

The One and The Only Chapter 321 - 330

Shi Qing brought a group of men over, aggressively.

But the moment he saw Yash Nics, his body froze instantly as if he was struck by lightning.

The anger on Shi Qing's face disappeared, and his eyes were full of shock and fear.

Daniel did not notice the change in Shi Qing's expression, and he yelled endlessly in Shi

Qing's ear: "Boss Shi, this kid is crazy. He said you have to kneel down when you see him.

Boss Shi, what are you doing? Look?"

Everyone looked at Shi Qing together, and Daniel, Tong Handong, and Ma Baozhi were all

expecting Shi Lao to show off his power and clean up Yash Nics fiercely!

However, they were shocked to see that Boss Shi actually knelt in front of Yash Nics with a

plop.

Everyone's eyes widened in disbelief, wishing to stare out, to see if the scene in front of

them was true?

Daniel was even more shocked and stuttered and said, "Boss Shi, Shi, you, you are..."

Shi Qing knelt in front of Yash Nics with a panic face, and trembled:

"Master!"

Shi Qing's men. , Also knelt down together, shouting in unison:

"Master!"

Master!

They were dumbfounded again.

Soon, Daniel remembered that Shi Qing's boss was Dong Tianbao.

It is said that Dong Tianbao has a master, and Dong Tianbao calls it the young master.

Could it be Yash Nics?

Thinking of this, Daniel's face was gray.

He knelt in front of Yash Nics with a soft plop.

Yash Nics looked at Daniel indifferently: "Didn't you say that Boss Shi is here, and I will die?"

Daniel crawled on the ground, trembling all over, he couldn't speak.

Yash Nics said coldly: "Speak!"

Daniel trembled: "Mr. Yash, I was wrong, let you handle it."

Yash Nics did not speak, and his eyes fell on the drunk who molested

Song Pingting not far

away.

The drunk was pretending to be drunk. When he saw Daniel kneel down for Yash Nics, he

was hesitant to kneel down and beg for mercy?

Just when he was hesitant, he suddenly faced Yash Nics's indifferent eyes.

He was agitated and knelt down with a direct thump, sweating profusely and said, "Mr. Yash,

I was wrong. I shouldn't molest Mrs. Yash."

Yash Nics was noncommittal, turning his head and saying to Shi Qing,

"You Look at them,

are they a bit fat?"

Shi Qing glanced at the bloated bull and the drunk man with a beer belly,

and replied: "Yes!"

Yash Nics nodded, and indifferently ordered: "Then you give them two to lose weight, and

each one loses two to two."

Shi Qing understood after hearing this, Yash Nics was going to teach the big cow and the

drunk.

According to the rules of the Tao, if you lose one or two, you will break one finger, and if you

lose two, you will break two fingers.

Shi Qing glanced at the pale-faced Daniel, and nodded: "Yes, Master!"

Shi Qing stood up and ordered his men: "Drag these two guys to the utility room."

Soon, Daniel followed him. Cousin, was taken into the utility room, and then a scream came

out of the utility room.

Shi Qing came out of the utility room with faint blood stains on his clothes.

Everyone at the scene looked at each other, although they didn't know what happened in the

utility room.

But you can also guess that the two Daniels must have learned a severe lesson.

Shi Qing said respectfully to Yash Nics: "Master, the two of them have already taught you as you ordered. And I also cross-examined something. According to their account, someone instructed them to do this."

Yash Nics frowned slightly: "Who asked them to find the difference?"

The One and The Only Chapter 322

Shi Qing said: "It is said that it is Shao Xuan, one of the four courtyard pillars in the south of the Yangtze River, the eldest young master of the Ouyang family, Ouyang Xuan."

Yash Nics said in surprise: "I didn't know Ouyang Xuan, why did he send people come to find my fault?"

Shi Qing approached Yash Nics's ear and whispered: "According to Daniel's account, it seems that it was Tong Handong and his wife who asked Xuan Shao to do this."

Yash Nics understood the words instantly.

He waved his hand: "Okay, it's okay, I know it all."

Shi Qing said respectfully: "Master, it's okay, I will withdraw first, if you have something you call me, we will show up immediately."

Shi Qing led his men. , Quickly disappeared into Yash Nics's vision.

Song Pingting's family was all at a loss. They all said that Yash Nics and Ouyang's family didn't know each other, nor had they ever dealt with each other. Why did the Ouyang family find someone to find fault?

Tong Handong and Ma Baozhi and his wife have weird faces and panic in their eyes.

They didn't expect Yash Nics to be so skilled, and the Daniels weren't Yash Nics's opponents.

I didn't expect Yash Nics to have such a wide network of contacts. Even Daniel Shi Qing, the boss of Daniel, would kneel down and call his master when he saw Yash Nics.

