

## Chapter 315

The man sneered at the words, "Come on, don't puff your face up and pretend I can't see it, kid?"

His words pierced Gu Zijun's disguise, and Gu Zijun's face was slightly green and somewhat accosted.

Fai asked again, "Go ahead! Do you really want this little pussy?"

Gu Zi Jun hesitated for a moment before muttering, "Of course I want it, but she's stubborn and ignores me at all."

Fai raised an eyebrow and said, "So you want her to follow you obediently?"

Gu Zi Jun looked up at him, puzzled, "Of course I want to."

Fai nodded, "In that case, I'll teach you a way."

Gu Zijun's eyebrows were happy, "What's the solution?"

I saw the man pull out a packet of white powder from his pocket and place it in front of him, whispering, "Put this down in her wine later, and make sure you call it a night."

Gu Zijun's face turned pale and he barely smiled, "Fai, stop it, I'm serious about her, after this, will she still talk to me?"

Fai sneered, "You don't understand this, a woman is a creature that was born to be slept on, give her this stuff to drink, and cook the raw rice first tonight, by tomorrow, even if she wants to go back on her word, she won't be able to!"

"But... "Gu Zijun was still hesitant.

Fai added, "When she first started, she will definitely be angry with you for a few days, during that time you have a better temper, coax her a little, soft and hard, in a short time, she will recognize the facts and slowly accept you, don't worry, this is an old brother's experience, will never harm you."

Gu Zijun was somewhat moved by his words, and turned to look at Guan Yue Wan, only to see the girl sitting there quietly, her plain face cool and indifferent, like a flower on the snowy plains of Gaoling.

In my mind, I couldn't help but imagine such a face yet waning beneath me, and my blood instantly boiled.

He hesitated for a moment, but eventually reached for the packet of powder and nodded, "Okay, I'll do what you say!"

Fai had a gleam in his eye and patted him on the shoulder without another word.

Guan Yue Wan sat there by herself, inherently bored and a bit too long to sit there.

Just then, Gu Zijun, who had already left, came over again, holding a glass of wine and smiling playfully, "I was just impulsive and my tone was bad, I apologize to you, don't bother with me, okay?"

Guan Yue Wan turned her eyes to look at him and frowned, not understanding what kind of medicine this man was selling again.

"What the hell are you up to again? Tell me the truth!"

Gu Zi Jun saw his attempt to be pierced by her and was somewhat accosted.

"Where did I get any funny ideas? I'm just looking for you for a drink!"

After a pause, he added, "Look, even if the two of us can't be together, it's always okay to be friends, right? It's my friend's birthday today, so if you're out, why can't you just have fun and hang out? You're making me lose face, you know?"

Besides, you've taken words to anger me several times and I've never bothered with you, so can't you be noble and generous and forgive me this time?"

Guan Yue Wan smiled coldly, "If you were willing to talk to me earlier, you wouldn't have to sit here and make me angry!"

Gu Zijun: "..."

His face also went cold, and he didn't have the good sense to say, "You're just determined not to give me that face today, aren't you?"

Guan Yuewan coldly said, "I already said that the two of us can't be together, it's you yourself who has had the cheek to get together and ask for abuse several times, so don't blame me for having a bad attitude, and frankly speaking, I already have a good attitude without turning around and walking away now."

Her words caused Gu Zijun's appearance to turn cold again and gloomy, "Do you know that you are toasting the wine and not eating it!"

Guan Yue Wan hooked her lips sarcastically, "What do you want? You're too soft to play hardball? Tyranny? Don't forget, this is a public place!"

Her bullying attitude caused Gu Zi Jun's eyes to go cold to the bottom of the valley and snort, and in the end, without saying anything harsh, she turned around and left.

Seeing him leave, Guan Yuewan only took him to be angry with himself and was baring his head, so naturally he wouldn't bother with him anymore.

After sitting for a while longer, she felt a little bored, so she took her bag and got up to walk out.

She had just wanted to go to the bathroom and get some air, but unexpectedly, as soon as she came out of the bathroom, she heard a woman's different breathing coming from the dark aisle next door.

She froze slightly, for a moment, before realizing what that sound was.

After realizing that, I couldn't help but blush, lower my head, and step forward to leave in a hurry.

Yet at that moment, the woman's words stalled her in her tracks.

Only a petite female voice came out, "I heard that Dr. Ji has always been gentle with women, why is he so rough tonight?"

She was slightly startled, hearing the words "Dr. Ji", the image of Ji Yunshu surfaced subconsciously in her mind.

For a moment, he shook his head again, thinking that it was unlikely, how could someone as innocent as Ji Yunshu do that kind of thing with a woman in a place like this.

When I thought about it, I put my foot down and lifted my step about to leave.

