

Chapter 3356– 3357 of A Dish Best Served Cold Novel

Chapter 3356

Sure enough, after hearing Mark's words, Chu Yuan's gaze fell on him for the first time.

“you?”

“It's you who was hit by me just now.”

“It should have some abilities, but he could not die by a single blow from me.”

“With such a level, he must also be the leading titled powerhouse in the martial arts world.”

“However, your strength is nothing to me, but your youth makes me a little surprised.”

“Depending on your age, you should be less than 30 years old, with yellow skin and black eyes, you should be from East Asia.”

“Let's talk about it, who is your mentor, where is your mentor, and who is the source of your cultivation.”

“I'm really curious, besides our Chu Sect, in this martial arts world, what other forces can cultivate such enchanting genius?”

For Mark, even though Chu Yuan fought him once, Chu Yuan was still a little surprised by the moment of confrontation.

Of course, what Mark surprised Chu Yuan was not his strength, but his age and potential.

In this world, Chu Yuan would not be surprised by any power, because they were all under him.

However, the potential shown by this young man before him was a bit scary.

Facing Chu Yuan's inquiry, Mark smiled.

“Ask me where I learned from?”

“good!”

“Why don’t I tell you?”

“I, Chu Tianfan, is a man of good fortune, and I am full of cultivation skills, all of which are taught by my ancestor of the Chu family, Chu Yunyang!”

Boom~

As if the thunder fell.

The moment he heard Mark’s words, Chu Yuan, who had experienced countless winds and frosts, couldn’t help but change his expression suddenly.

“shut up!”

“My real name, the ancestor of the Chu family, can you speak frankly as a yellow-mouthed child?”

“Dare to claim to be the ancestor of Yunyang?”

“It’s so shameless!”

“If I tarnish the ancestor of the Chu family again, I will destroy your family, punish your nine clans, and kill your grandfather and grandson for several generations!”

Chu Yuan was very angry, and it felt like his faith had been greatly desecrated.

After all, the Chu Yunyang that Mark said was the ancestor of the Chu family.

All the foundations and brilliance of the Chu family are the gift and legacy of the ancestor of Yunyang.

Even if the Chu family relies on its strong foundation, Yundao Tianjue was written and passed on by the ancestor of Yunyang.

The blessings of the ancestor of Yunyang have been enjoyed by the Chu family for dozens of generations, and even today they are still under the blessing of their blessings.

Now an outsider, a yellow-mouthed child, dare to say that the teacher is the ancestor of the Chu family.

This is undoubtedly a great blasphemy against their Chu family.

So much so that Chu Yuan threatened to destroy his nine clans.

Mark smiled even more when he heard the words: “Okay?”

“If you want to destroy it, destroy it, you can’t ask for it.”

“Finally, the ancestral graves of my ancestors of the eighteenth generations were also planed. If the ashes can be raised for help, then I would like to thank you so much.”

Mark smiled faintly.

But what he said made Chu Yuan confused.

Does this guy have a brain disease?

The first time I saw it, I took the initiative to let someone dig the ancestral graves of my 18th generation ancestors!

Just when Chu Yuan was puzzled, Chu Zhengliang next to him raised his head and whispered in fear: “Father, he... he is the illegitimate son of the elder brother, the abandoned son who was swept out by you back then.”

“His 18th generation ancestor should also be our Chu family’s 18th generation ancestor...”

Chu Zhengliang said bitterly.

Chu Yuan beside him was stunned.

“What did you say?”

“You said he was the abandoned son back then?”

“He is the kind of evil that Zhenghong gave birth to that country sordid woman?”

“But how is this possible?”

“After a countrywoman, with a lowly pedigree, how could she have such a talent for martial arts?”

Knowing that the enchanting boy in front of him was actually the abandoned son who was swept out by him back then, Chu Yuan was obviously surprised.

The ups and downs of the heart make it difficult to calm down for a long time.

Chapter 3357

Chu Yuan naturally remembered the ugly farce that year.

Chu Yuan has two sons in his life.

