dog be the vice president in the association?"

As he was thinking, Elaine saw that he was silent, and immediately said: "Since you are unwilling to help me, I will ask my good son-in-law to help."

"Maybe then I will be able to join. When the time comes, it will be a good story for a husband and wife file to be spread out!"

Jacob's scared sphincter almost lost control.

He knew Charlie's abilities. If Charlie really spoke, it wouldn't be difficult to get Elaine a vice-chairman position.

In that case, if she haunts him every day, he will be over, and there will be no chance to develop with Meiqing.

Thinking of this, he hurriedly said: "Oh, my wife, you said that I'm in the upswing of my career. If they suddenly find your relationship with me. What would they think of me?"

"Wouldn't they consider it nepotism? If you really support my cause, you have to take the initiative to avoid suspicion!"

Speaking of this, he saw Elaine's expression become ugly, and immediately waved his hand, gritted his teeth, and said:

"This way, you don't have to come to the association in the future. I will give you half of my salary. You can spend it on whatever you want?"

As soon as Elaine heard about the money, her eyes lit up, and she blurted out: "No! You have to hand over all your salary to me!"

Jacob gritted his teeth and stomped his feet, spit out a word hardly: "Okay!"

Chapter 3168

Originally, the family was happily waiting for the arrival of twelve o'clock, but Jacob didn't expect that he couldn't hold back his mood and made a show of it, and Elaine would take away all his future income.

While he was heartbroken deep in his heart, he also began to reflect on why he repeatedly fell in front of her.

He discovered that Elaine has this ability.

It seems a simple-minded approach, only relying on shameless and violent energy, in fact, she can always find the most accurate point in him, grasp it and hold it tightly all at once.

Thinking back to the married life for more than 20 years, he felt desperate.

For more than 20 years, he had failed to win in front of this woman and had been eaten by her for half of his life. There was no room for resistance at all.

Seeing Jacob, Charlie was a little sad, while Elaine looked smug and sighed silently. He felt more and more that his father-in-law could not support the wall with mud.

This timid and fearful middle-aged man has limited ability, limited thinking, and can't hide things in his heart, and he is especially easy to be complacent.

The bigger problem is that he has always lacked courage. According to this view, his wife's nightmare is inevitable in this life for him.

Claire also noticed that her father was depressed, and quickly turned away from the subject, and said to Charlie:

"By the way, mom said that when her legs get better, she wants you to take her to experience the yachting. I don't know if it's inconvenient for you?"

"It's convenient." Charlie agreed casually, and said, "When Mom's legs are better and the weather is warmer, let's go out to sea."

When Elaine heard this, her eyebrows were instantly pleased, and she kept saying: "Oh, that's really great! I'm so old but I haven't been on a private yacht yet!"

The happy Elaine blurted out again: "By the way, let's sail out to sea, can we go all the way south and go to the South Island for a round?!"

Charlie nodded and said,

"No problem. It's not far from the estuary to the South China Sea. Maximum, it's only 2,000 kilometers. If you are on a yacht, you can arrive in two or three days at most."

Chapter 3169

Elaine suddenly became excited and clapped her hands and said, "It's great, great! I have never been to the South China Sea."

"In the winter a few years ago, Mrs. Willson was going to the South China Sea to spend the winter at sea."

"But she only took Noah every time with his family and never let us follow. When I think about it, I get angry!"

After speaking, she began to take out her mobile phone and studied the famous scenic spots and delicacies in that region.

The family chatted freely, and the time ticked to 12 o'clock in the morning.

At 11:59 p.m., Claire began to take out her mobile phone to count the seconds silently.

At 12 o'clock exactly, she put down her mobile phone and said softly to Charlie who was sitting next to her, "Husband, it is twelve o'clock, happy birthday to you!"

Charlie smiled and said, "Thank you, wife!"

Elaine also hurriedly joined: "Happy birthday, my good son-in-law! Mom wishes you wealth and great fortune in the future!"

Jacob was a little bit depressed, but still cheered up and said, "Charlie, Dad wishes you a happy birthday, every year you have today, and every year you have the presents that you wish for!"

Charlie thanked all of them one by one, and the phone began to vibrate constantly, receiving dozens of text messages and WeChat texts in a row.

He turned on the phone and saw that many friends sent messages of blessings to him at this time point. Needless to say, Issac, Orvel, and Qin Gang, Warnia, Aoxue, Zhovia, Elsa, Doris, and Nanako also sent their wishes and Happy birthday message to him.

In addition, Mr. Philip and his wife, Liona and Zhiyu the mother and daughter, Pollard and Melba, the father and daughter also sent messages of blessings and good wishes.

Charlie didn't expect that even Wendy sent a blessing text message and thanked him for helping her during this time.

However, the one person Charlie didn't expect most was his grandfather Zhongquan.

Even this old man kept awake till 12 o'clock and sent a message on time to wish him a happy birthday, but Charlie didn't expect it.

And his aunt, Cynthia, who had been suffering in front of him, also sent a message, wishing him a happy birthday, and at the same time apologizing for her previous actions, hoping to be forgiven by him.

Claire was surprised to see that Charlie was constantly receiving lots of messages.

She didn't look at the content of the information, and just guessed that the people who sent wishes should be his customers.

Chapter 3170

Elaine, who was sitting opposite, saw that Charlie was constantly receiving various messages, and couldn't help but smile and said with emotion:

"Oh, my dear son-in-law, your popularity is really good now. There are so many people who kept till 12 o'clock to wish you a birthday. They should all be your customers, so it seems that your business this year will definitely be better than last year!"

Charlie smiled slightly and said, "Actually, they are all old customers. It's just that they have become friends with me after a long time."

With that, he replied thank you one by one to all the people who sent the message, even if it was Cynthia, he politely replied the two words thank you.

Afterwards, he said to Jacob and Elaine: "Parents, it's too early. Please go back to your room and rest."

Elaine nodded and yawned: "Oh, I'm really a little sleepy. I can't stand it at this age."

After speaking, she turned to Jacob and said, "Help me and take me back to the room."

Jacob did not dare to say anything, and reached out to help her up, and accompanied her into the elevator.

Seeing the two of them enter the elevator, Claire couldn't help asking Charlie:

"Husband, do you think my parents can recover as before?"

Charlie chuckled twice: "Who can be right about this kind of thing."

Claire asked in a low voice,

"What's the situation between Dad and Aunt Meiqing? Last time Dad cried so much in the car, I was too embarrassed to ask him about these things..."

Charlie smiled slightly and said: "I haven't been aware of this matter recently, but I feel that I will see the result soon."

Claire asked nervously, "Husband, what do you mean by saying that you will see the result soon?"

Charlie thought of Pollard, and said calmly: "I still can't say this, but if there is any result, I will tell you as soon as possible."

Claire nodded helplessly: "Well then..."

Chapter 3171

As Claire spoke, she couldn't help sighing, and said,

"To be honest, since the last time dad told me about the affairs between him and mom and the auntie Meiqing, I did sympathize with him."

"But after all mom gave birth to me. If the two of them really want to divorce because of that woman, I'm afraid Mom will be too pitiful for one person..."

Charlie smiled, shook her hand, and said seriously:

"Take a thousand steps and say, even if parents are really divorced, won't Mom still have us?"

"The matter between them, let them go by themselves. Let them deal with it, we as children only need to support their decisions."

Having said this, he comforted: "You see that many young people don't want their parents to interfere in their private lives, let alone doing that in their parents' life. So we don't have to worry too much."

Claire nodded lightly, as if she was relieved a lot at this moment, so she took Charlie's arm and said:

"Okay, then it's up to them, let them make their own decisions, let's go back to the room."

Early the next morning.

Charlie and Claire had breakfast, just like yesterday, drove her to the old house in the old city.

He heard from Claire that Liona put a lot of effort into repairing this house, and even in many small details she was striving for perfection regardless of cost.

In the car, Claire sighed to Charlie: "That is the customer you saw yesterday, I originally made her a plan of more than 2 million yuan, which was actually used to repair her old house."

"It's more than enough, but she kept adjusting the plan yesterday and directly increased the budget to 10 million..."

After speaking, she said: "I found that rich people do things without considering the cost. The actual sale price of this house is estimated to be no more than one million."

"Moreover, the government does not allow flipping and major changes to the exterior."

"As a result, she actually has to spend so much money to repair the interior, and I can almost buy the alley for 10 million yuan. I really can't understand..."

Charlie smiled slightly and said, "Perhaps this old house has some special meaning to others, so it makes sense that people want to spend money to repair it better."

"Yes." Claire said: "Auntie Du said that she wanted to spend her life here, but I heard her accent seemed to be someone from Eastcliff, and I don't know why she chose to come to Aurous Hill for that."

After that, she said again: "By the way, Aunt Du's daughter is said to live here with her, and her daughter's accent is also from Eastcliff."

Charlie nodded and said with a smile: "In fact, living in Aurous Hill is much better than living in Eastcliff."

"In places like Eastcliff, summer is hotter than the south, winter is particularly cold, and spring and autumn are particularly short."

"The winter will begin immediately, and the warmer will start in March and April next year."

"The most important thing is that the weather is particularly dry, with strong winds all day long, and there were sandstorms in the previous years."

"These two years have been better, but the various environments are still not better than those in the south."

"It's a lot worse. Look at how good our Aurous Hill is. The air is humid and the four seasons are distinct."

Claire couldn't help smiling and said, "Look at what you said, as if you are familiar with Eastcliff. Have you lived in Eastcliff?"

Chapter 3172

Charlie smiled and said: "I went to Eastcliff some time ago to help a client see Feng Shui. The client told me to complain."

"In fact, people who go to the north more yearn for the south. You can see that the northeast is cold all year round, and the people there what I like is the South China Sea."

Claire nodded and said, "You are also saying that the weather conditions in Aurous Hill are indeed much better than those in the south."

After that, Claire said again: "By the way, Aunt Du seems to have a good impression of you, and has been asking me about your situation."

"After hearing that you show people the feng shui, she said that she would like to ask you to come over to take a look. If you have time, you can meet her. She is very nice."

Charlie couldn't help frowning. Liona didn't know his true identity. Why bother telling Claire about this?

Thinking of this, he casually said, "I probably looked at it the last time I went. The feng shui of her old house is still very good. There is no need to make any changes."

"If you really want to adjust it, then wait. Let's talk about it after we're done. It's almost time to make minor adjustments."

"Okay." Claire didn't know that Charlie was perfunctory, nodded and said: "When the meeting is over, I will go and talk to her."

Charlie sent Claire to the door of the old house. Liona just walked out of the yard. Seeing Claire getting out of the car, she smiled and said, "Claire is here."

Claire smiled and said, "Hello Auntie, I have made a fine-tuning of the last plan. You will take a look at it later."

"Okay!" Liona nodded, waved her hand to Charlie sitting in the cab, and smiled: "Hello, Mr. Wade, we meet again."

Charlie put down the car window and said with a smile, "Hello Aunt Du, I won't get out of the car, I have something to do later."

Liona hurriedly nodded and said: "If you have something to do, go to work as soon as possible. You can rest assured that Claire is here with me."

Charlie nodded, and couldn't help but feel a little puzzled. Last time Liona saw that Claire was also called President Willson, this time she changed the name to Claire.

It seems that the relationship between the two people has progressed very quickly.

Chapter 3173

Charlie didn't doubt Liona's character, but when he thought that she was deliberately trying to get closer to Claire, he was more or less worried, worried that Liona had intentionally or unintentionally missed something.

But right now, he didn't want to remind her directly, he believes Liona still has some sense of measure.

So he bid farewell to the two, drove straight to Shagri-La, waiting to pick up Sara, and then go to the airport to pick up Philip and his wife.

After Charlie arrived at Shagri-La, he went directly to Sara's room.

As soon as he arrived at the door of Sara's room, the door of the room opened from inside.

Sara's agent, Tasha, was wearing work clothes with the brokerage company's logo and dragging a large box. She was about to come out of the room. Sara's voice also came from inside:

"Tasha, after you arrive at the venue, you must must put my baby in my dressing room properly. Without my permission, no one except you can go in, let alone touch it, you know?"

Tasha said helplessly: "Oh, I know, you've been talking to my ears all morning, so annoying, if you really worry about me, or you can take it by yourself."

Sara blurted out: "I don't have time to go to the venue in the morning! Charlie will pick me up soon."

"Then we will go to the airport to meet my parents together, and then we will go to the hotel at noon for lunch for his birthday."

"You will keep it safe for me, and I won't need you to keep it after I'm over in the afternoon!"

Tasha murmured dissatisfiedly: "I know Charlie and Charlie all day long, and my ears are almost puffed up. I don't know what is good about your Charlie."

"The people in the entertainment industry are more handsome than him. There are too many men to go."

Sara hummed: "You are not allowed to speak ill of my Charlie, he is the most handsome in my mind."

Tasha shook her head helplessly, pushing the box out, turning around and saying:

"I don't bother to listen to your nymph0 here, I have to go to the venue quickly, there is still a lot of work to go to the venue in the morning for final confirmation."

After speaking, Tasha just left the door, and when she turned around, she ran into Charlie.

Suddenly seeing him, Tasha was shocked and said that evil has arrived, which made her feel a little guilty.

Moreover, this was the first time she had faced Charlie at close range, and the sharp, handsome face in front of her immediately made her feel a little bit faster and flushed.

She suddenly felt that what she said just now was really wrong.

She couldn't help muttering in heart: "It's really hard for the entertainment industry to find a handsome male artist than Charlie."

"Moreover, even if there are some male artists who look more handsome than Charlie, most of them have undergone plastic surgery, which is not natural at all."

"In the current entertainment industry, as long as they follow the idol route, who doesn't have plastic surgery?"

"Sometimes male artists have more severe plastic surgery than female artists, and many male artists have cosmetic surgery, one is more feminine than women. It's really rare to see a tough handsome guy like Charlie..."

Chapter 3174

Charlie ran into Tasha, but she seemed to be stunned, so he coughed deliberately, "Ahem, hello, Miss Tasha."

She came back to her senses at this time. When she thought that she was staring at Charlie's handsome face for a long time just now, suddenly got embarrassed and asked nervously,

"Oh, you... why are you? What are you doing here....."

"I'm here to pick up Sara." Seeing her panicked, Charlie couldn't help asking: "What are you so scared of, and I won't eat you?"

Tasha touched her chest, calmed down, and deliberately said loudly to him:

"You won't eat me. I'm afraid that after you hear what I said wrong, the tigress in the house will eat me!"

When Sara heard Tasha's words, she subconsciously asked: "Tasha, who are you talking to? Who do you say is the tigress? Isn't it true that my Char...!"

While speaking, she ran out quickly, and when she saw Charlie, her eyes lit up and she said excitedly: "Charlie, why didn't you tell me when you came?"

Then, without waiting for his answer, she said to Tasha: "Oh, Tasha, go quickly, don't delay your work, hurry up, hurry up, and be safe on the road."

Having said that, she quickly grabbed Charlie's arm and said to him,

"Charlie, come in and sit for a while, wait for me, I'll put on a simple makeup, and let's set off!"

Seeing Charlie being pulled into the room by Sara with the door closed, Tasha couldn't help but muttered in a low voice, "Forget friends in love!"

After speaking, she dragged the suitcase and left.

In the room, Sara pulled Charlie, pressed him onto the sofa, and said, "Charlie, wait for me a few more minutes, and I'll be ready soon."

After speaking, she ran into the bathroom.

Charlie took out his mobile phone and called Issac to confirm that the team was ready, so he waited for Sara to come out ready and left the room with her.

The same as the process of picking her up yesterday, Issac helped there with his airport relationship.

Several cars drove directly into the airport hangar, and then waited for the planes of Philip and Lenan to land.

Chapter 3175

At 10:40, a business jet modified from a brand-new Boeing 737 landed at the Airport.

This passenger plane, which originally had the largest passenger capacity of nearly two hundred people, has been completely modified and turned into a private business jet capable of flying around the world.