When the couple saw Shi Qing whispering in Yash Nics's ear, they knew that they had been exposed.

Yash Nics must have known that Daniel and his wife had found them.

At this time, the couple was looking at Yash Nics with trepidation.

Just in time, Yash Nics also looked at them.

Both sides looked at each other, and Tong Handong and Ma Baozhi were frightened.

Yash Nics didn't expose them. He just asked with a smile, "Big uncle, big aunt, do you still sing?"

Tong Handong and Ma Baozhi shook their heads hurriedly: "Sing, let's go back to the hotel, and see you..."

Tong Handong and his wife fled dingy, leaving the Song Pingting family at the scene confused.

Yash Nics smiled and said, "Probably, they were shocked by what happened just now!"

Song Pingting and others were relieved after hearing this.

Let's leave Diamond Dynasty KTV and go home together.

...

On the other side!

The corpse of Hu Fu was transported back to the provincial capital by Qin Jin overnight to inform Lu Cangtian of the bad news.

Lu Cangtian had just finished his daughter's funeral, but he unexpectedly heard the news of his third brother's death.

Using anger at this time is no longer enough to describe his mood.

He and a group of retainers looked at the corpse of the tiger charm lying on the floor of the hall, their faces were blue, and they were silent for a long time.

Qin Jin lowered his head, his eyes were full of fear, he knew that Lu Ye was completely angry this time.

Long Yuan beside Lu Cangtian was also full of grief and indignation. His face was flushed with anger, and Dan Feng's eyes, which he opened only when he was about to kill, squinted on weekdays, stared to the fullest at this time.

His murderous eyes suddenly fell on Qin Jin, and roared: "My third brother has a hot personality, and you are resourceful. Didn't you make you look after my third brother?"

"You didn't take good care of my third brother, causing him to be if Yash Nics is killed by this villain, I will take your dog's life first."

Long Yuan said, raising his right hand, and patted Qin Jin's Tianling Gai with a palm of his hand.

Qin Jin paled with fright, and screamed: "Lord

Lu, help—" Lu Cangtian shouted, "Second brother, stop!"

Long Yuan's hand stopped in the air, he turned his head and looked at Lu Cangtian, and said

angrily: "Brother, What are you doing to prevent me? If it wasn't for him that he didn't take good care of his third brother, and Yash Nics had his third brother secretly calculated. With the third brother's force, how could he die under Yash Nics's trash hand?"

In Long Yuan's eyes, he was the world's most powerful person. One, his third brother is second in the world.

Yash Nics must have used despicable and shameless means to kill the Tiger Talisman, and the Tiger Talisman must have died miserably.

Qin Jin tremblingly said, "I really don't blame me for this. I persuade Sanye not to act impulsively. But Sanye is so high-spirited, which puts me in the eyes. I can't persuade him,

he must kill Yash Nics, I didn't want to plant."

Lu Cangtian took a deep breath and said to Long Yuan: "It is Yash Nics who killed the third brother. You must not vent your anger on Qin Jin for the second brother."

Long Yuan heard Yan, angry and angry, raised his hand and hit the pillar in the living room next to him.

With a bang, the pillars in the living room shattered to pieces, which was particularly frightening.

Long Yuan held a raging anger, and said dully: "Big brother, the third brother died so miserably, we must avenge him, I can't wait for a moment."

Lu Cangtian patted Long Yuan on the shoulder: "Big brother's. In the same mood as you, tomorrow morning, I will summon the eighteen wolf riders in the house, lead all the elites of the family, go straight to Mannity, and take Yash Nics's dog head to the grave for the third brother!"

Long Yuan nodded, "Okay, I will order the tailor to give it to me overnight. Customize a set of white robe. I will wear plain clothes to take Yash Nics's life and comfort my third brother in the spirit of heaven."

The One and The Only Chapter 324

Wang Daofang didn't come, this was in Lu Cangtian's expectation. Because Wang Daofang "killed" his daughter by mistake, it was normal to be embarrassed to meet him.

Lu Cangtian's visit to Mannity City to deal with Yash Nics this time was actually the instruction of Jiangnan Wang Tang Beidou.

With Lord Tang behind his back, Lu Cangtian was not afraid of Wang Dafang.

At the same time, he also felt that Wang Daofang would definitely not dare to mess around again!

He faintly said: "General Wang may be busy with official duties, and he has no time to come to my party. It is understandable."

"But isn't Yash Nics always arrogant in Mannity? Why didn't he dare to meet me?"

Qin Jin smiled: "Hehe, Yash Nics is the king of monkeys without tigers in the mountains.

