## Chapter 3176

“They are from Truman!” At

this moment, someone in the crowd saw the blazing clouds and sun on the wrists of these two men, and suddenly called out in surprise.

“What?”

“People from Chumen?” The

King of Fighters Mo Gucheng immediately changed his expression when he heard the words.

He didn't expect that just after he finished blowing his front foot, the Truman on the back foot would arrive.

“Lao Mo, go on.”

“The people from Truman have arrived.”

“The time for you to act has arrived.” Tang Hao urged.

“You get out, why don't you go?” Mo Gucheng twitched at the corner of his eyes, cursing Tang Hao in a low voice.

Mo Gucheng is not a fool.

The power of these two people in front of them can not be described as terrible.

Even the God of War himself had not brought such a powerful oppression to Mo Gucheng.

As the saying goes, you can see the whole leopard at a glance.

Just from the power that these two people spilled out, Mo Gucheng concluded that the two people in front of him were extremely powerful!

“I didn’t pretend to be forced.” Tang Haobai stared at the King of Fighters, not without contempt.

At this moment, the two old men who appeared suddenly raised their heads.

Indifferent eyes swept past his eyes, looking around.

A low voice immediately sounded: “Which one is the Lord of the Temple of the Yan Xia Wushen?”

Hearing this, everyone’s sights almost turned to the back, looking at the Sword Saint himself who was sitting high.

“I am.”

“I wonder why the two nights rushed into my hot summer land?”

“Could it be that you want to apologize to Yan Xia Wu for your sect master’s brutal behavior?” The Juggernaut slowly got up, his eyes like torches.

Binghan’s words were filled with bitter murderous intent and chill.

After all, the Lord of Truman had just committed a heinous murder in their hot summer land.

Now the people of Truth have trespassed at their dinner party without permission.

All kinds of behaviors have seriously touched the bottom line of Juggernaut.

As the master of the Yanxia Wushen Temple, how can the Sword Saint not be angry?

The Juggernaut at this time had even moved to kill.

Not only him, Tang Hao, the King of Fighters and others are also waiting in full battle.

It seems that as long as the two old men in front of them move slightly, they will usher in an overwhelming attack from the Juggernaut and others.

However, to everyone’s surprise, the two elders did not act presumptuously after learning of the identity of the Juggernaut.

Instead, take out an invitation from her arms.

The gold pattern on the red background is full of brilliance.

The moment he took it out, a magnificent breath flowed through the room.

“Juggernaut, watch out for hidden weapons!” The

King of Fighters was immediately shocked when he saw this.

Thinking that the old man in front of him took out some powerful hidden weapon, he yelled, and immediately aroused his vigor, holding up a vitality shield in front of him.

However, the facts have proved that Mo Gucheng was thinking too much.

What the other party took out was really just an invitation.

The wedding invitation is spread out, and the handwriting on it looks like dragons and phoenix dancing, strong and powerful.

Immediately afterwards, the old man’s Zhongzheng voice resounded throughout the room.

“A thousand years of love was once married, and a hundred years old will not move half an inch of heart. Today we sincerely invite the Temple of Wu in the summer to go to the mountains of Chumen to participate in the wedding on May 20.”

Inviter: Chu Tianqi, Young Master of the Chu Family, Jones Angie Jones, the eldest of the family.

When the wedding stickers came out, the audience was shocked.

The King of Fighters and others were dumbfounded, their mouths trembling unceasingly.

In the hall of Nuo Da, Ya Que was silent.

“Even... it turned out to be an invitation?” The

Juggernaut and others were surprised.

Even the God of War himself, on his majestic face, also showed a sense of error.

Obviously, even he did not expect that the people of Truth would visit this time to invite them to the wedding.

Except for Tang Yun’s enthronement ceremony, this is the first time that Chumen has invited people from the Yanxia Wushen Temple to Mount Chumen in so many years.

When everyone trembled, the old man stepped forward again, and the voice of Zhongzheng echoed like a muffled thunder: “Please take the post from the Lord of the Temple of Martial Arts!”

# Chapter 3177

“Please accept the post from the Lord of the Temple of Martial Arts~”

.....

Zhongzheng’s vigorous voice echoed for a long time.

Faced with the invitation from Truman, the Juggernaut did not directly pick it up, but turned to look at the God of War Ye Qingtian.

It wasn’t until Ye Qingtian nodded slightly that the Sword Saint agreed and accepted the post from the two elders.

“Thank you for the kind invitation from the Chu family.”

“I don’t know if the two of you can have dinner. If you don’t dislike it, you can have dinner with us here.” The

Juggernaut said politely.

The two naturally did not linger, and after a reply of no use, they turned and left.

Although the land of Yanshan Mountain is heavily guarded.

However, to these two elders, they came and went freely like no one’s land.

After the two people left, the unequal people who felt oppressed, only breathed a long sigh of relief.

Before they knew it, everyone had cold sweats on their foreheads.

“Damn~”

“What is the source of those two people?”

“What a strong sense of oppression.”

....

“Trumen really hides the dragon and the tiger.”

“Just two invitations are so powerful?”

. . . .

Below the hall, everyone sighed with emotion, they were actually in lingering fears.

But the Juggernaut and others carefully looked at the invitation.

“Chu Family Chu Tianqi?”

“Angie Jones of the Jones family?”

“Aren’t these two families belong to the three Chumen families .”

“Unexpectedly, they were married?”

Tang Hao looked at the invitation. The names of the bride and groom were slightly surprised.

“It is estimated that it is the Jones family. I want to use the power of the Chu family to hug myself in the position of Trumen.”

“I heard that the Jones family has been going downhill in recent years.”

“Position among the Trumen.” , It’s not as good as one day.”

Mo Gucheng also interrupted from the side.

“But Juggernaut, this wedding banquet, we really want to go?”

“You said, will it be a Hongmen banquet?”

“The so-called wedding banquet is just a cover.”

“The purpose of asking us over is just to bring us in Chu

“It’s all in one net on Menshan.” “Also, this wedding came suddenly.”

“The wedding will be held on May 20th.”

“There are only a few days left.”

“Don’t you think it’s weird to do it in such a hurry?”

” What’s more, we had just fought a tough battle with the master of Truman a few months ago and almost killed their master.”

“At this time, we are here to invite us to a banquet again, which is really suspicious.”

Mo Gucheng thought . Before things, I just think this wedding is very strange.

“Ok.”

“What you said makes sense.”

“I also think that this wedding banquet came too suddenly.”

“Before, we didn’t hear any wind.” The

Juggernaut was also suspicious and wary in his heart.

“Lao

Ye, how about you?” “What do you think of this matter.” The Juggernaut looked at Ye Qingtian again.

The God of War said indifferently: “This wedding banquet, you can go.”

“What?”

“God of War, are you crazy?”

“You are not afraid that this is the trick of Truman, so that we can deceive us and get rid of us?” Mo Gucheng Immediately retorted.

Ye Qingtian chuckled, “If Truman really wants to get rid of you, three months ago, in the land of Noirfork, he would have done it.”

“So, in my opinion, there is no mystery in this wedding banquet. It’s just a normal wedding.”

“Moreover, I just got news recently that Trumen is currently unstable inside.”

“Several elders are considering changing the master of Trumen.”

“The candidate to replace Tang Yun, It is very likely that it is the current Patriarch of the Chu Family, Chu Zhengliang.”

“That is Chu Tianqi ‘s father!”

“The Jones family married their daughter to this Chu family young master, probably to get to Chu Zhengliang’s thigh.

” In this case, the Chu family sent an invitation, and we should participate.”

“After all, we have offended Tang Yun.”
