

Super Rich Dad Chapter 347-348

Chapter 347 - Never Stop

The boy looked furious, and his attitude towards Su Junting was simply bad to the extreme.

Su Junting also seemed to be a little impatient with the boy and shoved him away before shouting, 'Zhang Xiangyu, what do you want? I'm tired, I don't want to talk to you anymore, I have things to do, please go.'

The boy looked at Su Junting and Jiang Hao beside her and sneered, 'Huh, something? I'm afraid it's not something unseemly, is it?'

The boy's tone carried an air of ill-will, and Su Junting could certainly hear what he meant.

She glared at him with a disgusted face and scolded him, 'Zhang Xiangyu, what exactly do you mean? What the hell do you want? This is Jiang Hao, a good friend of mine, please show some respect when you speak!'

Zhang Xiangyu smiled and disdainfully shot a glance at Jiang Hao, his gaze instantly filled with contempt.

'Heh, poor friend, right? What's the point of hanging out with such people!' Zhang Xiangyu said without putting Jiang Hao in his eyes in the slightest.

Jiang Hao's face changed slightly when he heard this, he didn't even know this guy, how come he not only spoke with a thorn in his side, but also abducted himself with a gun?

Jiang Hao hurriedly looked at Su Zhenye at the side and asked in a low voice, 'Doctor Su, who is this man?'

Hearing this, Su Zhenye looked at Jiang Hao helplessly, shook his head repeatedly and said in a low voice, 'Hey, it's a long story, let me tell you this, this is Jun Ting's current boyfriend, his family is in good condition, it's just his personality.'

This last sigh from Su Zhenye immediately made Jiang Hao understand.

Jiang Hao nodded, but his brow was furrowed, he couldn't believe it, how could Su Junting have a boyfriend after not seeing her for so long?

Jiang Hao could also see that whether it was Su Junting or this Zhang Xiangyu, they didn't like each other at all.

The reason why this Zhang Xiangyu was angry with Su Junting was not because he cared for her at all, but because they had already had a disagreement over something.

Su Junting naturally wouldn't care about finding a boyfriend herself, but Su Junting was his good friend, so if she was bullied, Jiang Hao naturally wouldn't sit idly by.

Jiang Hao saw that Su Junting was disgusted with Zhang Xiangyu, so of course he couldn't stand by and watch her suffer.

Jiang Hao looked at Zhang Xiangyu and said, 'Hello, you're Juntong's boyfriend, right? Nice to meet you, I'm Juntong's good friend, my name is Jiang Hao.'

As Jiang Hao spoke, he extended his right hand, ready to shake hands with the other party before continuing with his reasoning.

But to Jiang Hao's surprise, the other party didn't even bother with Jiang Hao, instead looking at him with a mocking expression.

'Sorry, I'm not too happy to meet you!' Zhang Xiangyu sneered, his eyes full of contempt as he said, 'Shaking hands with me? Have you washed your hands?'

The other party's words carried the meaning of humiliating people, and Jiang Hao's face was somewhat gloomy, and he didn't move his voice.

On the other hand, Su Juntong, who was at the side, heard Zhang Xiangyu's words and was immediately enraged.

She stretched out her slap and slapped Zhang Xiangyu's face, saying loudly, 'Zhang Xiangyu, are you speaking human words?'

'The entire clinic was silenced by the sound of the slap.

Jiang Hao didn't expect that Su Juntong would raise her hand and hit her boyfriend just to defend herself.

In fact, Su Juntong had just gotten angry and was impulsive enough to be reckless.

After all, in her heart, the importance of Jiang Hao was self-evident. Su Juntong could tolerate herself being humiliated, but no matter what, she could not accept Jiang Hao being humiliated in public.

As for her so-called boyfriend, Zhang Xiangyu, who was he? Su Juntong had never mentioned him to anyone, and in her eyes, he was simply dispensable.

Even when Su Juntong accepted Zhang Xiangyu's advances, it was only so that she could quickly forget about Jiang Hao, that's all.

No matter how much she tried to get over him, no matter how much she tried to find someone to replace him in her heart, it all turned out to be in vain.

On the contrary, I couldn't let go of Jiang Hao any longer.

It was also after realising this that Su Juntong became more and more disgusted with Zhang Xiangyu and regretted her decision at the beginning.

