

## Chapter 3464

The only thing you can do is to do everything you can to soothe the hatred within the other party.

Even if it is to pay tens of billions as compensation, it is still at all costs.

Hearing this, Harmen said with contempt, "Old thing, our Supreme Commander's biggest goal in these twenty years is to make your Wade family pay in blood, this kind of unshared hatred, do you think that a mere ten billion can solve it?"

Zhongquan also knows that the other party is unlikely to agree, but in business negotiations, the offer is never given in place in one step, so immediately said:

"Ten billion if your Supreme Commander does not see as significant, then you can say a number, as long as it is within the range of my Wade family, I am willing!"

Harmen laughed and said, "I didn't expect, you old thing is still quite up to date."

After saying that, he hummed and laughed twice and spoke, "Old thing, since you want to settle this matter peacefully, it's not that our Supreme Commander doesn't give your Wade family a chance,"

"As long as your family agrees to our Supreme Commander's three conditions, he can spare your dog's life!"

Zhongquan's heart was overjoyed and he hurriedly said, "What are the specific conditions, please tell me! As long as my Wade family can do it, I will definitely do it!"

Harmen nodded and spoke, "Then listen carefully."

"First! Tonight, go and dig out all the Wade family members buried on Waderest Mountain, leave Changying's coffin behind, and move all the others away overnight!"

"Waderest Mountain is renamed Wanling Mountain, from now on Waderest Mountain becomes the tomb of the Wan family!"

The Wade family's expressions were horrified!

To move all the ancestral graves of the Wade family overnight and rename Waderest Mountain to Wanling Mountain, isn't this a fucking turtledove's nest?

The point is, they have heard of robbing houses and land, but who has heard of robbing ancestral graves?

This is no longer a magpie's nest, this is a magpie's grave ah!

However, you robbed the graveyard, but why did you leave Changying's coffin behind? What is the intention of this Joseph?

When the Wade family was confused, Harmen slowly spoke again.

"Second! Early tomorrow morning, all of you Wade family members will gather at the foot of Wanling Mountain in mourning,"

"And use the full set of procedures of your ancestral rituals to bury the parents of our Supreme Commander!"

Once these words came out, the Wade family people were even more devastated.

The Wade Family Ancestral Ceremony was to pay respect to the many ancestors of the Wade Family over the centuries.

Now, Joseph not only asked them to remove the ancestral graves overnight but also asked them to wear mourning for Arthur and his wife?

How can he and his wife be compared to the ancestors of the Wade family?

If the Wade family really did this, wouldn't it be a total disgrace in front of the whole country and the whole world, a huge laughing stock all over the world?

Just when the Wade family was indignant, Harmen spoke again: "Third, your Wade family must willingly take out one-half of the Wade family's assets as compensation for the death of Arthur and his wife!"

The third condition was not originally within Joseph's consideration.

He had only wanted to humiliate the Wade family with all his might, seize the Wade family's ancestral tomb, and then bruise Changying, and had not thought about asking for the Wade family's money.

But this time, the losses of the Cataclysmic Front in Syria were extremely heavy.

He also knew that when he goes to negotiate with Syria next, they would definitely take the more than 10,000 captives and knock on the door.

Therefore, he had to be prepared to hemorrhage money.

So then, he hit the Wade family's head, wanting to transfer this part of the loss, completely to the Wade family to bear.

And the Wade family heard this, except for Charlie, the others have a count, all completely collapsed!
