He simply took place to drop in front of Xie Yufu and also blocked her way. He proceeded, "You were the one that provided me a slap just currently?"

After saying that, the man got Xie Yufu's hand.

At this time, Xie Yufu was truly frightened. I'm Kong Wu's girlfriend.

This was Xie Yufu's plan. She wished to offer Kong Wu an opportunity to conserve the appeal, to ensure that she might show her weak side before Kong Wu. If Kong Wu could love her, it would certainly be also better.

"Kong Wu? If you do not accompany me tonight, this thing will certainly not be over," the guy claimed.

At this moment, Samuel, that had pertained to the commode, happened to see this scene. The man who quit Xie Yufu looked a little acquainted, as if he had actually seen it someplace before.

"Are you alright?" Samuel stepped forward as well as asked.

Xie Yufu had created a chance for Kong Wu, not for Samuel to cause trouble. She claimed coldly, "What does it involve you? Obtain shed, do not jab your nose right into other individuals's company."

When Xie Yufu claimed this, she did not see that the intoxicated person's expression had currently been half-awake. It was noticeable that it was since he had seen Samuel.

The individual had actually gotten here, but when Kong Wu saw the person, he wished to give Xie Yufu a couple of puts.

Kong Wu's father had only just satisfied Manfred a couple of days back. Back then, he was also present. He had seen Manfred's junior. This vicious female, had she really angered Manfred's men?

The status of the Kong Household in Cloud City was not reduced. They also lived in Cloudridge Hill Villas. Yet ultimately, they were still business people. If they violated a guy from the grey area like Manfred, their destiny would be you can possibly imagine.

Moreover, Manfred's existing momentum was incredibly intense. Nobody in Cloud City might match up versus him. Kong Wu's daddy intended to build an excellent partnership with Manfred.

"Kong Wu, this hooligan has taken advantage of me. Assist me repay." Xie Yufu anxiously claimed to Kong Wu with a weak and also mild expression.

"So, it's your partner, Mr. Kong."

"Hmph, now you understand exactly how powerful he is. You would certainly better stoop down and also apologize to me today," Xie Yufu claimed proudly.

"What's going on?" Kong Wu came close to the man and also asked.

" Young Master Kong, your sweetheart slapped me for no factor as well as even accused me of molesting her. He still had to provide some face to Kong Wu. Xie Yufu was so discourteous to Samuel as well as also asked him to scram simply now.

Xie Yufu all of a sudden burst into rips. She held Kong Wu's hand and stated tearfully, "Kong Wu, obtain vengeance for me. This immoral guy touched me just currently."