It was certainly not because she had relapsed into old feelings and wanted to turn into Jiang Hao's arms that she gave up on Zhang Xiangyu.

Su Junting wanted to leave Zhang Xiangyu because she realised that the gap between the two of them was too great and they were simply two different people.

Su Junting is quiet and gentle, calm as water, but this Zhang Xiangyu, with some money in his family, is like a lawless fish, and after he succeeded in pursuing Su Junting, he became even more reckless, until he wanted to muddy Su Junting's pool of water.

So much so that after they had only been dating for less than ten days, he had tried to take Su Junting out to a room more than a few times.

At this point, Su Junting was too lazy to even say a word to him, let alone have a more in-depth communication with him.

So every time, when Zhang Xiangyu raised this kind of non-promotional idea, Su Junting directly refused him in a firm voice.

And every time Su Junting didn't leave the other side with a single bit of love, a heated argument would break out between them.

Today's quarrel between the two of them also stems from Su Junting's rejection of Zhang Xiangyu once again.

Zhang Xiangyu prides himself on being a veteran in love affairs, what kind of scenes and what kind of women he has not seen, to the extent that even the most reserved women have fallen under his soft and hard approach in the end?

But Su Junting seems to be a bit surprised that this woman is soft and hard.

All this had made Zhang Xiangyu arrogant, and now Su Junting had beaten himself up because of another man, Zhang Xiangyu was about to explode.

He looked at Su Junting and Jiang Hao with anger in his eyes and shouted furiously, 'You dare to hit me, Su? I think you've lived long enough, haven't you? And you really disgust me, the reason you hit me is still because of such a dirtbag?'

Zhang Xiangyu angrily pointed at Jiang Hao and growled, 'What's wrong with me scolding him today? I just see him as a poor bastard and think he's disgusting, I think he's dirty, and you want to shake my hand? How dare you? What are you, damn it, you really don't know what's good for you, and you're still getting close to me, you're not trying to get me to take pity on you, are you, you stinking beggar?'

Zhang Xiangyu went on an angry rant, almost saying unpleasant things.

After all, his own woman, beating himself up for another man, was simply provoking his own dignity, so how could Zhang Xiangyu possibly give up in peace.

Chapter 348 - Zhang Xiangyu's Person

‘That’s enough of you!’ When Su Junting heard Jiang Hao being humiliated in such a way, her anger was simply about to spread out, she waited for Zhang Xiangyu with an angry face and shouted angrily, ‘Get out of here, who are you to talk about Jiang Hao like that? Do you think you’re great just because you have a few stinking dollars?’

Su Junting snorted coldly and continued, ‘You are too presumptuous, let me tell you the truth, just that little stinking money of yours is simply a pile of rubbish in Jiang Hao’s eyes!’

Of course Su Junting was well aware of Jiang Hao’s wealth, a character that even Zhao Jiuyuan had to bow down to, how could he be compared to a Zhang Xiangyu?

Although Su Junting did not know Zhang Xiangyu’s real wealth, or even his real identity, she believed that even if the other party was richer, he would not be enough in front of Jiang Hao.

In Su Junting’s opinion, what Zhang Xiangyu had just said was nothing more than a joke, he was just making a fool of himself.

But after hearing Su Junting’s words, Zhang Xiangyu still looked arrogant, he looked at Jiang Hao and couldn’t help but laugh.

‘Him? Oh, Su Junting ah Su Junting, you can really blow for him, you don’t even look at that virtue of his, he’s nothing!’ Zhang Xiangyu sneered in triumph, ‘Su Junting, to tell you the truth, I have more assets than you can possibly imagine in your lifetime, I’m not willing to see you in general today, otherwise in normal times, if anyone f*cking dares to slap me, I’ll kill him in a minute!’

Zhang Xiangyu was about to say something when his mobile phone suddenly rang, he hurriedly took it out and looked at it, and there was a message.

After reading the message, Zhang Xiangyu’s expression suddenly became a bit more serious, and then hurriedly put away his mobile phone, and the words he was about to continue to say were hurriedly swallowed back into his stomach.

Zhang Xiangyu finally gave Jiang Hao a cold look and said: ‘Just this kind of dog, you remember, I scolded him today, it is his honor to do so, usually this kind of goods, I damn well do not even bother to take care of him. I have things to do, I’m too f*cking lazy to bother with you guys.’

After he finished speaking, Zhang Xiangyu turned around and was about to leave.