Yet a man burst out of the aisle and bumped into her.

She stumbled and almost fell, and the man panicked and reached out to help her, but his arm only rose into the air when he suddenly stopped.

Guan Yue Wan raised her head and looked incredulously at the man standing in front of her, completely unable to believe that it was really him!

Eyes fell from his blushing face, down to his messy shirt and that lipstick print on his collar, and his face went suddenly white.

Ji Yunshu was also slightly stunned when he saw it was her.

"Wan Wan, what are you doing here?"

Said, raising his hand to help her, but Guan Yue Wan had already stood up before him, not moving to stagger away from his hand, his face cold.

Ji Yunshu's heart was pounding with a bad feeling.

Just then, a woman in a fancy dress ran out from right behind.

"Season, where are you going?"

Once out, it was keenly aware that something was wrong with the situation at hand.

She gave a wary glance at Guan Yue Wan and then looked at Ji Yun Shu.

"Seasoned, who is she? You know each other?"

Ji Yunshu's face was slightly cold, seeing Guan Yuewan pulling away, he felt anxious and explained, "Don't misunderstand, I have nothing to do with her!"

Guan Yue Wan looked at him and sneered, "Whether you have anything to do with her or not, what's it to do with me? Dr. Ji, I think you're drunk and confused!"

She called Dr. Ji, not her older brother.

Ji Yun Shu turned pale and subconsciously pulled her arm.

## Chapter 316

The dry palm with hot temperature, branded on her slightly cool skin, Guan Yue Wan subconsciously remembered the woman's delicate voice just now, and her heart was not disgusted, forcefully shook him off.

"Dr. Gee, this is a public place, please be careful who you are, I'm not a barmaid like her!"

After saying that, he hurriedly left without any further attachment.

Her words made the woman look cold, and she rushed forward and yelled, "Stop right there! Who are you calling a barmaid?"

However, Guan Yuewan simply ignored him and had quickly left, and the woman still wanted to make a scene, but turned her eyes to notice Ji Yunshu's ugly face and kept quiet, not daring to say anything more.

She mumbled and hesitated, "Ji Shao, I didn't mean anything else, I just..."

"OK!"

Ji Yunshu's face was very ugly, "Originally, seeing as our two families are friends of the world, you said you had an accident, I happened to be around again so I came over to take a look, and since you're fine now, I'm leaving!"

But Miss Lin, in the future, if it's not really urgent, please don't joke with such words, as for other thoughts, I'm sorry, I'm not interested, so you'd better rest those thoughts!"

He finished and left without waiting for her response.

Miss Lin watched his back as he left, her face flushed with anger.

Half a dozen times, before stomping his foot with a hateful grunt and turning to the other side.

.....

Guan Yue Wan returned to the card table with a cold face, and Gu Zi Jun saw her and came over with a smile.

"What were you doing? I haven't seen you in half a day."

Guan Yuewan didn't even bother to look at him, taking a gulp of the wine in front of him and gulping it down with no good grace, "Do I even have to report to you to go to the bathroom?"

Gu Zijun choked, somewhat accosted.

"Who said you had to check in with me, I'm just asking one more question, aren't I? It's a messy place like this, and I'm asking you because I'm afraid something might happen to you, but this attitude of yours is really a waste of my good intentions."

The words of a seat, said Guan Yue Wan, stalled for a moment before frowning, "I'm fine."

I said, pouring myself another glass of wine and tilting my head back to finish it.

The pungent alcohol dribbled down her throat, burning her mind like a fire, but the irritation in her heart did not lessen, but grew stronger.

When Gu Zi Jun saw this, his eyes flashed and he smiled, "Didn't you say you don't drink? Why are you drinking again?"

Guan Yue Wan glared at him, "I can drink as much as I like, it's none of your business, what? You're distressed."

She said, pulling two hundred dollar bills out of her purse and shoving them into his hand, "Here's the drink money! Is that enough?"

Gu Zi Jun looked at the notes on his hand and burst into tears, "What nonsense are you talking about? Did I invite you out to have fun and still feel bad about the wine?"

When she finished, she put the money back in her bag.

"But it's no fun for you to drink alone, come on, I'll keep you company!"

After saying that, he also brought a glass over and was going to drink with her.

Guan Yue Wan was bored, and although she hated him, at this time, she wouldn't refuse, so she clinked a glass with him.

However, she didn't know that just where she couldn't see, Gu Zijun had already put the packet of white powder into it before serving the wine to her.

The two clinked their glasses, and Guan Yue Wan drank all of that wine in one breath, but Gu Zi Jun only took a light sip, keeping his eyes on her face.

It wasn't until I watched her drink the glass of wine down with my own eyes that a fierce look of triumph flashed in them.