The plane drove slowly into the hangar after the guided car, and it hadn't stopped.

Charlie had already seen the porthole of the fuselage, facing the husband and wife to be welcomed by him and Sara.

Due to the large size of the plane, the airport staff drove a passenger elevator car.

After docking with the cabin door, the couple walked off the passenger elevator.

Sara was in a great mood, and she waved her hand and shouted, "Dad, mom!"

Philip and Lenan walked down hand in hand.

After many days of absence, Charlie found that Philip's complexion was very good, his body was straight, and he looked like he was only in his early forties.

He can have such a complexion, all because of the effect of rejuvenation pills.

However, Lenan, who is next to Philip, was a little bit tired when compared to him.

In fact, although she is almost fifty years old, because of the very good maintenance, she looks forty years old.

Standing with Sara, they are not like a mother and daughter at all, more like a pair of sisters.

However, the state she presented as a whole was much worse than Philip, who was obviously a few years older, and she seemed a little sick.

Charlie immediately recalled what Sara had said to him.

Lenan had been helping Philip personally recently, thinking that the heavy work had dragged down his body and energy.

As soon as the couple walked off the passenger elevator, Sara couldn't help holding Charlie's hand and hurried up to greet them.

Charlie said respectfully:

"Uncle and Auntie, you two have face trouble coming this far!"

Philip laughed and said, "Charlie, you saved the life of uncle. Are you still trying to be polite to uncle for such a thing?"

Lenan on the side also smiled and said,

"Yes, Charlie, your Uncle has been looking forward to celebrating your birthday this year."

"I don't know how long he has been talking about it. You don't know how excited he was along the way."

Chapter 3176

At this moment Sara asked hurriedly, "Dad, did I not ask you to bring the birthday cake for me? Did you bring it?"

Philip smiled and said: "Of course I brought it! Can I forget what my baby girl has ordered?"

"The cake is in the cargo compartment, and I asked the crew to strictly follow the temperature of the warehouse is controlled at zero degrees."

"The packing boxes are all reinforced, so there will be absolutely no problems, and the staff will unload them and send them to the hotel soon!"

"That's good!" Sara breathed a sigh of relief, looked at Charlie, and said with a grin:

"Charlie, the cake I ordered this time is really great. You will love it after you see it!"

He smiled and said, "Sara, then I would like to thank you in advance."

Sara replied shyly: "What are you doing so politely with me..."

He smiled slightly and said to Philip and his wife:

"Uncle and Auntie, let's set off to the hotel now. I have already arranged things over there."

"Okay!" Philip nodded, and then told the staff around him: "Take the cake off and take it to the hotel. Be careful and don't make any mistakes."

Several staff members hurriedly nodded and said: "Don't worry, Mr. Gu, we must deliver the cake intact."

Philip nodded slightly in satisfaction, and said to Charlie and Sara: "Then let's go!"

Sara couldn't help asking: "Dad! You came so far to celebrate Charlie's birthday. Didn't you prepare any birthday present for him?"

Philip blurted out: "Of course I'm prepared, do you think your father looks like the kind of person who can play 'karate'?"

Sara asked in surprise:

"Why didn't I see you preparing a gift? You asked them to take the cake to the hotel, and you didn't say that there are other gifts to be taken together! Could it be that you really didn't prepare?"

Charlie said hurriedly: "Sara, don't talk nonsense, how can my elder Uncle give me gifts on my birthday..."

Philip laughed and said,

"Charlie, as an elder, it is, of course, reasonable for me to give birthday gifts to younger generations, and I am right."

Lenan smiled and said:

"Old Gu, have you seen it? Your girl has started to turn her elbows outside before she gets married, and she's starting to pick you up!"

Sara stuck her tongue out:

"Mom, I turned my elbow on Charlie, how can I be said to turn aside?"

Philip smiled and shook his head, and said to Sara: "After nearly 20 years, this is the first birthday for Charlie. How can I mishandle it?"

As he said, he pointed to the plane behind him and smiled: "Hey, this is the birthday gift I prepared for Charlie!"

"This plane was just produced from the Boeing production line in Seattle, USA at the beginning of this year."

"With my relationships, I stepped up to customize it on time."

"The modifications inside are all done in accordance with the top modification plan. From now on, it will be Charlie's private jet!"

When Charlie heard this, he was shocked and hurriedly said: "Uncle, this gift is too expensive, I can't accept it..."

Philip said with a blank face:

"You can't accept it, anyway, I have someone fly it over. If you don't want to accept it, then throw it here."

Lenan next to him hurriedly said:

"Charlie, this is the heart of your Uncle, and it's not too expensive, so please feel free to accept it!"

Chapter 3177

Charlie didn't say anything to Philip. He just felt that it was a bit of a waste for the old man to suddenly give him a private plane.

And this is not an ordinary small private jet worth tens of millions or one or two hundred million. This is a private jet modified from a Boeing 737 passenger plane.

The ex-factory price of a Boeing 737 ordinary passenger plane is about 100 million US dollars, but this is only an ordinary passenger plane.

For private jets, an ordinary passenger plane is equivalent to a blank room, and the cost of the renovation and decoration of this blank room, At least accounted for more than half of the total value.

Calculated in this way, the value of this aircraft alone would be around one billion yuan.

Charlie was indeed a little ashamed to receive such a valuable gift for his birthday.

Seeing that he seemed to hesitate, Philip stepped forward and took his shoulders and said earnestly:

"Charlie, in my mind, you are just like my son. You now have your own career, and you often need to move around."

"It's much more convenient for you to have your own private jet flying back and forth across the country and even around the world."

Charlie said seriously: "Uncle, in fact, the Wade family also has a spare private jet in Aurous Hill. Generally speaking, it is enough for me. I really don't want you to spend too much money."

Philip said with a very firm expression: "The Wade family's private jet belongs to the Wade family. The plane that your uncle gave you is your own."

"Does it feel the same using your own things or other people's things?"

"Besides, your relationship with the Wade family is not clear. If you have an awkward relationship with your grandfather one day, and use his plane again, wouldn't it be a dwarf?"

As he said, he continued: "Besides, what is there to be polite about with your uncle? It's just a plane, it's only 1 billion at best. I'm a person who almost died once. There is so much money and nowhere to spend it. It's also very painful."

Lenan on the side also hurriedly agreed: "Yes, Charlie, you can accept it happily, look at your uncle's age, he gave you a birthday gift, and he has to ask you to accept it."

When Charlie heard this, he immediately realized that he was indeed a little too outspoken.

The more expensive the gift, the more importance he is given by Uncle and his wife. If he shirks repeatedly, it will hurt their feelings for him.

Chapter 3178

So Charlie nodded immediately and said, "Thank you, Uncle and Auntie. From now on, I will also have a private jet!"

As soon as Philip heard this, he laughed suddenly, shook the big hand on Charlie's shoulder, and said with a smile: "Come! Let's go to the restaurant!"

Charlie invited Philip and his wife to sit in the back row of his BMW 760, and then opened the door of the co-pilot for Sara. Before he finally got into the car, he told Issac: "Mr. Issac, let your car be in front. Open the way, let's go directly to Classical Mansion now."

Charlie had already talked with Orvel before, that he was going to entertain guests at Classical Mansion today, so the entire restaurant was not open for business today.

Orvel also turned away everything at hand and rushed to the restaurant as a supervisor early in the morning.

From the security work and service process of the entire restaurant to the freshness of every dish, raw materials, and tableware to be prepared today, Orvel basically inspected everything in advance more than once.

When Issac opened the road ahead and led Charlie to leave the airport together, he had already informed Orvel.

Orvel immediately asked all the service personnel to line up in the parking lot at the entrance of Classical Mansion to prepare for the welcome. At the same time, he also ordered many younger brothers to guard both sides of the entrance, and asked them not to let any other people in.

After all, Sara, who is with Charlie, is one of the hottest stars in the country today. If her meal in Classical Mansion is revealed, she will be on the gossip news immediately. Orvel is extremely loyal to Charlie, so naturally, takes care of this.

He can't leave any hidden dangers to Charlie.

When the convoy drove into the parking lot, Orvel led a group of waiters waiting at the door.

As soon as Charlie stopped the car, he took the lead to step forward, first opened the two rear doors and the co-pilot's door, and said politely to Philip, his wife, and Sara: "Welcome three distinguished guests to Classical Mansion!"

Then he opened the main driving door and said to Charlie: "Master Wade, the boxes are ready, let's go in now."

Charlie nodded and said, "You have worked hard."

"Should have!"

Chapter 3179

Issac got out of the car at this time and said to Charlie: "Master, I'll be waiting at the door. If you have anything to do, please tell me at any time."

Charlie hurriedly said, "Why are you waiting at the door? Let Orvel arrange it. You can find a box to sit down and have a bite. I'll come over and have a drink with you in a while."

Orvel said quickly: "No problem Master, wrap it around me!"

When Issac heard this, he was really touched.

At any time, Charlie would think in his heart that he and Orvel as subordinates were indeed much better than ordinary wealthy young masters!

So he respectfully said: "Everything is subject to the arrangements of the young master!"

Charlie nodded, and Orvel said: "Master, you four, please come with me first!"

Afterward, the four followed Orvel to the main entrance of Classical Mansion.

Sara remembered the cake and hurriedly said to Orvel: "Mr. Orvel, the staff will send a customized cake in a while. Could you please arrange a suitable dining car, and I will help push the cake to the box."

"This cake is very special. Precious, so please make the staff be careful when arranging all this and don't spoil the cake, thank you!"

Orvel said without hesitation: "Miss Gu, you are polite, I must arrange it properly!"

After that, he led the crowd all the way to the diamond box of Classical Mansion. At this time, the box was extremely clean and tidy, and it would not be an exaggeration to describe it as spotless.

Eight cold dishes have been placed on the huge round table. There are four types of meat and four vegetarians, and each one is extremely elegant.

In the center of the round table, there are two bottles of collector's Moutai and two bottles of Romani Conti red wine worth hundreds of thousands of dollars.

A total of four sets of exquisite tableware were placed on the table. Next to each tableware, there was also a golden copybook on which a lot of information was written with very elegant brush writing.

Orvel said to Charlie, "I have arranged a recipe in advance. The order, materials, and characteristics of each dish are written on the list. Four VIPs can have a look and understand. , If you have any reservations or other needs, you can tell me at any time!"

Philip picked up one of the posts and looked at it, and exclaimed: "This handwriting in lower case is really beautiful! The paper is also very elegant!"

As he said, he put the post under his nose and smelled it, and exclaimed: "This ink has a strong scent. It shouldn't smell modern, right?"

Orvel couldn't help giving a thumbs up, and admired:

"Mr. Gu has really clever eyes. This was written by a calligrapher from Aurous Hill, and it was made in Hui ink made in the ear of the 5th emperor of the Ming Dynasty."

Chapter 3180

Philip couldn't help but admired: "Mr. Orvel is too meticulous in his facts. Such a good service, even if I haven't seen it in Eastcliff!"

Orvel said hurriedly: "You tell me, Mr. Gu, I usually can't do this in the best of restaurants this day, but today it was Master Wade who explained in advance to entertain distinguished guests, so I just took a little more thought..."

Philip gave a thumbs up and said with a smile: "Mr. Orvel has been troubled!"

Orvel respectfully said: "It is such a pleasure to serve you!"

After speaking, he said to Charlie again: "Master Wade, I will not be here to delay your meal with the guests. I will deliver the cake at the request of the caregiver when it arrives. If you have any needs, please call at any time!"

Charlie nodded slightly, and said to Orvel: "Orvel, order three cups of plain water."

When Orvel heard Charlie say that he should prepare water, he immediately said, "Master, do you want me to soak some good tea and send it over? They were all picked from Suzhou and Hangzhou just two days ago and sent to Aurous Hill. Indeed the quality is very good."

Orvel obviously didn't know why Charlie asked him to prepare water, so Charlie smiled slightly, waved his hand, and said, "Don't be so troublesome, just prepare water directly."

After that, Charlie said again: "Oh, by the way, help me prepare a fruit knife."

Although Orvel didn't know why, he immediately nodded and said, "Okay Master, I will prepare now and deliver it right away!"

Philip, his wife, and Sara also didn't understand why Charlie wanted water and a fruit knife, but they didn't even ask.

Immediately, Charlie smiled and said, "Uncle, Auntie, and Sara, let's take a seat first!"

"Okay!" Philip laughed and said, "Charlie, today is your birthday. I am so happy. We have to drink two glasses of everything!"

Charlie nodded without hesitation and said, "No problem, Uncle! I'll accompany you as much as you drink!"

After that, he took the initiative, opened a bottle of Moutai, and poured two cups for himself and Philip.

Sara also hurriedly opened the Romani Conti red wine, slowly poured it into the decanter, and said to Charlie: "Charlie, I still have a show at night, so I can't drink too much. I will respect you and my parents. I won't drink too much just a cup, and if I have a chance after the show, I'll accompany you to drink more!"

Charlie smiled and said, "It doesn't matter, drinking more will not delay your business."

Sara sticks out her tongue: "The performance at night is so important. I don't dare to make any mistakes. If I drink too much and go crazy on the stage, the jokes don't matter. The key is that if the performance is ruined, it will be over."

Chapter 3181

Charlie patted his chest and promised: "Sara, you just believe in me and drink as much as you want. With me, it will never influence any business affairs."

Sara hesitated for a moment, but when she thought that Charlie never said irresponsible things, she nodded and said, "Okay, then I'll just listen to you. If I delay the show or make a joke being drunk. I won't go anymore."

Charlie nodded and said with a smile: "Just put ten thousand hearts."

Sara asked Lenan next to her: "Mom, would you like to drink some red wine too?"

Lenan smiled and said, "Of course I have to drink something, it is Charlie's birthday."

After finishing speaking, she looked at Charlie and said apologetically: "Charlie, my condition is a little bit tired recently, and the usual amount of alcohol may not be as good as usual. If I drink less, you will have to forgive me more."

Charlie nodded and asked with concern: "Auntie, your poor condition is due to your recent work, right?"

Philip on the side said with emotion: "Yes! Since I eliminated the threats inside and outside the group, your Auntie has been helping me with company affairs."

"Although my two brothers are much more honest, after the previous things, it is difficult to trust them 100%, so I don't dare to give them important work. Now I am suffering from no trusted staff, so your Auntie has to work harder."

After speaking, he looked at Lenan and thanked her: "My wife, it's been really hard for you during this time."

Lenan smiled and said sincerely: "What's the hard work in this, as long as you are in good health and your career is going smoothly, I can rest assured."

With that, she said again: "I myself am younger than you, so much work is nothing."

Sara hurriedly said: "Mom, after my concert is over, I will go back to help you and dad. I will work hard at that time to make your life easier!"

Lenan smiled and said: "That's really great. When the time comes, our family of three will cooperate, and your dad and I will definitely be able to relax a lot."

At this moment, there was a knock on the door, and Charlie said, "Come in!"

As soon as the voice fell, Orvel dragged a delicate tray with one hand, and walked in by pushing the door with the other.

On the tray, there are three glasses filled with water and a long bundle of fruit knives.

He carefully placed the tray in front of Charlie and respectfully said: "Master Wade, the water and knife you want are here."

Charlie nodded and smiled slightly: "Thanks for your hard work."

Orvel said hurriedly: "Master Wade, you are too polite. If there is nothing wrong, I will go out first."

"It is all good."

Chapter 3182

After Orvel left, Sara asked Charlie, "Charlie, what do you need water and a knife for?"

He smiled and said, "You'll know right away."

Then, he took out a very delicate rosewood box from his pocket.

When he opened the red sandalwood box, Philip recognized the pill in it at a glance.

He knew that this was the miraculous medicine that saved his life at the beginning and even made him younger than a dozen or twenty years old.

Mother and daughter Lenan and Sara witnessed this miracle with their own eyes, so they were naturally impressed by this pill.

