

Chapter 3483

The girl saw Helena's fierce reaction, her expression could not help but panic a little, and hurriedly explained: "Princess Helena, you misunderstood Princess Olivia is thinking that,"

"Based on the actual situation now, the royal family can no longer continue the marriage with the Wade family, so she wants you to go home. "

"I don't believe it!" Helena immediately refused loudly, "There is absolutely no way I can go with you! If you want to go, you can go yourselves!"

The girl immediately said, "Princess Helena, if you refuse to carry out the royal order, you will be removed from the royal family in the future! Please consider carefully!"

Without hesitation, Helena said, "Then remove me! No matter what, I won't go with you!"

Seeing that Helena was obviously alerted, the girl immediately exchanged glances with the other girl.

Immediately afterward, the two of them, one on the left and one on the right, stepped aggressively towards Helena.

The Chinese girl said with a bit of coldness in her mouth, "Princess Helena, since you refuse to cooperate, don't blame us for not being polite!"

Helena was so nervous that she backed up while saying, "Don't come over! This is not your home turf, you have no right to interfere with my personal freedom!"

The Chinese girl suddenly accelerated fiercely, her body shape was instantly quite swift."

"Very different from her previous soft temperament, at first glance, she was professionally trained, though not a martial artist, but at least a qualified agent.

The other girl is also the same, body speed and agility than the Chinese girl is also no less, the two directly with a pincer attack, Helena forced to the corner, and then a left and a right to grab her arms.

The Chinese girl said expressionlessly, "Princess Helena, I'm sorry!"

After saying that, she dragged Helena straight out.

At this time, Helena has been desperate to the extreme, but the Wade family around, with no intention to come out to help her, even Morgan also did not say a word.

In fact, the Wade family has seen it in their hearts.

Helena is the pawn of the Nordic royal family to exchange resources, but now, the royal family knows that the Wade family offended the Cataclysmic Front,"

"So they changed their minds, no matter where these two women want to take Helena, and the Wade family have nothing to do with it.

What's more, even if the Wade family forced Helena to stay, there is no point, once Helena turned against the royal family, it is likely to be immediately removed from the royal family.

A princess who was removed from the royal family, there is still a fart value?

So in the Wade family's view, wherever they take Helena to, it has nothing to do with them at all.

Seeing that no one from the Wade family was willing to help, Helena was extremely scared inside, so she looked at Charlie and shouted in panic, "Charlie please save me"

Charlie did not expect Helena to ask for help, he looked at her expressionlessly and asked her, "I only met you yesterday, not a relative, why should I save you?"

Helena choked, "If you do not save me, I will be dead Even if they do not kill me, I am afraid that they will force me to continue to be a pawn"

Speaking of this, her eyes were red, filled with tears looked at him, pleading: "Since you have saved me once, please be a good man to the end,"

"Do not let them take me away If you can save me this time, I am willing to do cattle for you in the future"

When the Chinese girl heard this, she immediately threatened in a cold voice: "Helena! Princess Olivia asked me to remind you that you must think about your mother before refusing!"

"If you don't come with us and insist on trying to get rid of the royal family's control, then you can wait for your mother to die in the wilderness!"

When Helena heard these words, she was frozen like a thunderstorm.

After a few moments, she seemed to have resigned herself to her fate, nodded gently and said decadently, "Okay you win I'll go with you"
