

Chapter 3428

“Hehe, you want to go to a meeting with them?” Bahuang Tianshu asked.

“Why not? They can control my friends today, and they can control other people tomorrow, and the whole year goes on. Who knows how many people will be controlled by them?”

“With such a time bomb by your side, Are you willing?”

Bahuang Tianshu chuckled: “That’s true.”

“Of course, the most important thing is, I want to know what my friend wants to say.”

Bahuang Tianshu nodded: “I like it . Your honest appearance is not fake.”

“It’s not that I can’t take you where they are. It’s just that although they exist in this world in another special form, they are true gods after all. Camels are bigger than horses, you should understand this. Besides, I have to remind you that there are a lot of them. If you

go alone, I can’t say how dangerous it is, but at least you have to put your head in your hands. The level of play.”

“If there are any mistakes, your head will not be

able to go back.” George Han thought for a while, and the answer was instantly obvious.

It’s such a time, what else is there to consider about this issue?

“No matter how dangerous it is, it’s safer than being someone else’s puppet. Take me there.” The

Eight Wilderness Heavenly Book laughed, and then the golden light suddenly wrapped around George Han. .

A group of people were stunned. Seeing that George Han left at this time, they hurried to the place where George Han flew. Amelia Su also wanted to chase after him, but after only running a few steps, he suddenly fell on the ground. on the ground.

Tian Zhiqiongqi said at this time: “Based on your current situation, it is actually the best choice for you to stay at home.” “

Let the men’s affairs be handled by men.” “But...” Amelia Su looked worriedly at George Han’s smaller and smaller figure, that was her man, her husband, her favorite, how could she be at ease?

“Hehe, don’t be rude. I said that your man’s body is much stronger than you think. If anyone wants to kill him, I guess that’s enough. My eldest brother. , how can it be weak?” “Besides, someone will help it.”

As the words fell, a black shadow suddenly rushed out of the room, and then chased in the direction of George Han at a very fast speed. Although the speed was so fast that it was almost difficult to see its figure clearly, when it was far away, Amelia Su still saw clearly who it was.

The evil glutton who has been sleeping soundly in the corner. And as it attacked, Amelia Su’s heart finally calmed down a little. After all, as Tian Zhiqiongqi said, with the help of ancient beasts like Evil Taotie, what should she worry about? !

“Hey, this bastard, I thought I wasn’t as fierce as my mother when I called him a brother, but now I’m actively following George Han.” Tian Zhiqiongqi shook his head with a helpless smile.

Amelia Su slowly stood up from the ground, and over there, Qin Shuang also walked over slightly. When the two women looked at each other and smiled at each other, it had already explained everything.

“Do you want me to lead someone to chase it?” Qin Shuang naturally didn’t know what was going on in the sky, so she asked Amelia Su at this time. Amelia Su hesitated for a while, but finally shook her head: “I believe that 3000 will be fine, please don’t worry.”

Qin Shuang nodded. If George Han had gone out so suddenly, she would have caught up immediately, but now, she knew that Amelia Su was in a coma, so after George Han left, Qin Shuang’s first choice was to help Take care of Amelia Su.

However, she did not expect that Amelia Su not only woke up, but was still outside the house at this time.

“Okay.” Qin Shuang nodded, then turned around and walked towards the wooden house.

Amelia Su nodded lightly and walked to the bamboo house. When she passed the door, she stopped slightly in front of the door and glanced at the porridge wrapped in clothes on the ground next to her, and she was stunned for a moment.

Looking back at the figure that Qin Shuang had left, Amelia Su smiled lightly, but there was a bit of bitterness in the lightness.

“I mean, this speed is too fast, isn’t it?”

George Han, who was like a meteor streaking across the air, was really fast like a meteor at this time. Even George Han, who was already fast enough, could Sigh better.

“It’s here.”

But just as George Han finished his words, his entire body suddenly stopped, and when he put it in front of him, George Han was completely stunned...

Chapter 3429

The scene in front of you is a deep jungle.

The river is crooked and interspersed, like a few giant pythons shining with silver light sleeping in it, the green trees crowded in this fast, and brought a darker green darkness to this world.

Above the darkness, on the top of the jungle, layers of white air shrouded it, making it huge and mysterious.

Even though George Han traveled all over the world, he was still shocked by its huge size and depth at this time, and had to sigh at the ghosts and magic of nature. However, after a little amazement, George Han turned his eyes back and said in doubt: “If I remember

correctly, the tombs of the great gods should not be here, right?”

The group of cemeteries was not far from where he was currently stationed, and most importantly, the direction was not right.

The current

direction is completely the opposite of what it was before.

This made George Han extremely confused: "Where is this?"

"This?"

"This is Riyue Bay." The Eight Desolate Heaven Book smiled slightly.

"Sun Moon Bay?"

Looking around, among the meanders of the jungle, there is indeed a river where the confluence is like the sun, and the meander at the other end is like the moon in the sky.

This name is more or less in line with the situation here.

"That's right, of course, you can also call it the land of the gods."

"The land of the gods?" George Han frowned: "Shouldn't that cemetery where the gods be buried be over there? You shaking me?"

"Hehe, I never lie, let alone, who would dare to lie to you, George Han. If you are upset again and ruin me, who am I going to talk to?"

"Yes, everyone died here. The last tombs of the true gods belong to that side, and they are buried in that

place, but that is only where their bones are."

"After those people died, they had great resentment, and they tried their best to escape from here and return to the place where they belonged. Their world. In the Eight Desolates World, the sun rises in this direction, so their grievances are trying to escape in this direction."

"But Sun Moon Lake blocked their way."

"Sun Moon Lake is the border of the Eight Desolate Worlds. One?" George Han asked.

The Eight Wilderness Book of Heaven smiled and did not answer this question, but said indifferently: "There is a magical place here, you will know, in short, I imprisoned them here in the jungle, and over time, their souls will also It became one with the jungle."

"They couldn't leave here, so they gathered their grievances and rushed over the jungle, blocking the sun, and lingering here."

"You mean, these white air

are all the grievances emitted by their wronged souls? "The

Book of Eight Desolations does not deny: "That's right."

“I will help you. When you enter the jungle, I will block the suffocation in this resentment for you to ensure that you can reach the jungle safely. “

However, I have to remind you again that although they no longer have the body of a true god, they were all once famous people. Although the jungle restricted them, the jungle also gave them some different powers. You It's extremely dangerous to go in.”

“Simply put, even I, the real master of this world, never dared to step into this place. You really need to think about it.”

George Han didn't think about it at all, Without the slightest hesitation, he nodded very simply.

“Okay, George Han is indeed George Han, and your friend has arrived, so you can come with him.”
When

George Han looked back, the figure of the evil glutton began to appear in the back. The speed of the guy is fast enough, but compared to the previous speed of George Han and Tianshu together, it is obviously a lot worse. Even if the two chatted here for a long time, it barely caught up.

George Han thought for a moment and nodded.

After a while, the gluttonous eater of evil reached George Han's side and stopped beside him obediently.

“Sun Lake and Moon Lake are home to two of the biggest true gods. As long as you can defeat them, the jungle will disappear completely. Of course, your friend's restrictions on speaking should also be lifted.”

“Of course, If you are really defeated, you can find a way to get out of the jungle, as I said, they can't do without the jungle, but only if you have the ability to get out.” After the

words were finished, the golden light of the Book of Eight Desolations wrapped one person and one beast, and quickly moved towards Fly to the jungle ahead...