However, the family of three didn't know why Charlie suddenly took out such a precious treasure.

At this time, he took out the Rejuvenation Pill directly, and then took the fruit knife sent by Orvel and divided the Pill into three equal parts.

At this time, the family of three finally realized the purpose of what Charlie did.

Philip and his wife Lenan felt some inexplicable tension, excitement, and faint expectation deep in their hearts.

It's not that they have always coveted the Rejuvenation Pill, but that both of them are almost at the age of knowing the fate of heaven. The more they reach this age, the more they long for the youth that has passed.

Usually, they don't dare to hope that they still have a chance to have any contact with the Rejuvenating Pill.

Therefore, seeing Charlie take out one and divide it equally into three, the two of them have realized what he is going to do, and they are naturally excited.

Then they saw him and put these three rejuvenating pills into three cups of water.

It is also amazing to say that this solid rejuvenating pill, as soon as it enters the water, it immediately melts, and quickly dissolves into the water completely.

In the water with the melted rejuvenating pill, there is no color, as if it has disappeared directly into the water.

Afterward, Charlie put the three cups of water and handed them in front of the three of them, and said:

"Uncle, Auntie, and Sara, your bodies are all healthy now. It's just because of the intensity of your work that you are in a fatigued condition."

"The tiredness is slightly more, especially in Auntie it is relatively obvious. After all, you have worked harder during this period, and when Uncle got sick before, you did not worry less."

"In these three glasses of water, each one contains one-third of the rejuvenating pills."

"Although it can't make the three people around 20 years old, it can at least restore the physical, skin, and mental state to five or eight years younger."

"At the same time, it can greatly supplement the body's demand for vitality, and it can also greatly improve the energy and physical strength of the three in the future work and life."

Speaking of this, he looked at Lenan with an excited look, and said with a smile:

"Auntie, if you drink this glass of water, not only will your tiredness be completely relieved, but your skin and body will also be younger."

"It is estimated that in time, People who don't know will think that you are less than thirty-five years old!"

"As for Uncle, you may be able to reach 38 or 39 years old."

"As for Sara, it is estimated that the whole person's feeling can return to the state of eighteen years old."

Chapter 3183

Hearing Charlie's words, Lenan was not only excited, but her eyes turned red.

She was really moved by Charlie.

She didn't even dream that Charlie would directly take out a rejuvenating pill because of her recent fatigue. This generosity greatly exceeded her normal cognition.

Although Gu's family is very rich, Lenan and her family's strength are also good.

However, the more money she has, the more she understands that money is not the most important thing in this world, and those things that cannot be bought with more money are the most precious in this world.

For those poor people whose lives are in a problem, even if they know that their job may seriously harm their body, but in order to support the family, they are willing to exchange their health for this reward.

But for these top wealthy people who have already fully realized financial freedom, what they fear most is anything that hurts their bodies.

And they don't hesitate to invest a lot of money, just to make their body healthier, and let them live for a few more months, even just a few days.

However, sometimes money is not everything.

Even for a billionaire, by the age of 50 or 60, it is impossible to prevent his body from getting old, it is impossible to prevent his physical strength and energy from declining.

Therefore, something like Rejuvenation Pill has become the most precious treasure in the eyes of the rich.

This is also why Tailai was willing to spend 2 billion in cash to bid for Charlie's Rejuvenation Pill.

The wealthy people who were on the scene that day were still far worse than the Gu family in overall strength.

If a group of top wealthy people of the Gu family's level were brought together, the auction price of a Rejuvenating Pill might even exceed tens of billions.

Lenan understands the value of this Pill, so she is naturally excited and grateful.

Chapter 3184

Philip was even more moved.

After all, Charlie once saved his life and even made him at least ten years younger.

With such great kindness, he didn't know how to pay it off. Now he took out another rejuvenation pill and gave it to his family.

Three mouthfuls, which made him feel ashamed.

So, he hesitated again and again, and said: "Charlie, you are so caring for our family of three. I am really grateful, but this gift is too expensive, I am really ashamed to accept it..."

Speaking of this, he couldn't help sighing, and then said: "It's just that your Auntie is really not in good health recently."

"Whenever I see her working day and night, I feel distressed, so I will take it for you, Auntie. Take this glass of water and keep the remaining two glasses for yourself!"

Charlie heard this and shook his head helplessly and said, "Uncle, just now you told me not to think like outsiders, but in a blink of an eye, you started to see me as an outsider."

"I have already said that this rejuvenation pill is for you, Auntie and Sara, even if you don't feel sorry for yourself, don't think like that for others."

"You still have to think for Sara, she is about to hold dozens of concerts all over the world, she must be very tired from running around."

"Anyhow, none of you have to regret it. Why are you being polite to me at this time?"

Sara hurriedly said: "Charlie, I'm fine, I'm so young, it's nothing like feeling tired at all!"

Charlie said with a face: "Don't fool me here, you forgot how the two of us met again? If it weren't for your stomach troubles all the time, why would you be willing to endorse my product?"

"You are only in your 20s. You already have stomach problems. Isn't this caused by running around and getting tired all day, not eating on time, and having an unhealthy lifestyle?"

Sara whispered a little embarrassingly: "Although I have always had stomach problems, after taking JX Weisan, it is all cured... The big deal is that I will buy more JX Weisan this time to ensure that I won't have stomach problems again."

Charlie said seriously:

"If a person is too tired, it will hurt not only the stomach, but also the liver, and even increase the burden on the heart. For the stomach it is JX Weisan, what about other things?"

"You have to run around this time. After such a long tour, what if something goes wrong while you are abroad?"

As he said, he looked at Philip again, and said solemnly: "Uncle, since you have an attitude like this, I shall treat you the same."

Chapter 3185

Charlie continued: "The plane you gifted me is too expensive."

"It's inappropriate for me to take such a thing, so I will arrange for someone to take down the two engines and you have to take them away?"

When Philip heard this, he was speechless.

Take the engine apart? How can there be such...

Besides, what would be the use of a plane without engines?

However, he was also very clear in his heart that Charlie really regarded his family of three as his own family, so he was so generous to come out with a rejuvenating pill.

Thinking of this, he was deeply moved in his heart, and at the same time he couldn't help but secretly said:

"Charlie treats us as his own family, and naturally I can't see him too much."

"Moreover, he and Sara have a marriage contract, and sooner or later he will be my son-in-law."

"If it is too far-sighted, it would seem that his future father-in-law is not doing things authentically..."

At this point, he sighed softly, looked at Charlie, and said gratefully: "Charlie, your kindness to our family of three will be remembered by me this whole life!"

Lenan also blushed and said, "Yes, Charlie, we are a family of three, and we owe you too much. If it weren't for you, our family would have been ruined..."

Charlie hurriedly said: "Auntie, please don't say that! If you really want to say who owes whom, I owe you, Uncle, and your daughter."

"For so many years, your family had been worrying about me. Worrying about finding me, and even traveling all over the world to find me."

"How can I be this person and worthy of being treated like this by your family! This kindness is more important than Mount Tai in my heart!"

Sara's eyes were also red. She resisted the tears and said, "Dad and Mom, we treat Charlie as family, and he also treats us as family. This proves that us four are truly a family."

"Even if Charlie and I are not married yet, he is still our family! As a family, we can't do anything for each other too much."

"Let's not be polite to each other here. If we say too much to be polite, it will be too far-sighted!"

After that, she looked at the three of them and said seriously: "I will leave the words here today, and I will never be polite to Charlie again."

"He is kind to me, it is my blessing since he is mine. I don't want to be polite, I just want to enjoy his kindness to me!"

"Of course, I do the same to Charlie, no matter how precious things are, as long as he needs it, I will never hesitate for a second!"

As soon as she finished speaking, she picked up a glass of water and said proudly:

"No matter what you two are thinking, I will do it first!"

Chapter 3186

Lenan picked up the glass and drank all the water in it without hesitation.

Immediately after, she experienced a magical feeling that could not be described in words.

It is a feeling beyond the cognitive range of adults, and a wonderful experience that subverts their worldview.

The pure water she drank is like a spring that moisturizes the dry soil under the quick-release lens.

Under its action, life grows rapidly as if the acceleration button is pressed, allowing the originally dry soil to become lush green in a very short time.

Lenan has seen such scenes in many documentaries.

Place a camera in a fixed position, starting from the withering of everything in winter, and shooting until the spring flowers bloom.

Obviously, it takes a few months, but it is accelerated by the director to fully present it in a few seconds.

In a few seconds, the severe winter will warm giving way to spring, and everything will be changed from inanimate to vitality in an instant.

Whenever Lenan saw that she could feel the greatness of life more clearly, so that every time she saw it, she would lament the miracle of life in her heart.

But this time, she experienced that wonderful feeling in herself, it seemed that her life has become alive again!

The most direct feeling that Rejuvenation Pill brought to her was the rapid improvement of her physical and mental state.

She felt a little tired at first, but now, all her tiredness was wiped out at this moment.

Immediately afterward, she felt that her breathing became smoother as if a patient with a cold has blocked breathing has suddenly become smoother.

She realized that this was probably due to increased lung capacity and rapid repair of cardiorespiratory capacity.

Chapter 3187

The physical function of the average person begins to decline gradually from the age of 20, especially for professional athletes.

The peak state of 16 or 17 is the best, and this peak state is maintained for five years at most, and then it begins to slowly decline.

The main reason for this is the overall decline of physical functions.

Although this decline is slow for ordinary people, if you take five years as a node, you can still feel a huge difference.

At the age of twenty-five, he could run five kilometers in one breath, but at thirty, he might not be able to run three kilometers.

And she is now recovering to the state she was in a few years ago at an extremely fast speed. This feeling shocked her to the core.

Philip and Sara were also watching Lenan's state closely.

They will not know what kind of huge changes Lenan's body has undergone for a while, but what they can see is that her complexion has soon become radiant.

The most amazing thing is that the small crow's feet at the corners of her eyes began to disappear quickly, and the nasolabial lines continued to fade, and it seemed that she is several years younger.

With excitement, Sara stepped forward to hug her mother, choked up and said: "Mom...you became so young!"

Philip couldn't help but exclaimed: "Lenan, you really are a lot younger!"

Lenan raised her head to look at the coated privacy glass in the box, through the light refracted by the coating, looking at herself in it.

She was shocked to speak for a while, and then her eyes were filled with tears unknowingly.

So that the reflection on the glass became blurred.

Philip hurried forward and gently embraced her, while she fell directly on Philip's shoulder and sobbed silently.

He persuaded: "Look at you, you are so young all of a sudden, so many women can't dream, why are you crying?"

She choked and said, "I'm so excited... I was so excited that I couldn't distinguish the reality of dreams..."

"And, I've never had such a beautiful dream... Philip, tell me, what is this? Reality or am I dreaming?"

Philip smiled and said, "Of course this is not a dream. You forgot how Charlie cured me in the first place? The best cancer experts in the world said that I must die."

"I had even been told that there is only one life left. I was making preparations to die, but look at me now."

"I've been completely healed a long time ago, not only healed, but my body is much better than before in life! This is all true, and it's all from Charlie!"

Chapter 3188

Lenan nodded lightly, then looked at Charlie, holding back tears, and said moved: "Charlie, I really don't know how to thank you..."

Charlie smiled and said, "Auntie, you are the best. Staying happy in your long life is the thank you to me."

Lenan was very moved in her heart. While wiping tears from her eyes, she nodded and said earnestly:

"Yes... I will be a hundred years old... With such good children as you and Sara."

"Your Uncle and I must do our best. To live longer with all our strength, one day less is a great loss..."

Charlie hurriedly said at this time:

"Uncle and Sara, you should also quickly drink the remaining two glasses!"

The two came back to their senses, but the more they realized the magic of this glass of water, the more they were hesitant.

Sara always felt that her family of three owed Charlie too much, so she tried to say,

"Charlie, I better not drink it. I'm still young and it's too wasteful for me to drink."

Charlie slapped his face and said seriously: "If you don't drink, then I will throw it away."

After that, he reached out and picked up one of the cups of water, pretending to pour it on the ground.

Sara was startled, afraid that he would really throw away such a valuable thing, so she subconsciously said:

"Don't throw, don't! Charlie, can't I drink it?"

He handed the water glass to her and ordered: "Then stop talking nonsense and drink it now."

Sara nodded, took the glass of water from him with both hands, looked at him affectionately, and said emotionally, "Thank you, Charlie!"

He rubbed his temples and gave a bitter smile.

Philip on the side also realized that being too polite might make Charlie feel alienated, so he also took the last glass of water and said to Sara:

"Sara, this is Charlie's kindness to us, let's talk about it. , We are all a family, don't let him think that we are too far apart."

Sara nodded lightly and whispered: "Dad, I know..."

Philip smiled and said, "Come on, Dad will make a toast with you. Let's drink together!"

Sara hurriedly lifted the water cup, toasted with Philip's cup, then plucked up courage and drank it.

Philip had already experienced the feeling of going back in time, so when he experienced this feeling again this time, although his heart was excited, he was not surprised.

However, Sara was surprised and speechless.

Because, she really didn't expect that after drinking this glass of water, her body would undergo such a miraculous change.

The whole person's feeling is really like returning to when she was eighteen years old.

She couldn't help closing her eyes, carefully feeling every change that happened in her body, and thought to herself:

"If I hadn't known the magical effect of this glass of water for a long time, even if someone told me that I traveled back to six or seven years back, I would definitely no doubt..."

Chapter 3189

Charlie looked at the three people who were at least five or six years younger physically, mentally, and by appearance, and he was particularly relieved.

After the death of his parents, he has been alone and has never experienced the feeling of having a family.

After marrying Claire, Charlie had a family, but then that family treated him at that time, it was really much worse than outsiders.

Except for his wife Claire who regarded him as a family member, no one else had any. What should a family look like?

Even though his mother-in-law and father-in-law have a very good attitude towards him, he knew very well in his heart that he had exchanged various benefits and favors.

Compared with Philip's family, it was naturally ten thousand miles worse.

After all, the feelings of Philip's family of three are from the bottom of the heart, without any interest elements, this is the real and pure family.

Seeing that the mental state of their family has been greatly improved, Charlie smiled slightly:

"Uncle, Auntie, and Sara, this glass of water just now should be able to maintain your current physical state for at least three to five years."

"During this period of time, your body's resistance will surpass that of most people, and you will basically not get sick."

Speaking of this, he added: "But you still have to pay attention to the combination of work and rest."

"Don't let yourself become busier and more tired just because your body is getting better."

The family of three nodded in unison. Lenan wiped away the tears and said soberly:

"Charlie, don't worry, I and your Uncle, will definitely put the combination of work and rest first in our routine in the future. Otherwise, would we not disappoint This gift..."

Philip also sighed: "That's right, health is the most important thing!"

Charlie said with a gratified smile: "You two have this knowledge, then I'm so happy."

As he was talking, Orvel knocked on the door and said, "Master, Miss Gu's cake is ready. Would you like me to bring it in now?"

Charlie was about to speak, Sara hurriedly said, "Don't worry!"

After speaking, she quickly said to Charlie: "Charlie, wait for me, I will check if there is any problem with the cake!"

Chapter 3190

Later, Sara said to Philip: "Dad, you turn off the light first, and then turn it on after we finish blowing the candle!"

Philip hurriedly turned off the lights in the box, Sara opened the door to the room and got out mysteriously.

After a while, she gently opened the door, and walked in with a food delivery truck. On top of the food truck, there was a big cake with five layers.

From the 1st to the 4th layer of this cake, 6 candles are inserted in each layer, and the top layer has 3 candles, a total of 27.

What surprised Charlie was that on the top layer of the cake, two very very realistic dolls were made with fondant.

What surprised him, even more, was that the two puppets were a little boy and a little girl.

The boy was a little older, about five or six years old, and the girl was a little bit younger, about three or four years old.

The clothes of these two are very chronological, at least 20 years from this time.

However, even though they were dressed 20 years ago, it can still be seen that the clothes on both of them are very elegant and meticulous.