Now you are here, Lord Lu, instead of asking him for crimes. I'm afraid he was so scared that he hid under the bed. How dare he come to see you?"

Lu Cangtian and a group of his men burst into laughter.

Some of the guests at the scene laughed stupidly, some were uneasy, and some had calm faces.

Lu Cangtian looked around the people in the hall, and said with a smile but a smile: "I called you tonight because there is something to tell everyone to stand in front of me."

"Yash Nics killed my child first, and this time he hurt him again. I worship my brother, and I

am going to kill him!”

“You are all decent people in Mannity City. I want you to make a statement tonight. Do you support me in killing Yash Nics or stand by Yash Nics?”

Lu Cangtian said Here, his gaze fell on Song Qingsong, and said in a bad tone: “Song

Qingsong, the old man of the Song family, it is said that Yash Nics is your grandson-in-law. I

want to kill him for revenge. What do you think?”

Song Qingsong hurriedly said, “Yash Nics has been everywhere. To make trouble, I don’t

admit him as a grandson-in-law.”

“And I dare to offend Lord Lu, and die. Even if my son, my granddaughter, offends Lord Lu, I

also raise my hand in favor of killing them.”

When Lu Cangtian heard the words, he smiled satisfied: “It seems that you are a person who

knows the current affairs.”

Song Qingsong laughed and said with a smile: “ I am helping or not, Lord Lu, I came in a

hurry, so I just prepared something for you. Please accept it as a small blue and white

porcelain as a gift.”

Lu

Cangtian smiled and said, “ Master Song understands the righteousness, not bad!” Song

Qingsong was very pleased with the appreciation of Lu Ye, his face blushing.

The rest of the business executives and giants also presented gifts one after another, and

expressed their support for Lu Ye to kill Yash Nics.

Several leaders in the political circle expressed their neutrality very calmly.

Nonsense, these leaders all know Yash Nics’s identity, how could they stand on Lu

Cangtian’s side?

Of course, in order to avoid suspicion, they did not openly stand on Yash Nics’s side.

When Lu Cangtian saw that business executives and wealthy tycoons basically supported the murder of Yash Nics, the political leaders chose to be neutral. Only a few people, such as Xiao Zhiyuan, the richest man, and Ouyang Hai, the former richest man, blatantly stood by Yash Nics's side and opposed him. He looked at Xiao Zhiyuan with a sneer: "Hehe, Yash Nics knew that I was in Mannity. He received my invitation and he was so frightened to hide and dare not show up. You guys even dared to confront me openly and stand by him. One side?" As soon as Lu Cangtian's words fell, a loud and powerful voice came from outside the door: "Who said our young master is afraid of you?" Lu Cangtian frowned and looked at the door together with everyone on the scene. Then I saw a burly cheeked man who strode in. It was Dong Tianbao. The One and The Only Chapter 325 Long Yuan saw Dong Tianbao and coldly snorted: "Who I think is, it turns out that you are the defeated player. You escaped a death in the shooting club last time, and now you dare to appear in front of me. , Watch me take your dog's life." With

that, Long Yuan was about to take action and kill Dong Tianbao on the spot.

However, Lu Cangtian yelled to him: "Second brother, don't do anything. The two armies won't kill them yet. Yash Nics sent Dong Tianbao to see me. I killed Dong Tianbao and spread my fame."

Lu Cangtian finished. , Looked at Dong Tianbao contemptuously: "Tell me, why did Yash Nics ask you to come?"

Dong Tianbao said: "Our young master knows that you are here, and specially ordered me to send you a gift."

Lu Cangtian squinted. Eyes: "Gift?"

Dong Tianbao raised a scroll of calligraphy and painting in his hand, and counted: "This is the painting!"

Long Yuan walked over, took the painting, and weighed it twice.

It was confirmed that there was no danger, and then he passed it over to Lu Cangtian.

Dong Tianbao offered calligraphy and painting, turned around and left.

The eighteen wolf riders of the Lu Mansion wanted to stop him, and Lu Cangtian said, "Let

him go, but Dong Tianbao, tell Yash Nics that even if he gives a gift to show weakness, I will

never forgive him and let him wash his neck and wait for death!

" If he can accept the reality, he will take the initiative to dedicate the Ningda Group to me

unconditionally. I can promise to spare the lives of his wife, daughter and others after his

death."

Dong Tianbao did not say a word, and left with strides.

Lu Cangtian watched Dong Tianbao leave, and then his eyes fell on the scroll in his hand.

He triumphantly said to the people around him: "Expand this painting, I want to see, what

kind of painting should Yash Nics send to please me?"

Song Qingsong and others laughed and said, "Yash Nics is dead. When it came to the head,

I took the Buddha's feet temporarily, it was too late!" The

two men slowly unfolded the picture.

