

Chapter 3348 – 3349 of the novel A Dish Best Served Cold

Chapter 3348

Sure enough, as Gaia's words fell, the majestic Red Flame giant finger that had just now disappeared quickly.

Yundao Tianjue's fourth style also fell under the yin and yang gods of the two elders Xuan Ming.

The blow that defeated Chu Zhengliang just now still fell in front of the two elders Xuan Ming.

“Haha~”

“Guild ass skills are poor!”

” Now he is dead!” Chu Qitian shouted excitedly.

Chu Shen and the others also showed knowing smiles, and they looked at Mark with chills.

“It's useless, Chu Tianfan!”

“No matter how you struggle, in front of absolute power, it's just futile.”

“Just like the two elders Xuan Ming said, today's farce is at the moment when they two appear. It's over!”

Chu Shen said quietly, with the winner's smile on his forehead.

Gaia and other Dragon Temple powerhouses were all desperate at this time.

Hidden in the crowd, Iwai Chan sighed sadly: “The path of the dragon lord, after all, stops here.”

However, when everyone thought Mark Qiangqi was poor and the defeat was set, who would have thought that after using Chi Yan After pointing to Mark, not only did he not show the slightest decadence, but his power rose again.

“Yeah”

“What's going on?”

“This Chu Tianfan, is it because there is still a

hole card that is not successful?” Aaron and the others stared at the sight, and suddenly showed a stunned expression on their forehead.

“Juggernaut, this Brian Chu once served for your martial arts temple.”

“You should know, what’s going on?”

“Could he still keep his hands?” In

doubt, Aaron and the others looked at the Juggernaut and Tang Hao.

The corners of the Juggernaut’s mouth twitched, and finally he spread his hands helplessly: “Don’t look at me, I don’t know.”

“Then you, the Valkyrie Hallmaster, must have failed enough!”

” You can’t even figure out the details of the title powers under your command.

“Aaron shook his head for a while, and said a few words, which undoubtedly made the Juggernaut’s face even more ugly.

However, when Aaron and others were confused, some of the Chu family seemed to realize something, and a pair of pupils suddenly shrank: “Could it be…”

“No!”

“Definitely not!”

“It must be I think. That’s too much.”

“He is so young, it is absolutely

impossible for him

to reach the fifth style.” “It must be impossible~” “Zhengliang has only cultivated to the fourth style!”

Chu Shen couldn’t help shaking his head, not at all. Willing to admit their conjectures.

However, things in the world are often not shifted by human will.

Just as Chu Shen whispered in panic, a majestic voice resounded like thunder!

“Yundao Tianjue fifth style,”

“Void! Empty! Cut!” The

words are sonorous and the sound is like thunder.

At the moment when Mark's voice rang, everyone only felt that the world seemed to darken.

Especially the sky where Mark was, as dark as night.

It's as if the heaven and the earth meet, and wherever you enter your eyes, there is darkness everywhere.

And just in the endless dark night, a ray of light cut out.

It is like a sword that opens the sky, splitting the sky and the earth in the thousands of chaos.

It's like lightning and flying, splitting the light in the endless darkness!

One sword, split life and death!

One sword, cut through the sun and moon!

At the moment Mark's Void Slash was lit up, the whole world was dimmed.

The sun and the moon are dull, and the heaven and the earth are eclipsed.

Everyone was horrified, staring at the rainbow light that split the sky and the earth, their eyes staring, and their pupils shrinking.

The elders of Chumen, and even the Chu family, were so shocked that they forgot to breathe.

Even the two elders Xuan Ming, the look of Gu Jing Wubo, has also set off, and the waves are horrible!

“Unexpectedly, it's the fifth style?”

Stabbing ~

Between the two old men's panic, Yundao Tianjue's fifth style has swept past.

Like a knife to cut tofu, it sweeps across all directions with a force of destruction.

Wherever he went along the way, he swept across thousands of troops, like a broken bamboo.

What black and white double evil spirits, what Void God Slash.

