

Chapter 3342

Zhu Yanshuo did not dare to neglect, and hurried to the past.

“As the saying goes, men are afraid of going into the wrong profession, and women are afraid of marrying the wrong man. What is the best destination for a woman? Brother Zhu, that is to marry the right person.

”, but you and I are well aware that since Young Master Ye has a crush on your sister, this is your sister’s blessing.”

“What position will she be in in the future? Below one person, above ten thousand people, Don’t say anything else then, just you, the elder brother, will definitely dominate the world and envy all beings in the world.”

Hearing these words, it is absolutely impossible for Zhu Yanshuo to have no desire in his eyes. A man who has lived in the world for a long time, if he can only rely on others under the fence, and cannot achieve unworldly merit, what is the meaning? !

What is he trying to build the fall city map? Isn’t that just fame and fortune?

“But

to help seniors, this marriage is not my unilateral decision.” Zhu Yanshuo said with some embarrassment.

He and his sister have a very good relationship, they are biological brothers and sisters, and they have been close to each other since childhood. One of them is a concubine, the other is very ugly, and they are not seen by the family, so they have long been in a group for warmth and have a deep relationship.

To ask him to force his sister to do something she didn’t want to do, Zhu Yanshuo really couldn’t bear it.

“Besides, Young Master Ye doesn’t already have a wife. I listen to her name, and it seems that she is still helping the senior’s family?

” What help does Young Master Ye bring, but City Lord Zhu is different, he is young and promising, and he has good governance, but he is only one move away from chess. : “Futian is like this, only

It is hoped that in the future, City Lord Zhu will hold the power and be able to promote a number of people. “

Fu Mei has already lost power, so it will be a matter of time before Ye Shijun finds someone to replace him. Futian understands this very well, but at least Zhu Yanshuo doesn’t know it. Futian naturally wants to seize such an opportunity, before he makes a speech. Come to fudge.

In this way, he not only obeyed Ye Shijun’s wishes, successfully flattered, but also successfully pulled in his relationship with Zhu Yanshuo. If Zhu Yanshuo has the opportunity to become bigger in the future, wouldn’t it be another friendly force.

A scheming person like Futian, how could he not understand these things?

“Is that so...” Zhu Yanshuo frowned slightly, but the big stone in his heart was put down a lot. In this way, once the younger sister married Ye Shijun The proper “Prince Concubine”, no one can shake her position.

The things that Futian said seem to be within reach. The

only Futian saw the situation and smiled lightly: “ City Lord Zhu, why should you worry? In addition to being noble, Young Master Ye is also amazing in strength. ” Well, this woman either loves heroes or wealthy people. No matter what, Young Master Ye is worthy of her liking.” “ What do you mean by helping seniors...” “It doesn’t mean anything else, it’s very simple and let nature take its course. City Lord Zhu will create some opportunities for them, and when they get in touch, they will enhance their relationship. You can blow some wind occasionally. As for the next step things, I believe, is just a matter of course.” Futian said with a gloomy smile. Hearing this, Zhu Yanshuo frowned slightly. He is a smart man, and naturally he heard the slightest complacency from Futian’s smile. However, he was a little puzzled, and he didn’t get it. Before his sister answered affirmatively, even his own brother, who knew his , was not sure whether it was reliable or not. Where did Futian, the person he met for the first time, get his confidence from?

This success aroused Zhu Yanshuo’s interest, and he couldn’t help asking curiously: “Senior Fu, why are you so confident? If you are not talented, please show it clearly.”

Futian smiled lightly, very at ease: “There is no need for it. What do you say to make it clear that George Han is not the so-called man from heaven? Then let me ask you, when Young Master Ye kills George Han in front of thousands of people?”

“Is he a hero?”

“One needs background . With a background, if you want a capable and capable hero, can your sister not like it?”

Upon hearing this, Zhu Yanshuo’s eyes suddenly glowed with golden light. With a slight smile: “I have a plan to help the old man.”

“Oh?”