Lu Cangtian and Long Yuan, as well as more than two hundred guests on the scene. After

seeing the content of this painting, all were dumbfounded.

This painting turned out to be a picture of hell in a frying pan!

The oil pot hell is the ninth layer of the eighteen layers of hell!

It is said that those who bully the weak, do all things evil, and seek to seize the property of

others, will be cast into this hell after death.

In the painting, in a terrifying environment and a raging fire, there is a huge pan of oil

standing on it.

A group of evil spirits are being pushed down the pan by the ghosts, and the scene is very permeating.

Everyone looked at this picture of hell in a frying pan with weird faces. Just now, Lu Cangtian said that he would kill Yash Nics and forced Yash Nics to give up his wealth. His crime just coincided with the crime of going to hell. When Yash Nics sent this painting, he clearly warned Lu Cangtian: You are going to go to hell like this!

Lu Cang's chest was up and down violently because of the weather, and said angrily: "It's unreasonable, Yash Nics, I must crush you!"

Lu Cangtian was very angry, and the consequences were serious. He looked around the people in the hall with an iron face, and said slowly: "It seems that I have been so easy-going these years that many people no longer put Jiangnan Sitingzhu in their eyes. The tiger does not show off his power, and everyone is treated as a sick cat. "At the end of

Lu Cangtian's speech, his eyes fell on Xiao Zhiyuan and Ouyang Hai, a handful of people who openly supported Yash Nics.

Xiao Zhiyuan naturally knew the strength of the Lu Family in the south. Seeing Lu Cangtian's angry appearance, he was frightened and did not dare to speak. If it was a normal day, he would not dare to openly oppose Lu Cangtian anyway.

But he knows more about Yash Nics's identity!

He is not stupid, so now he is biting his head to endure Lu Cangtian's anger, and he has to stand by Yash Nics's side without hesitation.

Long Yuan also stood proudly, a pair of Danfeng eyes half-opened, staring coldly at Xiao

Zhiyuan and the others, killing intent Ling Ran asked: "Brother, some of them openly

opposed you, do you want me to send them on the road now? "In a

word, Xiao Zhiyuan and others' complexions all changed.
The One and The Only Chapter 326
Lu Cangtian looked at the shivering Xiao Zhiyuan and others, and sneered: "Afraid? If I ask you again, do you support me to kill Yash Nics or stand by Yash Nics's side? , How would you choose?"
Everyone's eyes fell on Xiao Zhiyuan and others!
Many people thought that Xiao Zhiyuan was trembling with fright, and he would definitely change his position at this time.
But what made Lu Cangtian and the others couldn't believe was that even though Xiao Zhiyuan was trembling with fright, they lowered their heads and said in a low voice, "Master Lu, we still choose to stand by Mr. Yash's side!" The audience was silent. , A dead silence.

Lu Cangtian thought that he would give Xiao Zhiyuan a chance to re-position.
Xiao Zhiyuan would definitely be grateful, change his position and choose to stand on his side.
But what he didn't expect was that Xiao Zhiyuan and others insisted on supporting Yash Nics.
Face slap, face slapped!
It almost slapped Lu Cangtian's face!
An overwhelming killing intent spread out from Lu Cangtian invisibly.
The temperature in the entire hall seemed to have dropped a few degrees, and everyone shrank their necks subconsciously.
Xiao Zhiyuan's faces turned pale in fright!
Lu Cangtian walked slowly to Xiao Zhiyuan, and he suddenly raised his hand, making Xiao Zhiyuan shiver all over, almost falling to the ground.
Lu Cangtian raised his hand to tidy up Xiao Zhiyuan's collar, then patted Xiao Zhiyuan on the

shoulder, and smiled Senran: "Don't be afraid, I didn't kill Dong Tianbao just now, and I won't kill you guys now.

" However, after you walked out of this door, I won't guarantee other things, so let's do it yourself!"

Xiao Zhiyuan's faces were pale, they said goodbye in a low voice, and then hurriedly fled.

The neutral leaders Zhou Ruoshu, Ma Jiantao and other leaders of China Shipping also

came over at this time and said goodbye lukewarmly.

Lu Cangtian looked at Mannity City Zun Zhou Ruoshu, and intentionally or unconsciously

said: "Zhou Shizun chose neutrality due to his status. Lu can understand."

"However, Mannity City will be unstable next. I hope to choose a neutral Zhou Shizun. , You

can remain neutral, open one eye and close one eye."

Zhou Ruoshu and Ma Jiantao and several leaders of China Shipping looked at each other,

and then said with deep meaning: "Don't worry, we will definitely not deal with you and Yash

Nics. Intervene."