Under the cloud, the sky is absolute, but the chicken and dog!

For a moment, defeated!

The Yin Yang Divine Slash that once shook the world fell apart in such a shocking way.

Chapter 3349

Rumble ~

Tianhe trembled, the sun and the moon were dull.

Under the heaven and earth, even this yin and yang world was almost split apart.

The sky seemed to have cracked a hole, and the terrifying air current rolled like a storm.

Wherever he goes, everything becomes nothingness.

Half of the hill, under this move, burst and burst.

Finally, I don't know how long it has passed, the cloud has been lost.

Here the world returns to silence.

But the ruins all over the ground show exactly what kind of battle has been experienced just now.

Puff~

Puff~

At this time, two muffled hums sounded quietly.

The two elders Xuan Ming, who had originally revealed the majesty of the four directions, were undoubtedly tragically crushed after their tricks were broken.

And the old man, like a kite with a broken line, fell from the sky.

Finally, it fell to the ground and brought up the dust.

The undefeated myth of the two elders Xuan Ming came to an end.

At that time, Chu Zhenghong's casual remarks were honored by his son himself after more than ten years!

The majesty of Tiandao Tianjue, after all, destroyed all the Chu Family's hole cards.

Not only the Chu Family Patriarch was defeated by Yun Dao Tian Jue, but even the old guardian of the Chu Family was also defeated tragically.

At this moment, in the sky, only the young man stood proudly.

He stood with his hands behind, sneer all over his face.

Underfoot is the vicissitudes of earth, and behind is the vast void.

At this time, Mark, like the god of nine heavens, who is utterly arrogant, looks at the world and is powerful in Kyushu!

Call ~

cold and windy, rolled YeFan forelock flying.

At the end of the battle, everyone present was stunned.

Mochizuki River, Juggernaut, Aaron~

At this moment, there is no doubt whether it is a yellow race or a white person, an enemy or a friend, all trembling under this majestic and immense power.

Everyone, there is a blank in their minds.

They just raised their heads, looked at the sky, and looked at Tianhe. Only the thin figure of the young boy was left in their minds.

In the end, it was the Juggernaut, after a long time suffocating a sentence:
“How...how could it be so strong?” It’s
too strong!

This is the only thought in Juggernaut’s heart at this time.

He once thought that no matter how strong Brian Chuwas, his strength would be equal to him at most.

Later, seeing that Chu Zhengliang was defeated by Mark, the Sword Saint knew that Mark’s strength was already above the God of War.

But until now, after seeing the black and white Shuangsha defeated by Mark’s hand, the Juggernaut under the horror felt that he could no longer describe Mark’s strength.

Top ten in the top ten?

Top five in the sky list?

Some people have become unimaginable.

“Grandpa Xuan, Grandpa Ming, you are defeated.”

Mark naturally ignored the reactions of everyone around him .

For Mark today, many people are no longer in his eyes.

After all, the height at which you stand is already different.

After the defeat of the two elders Xuan Ming, Mark’s eyes also fell, focusing on the two old men.

“Cough, cough, cough~” The

two old men Xuan Ming had a languid breath, and their old faces were bloodless.

They tried to stand up from the ruins, but in their bodies, blood and blood were empty.

Just as soon as he worked, he moved his injuries and coughed violently.

Without coughing, he vomited a mouthful of blood.

But even with this injury, the two elders still tried to raise their heads and meet Mark’s gaze: “You...you use the full version, Yundao Tianjue.”

“Back then, your father used to say Yundao Tianjue.” The first six styles confronted me and we were still defeated.”

“However, we are not the enemy of your five styles when facing you.”

“I can’t understand it. In the end, I can only guess, you practice. The truth is that the Chu family has been lost for a long, long time, the complete version of

Yundao Tianjue .” The weak voice of the second elder Xuan Ming slowly sounded.

But just a few words shocked the entire Chu family.

When Chu Shen heard this, he trembled suddenly, as if he had been struck by thunder
