

Chapter 3515

Who would have thought that such a change would happen on the spot?

Who would have thought that the full force of a six-star martial artist's strike, in Charlie's eyes, could only end up with such an unbelievable evaluation as "as weak as a woman"!

Harmen couldn't even care about his anger.

He just stared dumbly at his own fist and muttered, "This is impossible this is never possible."

Joseph was also confused.

Although he couldn't figure out how exactly Charlie had done it, he had realized that this Charlie was in no way simple!

And at this time, the Wade family, as well as the people who had come to help Charlie, were equally shocked, but deep inside, they had already started to cheer!

A six-star martial artist, who couldn't even do anything to Charlie, this proved that Charlie did have the strength!

Morgan at this time also does not care about his usual dissatisfaction with Charlie, whispered to Andrew, his father: "Charlie he he really knows martial arts? I see that this person can not touch him at all!"

Andrew nodded repeatedly, his expression had been much more relaxed, and spoke, "So it seems that this boy Charlie has some real skills!"

Saying that, Andrew hurriedly instructed in a low voice: "Observe again, if Charlie can really handle the Cataclysmic Front, hurry up and hide the mourning clothes, do not be discovered!"

Zhongquan was also very excited at this time, he looked at Charlie's side face, his mind recalled Changying's vigorous, cross-armed appearance back then, unconsciously, his eyes were already filled with tears.

He could not help but feel: "Back then, the Wade family did not dare to follow the Changying together, who was trying to fight a big, so he angrily left, and finally died in another country"

"This! For this nearly twenty years, my heart has been very remorseful"

"Now, seeing the way his son stood in front of the Wade family and the Wade family's ancestral tomb, standing on his sword, made me see the shadow of Changying again"

"Perhaps, this also means that this old bone of mine will give way to him when the time comes"

At this moment, the other people of the Cataclysmic Front were also unable to understand the scene in front of them.

One of them, a black-skinned man, asked Joseph in a low voice: "Supreme Commander, the strength of the white-clothed Tiger King is still above me, and that strike he just made was indeed very impressive, how exactly did that guy across us defuse it?"

Joseph's expression was grave.

How did he resolve it?

He did not know.

He only knew that Harmen this time was in danger!

And he had promised in front of his own parents, as well as the heavenly spirits of Charlie's parents, that no one from the Cataclysmic Front could ever come forward to help.

This also meant that Harmen had to face Charlie alone.

So, he immediately yelled at Harmen, "Harmen! Make sure to go all out!"

Harmen's expression almost twisted as he murmured in his heart, "I I just gave my all am I really allowed to fight him to the death?"

Charlie saw that Harmen had been dumbfounded and could not help but frown.

Immediately after, he suddenly raised his hand and slapped Harmen on the face, saying in a cold voice: "What the fuck are you dumbfounded for? I told you to come again, didn't you hear me?"

Harmen was dumbfounded by this slap.

Charlie didn't use much strength, but the insult was extremely strong.