Lu Cangtian said satisfied

after hearing the words: "That's good, Long Yuan, send Zhou Shizun !"

After Zhou Ruoshu

and other neutrals left, Song Qingsong and other business executives and giants who

supported Lu Cangtian were all crazy. Slapping Lu Cangtian's flattery.

Lu Cangtian smiled and said, "Everyone is a person who knows the current affairs. Wait until

I take down the Ningda Group. At that time, Lord Tang will eat meat, and I will drink soup,

and I will have a bite of yours!"

Song Qingsong and others said joyfully, one after another. Thank you Lu Cangtian!"

Lu Cangtian squinted his eyes and said, "Whoever follows me will prosper against me and

die, Long Yuan—”

Long Yuan strode out, and said in a deep voice, “Yes. ”

Lu Cangtian slowly said, “You and ten Eight wolves ride and act separately. Spank the

disobedient children. I want the entire Zhong Hai to know that it will end against me, Lu

Cangtian.”

Long Yuan loudly said: “Oh yes!”

...

That night, Long Yuan Bringing the Eighteen Wolf Riders and a group of elite Lu Family men,

they set off a bloody storm in Mannity City.

Xiao Zhiyuan, Ouyang Hai and other supporters of Yash Nics were retaliated against.

Xiao Zhiyuan and Ouyang Hai’s bodyguards were all killed. Xiao Zhiyuan was interrupted,

and Ouyang Hai was beaten into a coma and sent to the hospital.

Those of Dong Tianbao’s subordinates suffered heavy casualties.

Nineteen were killed, and

dozens of them lay in the hospital.

In fact, Long Yuan also planned to kill Dong Tianbao, Song Pingting, Song Qingqing, Song

Zhongbin, and Ma Xiaoli all of Yash Nics’s family members.

However, Dong Tianbao was well prepared and escaped the assassination.

Song Pingting’s family was also secretly protected, and the killers sent by Long Yuan had

never returned.

The One and The Only Chapter 327

Early the next morning, Song Pingting went to work at the company,

Song Qingqing went to

the kindergarten, Song Zhongbin and Ma Xiaoli also went out, leaving Yash Nics at home.

Dian Chu and Dong Tianbao came to see Yash Nics.

The two reported to Yash Nics about the situation last night, and Dian

Chu finally said: “Lu

Cangtian made a big fight last night and caused a bloody storm. He also sent someone to

act on the young master and your family, and the eight tiger guards secretly solved it.”

Dong Tianbao also said. “Lu Cangtian deliberately did not kill Xiao Zhiyuan and Ouyang Hai, but killed all of their bodyguards, and severely wounded them and sent them to the hospital.

The smell of the beating was very strong.”

Dian Chu said: “Lu Cangtian deliberately Don’t do it to the young master first, but choose to

do it to the friends and relatives around you. Obviously, you want to cut your wings and

make you panic in fear, sorrow and despair.”

Dong Tianbao sneered: “Lu Cangtian is doing it for himself. ”

Looking for death.” Yash Nics said calmly: “In this matter, Xiao Zhiyuan and Ouyang Hai

were implicated because they were on my side. They sent people back to the hospital to

visit them and told them that I would seek justice for them. ”

Dian Chu said to Dong Tianbao: “Yes, master!”

Yash Nics said again: “As for Lu Cangtian, since the hot pot hell picture I sent, I can’t let him

know the picture and return it to Mannity City. It would cost him to make such a big

damage.” As

soon as Yash Nics’s voice fell, his mobile phone rang.

I took out my mobile phone and saw that it was actually a call from the mother-in-law Ma

Xiaoli.

When Yash Nics got on the phone, Ma Xiaoli’s extremely anxious voice came from the

phone: “Yash Nics, something is not good.”

Yash Nics was startled: “Mom, what’s the matter?”

Ma Xiaoli said anxiously: “I and Lao Song, When I drove to the Junan Hotel, I wanted to have

morning tea with Tong Ke and her big sister-in-law. Unexpectedly, I saw a gang of murderers

who forcibly took Tong Ke and the three away.”

Yash Nics frowned: “Tong Ke and her parents were taken away?”

Ma Xiaoli was so anxious that tears fell: "Yes, I don't know what to do, so I will call you first."

Yash Nics comforted: "Mom, don't be afraid, I will find someone to find out, and Tong Ke and the others will be rescued soon."

Ma Xiaoli said with a cry in her voice, "Yash Nics, you must save Tong Ke and them. Come back!"

Yash Nics promised: "Mom, don't worry!"

Yash Nics hung up, and his eyes fell on Dianchu and Dong Tianbao: "My sister-in-law Tong

Ke and her parents were kidnapped just now, it must be Lu Heaven and they did it. I want

you to find out where my sister-in-law's family is now!"