One Chu Zhenghong and the other Chu Zhengliang.

Although Chu Zhengliang was the first to become famous, he was also the most pleasing to the family elders, and he has always been a role model for the Chu family.

Chu Zhenghong, on the other hand, has been rebellious since he was a child, and hasn't done his job properly. He knows how to cherish his martial arts talents, and he knows to play with girls and have fun.

But even so, Chu Yuan held the most respect and high hopes in his heart, still his eldest son, Chu Zhenghong.

At that time, Chu Yuan felt that let him play for a few years first, wait until he can't play, and calm down, and then bring him back to his family to practice martial arts and inherit the Chu family's heritage.

However, Chu Yuan never expected that when Chu Zhenghong's prodigal son turned around, he would bring him a country woman.

More than that, he was still out there and had a child with this humble and contemptuous person!

He even asked Chu Yuan to give that country woman the status, and even more so that the Chu family acknowledge the fact that Brian Chuis Chu's family and grandson.

After Chu Yuan learned of all this, he was undoubtedly furious.

He is the Chu family, a wealthy family for generations, and the most prestigious family in the world. How can he allow the mistress of the family to be a humble generation from a poor background.

What's more, what Chu Yuan couldn't accept was that in the future, the power of the Chu family would fall by an illegitimate child with a sordid descent.

Of course, Chu Yuan didn't do everything right at the beginning, and tolerated Mark's mother and son living in the Chu family, in exchange for Chu Zhenghong's peace of mind to practice.

At the same time, Chu Yuan also arranged for the princesses of princes and nobles, or wealthy daughters and eldest ladies of martial arts families to contact Chu Zhenghong.

He doesn't believe in the romantic temperament of his own son, so many beautiful women can be compared to a country woman? Can't capture his son's heart?

At that time, Chu Yuan's plan, his daughter-in-law's candidate must be behind the wealthy family.

As for Mark's mother, she can continue to exist as her son's lover. As for Chu Tianfan, he was naturally an illegitimate child, and had no name.

In order to make Chu Zhenghong change his mind, Chu Yuan also took great pains.

He even took the eldest lady of the Tang family, one of the three Chu family, that was Tang Yun's sister, to the Chu family, practiced with Chu Zhenghong, and got along with each other day and night.

The result is naturally futile.

Chu Zhenghong seemed to be fascinated by Mark's mother and daughter, no matter how beautiful the beauty was, he would not even bother.

Instead, Tang Rui, Tang Yun's sister, fell in love with Chu Zhenghong hopelessly.

But falling flowers are intentional and flowing water is merciless.

Tang Rui's full of true feelings only got Chu Zhenghong's words, just treating you as a younger sister.

In addition, he also told Tang Rui that he has a family, a beloved wife, and a son.

The former prodigal son has long since returned.

The kite that used to fly all over the sky has also handed the thread to a woman named Ye Ximei.

On that day, Tang Rui, Miss Tang from the Tang family, turned her head all night. After that, his whereabouts were unknown and no more traces.

All of Chu Yuan's plans were undoubtedly a complete failure. On the contrary, they also invisibly harmed the Tang family's eldest lady.

This incident caused the Tang and Chu family to almost turn their heads. The Tang family and all the strong men of the Tang family surrounded the Chu family and asked the Chu family to give an account.

It was also because of this incident that buried a hidden danger for the later Chumen civil strife.

Although Chu Yuan was powerful, he was guilty in his heart and knew that he was wrong. While appeasing the Tang family, he made efforts to search for Tang Rui. At the same time, to apologize, he brought Tang Rui's sister Tang Yun to the sect and devoted what he had learned. Teach Tang Yun's martial arts skills.

After that, Chu Yuan allowed Tang Yun to be the master of the Chu Sect, perhaps because of his guilt towards her sister and the Tang family.

After all, Tang Rui's tragedy was caused by him alone.

He deliberately concealed the fact that Chu Zhenghong had a family, and he deliberately gave the two a chance to make ambiguous contact, which eventually led to Tang Rui's tragedy.