The poses of these two people are also very interesting. The boy stands in place, and the girl who is obviously shorter on the side is holding the boy's arm shyly.

Looking closely at the two people's expressions, they are also very vivid.

The boy's expression at this time is somewhat dull.

Even a little at a loss, but the girl looked very happy, laughing like a flower.

When Charlie looked at these two lovely dolls, he had had a feeling of déjà vu, but he couldn't remember exactly where he had seen it.

At this time, Sara beside him looked at Charlie with a smile, and asked, "Charlie, do you see these two children familiar?"

Charlie nodded repeatedly and said, "I'm familiar, and very familiar, but I can't remember where I've seen it all at once."

Lenan on the side smiled and said, "Silly boy, isn't this just you and the girl? This is when you two were young, and it's your 6th birthday!"

Chapter 3191

Charlie couldn't help but exclaim: "Really? I say why it looked so familiar, but I have no specific memory of the scene at that time."

Lenan nodded, took out a photo album from her handbag, then opened the photo album, found a yellowed old photo, and handed it to Charlie.

Charlie took it and took a look, and found that in this photo, he and Sara, and their clothes, looks, movements, and even expressions were exactly the same as the fondant doll on the cake.

Lenan on the side smiled and said,

"After you sang the happy birthday song that day, we kept clamoring that you would marry her as a daughter-in-law."

"After you grow up, you must marry our daughter as your wife, so your expression is very aggrieved, saying that you don't want to marry a follower who sticks to you all the time."

"And then when we wanted to take pictures of you two, you felt even more unhappy that's it. This is how you look like."

Charlie looked at the photo and didn't recover for a long while.

He remembered many things that year, but many things that year had only an outline in his mind, and the relevant pictures had long been blurred to the point that he could hardly find any memories.

This is mainly because he has completely lost the channels and ways to retrieve his image memory since his parents died.

For so many years, he didn't even have a photo of himself as a child, nor a photo of him with his parents, or a photo of his parents when they were young.

So much so that after so many years, even the appearance of his parents is a bit vague in his memory.

Therefore, when he saw the fondant doll at first, he never thought it was himself and Sara.

Now suddenly seeing this old photo of himself and Sara when he was a child, he was naturally full of emotion in his heart.

Sara on the side asked him with a smile, "Charlie, do you still like this cake?"

"I like it, I really like it!" Charlie sighed sincerely: "I didn't expect this cake to be so realistic!"

Sara smiled and said,

"This is made by Eastcliff's most powerful fondant cake master. The people who lined up to make fondant cakes for her are too few to count, and many of them are very, very rich and famous."

"We had made an appointment for this birthday cake for several months. My parents brought it so far from Eastcliff just to surprise you."

Charlie looked at the doll on the cake, looked at the innocent look of himself and Sara, with mixed feelings in his heart, and even his eyes were a little hot and moist.

So he hurriedly smiled and joked: "Oh, this doll is so beautifully made, I don't want to eat it anymore."

Sara smiled and said, "Charlie, this doll is not for you to eat, it is reserved for you as a souvenir. You can eat everything except the fondant dolls."

Chapter 3192

Hearing that the fondant dolls weren't for eating, Charlie was a little relieved, otherwise, it would really feel strange if his or Sara's caricature dolls were to be eaten.

Next to him, Sara looked at Charlie affectionately, and said softly:

"Charlie, I want to sing the happy birthday song to you like I did when I was a kid! You can make a birthday wish meanwhile, and wait until I finish singing to blow out the candles."

Charlie nodded lightly, smiled, and said, "Okay!"

Sara adjusted her breathing slightly, and then sang affectionately,

| "Happy birthday to you~Happy birthday to you~Happy Happy birthdayI wish
you~Birth~Day... "

At this moment, Charlie put his hands together, closed his eyes, and silently made a small wish.

Now he has no material desires. His greatest desire is to find out the truth about the death of his parents and avenge them, but if this desire is put on such a warm birthday, it is more or less uncomfortable.

Therefore, he silently made a wish in his heart, hoping that all his family and friends would be safe and healthy.

That's enough.

After making the wish, Sara's birthday song was finished, and he burst into action and blew out the 27 candles on the five-layer cake one by one.

Sara, Philip, and Lenan clapped together, and Lenan smiled and said: "Charlie, I wish you like today and every year, and all your wishes be realized!"

Philip also nodded and said, "Charlie, I wish you all the best, peace, and success in your life!"

Charlie was moved and thanked them repeatedly.

Sara on the side approached Charlie's ear and quietly pointed at herself in the fondant doll. With a volume that only he could hear, she said,

"Charlie, I wish you Marry this girl home as soon as possible!"

Charlie smiled knowingly, without comment.

He had understood Sara's thoughts a long time ago, but there were many things that couldn't be explained clearly, so he simply played stupid.

Chapter 3193

At this time, Lenan handed over a knife for cutting the cake and said, "Charlie, you are the birthday star, cut the cake first."

"Everyone will be happy after eating two bites, and then we will officially start the meal!"

"Okay, Auntie!" Charlie quickly agreed, and then used the knife to cut off a few pieces of the bottom layer of cake, put them on a small plate, and handed them to the three of them one by one.

Afterward, Philip took him, sat back at the dinner table, and began to enjoy the wine.

He took the initiative to pick up the wine glass and said to Charlie:

"Charlie, I have said too much thanks, I won't be a dog here, I will toast you on behalf of our family of three with this glass of wine!"

Charlie did not decline, picked up the wine glass, and said seriously: "Thank you, Uncle!"

The two immediately drank the liquor in the glass.

Philip said: "Charlie, your parents left early. Based on my relationship with your father, after he left, I should take care of you, nurture and educate you, and treat you as my own, but for so many years, I have not been able to find you."

"In your 27-year-old life, you have been missing for nearly 20 years, and there are so many regrets..."

Speaking of this, he sighed and said seriously: "In the future, I only hope to spend more birthdays with you in my lifetime!"

Charlie was moved in his heart and said with a smile: "Uncle, how can you just have a few birthdays, at least it will take dozens of times before it makes sense, right?"

Philip laughed and said heartily: "Yes! I will have dozens of times!"

Between pushing the cups and changing the cups, Charlie and Philip had each drunk a catty of white wine, but both of them were only slightly drunk.

Even Lenan, who was originally incompetent, did not show any discomfort after drinking a bottle of red wine alone.

On the contrary, because of the effect of alcohol, she felt very happy as a whole.

Under the effect of alcohol, her cheeks were slightly reddish. Coupled with the rejuvenation pill she had just taken, her complexion looked white and red, charming and attractive.

Chapter 3194

Philip looked at his wife, slightly stunned, and couldn't help but admire: "My wife, look at you now. There is a special illusion that we just got married..."

Lenan smiled slightly and said with some embarrassment: "The children are here, don't talk nonsense..."

He said solemnly: "What I say is from the bottom of my heart!"

As he said, he took out his wallet, and after opening it, in the outermost transparent card slot, there was a photo of the two when they were young.

Philip handed the photo to Charlie and Sara, and said: "Look at it, am I telling the truth?"

Charlie looked at the photo. Lenan in the photo was about twenty-six or twenty-seven years old. However, at that time, she took a mature route. Even the old photos looked very moving.

At that time, she was more attractive than now.

Sara on the side looked at her mother's old photo and exclaimed: "Mom, you were so beautiful when you were young."

"Although I have seen this photo many times, I can't help but praise it every time I see it..."

Lenan smiled and said: "Don't play rainbow f*rts here. To put it mildly, those are youths that have long passed away, and you are in the age of positive youth."

As she spoke, she couldn't help but sighed: "But when I was young, Sister Margaret was really beautiful."

After that, she looked at Charlie and said sincerely:

"Charlie, you don't know how outstanding your mother was when she was young. There was a saying in the celebrity circle of the city that Changying brought Margarate from the United States to Eastcliff."

"At that moment in the city, the attraction of all the women in the city was instantly extinguished..."

Charlie couldn't help but chuckle: "Auntie, is there such an exaggeration you said?"

"Of course there is." Lenan said very seriously: "Your mother was in Eastcliff at the time. It was an absolute dimensionality reduction attack."

"Her appearance, temperament, figure, education background, and family background were all in the crushing class."

"Starting to open up, when it comes to trends, the United States was definitely the center of the world trends at that time, so your mother was very amazing in all aspects in our eyes."

She said again: "Furthermore, your grandfather's family had been cultivating deeply overseas for many years, and it can definitely be regarded as a big old family."

"The so-called nobles in Europe are also far behind your grandfather's family. Your mother was the jewel in the hands of the An family."

"What we have received is the dual aristocratic education of the East and the West, which is what we can compare to..."

Speaking of this, Lenan couldn't help but said with emotion:

"At that time, whatever clothes your mother wore would immediately trigger a frenetic trend in Eastcliff's celebrity circle."

"At that time, your mother was the vane of Eastcliff's celebrity circle. What she wears and what she carries, others couldn't wait to find a way to buy it back and imitate..."

Sara asked in amazement: "Mom, what you said is true?"

"Of course!" Lenan said earnestly: "At that time, we hadn't really connected with the world, and the information gap between local and foreign was very large."

"Unlike now, the information network is so developed, there is basically no information gap at home and abroad."

Speaking of this, she suddenly remembered something and asked Charlie:

"By the way, Charlie, have you ever thought about going to the United States to meet your grandpa and grandma?!"

Chapter 3195

Hearing Lenan's question, Charlie was a little surprised for a while.

This was the second time he heard that, others asked him if he wanted to go to the United States to find his grandparents.

And the last one who asked him the same thing was Sara.

So Charlie told Lenan the same, what he had said to Sara before, showing that he didn't want to disturb his grandparents who hadn't seen him in 20 years, and hadn't even seen each other a few times.

When Lenan heard this, although she understood it deeply in her heart, she could still tell from her expression that she felt somewhat sorry for Charlie.

After hesitating for a moment, she said seriously:

"Charlie, in fact, for so many years, not only you have been searching for the truth about the murder of your parents, but your Uncle and I have been trying every means to investigate when we are looking for you."

"It was not clear who were the men behind the incident, but for so many years, we have not found any meaningful clues."

"So your Uncle and I think that there must be a very powerful man behind this incident, pushing and trading everything."

"If you want to find them out by your own ability, I am afraid it will be very difficult."

Philip also nodded at this time and said, "Charlie, although on the surface, today's society has been integrated globally, when it comes to classifying, the barriers between each class are far beyond your imagination."

"In our country, there are only four or five top families. Even if other families are rich, they can never be integrated into the circle of top families."

"There are many secrets, many special channels, and resources, only these few of the top families can know and master. This is only in the country."

"If you look at the whole world, the real top families are those three. Many secrets are only known by these three families. Many things are possible only with these three families. The investigation came out."

"Who killed your parents? Your grandfather and grandmother probably knew the answer long ago. Even if they didn't know, if they used their resources, they would surely be able to investigate and find out."

"So, if you can be with your grandparents If you recognize each other, this mystery may be solved immediately."

Lenan also agreed very much and said:

"Yes, Charlie, your Uncle is right. It's even possible that your grandpa and grandmother have already helped your parents avenge. If that's the case, you are still here thinking about investigating."

"Finding out the truth about what happened in the past and finding out the murderer of your parents is probably a useless effort."

"Anyway, first recognize your grandpa and grandma, and then confirm this with them is the safest thing."

Chapter 3196

Hearing this, Charlie was silent for dozens of seconds, and said: "Auntie and Uncle, I understand your meaning, but I am not yet mentally prepared for this. Let me consider this matter again. I will think about it."

Lenan nodded and said seriously:

"Charlie, if you get to know your grandpa and grandma as soon as possible, there is another big advantage, that is, the powerful resources of Ann family."

"If Ann family is willing to help you, it will help you a long way. Getting on the horse is so simple, they can even save you 20 years of fighting."

Charlie didn't think about using the resources of grandpa and grandmother in his heart, but Lenan's words were indeed completely out of kindness, so he knew that he would definitely not hurt the kindness of others.

So he also accepted it temporarily, and said, "Auntie, what you said is correct. I will also consider all issues in this respect."

"That's good!" Lenan breathed a sigh of relief, and said with a smile:

"You are the grandson of the Wade family, and the grandson of the Ann family. If you can inherit the Wade family completely in the future, and then integrate the resources of the Ann family."

"All the domestic resources will be available in the future. The big family will be eclipsed in front of you."

"Coupled with your own outstanding ability, maybe a few years later, under your leadership, the Wade family will become the second Chinese family to be among the top families in the world."

Philip also said earnestly: "Although the Gu family's strength is not yet at the top in the true sense, there is still the strength to add fire to you, and it may help you stand higher and see farther at that time!"

Charlie looked at the couple gratefully and said sincerely: "Uncle and Auntie, thank you for your expectations of me. In the future, I will do my best to not let you down."

He said this from the bottom of his heart.

He hopes that in the future he will be able to reach the highest point and see the mountains and small hills.

It's just that he hopes to be able to climb up by relying entirely on his own ability, rather than relying on both sides.

A meal goes on very smoothly and naturally in this kind of family atmosphere.

After the meal, Charlie used aura to dissipate all the alcohol in his body and determined that he would not have a half-cent relationship with drunk driving.

Then, he drove Sara to the performance venue first, and then drove Philip and Lenan to Shangri-La.

The couple had a lot of things. They had a rest in the hotel this afternoon.

After going to the venue to watch Sara's concert in the evening, they would fly back to Eastcliff overnight.

Chapter 3197

After Charlie heard about their plan, he said,

"Uncle and Auntie, or you don't bother to go back tonight. Just rest at Shangri-La for one night. It won't affect anything if you come back tomorrow morning."

Philip shook his head and said with a smile: "There will be another meeting tomorrow morning. If we leave tomorrow, it will be too late."

Charlie said: "But with such a toss, the body may not be able to bear it."

Philip smiled and said: "It might have been a little overwhelming before, but now it will definitely not happen again."

"Yeah." Lenan also nodded and smiled: "After taking Rejuvenating Pill, my body feels unstoppable strength. Taking a night flight shouldn't affect it."

"After I and you Uncle go back to Eastcliff tonight, we can still take a good rest at home, and go directly to the group meeting tomorrow, so that it will be much calmer than rushing back tomorrow morning."

When Charlie heard this, he stopped persuading them and said hurriedly, "I will send you to the airport tonight."

"No need for that." Lenan said very seriously: "I heard from Sara that you are going to see her concert with your wife tonight. When the concert is over, you must go home with your wife."

"It will be late at night, so I can't let you leave her behind. You can take her home with peace of mind after watching the show. Your Uncle and I can go to the airport by ourselves."

Philip also said: "Charlie, you don't have to worry about us tonight. When you come to the concert, if you see us in front of your wife, don't say hello to us, otherwise, you won't be able to explain to her."

"Tonight, let's watch the performance happily, and then go home. When you return to Eastcliff to pay homage to the ancestors, we will get together again!"

Charlie didn't expect Philip and his wife to think so for his sake, and he was moved, he couldn't help feeling a little guilty.

Regrettably, Philip and Lenan gave him three years to settle his marriage with Claire, and three years later they want him to marry Sara.

Although he was uncomfortable in front of them at the time, he had already made a decision in his heart that he would not divorce Claire.

Therefore, facing their meticulous care, Charlie felt ashamed in his heart.

Chapter 3198

Therefore, Charlie secretly decided in his heart that since the matter of marriage can no longer make the Gu family's three people wish, he must compensate them in other ways in the future...

After sending Philip and Lenan to Shangri-La and entrusting them to Issac as a host, Charlie drove back to his Villa.

At this time, it was only after two o'clock in the afternoon, and he thought that his wife might not be finished until three or four o'clock, so he wanted to return home first, and then pick her up when she was almost done with work.

Unexpectedly, when he arrived home, his wife Claire, his father-in-law Jacob, and his mother-in-law Elaine were already busy in the kitchen.