Next, at Gu Zijun's initiative, they drank many more glasses.

Although Guan Yuewan is not a good drinker, she is bored at the moment, and the beer that Gu Zijun and the others ordered is very low in alcohol content, so she is not afraid of having a few more drinks.

However, a few glasses of wine later, she suddenly felt something was wrong.

I don't know what's going on, tonight's wine seems to be particularly strong, in the past she could drink at least several bottles of wine, but today she only drank a few glasses, her head became dizzy, and her eyes were spinning like the sky.

In her mind, she wondered if the saying about the drunkenness of the wine was true.

She was in a bad mood, so she even got drunk easily.

Because of her lack of consciousness, she didn't want to stay here as her heart rose a little wary.

Grabbing my bag, I stumbled up and said, "It's getting late, I'm going home."

Afterwards, he swayed and walked out.

How could Gu Zijun be willing to let go of this opportunity? Even moving forward to assist her, she smiled and said, "Don't, you said you wanted to talk to me, didn't you? We haven't even started talking yet."

Guan Yue Wan frowned and said unhappily, "There are too many people today, let's do it some other time, I'll let you know when there's time."

"What date? It's better to talk about it today, now that we're all out. Well, I'll take you home and we'll talk about it in the car."

Guan Yue Wan's eyebrows came together in a ball, subconsciously wanting to refuse.

Yet pushing his hand, he didn't know what was going on, and there was no strength in him to push at all.

The others didn't notice the movement here either, so she just stumbled and was taken out by Gu Zijun.

At the underground car park, cold air poured in from the parking aisle and blew on her face, and Guan Yue Wan's consciousness suddenly became a little more lucid.

Discovering that he was being assisted by Gu Zijun and stuffed into the car, he became alert, pressed the door and said, "I don't want you to drive me, I'll take a taxi back myself."

However, at this time, seeing that the beauty was already in his arms, where would Gu Zijun allow him to leave?

A hand stopped her and smiled evilly, "How dangerous is it to go back by yourself? It's better if I send you."

Guan Yue Wan shook her head, "No, I'll walk by myself."

After saying that, I tried to push him away.

However, the man suddenly grabbed her and said, "You're not going anywhere tonight, you're following me! Don't worry, I'll be very gentle with you, and I'll definitely make you valley owes immortal valley owes death, so comfortable that after you experience it once, you'll never be able to leave me again!"

The words made Guan Yuewan's heart chill, the man was already ugly at this point, even if she was unconscious, she knew what he wanted to do.

So he pushed her away as hard as he could, yelling, "Get out of here!"

Then he tried to flee forward.

However, she was already in the throes of the drug at this point, so where could she run away?

Gu Zijun easily reached out and pulled her back with one hand, because the movement was too big, her head hit the car door with a "bang", so painful that Guan Yuewan grunted and subconsciously covered her head.

The next moment, Gu Zijun has leaned in, a hand to pinch her face, said viciously: "You fu\*king behave yourself, do not force me to use force on you, this drug effect is enough, you now with me act like a chaste martyr, later custody you beg me to get you."

His words caused Guan Yue Wan to shake fiercely, and intense panic instantly hit him.

## Chapter 317

"Gu Zijun! What are you trying to do? Do you know that you're considered a fan girl fu\*k?"

"Heh! What's the matter with the fan girl? Why don't you sue me tomorrow when you're sober? Do you dare? Who would dare to take you after suing me for making a big deal out of this?"

"You – shameless!"

Guan Yue Wan was so angry that she raised her hand and tried to hit him in the face.

But the wrist was cut off in mid-air by the man, followed by being pressed over his head.

Gu Zi Jun pressed her against the car door and k\*ssed her down regardless.

Guan Yuewan's heart was filled with an evil chill, struggling desperately, his hand waved, and hit him in the face with a "pop".

The girl's cheeks swelled up as Gu Zi Jun, who was eating pain, became annoyed and slapped her twice.

Guan Yuewan's head was buzzing and stars were popping up in front of his eyes, he could no longer see anything and could only hear him gnashing his teeth.

"How dare you fu\*kking fight me, I don't believe I can't convince you today!"

Afterwards, she said, "Snicker," and ripped her clothes off.

At this time, Guan Yue Wan could no longer endure the great panic in her heart and screamed, her tears instantly falling.

"You animal, let go of me, don't touch me!"

However it didn't help at all, the man was like a wild animal, holding her hands down and her legs clamped down on her legs so that she couldn't struggle at all.

Just then, all of a sudden...

"Bang!"

The man in the body grunted, and the next second, the whole thing had been thrown off.

Guan Yue Wan was stunned, and before she could react, her entire body was swept into a warm embrace.

She shuddered and looked up at the man in front of her with incredulous eyes.

