Chapter 329 - Escaping from Life

The female receptionist frowned and cautiously opened her mouth and asked, 'Younger Qiang, so then can I take this matter and inform the top, after all this is two hundred thousand, I I don't have that much power ah'

The female receptionist's nonsense, completely annoyed Liu Qiang, he violently slammed an ashtray on the marble countertop to smithereens, and roared at the female receptionist: 'Still nonsense, hurry up and get me the money, or believe it or not I'll fire you?'

After saying that, Liu Qiang reached out to hit the female receptionist.

The female receptionist was frightened and trembled, and hurriedly said in a panic: 'Okay, okay, I understand that you wait a moment, I will do it for you right away.'

Liu Qiang grinned and cursed at the female receptionist, cursing and cursing as he walked towards the lift to the side.

'Liu Guohao owes me half a life, what the hell is wrong with me if I want you to cut me out of 200,000?'

Soon, Liu Qiang arrived upstairs, and following the door number Feng Pingping gave him earlier, he found the room where Feng Pingping and Xu Qingqing were.

Liu Qiang banged on the door a few times and heard the sound of high heels on the floor from inside.

The door was pushed open and Feng Pingping's smiling face peeked out from inside.

'Brother Qiang, you're here, hey, you're really on time, I'

Before Feng Pingping could finish her sentence, Liu Qiang pushed her away impatiently: 'Go away, you're full of nonsense, where is he?'

Liu Qiang walked in with big strides, but as soon as he entered the door, he froze.

Liu Qiang was shocked to find that the person who appeared in front of him was indeed a beautiful woman.

Xu Qingqing already had a beautiful face, and with Feng Pingping's enchanting make-up, the whole person was as exquisite as a Muppet.

In order to highlight Xu Qingqing's sexy figure, Feng Pingping had also prepared a seductive dress for Xu Qingqing.

At this moment, Xu Qingqing's whole person was simply no different from a plate of delicacies in Liu Qiang's eyes.

Liu Qiang, who had been feeling bereft to the core for the past two days, finally showed a smile at this moment.

‘Hey, hey, it’s really possible!’ Liu Qiang had a lecherous smile on his face as he turned back and nodded at Feng Pingping, ‘Luckily you didn’t cheat old me, otherwise I would have killed you today!’

When Feng Pingping heard this, her heart finally dropped and she said with a smile, ‘How is it, Brother Qiang, are you satisfied? I’ll tell you the truth, Xiao Qing is one of the school girls of Chujiang University, you are lucky today.’

Liu Qiang nodded and passed a wink at Feng Pingping, ‘Okay, good job today, let’s do it later. You should go out, don’t waste time.’

Feng Pingping nodded her head and retreated towards the door while laughing.

At this moment, Xu Qingqing’s heart was about to rise to her throat, especially when she saw that Feng Pingping was going out, she was simply nervous to the extreme.

‘Pingping you, wait a minute!’ Xu Qingqing gritted her teeth and clenched her hands into fists, looking very restrained as she shouted at Feng Pingping, ‘Please don’t go, I’

When she heard Xu Qingqing’s words, Feng Pingping immediately showed her displeasure and cursed at Xu Qingqing, ‘What the hell am I waiting for, you guys are doing your job, what am I doing here, filming for you? Don’t forget what I told you, you’ve taken the money, why are you still trying to back out?’

‘I didn’t... I just...’ Xu Qingqing stammered, trying to say something.

But he was interrupted by Liu Qiang: ‘What do you think you think, all you have to think about now is how to serve me, all right Feng Ping Ping you get out, don’t come in unless I tell you to!’

Liu Qiang finished his words, before Feng Pingping closed the door, he was going to start taking off his jacket.

Seeing Liu Qiang reveal his fat body, Xu Qingqing suddenly felt an unprecedented disgust.

Could it be that she was going to be spoiled by such a person today?

The more she thought about it, the more nervous and manic Xu Qingqing became.

Liu Qiang didn’t care about that, he was about to pounce on her.

Looking at what was happening in front of her, Xu Qingqing’s heart was beating like a drum and her whole body was shivering with nervousness.

Suddenly, even Xu Qingqing didn’t know where she got the strength, she suddenly pushed Liu Qiang away with all her strength, and then ran towards the door like a madman.

Liu Qiang was pushed out of the way and was unprepared, plus he was already a bit weak from the beating he received yesterday, so he fell heavily to the ground.

Feng Pingping on the other side saw this and was directly dumbfounded, surprisingly still a bit bewildered.

She had never thought that Xu Qingqing would choose to run away at a time when the rice was so close to being cooked.

Feng Pingping hurriedly tried to stop Xu Qingqing, but before she could grab her hand, she was shoved aside by Xu Qingqing, and her whole body fell heavily against the wall, making her body sore.