Dian Chu and Dong Tianbao replied

in a deep voice, "Yes!" Soon, the underground circle of Mannity City, as well as many secret

departments, are extremely difficult. Acted hurriedly, investigating Tong Ke's whereabouts.

.....

Xilin logging plant in Mannity City.

On the empty ground of the logging yard, countless pieces of wood piled together, burning with raging flames.

On the top of the fire, there was a huge iron pot.

This iron pot is two meters wide and contains half of the oil in it. Wang Huo is boiling the oil

in the cauldron, making a slight explosion of oozing crackling.

And not far from the oil pan, Tong Ke and her parents were all tied up by five flowers, and

their mouths were sealed with tape.

All of them were full of horror, crying and struggling, but to no avail.

Wearing a white robe, Long Yuan sat on a chair with a pair of Danfeng eyes squinted.

Standing next to him were 18 murderous Ling Ran subordinates.

Around there were fifty men all wearing black suits, all of whom were elites of the Lu family.

Long Yuan looked at the big oil pan that was gradually being burned, with a crazy light in his eyes. He cruelly said: "Yash Nics dared to openly send my elder brother the oil pot hell picture, ha ha, I will take his sister-in-law and his family first today. Get out of the pan!" After he finished speaking, he told his men next to him: "Call Yash Nics!"

The One and The Only Chapter 328

Soon, his subordinates dialed Yash Nics's phone and handed the phone to Long Yuan.

Long Yuan triumphantly said to Yash Nics: "Yash Nics, your sister-in-law's family is in my

hands. I'm planning to put their family in the pan."

Yash Nics said coldly, "Long Yuan, you are dying. "

Long Yuan sneered: "I am dying, but your family is dead, not me."

"The oil pan will be completely boiled in ten minutes. If you can show up to me within ten

minutes In front of me, I can consider replacing your sister-in-law's life with your life."

"However, I won't tell you where I am now. If you can't make it, then wait for you to receive

three fried corpses! "

How about it, are you very anxious, angry and helpless? This is how you sent my elder

brother oil pot hell map!"

"Haha, you killed your sister-in-law's family. You will live in guilt and pain in the future!" "

Long Yuan laughed at Yash Nics frantically, and said triumphantly: "Do you really want to

know where I am? I really want to save your sister-in-law's family? Ha ha, you call me Dad, or

I can consider telling you where I am now. Oh."

Yash Nics said indifferently: "No, I'm here!"

Long Yuan lost his voice: "What?"

Long Yuan and his men had already noticed at this time that there were three black cars

outside the logging yard. The off-road vehicle is coming in aggressively.

Three black off-road vehicles quickly came to Longyuan and them.

After the off-road vehicle stopped, Yash Nics, Dianchu, Dong Tianbao, and Eight Huwei got out of the vehicle.

Long Yuan looked at Yash Nics in shock. He didn't expect Yash Nics to find here so quickly.

He handed the phone to his subordinates next to him, and then stood up. He, who was

nearly two meters tall, looked at Yash Nics and his party proudly, and said with a grin: "Hehe,

it seems that I underestimated Yash Nics's strength in Mannity. I can find here."

"But you came just right. Compared to killing your sister-in-law's family, I want to kill you more."

Yash Nics glanced at Long Yuan and said coldly, "By you? Not worthy!"

Long Yuan was half-opened on weekdays. Dan Feng's eyes, which were not open, suddenly

opened, his eyes as electric and murderous as frost, and he shouted: "If you add the

eighteen Lu Family wolf riders beside me, and there are fifty elite Lu Family masters?"

Long Yuan said. After falling, the eighteen wolf riders of the Lu Mansion next to him, and

fifty men holding samurai swords, stepped forward in unison, shouting in unison: "Kill!"

Dozens of people, giving people a kind of thousands of troops. Such an aura, giving people

a sense of oppression like a black cloud pressing down on the city and wanting to destroy

the city.

However, Yash Nics stood with his hands in his hands, with a calm face, and asked the Eight

Tigers faintly: "The eighteen wolf riders of the Lu Mansion, what do you think of the

Eight Tigers?" Each of the eight tigers stood tall and raised their heads in unison. Said: "The

mobs, the chickens and dogs!"

Yash Nics smiled when he heard the words, and looked at Long Yuan on the opposite side:

“Can you hear?”

Long Yuan was furious: “Hehe, I want to verify you today. It’s you eight tigers.” Wei powerful,

or my land and house eighteen raider strong. ”

Ning lightly:” to war “!

ryongyon thundered:”! kill them, one does not leave ”

“! kill ”

Lu House eighteen riding a wolf, There were also fifty elite Lu Mansion masters, all of them

moved in an instant, like a black torrent, killing Yash Nics and his party.