But as he was about to leave, Zhang Xiangyu suddenly stopped in his tracks, he turned back, looked at Jiang Hao and then at Su Junting, and sneered, ‘Su Junting, I can see that you have some interest in this dogby, so be it, I’ll let you guys have fun for a while, but don’t worry, it won’t be long before I’ll definitely make you guys even cry, huh, you little group of Gryphons, how ridiculous, I’ve already given you favour so actively, and you still don’t want it?’

Zhang Xiangyu’s words left everyone in the clouds.

Everyone was even a little confused as to how this guy left.

But seeing Zhang Xiangyu leave, Su Junting did let out a long sigh of relief.

As if relieved, she sighed, looked at Jiang Hao and said softly, 'I'm really sorry for causing you to be aggravated.'

Jiang Hao smiled only faintly at her words, 'It's alright, it's good that you're alright.'

Su Junting finally looked at Jiang Hao again, there was an indescribable complexity in her eyes, she said softly, 'I'm I'm tired, I'll go and rest for a while, you get busy.'

Jiang Hao could tell that Su Junting was actually deliberately trying to avoid herself, but since she wanted to do so, why should he force himself? Besides, Su Junting really seemed to be a bit uncomfortable after today's incident, right?

Looking at Su Junting's back, Jiang Hao asked Su Zhenye, 'Doctor Su, when did Junting have a boyfriend? How come I haven't heard of it before?'

As soon as this matter was mentioned, Su Zhenye didn't rush to answer Jiang Hao, but let out a long sigh of his own, obviously he had too much to say and too much helplessness.

Su Zhenye pondered for a moment and spoke, 'In fact, before, this Zhang Xiangyu had already started to pursue Jun Ting, but Jun Ting had also told me that she was very uncomfortable with this Zhang Xiangyu and didn't feel anything, so I also always felt that the two of them were probably out of luck in this life.'

Su Zhenye sighed and continued, 'The most crucial thing is that this Zhang Xiangyu is of unknown origin, and every time he makes an offer, he is very generous, I am a bit worried that his money is not from the right way, so I have been restraining Junting from getting in touch with this kind of person.'

'Of unknown origin?' Jiang Hao couldn't help but be curious when he heard this word come out of Su Zhenye's mouth.

How could a man, who had become Su Junting's boyfriend, be of unknown origin?

Su Zhenye seemed to know that Jiang Hao would be curious about this, so he hurriedly nodded: 'It's just that his origins are unknown, this kid appeared a few months ago, he looks like the son of a rich family, but even when we asked him, he wouldn't say anything. '

Su Zhenye paused and continued, 'Think about it, a person of unknown origins who can offer tens of thousands of dollars at every turn, is this a normal person? How can this not make people suspicious? So, I've always been wary of him, but hey.'

Su Zhenye seemed to hate iron, sighed heavily and continued, 'But Junting, this silly child, ever since the silly bastard sulked with you at the banquet and had an unhappy disagreement, she suddenly went against the grain and accepted this Zhang Xiangyu.'

'The next thing I knew, this kid was coming to my clinic from time to time, but his attitude was so arrogant that he acted as if I was his son-in-law, and I had to suffer from his anger all day long.'

Su Zhenye seemed to have an endless supply of bitterness at the mention of this Zhang Xiangyu.

When Jiang Hao looked at his face, he knew how hard Su Zhenye was feeling.

But what Jiang Hao was most concerned about at this time was still Su Junting.

Especially after Jiang Hao heard Su Zhenye say that Su Junting had only been with this Zhang Xiangyu since he was angry with him last time, Jiang Hao felt even more uncomfortable in his heart.

He felt as if he had pitted Su Junting, and when he finally looked in the direction Su Junting had left, his eyes were full of apologies.

At this moment, however, Jiang Hao had a little more curiosity in his mind about the identity of this Zhang Xiangyu.

Jiang Hao was curious about what Su Zhenye had said, that this Zhang Xiangyu seemed to have appeared out of nowhere and that there was no such person to be found.

Jiang Hao wasn't curious about this person, this guy just had such a brutal and rude attitude that he wouldn't care if he died.

It's just that he's wrapped around Su Junting, and for the sake of his good friend, Jiang Hao has to find out this person's identity properly, no matter what, he can't let his good friend, holding a time bomb in his arms, ah.