Seeing that Claire was at home, Charlie asked in surprise: "Wife, when did you come home? Why didn't you tell me so I could pick you up."

Claire smiled and said: "I speeded up the work and finished early. I came home at two o'clock. I wanted to prepare a birthday dinner for you today, so I got back early."

Elaine was holding a huge king crab in both hands, putting it in the steamer, and smiling at Charlie and said to him:

"Good son-in-law, mom will cook you a big meal tonight. Look at this big crab. , One cost more than three thousand!"

Seeing that she was going to steam the crabs, Claire hurriedly said, "Oh my god, the crabs can't be steamed now."

"It's not three o'clock, it's still early to eat! If they are steamed now. It won't taste good by dinner time!"

Elaine asked in surprise: "Then you come back so early, why are we cooking?"

Claire said helplessly: "First do the preparations. Brush the king crabs and prepare them in the bucket. The other ingredients are the same."

"All the ingredients are collected. Make sure the ingredients for cooking are also prepared and then wait. We will do it when it's almost time to make it, so that it can guarantee the taste."

Elaine said angrily: "Hey, I thought I would just start cooking now. Isn't this crab steamed directly in the pot? Should I wash it?"

"Of course you need to wash it." Claire said, "At least we have to use a brush to brush the dirt on the surface, and then rinse it with clean water several times."

Chapter 3199

Elaine curled her lips: "I don't dare to brush this stuff, it is covered with thorns, if they get stuck again... let your dad clean up the seafood."

Having said that, she looked at Jacob and ordered: "Jacob, take this crab out of the steamer and wash it, remember to wash it clean!"

Jacob couldn't help but vomit: "I have other things, you can do it yourself."

Elaine said angrily: "Don't talk nonsense, go and clean up the crabs! Otherwise, you won't even want to eat a bite at night!"

Jacob asked dissatisfiedly: "You let me clean up the crabs, then what are you going to do?"

Elaine said casually: "I'll peel some garlic."

After speaking, she grabbed a few garlic heads, sat in the corner with a small bench, and started to peel garlic into the trash can.

Jacob was a little bit angry, but didn't dare to argue with Elaine, so he honestly took the crab out and took it to the sink for cleaning.

Seeing this, Charlie opened his mouth and said, "Dad, let me clean up the crabs."

Claire quickly said to him: "Husband, you are the birthday star. Don't come to the kitchen today. Go to the outside living room and watch TV. The cake delivery will come soon. Please keep an ear to the doorbell."

Seeing her clear attitude, Charlie didn't continue to insist, and said: "Then if you have something, remember to call me."

"It is all good."

Charlie came out of the kitchen and just sat in the living room for a while when the doorbell rang.

He saw from the monitor that a delivery person was ringing the doorbell, so he walked out of the room.

Outside the yard, a middle-aged delivery man asked, "Is it Ms. Willson's house?"

Charlie nodded: "Yes."

The delivery man handed him a cube box with a side length of about fifty centimeters and said, "This is the cake ordered by Ms. Willson, please sign for it."

Charlie took the cake, and when he was about to sign the order, the other party reminded:

"You can open it and take a look. If there is a problem, I will directly take it back to the cake shop."

"Don't sign and go back to find that there is a problem and complain. Then we will Riders also have to take responsibility."

Charlie didn't think too much, so he untied the red ribbon on the cake box, and after carefully opening the top cover, a beautiful double-layer cake came into view.

Chapter 3200

This cake does not look as luxurious and exquisite as the five-layer cake made by Sara, and it does not have lifelike shock-absorbing fondant dolls.

It is just a normal cake. However, the line of words written with chocolate sauce on the cake makes a warm current surged in his heart.

The content of that line is: "Happy birthday to my dear Mr. Wade."

The signature is: "Love your wife, Claire."

Seeing these words, Charlie smiled knowingly, and said to the rider: "The cake is okay, I will just sign for it."

After that, he signed the bill and handed it back to the rider.

The rider took the order and left, and Charlie packed the cake again and carried it back to the house.

This scene happened to be seen by Mrs. Willson who was drying her clothes on the terrace of the villa opposite.

Seeing that Charlie took a cake and walked back to the villa, she couldn't help but returned to the room curiously, and asked Noah and Harold lying on the bed: "Noah, Harold, do you know what day is today?"

Noah smiled bitterly: "Mom, I have been eating, drinking, and sleeping on the bed from before the new year until now. I don't know what day is the solar calendar, the lunar calendar, and the day of the week."

Harold echoed: "Grandma, I don't remember the day either."

The old lady Willson muttered: "Today is the second day of the second lunar month, and the dragon raised its head, but I can't remember who celebrates the birthday today."

"The unfilial son Jacob seemed to be born in winter, and the dead girl Claire seemed to be in summer..."

Harold remembered something, and said: "February Dragon looked up...Today seems to be Charlie's bastard's birthday!"

Old lady Willson frowned and asked, "Are you sure?"

"Yes!" Harold nodded again and again:

"Once I went to the barbershop to cut my hair just after the first month of the year, I just saw Charlie and Claire having a meal in the small restaurant next to the barbershop, and there was another one on the table."

"I observed the little cake. It was Charlie's candle, so it must be Claire who celebrates Charlie's birthday."

"Grandma, you don't know, the cake was shabby at the time, and it was not as big as a damn dish."

When the old lady Willson heard this, she seemed to be in a good mood, and said with a smile: "Oh, it turns out that today is the birthday of Charlie the white-eyed wolf! I didn't expect it to be so soon!"

Harold asked puzzledly: "Grandma, what's the matter? Why do you say that?"

Old Mrs. Willson curled her lips and said,

"Before the New Year, many people lined up at the door of Charlie's house to give him gifts."

"You see, this is just the first month, and no one congratulated him on his birthday. Those who are rich and powerful don't take him seriously anymore!"

Harold asked subconsciously, "Grandma, can you tell that Charlie is not in a good situation from this?"

Mrs. Willson said solemnly: "Harold, there is an idiom. As long as you see a leaf falling, it means that autumn is here, and autumn is here, can winter be far behind?"

Then, she said with an unpredictable analysis: "Think about it, if Charlie is really good now, then his door must be surrounded by rich people now."

"There is an idiom. When a person is popular, the doorstep is more lively than the vegetable market!"

"But you see, for Charlie's birthday today, for those who want to curry favor with him, such a big event is much more important than the New Year."

"Up to now, they haven't seen a person come to their house!"

"With this signal alone, I can make a clear judgment. Charlie must be messed up right now, or maybe it's almost done!"

Chapter 3201

When Harold heard these words from Old Lady Willson, he became excited and said excitedly, "Grandma! If it's really like you said, that's really great!"

"I've always felt that that son of a b!tch Charlie is going to get hit by a thunderstorm sooner or later, so it seems that this is the signal before the thunderstorm!"

Mrs. Willson's expression surfaced a bit smugly: "Their family has been doing so well for more than a year, all because of Charlie's deceitfulness!"

"In the past, those Feng Shui masters and masters of metaphysics have been collecting a lot of money from the pockets of rich people, but none of them have ended up well! I think Charlie will also be finished!"

Harold's body twitched with excitement and said, "If he really fails, I think their family will soon be finished! Maybe in a few days, that White family will have to come and take back this villa!"

Noah, who was lying on the side, said excitedly, "Oh, if that's the case, the wind and water will really turn! It's best if Charlie hurriedly fails, then their family has nowhere to go, fall into the streets, then we will watch their family's joke!"

Speaking of which, he couldn't help but say with pride: "Thirty years of the river east, thirty years of the river west! They certainly can't imagine that our family can still survive."

"Now Wendy has a valuable person to help her, and she manages the biggest ceremonial company in the whole city.

Mrs. Willson laughed and said, "Wendy is a real fighter! Starting from nothing, she was able to make a company the number one company in the whole city, she alone is much better than you two!"

The old lady Willson looked at the two of them and said angrily, "Speaking of which, you two are really a pair of wastes! I asked you to clean up Elaine, but you two got yourselves crippled and are now lying in bed, asking me, an old woman, to carry you for sh!t and ur!ne! This is outrageous!"

When these words came out, Noah and Harold looked at each other, and they could see the endless embarrassment in each other's eyes.

It was true that the male members of the Willson family did not have much ability and capacity.

Although Noah is the eldest son and has always been highly valued by the old lady, this person is essentially a straw man, belonging to the kind of half-bottle wobbly master.

As for Harold, the eldest grandson, is more rotten mud can not support the wall, the standard useless, good for nothing, pretending to be the first.

The two of them have done so many years in the Willson Group, basically did not create any performance, the top of the Willson Group was the old man Willson who took the

Wade family's severance pay, and fought for half a lifetime to progress, since his death, the assets continue to shrink, until the bankruptcy and liquidation.

Chapter 3202

At this time, Mrs. Willson saw the father and son did not speak, helplessly shook her head, sighing: "I do not know what the Wendy is to that nobleman in the end, listen to her words, the other party is very capable."

"He directly took the company from its previous owner and gave it to Wendy to take care of!"

"And her previous boss, not only did not dare to put a f*rt, but also willingly went to KTV as a turtle! Dealing with the people is such an art, can't say how capable this person must be!"

"Yes!" Noah also could not help but sigh: "I heard that Wendy's previous boss is still struggling with his life. He must not have expected someone to bend his wrist and clean him up for his words."

"I think that the noble person must know one of the most important people in the city's underworld, maybe he is a young master of a big family!"

Mrs. Willson said, "If only Wendy could get together with that nobleman, what our family needs now is a good backer!"

Noah nodded gently and said, "I see Wendy's eyes shine every time she mentions that nobleman, so maybe she has long been secretly in love with him."

"Hmm." Mrs. Willson nodded and said, "I can also see what you said, but she has been unwilling to reveal the identity of that nobleman, so I, an old lady, can only be anxious."

Then, Mrs. Willson said, "Right, Noah, you should talk to Wendy alone later, and ask her how far she has progressed with that nobleman, and if it's still unclear, let her speed up a little bit."

Noah said awkwardly, "Mom, how can I talk to Wendy about such things?"

Mrs. Willson blurted out, "You are the only one who can ask the most appropriate question, because of your matter, Wendy has always had some opinions about me, so if I ask her, she will definitely not be able to open her heart with me."

Harold immediately volunteered to say, "Grandma, why don't I talk to her, we don't have any generation gap, and it's easier to communicate."

"You quickly pull back!" Mrs. Willson gave him a white look and said, "Just that expression ability of yours, I can't find anyone worse than you in the whole Willson family!"

Harold immediately said in disbelief, "Grandma! What do you mean by that? What's wrong with my ability to express myself? I think I'm quite eloquent!"

Mrs. Willson said unhappily, "If you were really articulate, Elsa would have become the daughter-in-law of our Willson family! If you had held on to her, our family would not have been reduced to this state!"

Speaking of this, she said in exasperation, "But Harold, you have no other skills, but your ability to fan the flames is still very good!"

"If you hadn't slandered Claire in my ear, I wouldn't have gone back on my word and given you the directorship I promised her!"

"Originally Claire is a puppet, in addition, to let her divorce Charlie she did not listen, other than that she did what I told her to do, it was because of that time by your compulsion, this girl began to develop a backbone, even seeing me on the streets and she was not moved!"

Speaking of which, she looked at Harold, very dissatisfied, and said: "Harold, the three words "unworthy of reuse", that is you!"

Harold didn't expect that his grandmother would rebuke him, so he was speechless for a while and could only lower his head in shame.

Noah hurriedly said, "Mom, don't say anything about Harold, we had a miserable life some time ago, but honestly, who doesn't have some hardships in their life?"

"Look at my younger brother and his family, they had a hard time in the first few years, but they have slowly gotten better since then."

"Wendy's career is going smoothly now, if she has a good harvest in love and career, maybe our family will rise again!"

Hearing this, Mrs. Willson could not help but sigh: "Hey, I used to think that my grandson is good, and he is my own person, but now I see that my granddaughter is much more reliable than my grandson!"

After saying that, she spoke again and lamented, "If I had known that Wendy had such strong ability, I should have given the company to Wendy to take care of it more than a year ago, maybe the Willson Group wouldn't have gone bankrupt today."

Chapter 3203

Mrs. Willson's emotion made Noah and Harold, the father and son lower their heads in shame.

Seeing the two of them in such a weak state, Mrs. Willson felt a burst of contempt in her heart, so she stood up for a long time and said,

"You two lie down in bed, I'll go to Charlie's house and go around!"

Harold asked, "Grandma, what are you going to Charlie's house for?"

Mrs. Willson snorted coldly, "Humph! What else can I do, of course, I'm going to mock them!"

Noah said with some concern,

"Mom, the matter of Charlie's downfall is, in the end, only a speculation on your part, it has not been confirmed yet, if you go to trouble them now, in case Charlie has not yet failed and cleans us up by hand, wouldn't that be an unwarranted disaster?"

Mrs. Willson said disdainfully,

"My old lady's wise eyes, when have they ever looked wrong? I told you that your wife is unreliable and asked you to transfer all the money to me, but you didn't believe me, look, your wife has run away now, right?"

Speaking of which, the old lady couldn't help but gnash her teeth and curse: "Shameless b!tch, just ran away, how dare she steal my money! If that b!tch doesn't die, it's like God doesn't have eyes!"

Noah couldn't say anything at once.

His wife's matter really made him lose face.

Stealing the old lady's money was a minor matter, but the fact that she secretly conceived someone else's child and infected himself with a disease was what he hated the most.

Harold spoke up at this time:

"Grandma, this kid Charlie has always been very evil, sometimes the more you think he is going to be finished, he can play out."

"So I think we should keep a low profile, and when he really falters, then it's not too late to mock him!"

Mrs. Willson was in deep thought for a moment.

She was so stimulated by Charlie in her heart that she had been trying to find an opportunity to make a clean brea5t of shame for him.

However, she also admitted that her grandson, Harold, did have a point, this guy Charlie was always inscrutable and did not play by the rules, so she really had to be more careful and must not be sloppy.

So, she thought about it and said, "Let's do it this way, I'll go to their home first and explore the truth!"

Chapter 3204

Harold hurriedly reminded, "Grandma, you must be careful!"

"Don't worry." Mrs. Willson waved her hand: "I know what's going on in my heart."

Saying that, she suddenly remembered something and said through clenched teeth,

"No! Since today is Charlie's birthday, how can I go empty-handed? I have to go to the vegetable market and buy two catties of leeks and take them to him!"

Harold was confused and asked in amazement, "Grandma, why do you want to give Charlie leeks? Claire didn't give Charlie a cuckold."

Harold just mentioned the cuckold, Noah felt his head was so green that it glowed, and angrily cursed, "Don't mention the cuckold in front of me!"

Harold looked resentful, and Old Lady Willson said, "When Charlie used daffodils to pass off as leeks, he made us vomit and diarrhea and we were pulled to the hospital for emergency treatment, this revenge, I have always remembered!"

Harold recalled the time when he was incontinent at home, his body shivered, and said,

"Grandma, I also always remember this revenge, but you can't solve this problem by buying two pounds of leeks!

Mrs. Willson gritted her teeth and waved her hand, "It's just that, I'd better go and feel their bottom first!"

After saying that, she stepped out of the bedroom.

The old lady Willson, who had always been proud, had experienced a lot of human warmth since she had fallen on hard times, but what angered her the most was how the Charlie family did not care about her.

Originally, the family also gave her some face, but when she was bent on seizing the villa of the family, she ended up completely torn with the four members of Charlie's family.

Since then, she had been in jail, fallen, and even reduced to pulling plastic bags for customers at the supermarket, the Charlie family has not reached out to her, especially Jacob treated her like air at the supermarket, which makes her hold a grudge to this day.

Soon, Mrs. Willson came to the door of Charlie's house in an aggressive manner and directly pressed the doorbell.

Inside the villa, after Charlie put the cake into the refrigerator, he went back to the living room, where Claire and her parents were still busy in the kitchen.

