

# Chapter 3292– 3293 of A Dish Best Served Cold Novel

## Chapter 3292

He came to settle his grievances with the Chu family. Is it wrong?

It is these different positions that finally lead to the current situation.

Even if Tang Hao couldn't bear to see it, it was done, and everything was too late.

Poppa~

When everyone was shaking, there was a burst of crisp applause, but it sounded quietly.

I saw Chu Zhengliang, the head of the Chu family, clapping his hands and walking out.

“Haha~”

“Okay! ” “Good

waste!”

“As expected to be the master of the Martial God Hall, he really understands the righteousness.”

“Since this person has nothing to do with Yan Xia martial arts, my Chu family will naturally not be angry with Yan Xia. “

Similarly, if my Chu family killed this junior here today, I believe that Yanxia martial arts will not blame us?”

Chu Zhengliang smiled and asked Xiang Jiansheng.

It seems to be to determine whether the hot summer side will intervene in today's affairs.

“Now that no relationship, why would blame?”: Juggernaut coldly replied

“very good” Chuzheng Liang laugh, “There Juggernaut these words, I Chuzheng Liang also will be relieved!”.

After much talking , Chu Zhengliang turned around slowly.

It wasn't until this time that his gaze officially fell on the young man in front of him.

"My nephew, you really surprised me."

"In those days, when Japan was a country, and when Japan was a country, you survived a catastrophe."

"If you are a human being with your tail in the future, stay honestly in your remote place."

"Your third uncle, I might look at your father's face, so I won't know you anymore and spare your life."

"But I never imagined that there is a way to heaven and you don't want to go, and there is no way to hell, but you just come to die."

"That's fine."

"I'm sending someone to find you in the hot summer."

"It 's true. It's easy."

Chu Zhengliang stood with his hand in his hand, smiling faintly.

In those words, he despised Mark in time.

Think about it too, today is different, and now Chu Zhengliang is already the head of the Chu family, and his cultivation skills are far beyond that of the past.

Looking at the world, it was Tang Yun and a few others that could make him look right.

Mark was no more than an abandoned son of the Chu family, who had almost become his undead soul, Chu Zhengliang, who was at the pinnacle of power, but he had long been invisible.

If Mark hadn't taken the initiative to come to the door today, maybe Chu Zhengliang had really forgotten him.

However, Chu Zhengliang's words shocked everyone present.

"Huh?"

"Big nephew?"

"What's the situation?"

"Why is the Chu family master calling a Yanxia man his nephew?"

“Could it be that he is really the Chu family?”

Aaron frowned and whispered, the leader of Soviet Russian martial arts.

The leaders of the other countries are also curious.

Even the Juggernaut and Tang Hao both looked dumbfounded.

“Tang Hao, what’s going on?”

“Mark is from the Chu family?”

“But what is his surname Ye?” The

Sword Saint was full of doubts.

Although Mark called Sanshu at the beginning, everyone didn’t care.

After all, Mark’s background is still shallow, he is only a junior in front of the leaders of the countries, and he is light-hearted, and few people pay attention to his words.

But now that Chu Zhengliang said the same, everyone had to think about it.

“I don’t know either.” Tang Hao also shook his head.

Not only outsiders like them, but even the high-ranking members of the three families of Chumen, were also puzzled.

“Chu Zhengliang called his eldest nephew?”

“Could it be that he is the former Patriarch of the Chu family, Chu Zhenghong’s son?”  
The Chumen Grand Elder secretly guessed.

“It shouldn’t be.”

“Chu Zhenghong has no heirs .” “Where

‘s the son?” someone asked rhetorically.

But at this time, Bill Jones, the head of the Jones family, shook his head, with a gloomy face, and said solemnly: “No, there is one.”

Swipe and brush ~

As Bill Jones’ words fell, countless eyes turned away. , Fell on Bill Jones.

Obviously, everyone is waiting, Bill Jones, to solve the mystery.

# Chapter 3293

“Bill, what do you mean?”

“Are you saying that the former Patriarch of the Chu family, Freidman has no descendants?”

“It’s impossible.”

“These years, Chu Zhenghong and I have been good friends, why do I Unheard of?”

Some of Truman’s elders, full of doubts, asked the Patriarch of the Jones family, Bill Jones.

Bill’s eyebrows were dark, his expression deep, like that, as if he had fallen into a memory.

Faint words rang quietly in this hall.

“This has been a long time ago. At that time, the Chu family was still in

charge of the Chu family.” “As for Chu Zhenghong, but a dude who often spends

time outside.” “At that time, the most dazzling descendant of the Chu family was Chu. Zhengliang.”

“As for Chu Zhenghong, if you don’t pay attention, you naturally don’t know it.”

Bill Jones said slowly.

Others are also fascinated.

I just feel that a big secret about the Chu family will be revealed today.

The Chu family is the world’s largest wealthy family, and the Chu family were founded by their ancestors.

Such a rich secret, naturally attracted worldwide attention.

“Then you just say it quickly.”

“What is the relationship between this kid in front of him and the Chu Family?” The senior Truman was a little anxious, but he hurriedly asked Bill Jones.

Bill Jones continued: "I remember that more than ten years ago, Chu Zhenghong, who was spending time outside, suddenly returned to the family. This time he returned to the family with him. There was a woman and a child."

"That woman is very beautiful ." "In the

three

families of Chu Sect , any woman in front of her is embarrassed." "Chu Zhenghong's Hui nationality asked Mr. Chu to marry him this time."

"But the style of Chu Sect is rigorous and attaches great importance to background."

"And that woman, from an ordinary background with a humble background, is said to be just a small

countryman from a poor country in Vietnam." "Old man Chu was very dissatisfied when he learned about it. He asked Chu Zhenghong to cut off contact with this woman. However, thinking about the child. If you have Chu family ancestry, you can keep it and accept it as a member of the Chu family."

"The old man Chu has his own words, and no one in the family dares to disobey."

"It is said that Chu Zhenghong back then, kneeled. It's still useless to ask death in front of the old

man's door." "In the end, the woman was expelled."

"But the child was extremely stubborn. When he saw his mother being humiliated, he made a lot of trouble in the Chu family. He not only criticized the Chu family in public. , He even pulled off a few of Mr. Chu's beard."

"In his furious man, he not only expelled the woman from the family, but also expelled the child's genealogy, and expelled the two of them, like the bereavement dog, from the Chu family. He must not enter the Chu family for half a step for life."

...

Bill Jones looked blurred, as if he had traveled through time and space, and the scene of the year reappeared before his eyes.

At that time, Bill Jones went to the Chu family to receive guidance from the Chu family's elder Chu Yuan, so he knew a lot about the Chu family's family affairs.

When everyone heard this, they couldn't help but secretly startled: "You mean, this young man in front of me, just... back then..."

Bill Jones nodded his head, looking at the face and face in front of him that looked a little bit like that man. Mark said in a deep

voice, "Yes." "If I expected it, the young man in front of

me is the child who was expelled from the Chu family." "I remember, his name seems to be,

Chu Tianfan." "It is said that this name is the old prince of the Chu family, the ancestor of the Chu family of Ye Meng, who was given the name after being entrusted by the ancestors."

"At the time of the Chu family, this was the only word of heaven. For descendants."

"Also, according to his age, he is the eldest son of the Chu family!"

Bill Jones said quietly, with emotion, sorrow, and surprise in his tone.