Chapter 3343

“City Lord Zhu said it.” Futian smiled.

“In the next few days, I will find some rhetoric and excuses. When the time comes, I will pretend that everyone will play together, but I will secretly leave space for the two of them. However, there is one thing I need to help the seniors.” Zhu Yanshuo smiled.

Futian was very happy: “City Lord Zhu wants to help someone to help her away?”

Zhu Yanshuo smiled without saying a word, but the meaning of each was very clear.

Futian smiled: “Don’t worry, this matter is on Futian’s body.”

“Then I will first thank Senior Fu for Lingmei.”

“You are welcome, everyone is on the same boat and should take care of each other, I just hope in the future, you and I can work together to create a prosperous world.” The

two of them smiled at each other and drank again.

After the complaint fell to Zhu Yanshuo, Futian took his cup

and walked to his seat. He gave Ye Shijun a slight nod as he passed by the center.

Ye Shijun immediately understood that what Futian had just talked about was for himself, and he was quite satisfied with his own affairs.

Only Fu Mei, who was behind him, raised her hand while drinking, covered her face with a curtain, and stared at Futian viciously through some gaps.

Once, when she brought the Fu family back to life, Futian followed her like a dog, but now she has lost power. Not only has this dog thief never helped her, but instead helped Ye Shijun to suppress herself everywhere, and relying on this constantly. It is really hateful to please Ye Shijun.

If there is a chance in the future, she will definitely step on it fiercely, so that he will never turn over.

Zhu Yanshuo also returned to his seat, turned slightly to

beside his sister, Zhu Yaner spoke first: “Brother, what did you just say, for so long?”

“Oh, just say a few words.” Zhu Yanshuo said lightly. With a light smile, he continued: “Mr. Fu Lao said, every time you mention George Han, your eyes are always different. Do you like that kid?”

“Nonsense, how can there be.” Dodge a little.

Obviously, this couldn't be concealed from Zhu Yanshuo's eyes, and it was in his heart: “Women love heroes, since ancient times, why not?”

“Just, you know, that George Han doesn't like you at all, otherwise how could he do so to you? However, I don't want to say more about emotional matters. I just want to say something to my sister. Although George Han is a hero, he is the hero you see.”

“What do you mean by this brother?” Zhu Yaner somewhat puzzled.

Zhu Yanshuo smiled and said, “Brother's meaning is very simple. You are still young and have not seen the world, just like the little monkey who came down the mountain. When you first saw the peach, you thought that the peach was very big, and even thought it was the biggest fruit in the world.

” But that's because it hasn't seen other bigger fruits such as watermelons, and one day, as he sees more, he realizes that the so-called biggest fruit in his heart may be nothing.”

Zhu Yan'er frowned slightly. Wrinkle: “Brother means that George Han is the big peach, right?”

Zhu Yanshuo nodded and patted his sister's head: “Exactly.”

“Who is the fruit as big as a watermelon?”

Zhu Yanshuo smiled bitterly: "Maybe I didn't know before, because I haven't seen many masters in this world, but it just happens to be a coincidence now that there

is such a person." After the

words were finished, Zhu Yanshuo looked at Ye Shijun at the center.

"He?" Zhu Yan'er was a little puzzled.

"Exactly."

Zhu Yanshuo looked at him, shook his head, and gave Zhu Yanshuo, who was a little happy, a blow to the head: "But Yan'er doesn't like him, he is not as good-looking as George Han."

Hearing this, Zhu Yanshuo quickly covered Zhu Yanshuo . Yan'er's mouth, if Ye Shijun heard this, it would be worth it: "Yan'er, what a man wants is skill, not face."

"Or, think in another direction, didn't George Han treat you like this? Then you change to another one. A person who is better than him, and then show him in front of him, won't you be more angry?"

Hearing this, Zhu Yan'er immediately figured out, that's right.

Seeing that his sister no longer refused, Zhu Yanshuo smiled coldly, George Han, this time, let me see how I will play you to death! !