At this time, he heard the doorbell, so he got up and went to the front door.

Chapter 3205

He glanced at the monitor and found that the one standing outside the courtyard was, surprisingly, Mrs. Willson, so he asked in a cold voice, "What do you want?"

When Mrs. Willson heard Charlie's voice, she coldly snorted and said, "Let me in, I want to see Jacob!"

Charlie casually said, "Sorry, you are not welcome here, hurry up and leave, or I'll find the property security!"

"You!" Mrs. Willson angrily scolded: "This is my son's home, you say you are not welcome? I still have to go in today!"

Charlie laughed and said,

"It's true that my father-in-law is your son, but you have to be clear, this is my home, the house is registered in my name, the property rights belong to me, so if I don't let you in, you just can't enter, understand?"

Mrs. Willson was furious at Charlie's words and said,

"Charlie! Do you really think you are still the same bullish Master? Don't think I don't know that you, a charlatan who makes a living by shaking things up, is about to fail!"

Charlie couldn't help but laugh and asked, "Really, who told you that I'm about to fail? How come I didn't even hear about it myself?"

Mrs. Willson sneered, "Charlie, you think your little thing can escape this old woman's golden eyes?"

Speaking of this, the old lady said with a contemptuous face,

"Yes! you admit it! You did fool a lot of rich and powerful people before, but you should know, which of these people is not a dragon and a phoenix among people?"

"They will be deceived by you, just for a moment, they are blinded by you, they can't be unable to see the truth for the rest of their lives!"

At this point, Mrs. Willson looked him up and down and asked with a sneer,

"During the New Year, I saw that many people came to your house to give you gifts, how come you have a birthday today and no one has come to your house to give you gifts?"

"What is the reason for this, you do not know in your own heart? Still playing dumb with me here!"

Charlie burst out laughing.

It turned out that Mrs. Willson concluded that the basis for his failure was because no one came to his door to give him a gift today.

This is really a leaf blindfold, do not see the mountain, slippery world of the big joke.

However, when you think about it, in fact, life relies on this so-called "experience", a blind eye to judge a person's things, is too much.

In life, just to see others drive luxury cars, think the other party has big money, a rich generation, and then a mind to go around the backward, and finally be cheated of money and even s3x victims, are not a few.

Charlie still remember reading news, a hanger-on bought a domestic cross-country, and then burst into a Mercedes-Benz G, posing as a rich young man while talking about a dozen girlfriends."

"Each girlfriend as long as they see him driving a fake G, immediately identified him as a super-rich, and then he was cheating money and s3x, and even a few women not to mention the lost money, but also pregnant.

He thought that only women with love in their brains would make this kind of mistake, but he did not expect Mrs. Willson, who is so old, could be so stupid.

The reason why no one came to the door to give gifts today, it is because they have long greeted in advance, otherwise with today's schedule.

After dinner to go to see Sara's concert, time is so rushed, and then a bunch of people come to the door to give gifts, that really would be anxious.

Only, how does Mrs. Willson know this?

She relied on her own experience in the marketplace to judge that Charlie will soon be cold, so this is why she thought to come over to properly taunt and mock, a throw shame.

Seeing that Charlie did not say anything, she felt that her guess was 100% accurate!

So, she looked at him with a disgusted face and said,

"I think this villa of yours will be taken away in a short time, and if your family is on the street then, don't say I don't take care of you as a grandmother, you let Claire come back and kowtow to me, and I'll let Wendy arrange a job for her as a courtesy lady!"

Mrs. Willson said with a smug face: "By the way, I forgot to tell you, our Wendy is now the GM of the largest etiquette company in the city and her future is bright!"

Chapter 3206

The reason for this is that the lady Willson came to have some fun with him, but it was because of Wendy.

She certainly does not know that the reason why Wendy was able to leap from bullying Miss Manners to become the general manager of Shangmei Etiquette Company is entirely that he saw her pity situation and gave her a chance.

Hearing this, he looked at Mrs. Willson, just like looking at a stupid old monkey, and said playfully: "Mrs. Willson, the most failed point in your life is short-sightedness, but if you can look deeper, the Willson family would not have fallen to this point today."

Then, he said seriously: "If you still want to continue to have the soup, then remember that in the future it is our family's well water, but if you can not do this, then maybe you will not have the opportunity to continue to live here."

After saying this, Charlie was ready to close the door, but unexpectedly, when Mrs. Willson heard this, she immediately became anxious and hurriedly stepped forward and blocked the doorway, cursing offhandedly,

"Charlie! How dare you preach to me, what are you? If it wasn't for my old man who brought you back from the construction site, you might be begging for food now, and you dare to call me short-sighted? Do you think my Willson family's previous foundation came from the wind?"

Charlie shook his head and said, "I don't know if the foundation of your Willson family was blown by the wind, but now it has been lost by you, the Willson Group should have been liquidated long ago, right?"

If I guess correctly, you should still owe a lot of money on the bank side, otherwise, your old villa will not be seized by the bank, now you can temporarily live in this villa given by others, what else do you have? If not for Wendy's ability to earn more money now, you would still be pulling plastic bags in the supermarket, right?"

Mrs. Willson didn't expect that Charlie would poke her in the heart with every word. The bankruptcy of the Willson family was the one thing she couldn't let go of deep down, while being forced to work in a supermarket was the one thing she felt most humiliated about deep down.

Angry and frustrated, she said: "Charlie! Don't be complacent too early! It won't be long before you'll be thunderstruck! I'll be waiting to see your family's joke then!"

Charlie nodded and laughed: "Welcome, but I'm afraid that you, old woman, won't be able to wait until the day I get that, so it would be a pity if you can't witness it?"

Mrs. Willson gritted her teeth and sneered, "I think you'll only be here for a month or two! When those rich people react, not only will they take back all the money you cheated them out of, they will also send you to jail and sentence you to life imprisonment!"

The more Mrs. Willson said, the more furious she became, and continued to curse as if she was on top of her head: "By then, Jacob and Elaine, as your accomplices, will definitely not end up well either!"

She said, panting, "Right, I almost forgot! There is also Claire!"

Charlie's eyes suddenly turned cold as he stared at her and said in a cold voice: "Old lady, it is because of Claire's face that I am reserving the last point of tolerance for you, but if you dare to speak out against her, don't blame me for not showing mercy!"

"Aigoo! Do you think I'm an old woman who's scared? I've even been in jail, how can I be afraid of you?"

When lady Willson saw that Charlie seemed to be very sensitive to her mention of Claire, she immediately thought that she had caught Charlie's sore spot, so her anger suddenly became even more arrogant.

Chapter 3207

Just as she was about to target Claire and make a good dig at him, she suddenly heard someone shout out, "Grandma! What are you doing here?!"

The one who spoke was actually Wendy!

Today is the weekend, Wendy originally did not have to go to work, but because there are more students at the training school, so she specifically went over to keep an eye on the professional class for half a day.

The first thing you need to do is to get a new one.

Although Wendy knows very well, with Charlie's current economic strength, a Hermes belt in his eyes is really nothing.

But for the current Wendy, this is one of the few luxury items she can afford.

After all, she now earns money alone, four people eat, and her father and brother still need quite a lot of convalescence money, so she herself has been frugal, it was not easy to save this more than eight thousand dollars.

After she had the shopkeeper help to wrap the belt, on the way back she had been thinking about how she should hand the gift to Charlie.

After thinking about it, she planned to put the gift in the mailbox in front of Charlie's house, and then send a WeChat to Charlie to come out and get it himself.

She felt that this was relatively safe and would not be known by others, especially her sister Claire.

Moreover, if Charlie was not willing to accept his gift, he would not have the opportunity to reject it face to face, and more or less leave herself some leeway.

However, when she was about to pass by his door, she heard her grandmother's furious voice from quite a distance, and when she took a closer look, she saw her actually blocked Charlie's door and quarreled with him!

This scared Wendy's soul half off!

So, she hurriedly stepped on her high heels and ran all the way to the door of Charlie's house, dragged Mrs. Willson, and pulled her without saying anything: "Grandma, come home with me!"

Wendy, after this period of training, can now be said to be very discerning, she saw the old lady to find trouble with Charlie, she knew that the old lady must have caused big trouble, this kind of time must not continue in front of Charlie's house and her tussle, or her emotions up, excited, otherwise, don't know what will she say to Charlie in anger.

Therefore, the best way is to get the old lady away first, and then find a way to apologize to Charlie!

Mrs. Willson didn't expect Wendy to come back at this time, and when she saw that she was pulling herself to leave, she hurriedly said, "Hey Wendy, don't pull me, I'm telling you, this guy Charlie is about to get caught, what are you afraid of him for? Maybe in a few days, their family will ask us to take them in!"

Wendy felt her back full of cold sweat, blamed off the mouth: "Grandma what are you talking nonsense! Brother-in-law is so powerful, how can he fail! You quickly apologize to brother-in-law, let's hurry home after apologizing, don't give him a hard time here!"

Mrs. Willson raised her eyebrows: "What? Let me apologize to him? He is a liar who is always trying to cheat, how can you ask me to apologize to him? How dare you ask me to apologize to him?"

"I'm telling you, Wendy, you were deceived by the illusion of his previous call to action! Look at his birthday today, not even a single person came to his door to give him a gift, what does this mean? It means he is no longer able to do it! Maybe he'll be reckoned with in the future!"

Wendy knew very well that Charlie's connections in the city were extremely strong, so how could she just say that?

If he really is failing, then Shangmei etiquette company's ex boss must be the first time to come back to find the company to snatch back.

So, nothing else to see, as long as he has not come to find her, then Charlie is certainly not likely to face any trouble.

The only possibility is that her grandmother is in big trouble again!

Chapter 3208

Seeing her grandmother's arrogant appearance, Wendy was afraid in her heart and hurriedly said, "Grandmother! How can you be so rude to brother-in-law! Hurry up and apologize to him!"

Mrs. Willson listened in awe and said, "Wendy, are you out of your mind? Has our family suffered less from his bullying?"

The old lady said with righteous indignation and reprimanded: "Don't you forget! Your mother was sent to the black coal kiln by him!"

"If he hadn't sent your mother to the black coal kiln, your father and your mother wouldn't be in this situation today! That shrew Elaine would not have had the chance to humiliate your father by hanging green hats all over the balcony!"

"Also, have you forgotten what happened to you and me, when we were taken into custody? That is not all thanks to him?!"

"Now that you have a chance to take revenge, you not only don't help me, but also turn your elbow to this son of a b!tch, you want to kill me!"

Wendy's expression suddenly became very ugly, and she said very seriously, "Grandma! You are so old, why don't you still have a correct sense of right and wrong?"

"You are right, my mother was indeed sent to the black coal kiln by my brother-in-law, but have you ever thought about why she was sent to the black coal kiln by him? If she hadn't made a game with that woman, pitted all of Elaine's money not to mention the brother-in-law's villa, he wouldn't have been able to punish her that way!"

"And the two of us into the detention center, that incident, in the end, is also our own blame, the villa was given to brother-in-law, but you wanted to take over, repeatedly come to trouble, you also encouraged brother to come over to the old housekeeper of Solmon at that time, we were not sentenced, is already brother-in-law's extra-legal grace! "

Mrs. Willson stood dumbfounded as if she had been struck by lightning.

She looked at Wendy, unable to say a word for half a day, while her whole body was already trembling violently because of her anger.

Half a day later, she pointed at Wendy and said in the utmost pain, "Wendy ah Wendy! What kind of mesmerizing soup have you been given by Charlie? You have always hated him, so why are you starting to speak to him now?"

Wendy looked at her and said without flinching: "Brother-in-law didn't pour me any soul-soup, and I didn't speak to him, I just saw the truth of the matter itself!"

"Previously a thousand mistakes, it is our fault, I am sorry to my cousin, but also sorry to brother-in-law, we hurt and failed them again and again!"

"You you f*rt!" Mrs. Willson was so angry that she almost had a heart attack, trembling and pointing at Wendy, angrily rebuking, "Have you forgotten how Charlie plotted to harm our family?"

"We almost lost half of our lives when we ate the dumplings wrapped by the daffodil! Is this not a blood feud now?!"

Wendy shook her head and blurted out, "Daffodil was planted at home by brother-in-law, and you stole it as leeks to eat, which is theft itself! Stealing other people's things to eat, eating poisoning is also entirely your own fault, what does it have to do with him?"

Mrs. Willson was furious, her face red and neck thick, gritting her teeth and cursing, "You you are trying to kill me, you! If you continue to favor him, then I won't have you as my granddaughter!"

Wendy was not willing to show weakness and shot back, "If you don't apologize to brother-in-law, then I won't have you as a grandmother!"

Mrs. Willson was stunned and cried out, "Wendy, are you crazy? What's so great about this guy that you're willing to turn against your grandmother for him?"

Chapter 3209

Wendy's red eyes, emotional roar: "To be honest I've long had enough of you bossing me around!"

"You were the one who made me go with Gerald, you were the one who made me go with Fredmen, you were the one who caused me to lose my reputation, caused the Willson family to go bankrupt, and caused me to be forced to work as a courtesan to support my family!

"I have been suffering for more than a year, and a large part of it is because of you! You don't repent, but now you want to force me to turn my back on my brother-in-law who has been so kind to me.

Mrs. Willson also broke down and cried: "In the past, grandmother certainly did something wrong, you can blame grandmother, I have nothing to say, but I have loved you for so many years, do you not know how to be grateful?"

"You don't know how to be grateful to me, but you even said that Charlie has a kindness to you, you talk like this, don't you think you are losing your conscience?"

The angry Wendy said without thinking, "Of course I don't feel guilty! When I was forced to sign a contract of sale at the ceremony company, it was brother-in-law who rescued me!"

Wendy said, with tears in her eyes, continued, "Brother-in-law not only saved me, but also drove away the black-hearted boss and his girlfriend, and restored the freedom of all the other sisters who were forced to sign the deed together!"

"And, I tell you the truth, it was brother-in-law who gave me the Shangmei Etiquette Company to take care of! What I can have today, it is all because of brother-in-law's care! The nobleman I am talking about is him!"

When Mrs. Willson heard this, her whole body was shocked, and her eyes could not wait to fall to the ground.

She had never dreamed that the noble person that Wendy had met was Charlie!

It is ridiculous that she thought that Wendy had climbed up to a nobleman, Charlie instead might have to falter, so she ran over to him for a round of mockery, but did not expect that the reason why their family still has food and drink is that he rewarded them a mouthful of food!

At this time, Wendy more and more excited, to the old lady Willson, said loudly:
"Shangmei etiquette company can do so much so quickly, and it is not because of my capabilities."

"It is brother-in-law who has long helped me to deal with the underworld men, so those very people are now trying to take care of my business by all means!

"There are so many powerful people, so many different kinds of industries, now as long as there is a need for a Miss etiquette, they will definitely seek my cooperation!"

"Even many times if they don't need a Miss Etiquette, they still have to find me to cooperate!"

"Why is that happening? That is all because of brother-in-law."

"Have you ever seen the bosses of the road meeting, dozens of courtesans were invited to the scene to welcome guests, do sign-in?"

"Have you ever seen a big man marry his daughter, do not want the hotel's waiters, but instead spend money to hire more than a hundred ladies of etiquette, to go to the scene to serve food and wine to guests, tea and water?"

"The reason they do so, all because of the face of brother-in-law, only to help me by all means! Because of this relationship, Shangmei can develop so fast!"

Saying that, she pointed at Mrs. Willson and rebuked, "The food and clothing that you, my father and my brother have now are all given by brother-in-law!"

"Even this new dress you're wearing is only possible because of brother-in-law's blessing!"

"Otherwise, I would have been forced to sign a contract of sale and become an escort in a KTV, so I wouldn't have any money to buy you new clothes.

"Maybe you even have to go to the supermarket to pull plastic bags to feed yourself!"

"Now that you have a stable life, you have to come out and make a fool out of yourself, what are you doing?"