Only Ji Yunshu's face was as cold as ice, and his eyes were as cold as ice as he looked at Gu Zijun, who had fallen to the ground and was struggling to get up, and gritted his teeth, "Bastard, how dare you bully her!"

After saying that, he rushed forward and flew up, kicking Gu Zijun far away.

Gu Zijun's body hit the wall like a kite with a broken string, then rolled onto the floor and lay there, spitting out a mouthful of blood with a wow, and he couldn't even get back up.

Still not relieved, he rushed up to fight again.

The woman in his arms, however, had weak legs and nearly fell to the ground.

He was so shocked that he had to retrace his steps and help her with all his might, only to see the woman's face flushed, her brows knitted, and her body covered in cold sweat.

He was slightly shaken, having vaguely understood what was going on, and when he looked at Gu Zijun's appearance again, he couldn't help but look even colder.

Pulling out his phone, he called out, "Hello, police station? I'd like to report someone here with the intent to charm the girl fu\*ker, in the car park of the bar on the ground floor of Focus on the Fame."

Less than five minutes after hanging up the phone, a police car sped into the basement.

Those policemen got out of the car and were shocked to see that it was him, running up a few steps in a row and asking, "Ji Shao, what happened?"

Ji Yunshu looked cold, pointing at the corner where he was lying like a dead pig grunting Gu Zijun, sternly: "This person intended to charm the female stem, search his body, there should be a crime items."

The policeman turned pale at the news and immediately ordered a search.

As it turned out, the packet of white powder that Fai had given Gu Zijun earlier, he hadn't used up, and half of it was left in his pocket.

Ji Yun Shu snorted, "You've already seen the facts, you don't need me to remind you what to do after that, right?"

The officer looked solemn and replied evenly, "Of course not, we know what to do. This time it's our lack of jurisdiction, so please don't blame Lord Ji for being so generous."

Ji Yunshu snorted and said nothing, turning away with the woman in his arms in his arms.

He had taken off his jacket and wrapped it around the woman long before those cops arrived, so by leaving at this point, everyone knew it was a woman, but didn't know what she looked like, much less who she was.

He looked so cold at the moment that those people naturally didn't have the guts to stop him, so they could only watch as he put the woman in the car and it sped out.

Kyoto is especially cold on a winter night, it's midnight at this time of year, and the cars are moving fast on the quiet streets.

Nevertheless, when she saw the tightly furrowed brow of the woman next to her and the sweat oozing from her forehead, Ji Yunshu couldn't help but feel anxious.

He said in a deep voice, "Wanwan, bear with me, we'll be in the courtyard soon, it'll be fine."

The man's voice is low and slightly dumb, like a good love drug, in the ears, it's like even the heart is itching with a crisp.

Guan Yue Wan eventually couldn't help it, and with a soft chant, her entire body pressed towards him.

The woman's body was pressed against her arm, and Ji Yunshu's throat tightened as he shivered.

In a half voice, it could only mute, "Wanwan, if it's hard, just bite me, it will give you some slight relief."

When she finished, she tensed her arms, really ready for her to bite.

Guan Yue Wan was confused in consciousness and had no idea what he was talking about.

Only faintly hearing his voice, knowing that the person beside him was Ji Yunshu, the guard in his heart only slackened.

It was so hot and uncomfortable in her body, and she couldn't help but press tighter towards him, whispering, "Brother."

The soft, sticky voice tensed Ji Yunshu's body into a string, as if it was about to break in the next second.

He took a deep breath and stared ahead, not daring to look at the woman next to him at all, inwardly admonishing himself, Ji Yunshu ah Ji Yunshu, you made a mistake once, but never make a second one!

This girl next to you, you're sorry enough for her, if you don't hold back tonight, you'll really be a beast, and what's the difference between that and the sc\*m you just met?

He thought, closed his eyes, and drove the car even faster.

But at that moment, the neck suddenly got hot.

I saw that the woman had wound up like a vine, wrapping her arms around his neck, looking at him with a pair of mist-like eyes mesmerized and laughing, "Brother, it's really you, I thought I was dreaming."

I said, and buried my face in his neck, rubbing it gently like a kitten.

Ji Yun Shu's Adam's apple rolled and his voice was hoarse beyond words, "Wan Wan, stop it, I'm driving."

But Guan Yuewan, as if she couldn't hear him at all, snorted, "Brother, I'm so hot, why am I so hot, you're so cool and comfortable, let me touch you, okay?"

When he finished, his small hand actually slipped through the gap in his shirt button.

The car squealed and came to a sudden stop at the side of the road.

Ji Yunshu was busy catching the woman's little hand that was moving around, a handsome face so red that it was almost dripping blood, stammering, "Wanwan, you, you don't do that..."