In normal times, Xu Qingqing would not have been a match for Feng Pingping, but today, Xu Qingqing was fighting for her life, using all her strength in every move.

After breaking free from these two, Xu Qingqing seemed to see hope and rushed towards the lift at the stairway

Chapter 330 Desperation

‘Damn it, Feng Pingping I’ll get you, what kind of dog did you get here? You deliberately want to cheat me out of my money, don’t you?’

Liu Qiang, who had reacted, got up from the ground and pointed at Feng Pingping with a curse.

Feng Pingping also looked innocent, how could she have thought that this would end up in this situation?

‘Brother Qiang, I have nothing to do with this matter, it’s all because of this bastard Xu Qingqing, I guess she just did it on purpose, I’ll go after her, I must not let her get away today, don’t worry’

After saying this, Feng Pingping hurriedly chased after her in the direction of the lift.

Liu Qiang smiled coldly and said, ‘Humph, better not let me know that you all colluded together, otherwise you are all dead!’

Liu Qiang looked less panicked at this point and slowly took out his mobile phone, saying in a fury, ‘Fuck, do you really think you can just run out of here? You underestimate me, Liu Qiang!’

Liu Qiang quickly found a number and called it out directly, ‘Hey, Big Eye, take your men and block the front door of the hotel, if you see a girl wearing a shirt and hot trousers, hold her down and escort her up to me!’

A thick voice hurriedly came from the other end of the phone, ‘Received, Mr. Qiang, don’t worry.’

Liu Qiang hung up the phone straight away, then he swaggered onto the bed, leisurely waiting for Xu Qingqing to be brought back up later.

The person Liu Qiang had just called was the head of the hotel’s security guards, and as the hotel was almost like Liu Qiang’s base, he was not only familiar with the people here, but also obeyed him.

Liu Qiang was so confident that he even thought Xu Qingqing was ridiculous, thinking that if he escaped from the house, he could escape from the hotel? This was simply whimsical.

'Fuck, you dare to play tricks with me, then wait and see how I will deal with you later!'

On the other hand, Feng Pingping was not slow in her movements, but by the time she ran to the lift, she found that the lift had already gone down and she could only wait for the next one to come.

And Xu Qingqing ran into the lift, as if she felt reborn, with a sense of excitement and relief at having escaped from life.

The lift descended one floor at a time, just over twenty floors high, but Xu Qingqing felt as if time had passed by for decades.

She felt so helpless that she curled up in the corner of the lift and cried out in pain.

After an unknown amount of time, the lift doors dinged open and light shone into the lift. Xu Qingqing felt as if the light was blinding, but it was so kind that she rushed out of the lift and ran straight to the outside of the hotel.

Ten steps, seven steps, five steps, three steps

With just three steps to go, Xu Qingqing saw that she was about to run out of the hotel, and her heart was overwhelmed with excitement at that moment.

But at that moment, she suddenly felt a black shadow appear beside her and pounce on her, then she fell to the side as if she had been hit by a car.

At this moment, Xu Qingqing was blinded, and her heart, which was about to drop, hung once again, but this time even higher and steeper!

Then Xu Qingqing heard the sound of a group of men laughing and cursing in her ears, and she felt like she was in a trance, as if she couldn't see anything.

'Haha, don't say it, this chick is really pretty, young Qiang has a lot of luck this time'

'Damn, you're still fast, but can you still outrun us? Even if we let you go another 20 metres, I'll still be able to chase you back!'

'Stop talking nonsense, hurry up and take him away, Mr. Qiang is waiting upstairs, if you delay Mr. Qiang's good deed, none of you will have a good time!'

As soon as this man finished speaking, Xu Qingqing was dragged up by two men in security uniforms and was about to be taken away.

At this moment, Xu Qingqing finally reacted and saw that she was being lifted up by three or five security guards and was about to walk towards the lift.

She thought she would be able to escape, but she was about to touch her chance, but it was dashed in front of her eyes.

At this moment, Xu Qingqing was completely desperate, she knew clearly that she would definitely not be able to run away this time, and the result that awaited her might be ten times more miserable than just now.

What was she going to do? What else could she do? Xu Qingqing was at her wit's end, her tears flowing freely like a floodgate.

'Let me go, please let me go, please,' Xu Qingqing struggled helplessly as she begged the guards.

But her struggles were to no avail, and her pleas were to no avail, instead she heard a roar of laughter from the guards.

'Begging us to let you go? Then who will let us go later? Little girl, you can really joke!' The head of the security guards, a man in his forties wearing glasses, grinned coldly and said, 'You're here and now you regret it! What did you want to do?'