"Do you want to force me to leave home and make a clean break with you forever?"

Chapter 3210

Wendy's accusation made Lady Willson's legs go weak and she almost sat down on her bu.tt.

She never dreamed that the noble person who brought her family back from the dead was Charlie, whom she had always despised and wanted to seek revenge on!

This reality, in the old lady's heart, was as shocking as the Big Bang.

Because, she thought, Wendy's noble person could be anyone in this world, but the most unlikely one was Charlie.

However, the truth of the matter is just like that.

Saved Wendy from the trap of selling her b0dy. The one who gave the whole Shangmei etiquette company to her to take care of was him.

Mrs. Willson was panicked and afraid, and deep inside she realized: "I just spoke in a tone that was a bit too arrogant, and I know without asking that Charlie must be particularly angry

He will not be just angry with me, will he directly drive Wendy away from Shangmei etiquette company?"

"The hope of our family of four, now she is alone! If Wendy loses her job, then we will not be beaten back to the original form again? If she loses her job, won't we be put back in the same position?"

When she thought of the consequences of offending Charlie, Mrs. Willson was terrified to the extreme, and her expression immediately became very flattering and very self-condemning, lamenting guiltily:

"Ah Charlie blame grandmother's eyes, I really did not expect. You actually managed to repay your grievances with virtue and helped Wendy, helped us so much"

Speaking of this, Mrs. Willson choked with tears and said: "You help us with virtue, but I, a bad old woman, repay virtue with grievances, on your birthday, a happy day I came and scream with you, really blinded my dog's eyes"

"You do not mind the small woman, for the sake of grandma's age I have been so old I'm sorry, but I'm not sure if I'm going to be able to get a good deal, right?"

Charlie looked at her instant change of posture, the heart can not help but sigh: "This old lady though with other skills no, acting skills are really great, happy, sad and instantaneous switch, far better than an old actor!"

"If she could devote a little of her mind to serious matters, then the Willson Group would not have ended up in such a state."

However, after all, Mrs. Willson is old, Charlie does not want to kill her, cold to the end, since she has softened, it is natural to give her a step.

So, he said indifferently: "Okay, say a thousand words, you are after all Claire's grandmother, I also do not want to tussle with you, but from now on you must remember, we do not cross the river water."

"You and your family, don't come to our family any cause trouble and discomfort, otherwise, I will not be polite!"

When Mrs. Willson heard these words, she let out a long breath.

Now she finally realized that the basic security of life for her family of four was all given by Charlie, and if she still did not repent, she was afraid that the family would have to starve and beg for food in the streets.

So, she hastily nodded her head like a chicken pecking rice and promised: "Don't worry, Charlie. Grandma will definitely not find you any more discomfort!"

Chapter 3211

At this point, she flattering smiled and said:

"Charlie, we are after all a family, there are only some unclear misunderstanding, as long as we breathe, we are still a family of love, you are my grandson-in-law, Claire is my granddaughter, Jacob and Elaine are my son and daughter-in-law, we are actually the closest relatives!"

At this time, her face was full of smiles, and her tone was somewhat subdued: "You see, grandmother has also made amends and apologized."

"It's time for our two families to reconcile, and it's your birthday today, so on this happy day, the two families can get together for a meal and completely resolve their differences, don't you think?"

After listening to her words, Charlie said with a cold smile on his face,

"There is no need to settle the past, I don't want to have anything more to do with you. My family is also the same, so you should not be playing this wishful thinking."

Saying that he in order to completely put an end to the old lady's thoughts, and serious warning:

"Today's matter, as well as the matter of me giving Shangmei etiquette company to Wendy to take care, if you dare to reveal it to Claire, or my parents-in-law, then sorry, I will take it all back!"

When Mrs. Willson heard these words, her heart thumped.

She knew that Charlie had sensed her intentions.

To the old lady, after she learned that Charlie was the one who was valuable to Wendy. Then realized that not only does he seem to have a failure, but even his ability and influence are far above her previous perception, after realizing this.

The old lady's heart began to think about taking the opportunity to repair relations with him and his family.

In this way, the benefits that can be obtained in the future will certainly be much more than now.

But she did not expect that this point in her mind. Charlie not only rejected her, but also blocked her chances to find other family members to save the country.

At this moment, she was inwardly dying of a million regrets: "Hey! If I had known that Charlie could be so capable, why did I have to keep targeting him, keep targeting the family of four?"

"Now I have offended all of their family, it seems that there is little chance to further repair the relationship in the future"

Charlie saw that Mrs. Willson had a strange expression and did not say a word, so he questioned, "What I just said, do you understand?"

"Heard and understood" Mrs. Willson how dared to disobey Charlie, after all, Wendy's current job was the survival guarantee for her family of four, if she offended him, there was absolutely no good end.

So, she had to nod resentfully and said, "Okay I know"

Charlie nodded in satisfaction and spoke, "Just know, remember what I just said. In the future, well water does not offend river water!"

After saying that, he looked at Wendy again and said, "You take her back."

Wendy nodded gently and said in a good manner, "Okay brother-in-law, I'll take her back."

Then, she held Mrs. Willson and spoke, "Grandma, let's go home."

Mrs. Willson was like a defeated rooster. Lightly nodded her head.

When Charlie saw this, he directly closed the courtyard door and stepped back to the villa.

Outside the door, Mrs. Willson just turned to go, she saw the Hermes bag Wendy was carrying in her hand, the bag was not big, and there was a Hermes box inside.

So, she subconsciously asked: "Wendy, how come you still bought Hermes things? Our family's current economic situation, cannot afford such luxury goods ah!"

Wendy immediately said in some panic: "Ah, this grandmother this is what I bought for someone else, you just leave it" "

"Bought for someone else?!" Mrs. Willson said angrily:

"Now the whole family is saving money, I still hope that your father and your brother get better soon, can go out to work to subsidize the family, but you are good, just earn some money, and start to buy luxury goods to give away?"

"Are we the kind of family that can give away Hermes at the drop of a hat?"

She reached over and grabbed the bag, pulled out a small ticket, and exclaimed,

"Oh my God! A belt nearly 10,000 yuan?! Are you crazy? You can barely eat, and you're still here to poorly burn the bag, hurry up and return it!"

Chapter 3212

Wendy didn't expect that the belt she wanted to buy to give to Charlie has angered her grandmother.

As soon as she saw this temper of her grandmother who wanted to control and decide everything, she also got angry and said offhandedly,

"Every penny I spend now is my own hard-earned money, what I want to buy is my freedom, you have no right to interfere!"

"What?! I have no right to interfere?!" Mrs. Willson had just eaten at Charlie's place and was disliked back by him, so she was very depressed in her heart, and seeing that even Wendy dared to talk back to her, it immediately ignited her fire.

Then, she stopped in her tracks and angrily rebuked: "You must not forget that I have always been the head of this family, before, now, and in the future!"

"The family is now the most difficult time, every penny, must be spent on the edge of the knife! If you are so extravagant and wasteful, you are putting the life and death of our family at risk!"

Wendy was aggrieved and said angrily, "You used to be in charge of everything because you were in charge of everything in the family, but everything in the family is lost in your hands!"

"Now everything is back to zero, starting with nothing, for my hard-earned money, why would I want you to be in charge?"

Wendy became angrier, her voice also raised a few points, and she said,

"From now on, I will be the one to decide my affairs!"

"As for the money I earn, I will take out a portion of it for your living expenses, as well as the expenses for father and brother's rehabilitation, and every penny of the rest will be at my own disposal, you have no right to interfere!"

Mrs. Willson was furious and accused through clenched teeth, "You're really wrong! Are you going to follow the example of that heartless Claire and turn your back on me?"

Wendy said with tears in her eyes, "There's nothing wrong with following my sister Claire's example."

She said in a very strong tone: "I have said what I should say, if you are willing to accept, then according to what I said, I will give you monthly living expenses, the rest you do not care, you have no right to care."

"If you do not accept, then I will go out tomorrow to rent a room to live, I can not sleep in the company, the company's general manager office area is very large, I will set a bed! It's not a problem at all!"

Mrs. Willson, seeing Wendy's determined attitude, panicked and said,

"Ai Wendy, what are you talking about we have come a long way as a family of four, we have suffered all sorts of hardships and seen all sorts of waves, how can we just break up?"

The company's main goal is to provide a good solution to the problem.

Wendy immediately said, "Good! Then it's a deal!"

Mrs. Willson was busy saying, "Okay, okay, it's a deal, it's a deal!"

After saying that, she smiled and asked, "Right Wendy, how much do you give me for living expenses in a month? You said that I am old, I must often eat good food to replenish my body, the food standard must be a little more."

"How about this, you give me six thousand a month, this is even if I and your father and your brother's living expenses."

"In addition, you give me an additional two thousand as your father and your brother's rehabilitation costs, a total of eight thousand per month, what do you think?"

Wendy was naturally clear that a month, three people, and eight thousand for living expenses, this standard was really a bit too high.

However, she did not bother to argue more with Mrs. Willson, after all, as long as she could make this old woman willingly give up the idea of controlling her, this was already a huge victory.

As for the eight thousand, although it is a little more, but now the company income is very good, her own monthly income to hand is more than 10,000.

Moreover, the company's development is good, the profits are naturally high, after each quarter after the company's tax return, there is a small part of the net profit of her own

commission, so that the calculation, how to say a year can also get three or four hundred thousand, or even more.

So, giving the old lady eight thousand a month is not a big burden.

What's more, dad and brother will be able to recover in a month or two, and they will be able to find a job to subsidize the family, which will reduce the pressure on her.

Chapter 3213

So, Wendy nodded and said: "8,000 is 8,000, but you remember your promise not to interfere with my life and my freedom!"

"In addition, after my father and my brother can work, I will only pay 3,000 a month to the family! If you don't agree, I'll move out!"

Mrs. Willson promised in a loud voice, "Okay, grandma will definitely not interfere with your freedom in the future!"

Wendy took the Hermes belt back from her hand and looked at it in her hand for half a day.

She originally wanted to quietly put it in the mailbox of Charlie's house and then tell him on WeChat.

But, grandma is around now, and she didn't want to do this in front of her.

Moreover, just now, Charlie's attitude did make her realize how distant he felt from herself and her family.

Thinking, Charlie should just help her in passing, but at the same time keep a distance of well water from her at all times in his heart.

In this case, she took the chance to send him a birthday gift, it will be a coincidence and make him resentful.

Thinking of this, she sighed quietly and said to Mrs. Willson, "All right, Grandma, let's go home."

Mrs. Willson nodded resentfully and followed behind Wendy, walking towards her villa while sighing and complaining,

"Wendy, it's not that grandma is talking about you, why didn't you tell me earlier about Charlie helping you? If you told grandma earlier, I wouldn't have to run to touch this nail"

Wendy walked in front, looking at the Hermes belt in her hand, said distractedly, "Brother-in-law won't let me tell anyone."

"Ai" Mrs. Willson sighed and sighed: "This Charlie heart, everywhere wary of us ah"

Wendy heard these words, the heart is even more difficult, so the bottom of the feet quickly walked two steps, first back to the villa where the family lives.

Mrs. Willson trotted all the way up to catch up, the two came to the upstairs bedroom, lying in bed Noah and Harold have long been a little impatient, Harold with a look of expectation asked Mrs. Willson: "Grandma, did you see Charlie?"

Mrs. Willson said with a despondent look, "I have"

Harold was busy asking, "Then what does he say? Is this guy really about to burst into flames?"

Mrs. Willson lamented, "What bursting into flames? Really whimsical, Charlie is impossible to falter"

"Why ah grandmother?" Harold was amazed, hurriedly said:

"This is not all your analysis? Say what a leaf to know the autumn, also said what before the door to the market, and what now the door can be a sparrow, etc, how now say I whimsical?"

Mrs. Willson said in exasperation, "What's wrong with me saying a few words? It's not a crime to speak such things!"

Noah said in a roundabout way, "Mom, don't be so mean to Harold, he grew up naughty and didn't read much."

After saying that, seeing that Mrs. Willson's expression had eased a few points, he hurriedly asked, "Mom, you can tell us. Charlie that son of a b!tch why it is impossible for him to fail?"

Mrs. Willson sighed and said quietly,

"In the end, I was wrong in my estimation, this kid really has some ability, before Wendy has not told us, the person that helped her a lot, who gave the Shangmei etiquette company to her management, is Charlie!"

Chapter 3214

When Noah and Harold heard this, the father and son duo both lay on the bed and froze for more than a minute.

Harold still had some disbelief, he opened his mouth and asked, "Grandma you shouldn't be joking with me and teasing me, right?"

"I do hope it's a joke!" Mrs. Willson resentfully said, "I never dreamed that the noble person of Wendy would be him, if I could choose, I would rather choose a dead person than him ah."

Harold was full of doubts: "But but why would he help Wendy? It is reasonable to say that he has a grudge against us, and can't wait to see us go to ruin, so how can he help us?"

Wendy spoke: "Brother, you should not take the heart of a gentleman, brother-in-law did have a grudge against us before."

"But that's because we've been looking for trouble with him and his family time and time again, but brother-in-law has never taken the initiative to find fault with us!"

Harold depressed said: "To find trouble for them, but also because they are always against us, other than to say, Claire."

"Grandmother had long asked her to divorce Charlie, but she just did not listen, and then suffered some grievances, left the Willson Group to set up her own business."

"She was not filial, they never agreed to move grandmother to their villa, they did not agree. They even put Grandma in the prison!"

Wendy's tone was stern as she rebuked, "How come you still haven't figured it out yet? Don't you realize that we were wrong all along?"

"Since Sister Claire was not willing to divorce Charlie, who were we to force her? Freedom of marriage, freedom of love, this is what the state has been saying for years, why can't we respect her choice?"

"There is also the matter of her setting up her own business, why did she want to set up her own business in the first place, don't you still have a clear idea in your heart?"

"She took the initiative and got the contract from the Empire Group, so by rights Grandma should have kept her promise and given her the position of director, but what did you do? You said bad things about her in front of Grandma."

"You slandered her for having an affair, and finally fooled Grandma into giving you the position of director, that alone broke Sister Claire's heart."

Harold's face was red and black, he wanted to refute something, but he couldn't find a point to refute, so he said,

"Let's forget about this matter, let's say they moved to a new villa, a family of 4 live in such a big villa, shouldn't they invite grandmother over to enjoy the blessings?"

"On what grounds?" Wendy said,

"To be honest, grandmother has never treated the family well, never given them any benefits, just, every now and then will give them some discomfort, and even kicked them out of the house."

"Why would they invite her to their villa? If you were in their shoes, would you do that?"

Although Mrs. Willson was very upset in her heart, she couldn't refute directly, after all, Wendy was the pillar of the family, and she had almost flipped with her just now.

So she didn't dare to confront her now, so she just sat on the side like an aggravated bag and didn't say anything.

Harold was unable to refute Wendy, said red-faced: "Then our mother's revenge is always understood, right? He sent our mother to the black coal kiln, this thing you can forgive him?"

Wendy rhetorically asked, "Then you tell us why Charlie sent our mother to the black coal kiln?"

Harold was speechless.

In fact, he knew very well in his heart.

In the beginning, this matter was ultimately because Mom and Dad had ill intentions towards Charlie's family, and they had joined forces with others to set a trap for Elaine, but they just didn't expect to be cracked by Charlie.

So, in the end, Mom's matter is also considered to be to blame, how to wash their own ground is meaningless.

Chapter 3215

Wendy said: "Brother, you are almost 30 years old, don't look at things like a child now, you have to know right from wrong and recognize reality!"

Wendy said with a bit of sorrow: "Our family has long been different from the past, and now this situation."

"When you and Dad recover, you both must go out to find a job to support the family, if you are still so immature, still lack of sense of right and wrong, how will you stand in the society?"

"You also need to start a family in the future, also need to establish a career, also need to have children to pass on the family! You can't be as confused as you are now, right?"

