

## Chapter 3413

"Good!" Morgan nodded his head and said with satisfaction, "I won't treat you badly in the future."

Hawade couldn't help but ask him with a puzzled face: "Right, Brother, you've already given him face by picking up that Charlie."

"Why did you call sister-in-law as well? Sister-in-law is at least the princess of the Nordic royal family, to pick up that worthless Charlie is too much to give him face, right?"

Morgan sneered and said, "I just want him to see Helena with his own eyes, so he can understand the difference between him and me!"

"That Sara of the Gu family is not bad, but when it comes to looks and temperament, she is still inferior to Helena!"

"That's natural!" Hawade couldn't help but say with a sigh of relief: "Other than that, sister-in-law's figure is enough to crush Sara."

"To be honest, European women really have an innate advantage in the figure, not only tall, but also thin, straight and long legs, like sister-in-law's pair of long legs, simply in accordance with the golden point of division, so long!"

Speaking of which, Hawade looked at Morgan with incomparable envy, and seriously said, "Brother, you are blessed in the future ....."

Morgan heard Hawade praise Helena so much, his heart was also overjoyed.

Every man is very vain in this aspect, and seeing his fiancée being praised so much by Hawade, Morgan's heart was also bursting with accomplishment.

Helena is indeed the best on earth, spare Morgan such a top rich second generation who has seen countless women, in the first look at Helena, is also immediately hands down surrendered, completely sunk.

It is also because of this that Morgan thought to take her along to pick up Charlie.

This will allow Charlie just landed in Eastcliff, he can realize himself and his ubiquitous gap!

.....

Soon, Leon organized a luxury convoy of eight Rolls-Royces.

Among them, there was also an extra-long custom-made courtesy model sedan.

This stretch limousine, which was specially customized from Rolls-Royce by the Wade family, was nearly eight meters long.

And its interior space, is simply a mini nightclub, not only has a super-long sofa, comparable to the top of the nightclub stereo, there is a special bar for wine tasting.

At this time just as Helena also came out of the villa, Morgan stepped forward and said very gentlemanly: "Helena, let's take the middle stretch car together, it's more comfortable inside."

Helena took a look at the elongated Rolls Royce, frowned slightly, and spoke, "Sorry, I haven't been resting well these days because of jet lag, I may need to be alone for a while, if you don't mind, please take this car with Hawade, I'll take the one behind myself."

Morgan did not expect Helena to be so disrespectful, not to sit in this stretch car even if, at least do not want to sit by his side, right? What's wrong with sitting alongside him in the car?

However, Helena has said this out, Morgan also has no way to refuse.

So, he could only send Helena to the car behind him first, and then resentfully got into the long Rolls Royce with Hawade.