Dianchu shouted: “Do it!” When the

voice fell, Dianchu and Dong Tianbao rushed out first, and the Eight Tigers also followed

together. Everyone was fighting spirit, and no one was left behind.

Like two torrents, the two sides collided fiercely and started fighting.

Yash Nics didn’t seem to pay attention to the fighting in front of him. He was indifferent to

the battle in front of him, his eyes only fell not far away, and the three Tong Ke were tied up.

Tong Ke and her parents were all tied up with five flowers, and their mouths were sealed

with tape.

Tong Ke was originally scared and struggling desperately, but saw Yash Nics look towards

her. When she met Yash Nics’s firm and determined gaze, her panic and frightened heart

unexpectedly calmed down magically.

She has an inexplicable trust and sense of security in Yash Nics. It seems that when Yash

Nics comes, she feels at ease.

She firmly believes that Yash Nics will rescue her safe and sound.

Yash Nics walked in a leisurely courtyard, walked through the battle, walked by the sound of

fighting, and walked towards Tong Ke in a hurry.

However, suddenly a burly man in a white robe, holding a long sword with a dragon pattern

in his hand, blocked his way, and it was Long Yuan.
The One and The Only Chapter 329

Long Yuan's eyes widened at this time, and Dan Feng shouted: "Yash Nics, your opponent is me!"

Yash Nics kept walking and said coldly, "Go away."

Long Yuan Anger said: "Arrogant, die to me!"

He said, waving the dragon-patterned long knife in his hand, sharply towards Yash Nics.

Baimang flashed, and the long knife fell, unstoppable.

Long Yuan looked at Yash Nics, who was full of wind and breeze, and he grinned: The kid

dares to give me a big deal, it deserves your death!

He seemed to have seen it in advance, the scene where he split Yash Nics's head.

However, at the moment when his long knife was about to fall on Yash Nics's head, Yash

Nics shot it.

Yash Nics's hand was like electricity, and his finger lightly flicked on the long knife.

Cang!

A sound of gold and stone clashing sounded.

Long Yuan was shocked like an electric shock, his body shook wildly, he staggered back a

few steps, his right arm holding the knife was numb, and the long knife in his hand was

almost shaken off.

His eyes were full of shock, and he looked at Yash Nics incredulously.

Yash Nics just raised his hand and snapped his fingers, knocking him back, and almost

shook his long knife away?

Such an understatement, such a simple raise of one's hand, there is such a power, what a

terrifying strength this is!

Long Yuan stared at Yash Nics with wide eyes. He finally knew why his third brother Tiger

Talisman would be defeated by Yash Nics. Yash Nics was indeed very strong!

Yash Nics repelled Long Yuan easily, but didn't stop, and walked towards Tong Ke unhurriedly.

It seems that in Yash Nics's eyes, it is a trivial thing to repel Long Yuan. All he has to do is go to Tong Ke, and whoever blocks the way will just kick it away.

At this time, the surrounding battles also showed a one-sided situation. The eighteen wolf riders of the Lu Mansion, who can walk sideways in the provincial capital on weekdays, seem to have become weak sheep in front of the eight tiger guards, one by one being knocked down by the eight tiger guards, screaming and falling to the ground...

Long Yuan With a shocked face, Yash Nics's strength was beyond his imagination.

Yash Nics's Eight Tiger Guards were also far better than the Lu Mansion Eighteen Wolf Cavalier he had brought.

He looked at the downside-down men, pressed his heart with fear, clenched his long knife, fought against the water, and killed Yash Nics again, shouting in his mouth: "Yash Nics, you die or I die today, die for me!"

Wow!

The long knife picked up the blade light and slashed towards Yash Nics again.

Yash Nics snorted coldly: "Mantis blocking the car, overwhelming!"

After speaking, he raised his hand and patted the long knife. The long knife broke directly if it was hit hard.

Yash Nics broke the opponent's long knife, stepped under his feet, approached the opponent, and hit the opponent's chest with an elbow. boom!

Long Yuan received an elbow in the chest. His chest muscles and bones were intact, but Yash Nics's elbow force penetrated into his

chest.

The internal organs in his chest were all shattered in an instant!
He spouted a mouthful of blood mixed with pieces of lung lobes and
flew out. When it fell

on the ground, it was already a corpse.

Yash Nics kept walking, came to Tong Ke, tore the tape on Tong Ke's
mouth, untied the rope

on Tong Ke's body, and asked, "Is it all right?"

Tong Ke hugged Yash Nics all of a sudden and choked with sobs:

"Brother-in-law, if you

come a

little later, my parents and I will die." Yash Nics was hugged by the
sister-in-law, still in front

of the sister-in-law's parents, instantly embarrassed.