Wendy's words directly hit the biggest pain deep inside Harold's heart.

He also knew very well that he had always been just a straw man. He couldn't do anything, and he didn't have enough to eat.

In the past, with the halo of the Willson family above his head, he was considered to have no worries about food and drink, and could barely be considered a rich second generation.

But now, everything has gone to zero.

In the future, he does not have any aura to rely on, and there is no mountain to sit on, if he continues to muddle along, it is likely to be the same as those 40 or 50-year-old street yo-yo who can not find a date, wasting their lives.

He suddenly remembered a movie called Mr. Tree, in which there is a role, seems like some magic realism, but in real life. You can often see such people, and you can even say that there are such people everywhere.

Poor, pathetic, and hopeless.

Thinking of this. Harold's heart suddenly felt very hard, he realized at this time, he simply can not see where his future is, his own future is so bleak.

He thought desperately in his heart, "My sister now, with the help of Charlie, is considered to have a career, and also a career with a bright future"

"But what about me?"

"Willson's group is no more, when I recover, what can I do?"

"I also have not learned any professional skills, no skills, and also never looked for a job outside, not even a good resume, how can I find a job in the future? What kind of job can I find?"

"Will I just be eliminated from society?"

"And I'm so old, I don't even have a girlfriend, and now my family is not doing well, if I can't even find a decent job, how can I find a date?"

"To really have been bachelor, to 40 years old when this life has no chance to turn over"

The more Harold thought, the more desperate, desperate to the extreme, he could not control, so he whimpered and cried. While crying, he choked and said, "What can I do in the future I"

Noah, who saw Harold's appearance, could not help but sigh and said,

"Okay, let's not talk about this, your mother was really our fault in the first place, we let Elaine lose so much money at the gambling table, if the matter really went to the police."

"The amount of money involved is enough for your mother and me to go to jail, so in the end, Charlie is also considered to have left us some leeway"

After saying that, he looked at Harold, comforted: "Son, you look like a woman in that cry."

"After the body is well, go to a serious class, we will deliver couriers together, by delivery we can also earn a few thousand a month, as long as you are willing to suffer, hard work, we can always find a way to live!"

Harold cried and nodded.

Noah then said: "When the time comes, you save some money yourself, I will also help you save some, also let your sister help a little, to put together a few hundred thousand

bride price, you will be entrusted to a daughter-in-law, no matter what, we can also give your family a backing!”

Chapter 3216

Noah’s words did not really comfort Harold.

On the contrary, what he said was too pragmatic, and suddenly made Harold full of despair about his future life.

He has always been pretentious and always feels that he will definitely become a great man in the future, and even his future wife must be a good first-class woman.

Not only must she have a top-notch look, a perfect body, but also a strong and extraordinary background.

That’s why he pursued Elsa with all his heart and wanted to become the son-in-law of the Dong family.

But now, his father’s words made him realize that he has absolutely nothing to do with a woman like Elsa in the future.

Afraid that his future self can only be a blue-collar worker who makes money by doing coolie’s work, and he is afraid that it will be difficult for him to find a favorite object, and may even rely on a high gift to marry a wife home.

Following this blueprint to conceive of his future, Harold felt that his future was simply bleak, just like falling into a black hole.

As a result, he cried more fiercely.

When he cried like this, Noah felt very painful in his heart.

He wanted to help his son, but he knew very well that his future would not be much easier than his son.

The only good thing is that he has at least been married and has a pair of children, and if Harold doesn't work hard, he may not even get married in the future.

As a result, he couldn't help but sigh, and his whole person was much more decadent.

Wendy felt the extreme depression of the two of them, rubbed her temples, and said, "I am going to the kitchen to cook."

After that, she fled and walked out of the bedroom quickly.

Originally, she wanted to find a chance to put the belt bought for Charlie in the mailbox at the door of his house, but when she thought of her current downturn, she couldn't help but feel a strong sense of inferiority in her heart.

After thinking about it, she still decided to go to the store tomorrow to return the belt, and from now on, she will work hard to make money.

...

At the same time, Charlie returned to the living room of the villa, and his wife and father-in-law were still busy in the kitchen.

Mrs. Willson was making noise at the gate of the courtyard just now, and they didn't hear any sound at all, which made Charlie breathe a sigh of relief.

However, with today's appearance, Mrs. Willson, Noah, and Harold will definitely disappear completely in the future.

In this family, Wendy can be regarded as knowing a mistake and can correct it, and Charlie helped her with a small effort, which is also regarded as benevolent.

As for the remaining three people in the Willson family, Charlie didn't want to talk to them at all, as long as they didn't make trouble, it didn't matter whether they were alive or dead.

Chapter 3217

In half an afternoon, Claire and her parents cooked a large table of sumptuous delicacies.

When Claire and Charlie went to the restaurant, a total of twelve dishes of all kinds were placed on the dinner table.

Charlie really didn't expect that the three of them would cook so many dishes. He was surprised and said,

"Claire, Dad, Mom. There are only four of us. Is it not too wasteful to cook so many dishes? It's so hard to cook so many dishes."

Claire wiped the sweat from her forehead and said with a smile: "The food is too much, but it doesn't appear to be too much when you eat it, and it's all for your birthday dinner. Naturally, it should be a little grander, and there is no talk at all of the hard work."

Jacob said with a smile, "Charlie, let's have a drink?"

Charlie nodded and said, "Of course I have to accompany you for a couple of drinks. I'll go to the storage room to get wine."

Elaine hurriedly said: "Charlie, bring a bottle of red wine, by the way, Claire and I will also accompany you to drink some."

"Okay." Charlie agreed and asked Claire: "Wife. Can you drink?"

Claire nodded and said with a smile: "I can't drink though I want to drink, if we both drink, we won't be able to drive when we have to go to the concert."

Charlie said, "It's okay, I have a way to metabolize all the alcohol in a short time."

Claire smiled helplessly: "Just blow it up and metabolize the alcohol. You know that it takes more than ten hours to metabolize alcohol. Drinking and not driving is a matter of principle. You can't just use it just because you drink well. Try it out."

Charlie can actually metabolize all the alcohol with aura, but he also knows that his wife won't believe in him, since that's the case, he doesn't need to explain too much.

So he smiled and said: "It's the wife who is right. Drinking and not driving. Let's drink first. When we go to the concert, we will use our mobile phone to call for a car."

"It's almost the same!" Claire smiled: "It's okay if you don't drive today. Sara's concert will have at least tens of thousands of people."

"By that time, the entire venue will definitely be very troublesome to park. We might as well take a taxi and wait for the concert to end."

"After that, we can walk back. From the stadium to our house, it will take about 30 to 40 minutes to walk back. Just take a walk?"

Charlie nodded and smiled: "Okay, I listen to you."

Jacob hurriedly said with a cheeky smile at this time: "Oh my son-in-law, when you go down and remember to get two bottles of good Moutai, I have been greedy for those Moutai for many days!"

Charlie smiled and said, "Okay, let's take the best Moutai!"

Elaine hurriedly said: "Charlie, the best Moutai in our house is hundreds of thousands of bottles. Jacob drinking it is too wasteful. Or you can take the best Moutai and drink it by yourself, and then just give him a bottle of the normal one."

Jacob immediately protested with depression: "Elaine, what do you mean by this? It's all stuff that enters the stomach. Whose stomach is not a stomach, and why is it wasteful to enter my stomach?"

Elaine curled her lips and said: "Go, go to the bathroom and take a good look in the mirror! Take a good look at your old face!"

"A face like like, it's worth drinking hundreds of thousands worth bottles of Maotai? How many do you drink? When this news spreads, the Moutai stock will immediately drop to a limit tomorrow morning!"

"You..." Jacob just waved his hand anxiously, jumped on the spot twice, and said angrily: "Your broken mouth is too bad! You are mad at me!"

Elaine said seriously: "I didn't hurt you. I'm telling the truth. People say that a good horse can be equipped with a saddle. At best, you are a squeezed donkey."

"You can't even match a saddle. At best, you will put on a donkey cover. ! So don't drink such expensive Moutai, go to the supermarket at the door and buy a bottle of Erguotou for not more than ten yuan, which is totally worthy of you!"

Jacob clutched his heart, and said to Charlie and Claire, "Have you seen it, today is Charlie's birthday, but your mother is going to make me mad! Charlie's birthday will be my death day. My son-in-law, I'm sorry, Dad added a block to you!"

Claire was helpless, and said: "Oh, mom, you can say a few words, you use a set of hundreds of thousands of skincare products, Dad didn't say anything? Why are you always nagging him?"

Chapter 3218

Jacob's eyes lit up and he blurted out excitedly: "Yeah! Elaine! You said my old face is not worth drinking expensive Moutai, then is your old face worthy of hundreds of thousands worth of skincare products? Don't you forget, we are a couple!"

"If you say that is half a catty to a couple, if I, Jacob, am a donkey, then you Elaine are the mule of the camel, who is better than the other?"

Elaine felt extremely humiliated, and yelled in anger, "Fck your mother's old mule! Just like yours is also worthy of comparison with your old lady? Look at your old face, wrinkled like a ripened pumpkin, it looks like even my mother is tender, white, and smooth? You still have the face to say you're half a catty to me?"

Jacob was angry, looked at Charlie annoyed, and blurted out: "Look, I said that the skincare products you gave her so expensive are a waste. It is better to put skincare products on a dog's face to pet it."

"You should have listened to me in the first place, and just given her a fake, anyway, she can't see it at all in her old hat!"

As soon as Jacob finished saying this, he regretted it instantly.

He was only excited and blurted out for a while, and then realized that he had stabbed a hornet's nest.

Sure enough, when Elaine heard this, she stretched out her hand to tear it up with him, and cursed,

"Jacob, you ba5tard, my son-in-law gave me something. If you don't give it, it's fine. Make a bad idea about that, see if I don't dig out your old face!"

Claire didn't expect that the two of them would tear it up as they talked, and hurriedly stepped forward to block in the middle, and said helplessly:

"Oh, dad! Mom! When are you two going to have trouble? Don't forget that today is Charlie's birthday! The two of you are having trouble here on a happy day. Isn't this deliberately adding to the block?"

Charlie also said at this time: "Mom, don't be so harsh with dad. You are all a family. Don't make trouble because of this little incident all day long."

"You say that it is better for us to keep a close eye on our days, but you two The relationship is getting worse and worse. If this is the case, I think we should just move back to the previous dilapidated house, and the family can be more harmonious!"

As soon as Charlie said this, Elaine immediately stopped all actions and blurted out, "No! Good son-in-law, don't! We can say anything if we have to move back to the old house. You can make a big joke. It's..."

Charlie shook his head helplessly, and said, "In this case, please cherish our hard-won happy life with Dad and stop quarreling."

"Okay!" Elaine said without hesitation: "No problem! Absolutely no problem! Mom listens to you, not like this old dog!"

Jacob curled his mouth, just about to rebut, Elaine glared at him, and he immediately closed his mouth with interest.

In fact, in front of Elaine, he didn't have any serious combat effectiveness at all.

If Elaine was the iron torrent of Nazi Germany during World War II, Jacob would be a Poland at best. Under Elaine's iron hoof, he would not be able to survive a few rounds.

Therefore, he wisely chose to shut his mouth after being scolded by an old dog Elaine, and the quarrel finally ended.

Seeing that the two finally stopped, Charlie turned around and took the elevator to the basement floor.

From the storage room, he took out two bottles of Moutai and two bottles of red wine.

Charlie's Tibetan wine, whether it is white wine or red, is a very top brand, mainly they got it during the Chinese New Year, and they haven't drunk it much.

Jacob had indeed coveted these for a long, long time, but each bottle of these wines was worth more than one hundred thousand, and Elaine said that she would not let him drink anything.

In order to prevent him from drinking secretly, she even made an inventory for these wines, and checked every three to five days. Although Jacob was worried, he was always guilty.

When Charlie returned with the wine, Jacob took the wine in excitement and opened the wine carefully. The sauce-scented wine scent drifted. Jacob couldn't help sighing,

"This wine is the best wine!" Just smelling a few times makes me feel like I'm going to get up.

Elaine gave him a white look and muttered: "The 75% antiseptic alcohol smells even higher, if you don't believe me, try it!"

"What do you know." Jacob murmured, and quickly picked up the cup to pour wine for Charlie and himself.

Chapter 3219

Elaine also knew that saying too much about Jacob would also destroy the atmosphere, so she didn't talk anymore, but took the red wine from Charlie's hand and took the initiative to open it with a wine cork.

A family of four filled the wine, Claire took out the cake, and said to Charlie: "Husband, you first blow the candles and make a wish, and then let's eat!"

Charlie smiled and nodded. This is the standard procedure for birthdays. It is like this at noon and it is still like this at night.

This is basically the same as gatherings of classmates and colleagues. No matter which city, the process of gathering is generally to eat first and then KTV.

Therefore, when Claire took out the cake from the refrigerator and lit the candles, Charlie prepared to make a wish and blew the candles.

Claire on the side also sang a happy birthday song for him. Her voice was not loud, but she was very gentle. With big eyes, she was singing out: "Happy birthday to you, happy birthday to you... .."

Charlie acquiesced to his wishes in Claire's singing and blew out the candles.

Afterwards, Claire said: "My husband, close your eyes, I have a gift for you!"

Charlie nodded and closed his eyes gently.

Claire took out a gift box from behind, held it in both hands, put it in Charlie's hand, and said with a smile: "Okay, open your eyes!"

Charlie looked down, and what was in his hand turned out to be a watch box.

A simple line of letters was written on the box, Charlie recognized at a glance, it turned out to be Patek Philippe.

He looked at Claire in surprise, and said: "Wife, why did you buy me such an expensive gift?"

Claire replied with shame: "It's not expensive, open it and see if you like it!"

Charlie nodded and opened the package, inside which was lying quietly a Patek Philippe Nautilus watch.

At this time, Claire said softly from the side: "This Nautilus, in Patek Philippe, is considered an entry-level style."

"After I completed the Emgrand Group's projects and settled all the upstream and downstream payments, I will buy for you a better piece!"

Charlie hurriedly said: "My good wife, a Nautilus now has a price increase of at least half a million, right?"

"The price of the current watch is too outrageous, so don't buy me such an expensive watch in the future. A good mechanical watch is as accurate as the time on the phone."

Claire smiled and said, "How can it be the same? Men wear watches not to see the time. It is mainly a kind of temperament. Nowadays, men who are more careful have several watches, attending different occasions and matching different clothes."

"I also have to choose a different watch. I don't want my husband to be pricked when going out in the future, especially since your customers are rich people who always see that you don't even wear a watch."

"You definitely think that my wife is reluctant to buy it for you!"

When Charlie heard this, he couldn't help feeling a little moved. He smiled and said, "Thank you, wife! My wife is the most considerate."

Elaine, who was on the side, heard the tongue stunned and exclaimed: "Good Lord, just such a watch, it costs more than half a million, is its appearance that good?!"

Claire said earnestly: "Mom, this is a classic model. Not only is it expensive in China, but it's the same all over the world."

Elaine touched her heart and said, "This is a BMW car worn on the wrist!"

Claire smiled and said, "If you say so, there is still a luxury villa on your wrist."

Charlie said seriously: "My wife. You just bought a watch, so don't buy it again in the future."

Claire smiled and said, "Whether to buy or not in the future depends on my mood and whether I can make money. Anyway, your opinion doesn't count."

Charlie smiled and nodded: "Well, I will listen to you."

Claire said with satisfaction: "This is pretty much the same!"

After finishing speaking, she quickly took out the watch and said to Charlie: "I will help you wear it. From now on, you will try to wear it every day. Just don't wear it for a few days and leave it."

Charlie smiled and said, "My wife gave it to me, of course, I have to wear it every day!"

Claire nodded, and while looking at the watch on his wrist, she exclaimed: "It looks good! It is low-key and connotative."

"It looks much better than the big gold watch that the elite like! Husband, don't take it off. You will wear it when we go to the concert later!"