He calmly pushed Tong Ke away, and while untying Tong Handong and
Ma Baozhi, he said

embarrassedly: "No, I know you have something wrong, so I rushed here
immediately."

The battle at the lumber yard is officially over, and Long Yuan is dead!

The eighteen wolf riders of the Lu Mansion, as well as dozens of elite
men of the Lu

Mansion, all lay on the ground.

Dead dead, left dead.

Dian Chu and Dong Tianbao, as well as the Eight Tigers, stood proudly on
the blood-stained

ground, and the high wind made their clothes hunt and hunt.

Tong Ke and her parents looked at this scene in shock.

The One and The Only Chapter 330

Because Tong Ke knows the secret of Yash Nics's identity and knows that
Yash Nics is the

God of War of the North, he must have come from the sea of blood.

Therefore, she did not feel fear when she saw Yash Nics start the killing.

But Tong Ke's parents didn't think so, they all looked at Yash Nics in fear.

Especially when the couple remembered that they had asked Xuan Shao
to find someone to

break Yash Nics's feet. At this time, they were afraid of thinking about it!

Yash Nics calmly said to Tong Ke, "The kidnapers are all subdued, let's
go first, and let

them deal with it.”

Tong Ke’s family didn’t want to stay in this terrible place anymore, and they nodded and said.

: “Okay!”

Yash Nics and Tong Ke’s family drove away first, and handed the scene to Dianchu and

Dong Tianbao for the aftermath.

When they got home, Song Zhongbin and Ma Xiaoli had been waiting anxiously for a long time.

Song Zhongbin and Ma Xiaoli were relieved when they saw Yash Nics rescued Tong Ke’s

family of three safely, and said again and again, “Thank God, Tong Ke, you are all okay. It’s great.”

Tong Ke sneaked a glance at Yash Nics and worshiped. Said: “We were able to come back

alive because of my brother-in-law. Without him, our family would be in danger.” After

Tong Handong and Ma Baozhi returned, the panic in their hearts had disappeared.

Their gratitude to Yash Nics is gone!

In their opinion, their family of three was kidnapped by murderers today, and it is all to blame

for Yash Nics.

If Yash Nics hadn’t gotten the enemy, how could their family be kidnapped?

Therefore, Tong Handong and Ma Baozhi both snorted coldly at this time, and said in a

weird manner: “If it weren’t for him, our family would not be kidnapped at all. Xiao Ke, why

do you thank him? He should apologize to us.”

Tong Ke Anxious: “Parents, why are you doing this?”

Yash Nics smiled generously and said, “Auntie and Uncle are right. Since the Ningda Group

won the agency rights of liver cancer vaccine, many people have been jealous and want to deal with us.”

“This time. It is indeed that I caused your family to be implicated. Here I apologize to everyone.”

Tong Ke said anxiously, “Brother-in-law, how can I blame you for this?”
Yash Nics smiled slightly: “It’s okay, you guys first. Sit for a while. I have something trivial, and I have to deal with it.”

Yash Nics left home after speaking.

Dong Tianbao was already driving a black off-road vehicle, waiting at the door.

Yash Nics got in the car and said faintly: “Go to Yunding Mountain Lu’s Villa!”

Dong Tianbao said solemnly: “Yes!”

.....

At this time!

Yunding Mountain, Lujia Villa.

In the magnificent hall, Lu Cangtian was pacing back and forth. He was waiting for news of

Long Yuan and Lu Mansion Eighteen Wolf Riding.

The phones of Long Yuan and others couldn’t get through, and Lu Cangtian was anxious at this time, with a bad premonition in his heart.

At this moment, a subordinate hurriedly came in from the door: “Master Lu!”

Lu Cangtian said anxiously, “What’s the matter, did the second master and the others come back?” The

subordinate trembled: “It’s not the second master and the others. , Yash Nics, Yash Nics is here!”

Lu Cangtian suddenly let go of his pupils, and lost his voice: “What?!”

At this moment, Yash Nics took Dianchu, Dong Tianbao, and the eight tiger guards, no

longer slowing down. Walked in from outside without a problem.

Yash Nics looked at Lu Cangtian with a shocked face, and smiled lightly:

“Lu Cangtian, you

don’t have to wait for Long Yuan to come back, because he can’t come back anymore.”

Lu Cangtian heard the words, like a thunderbolt on a sunny day, the tiger's body shook wildly, his eyes showed hopelessness, and he trembled: "What are you talking about, my second brother..."

Dian Chu said coldly: "Your second brother has done a lot of evil. Go to hell, including your eighteen wolf rides in the Lu Mansion, no longer exists."
