

Chapter 3524

George Han is very long.

“If you had a little bit of sympathy, you wouldn’t say such shameless words.”

From a physical point of view, it is really difficult for George Han to eat such a thing. After all, with the current level of decay Speaking of, let alone eating, just smelling his whole body immediately rolled his eyes and foamed.

From a psychological point of view, this monkey is not food for human consumption. Secondly, I and the jade monkey have also met in a nightmare. If you want to eat his shit...

It’s really hard to get through.

But as the Mercurial people said, if you don’t eat it, it means that the inheritance of the monkey clan will be completely cut off on yourself. How could George Han do such a thing?

In terms of righteousness and small details, what choice does George Han have?

“Why is this shameless?” The Mercury man didn’t care, and smiled lightly: “Do you know

how many people in this world have broken their heads and want to be treated like you, but I can’t get it?” “Think about Zhang Guoshi. , put his life in it, and even put his Zhang family’s peace in it. In the end, he couldn’t even touch it. Not only can you touch it, you can even eat it now. What are you talking about?”

George Han was speechless, although this statement is indeed true, but if this is considered a supreme honor, then in fact, this kind of honor is not worth it.

“Forget it, if the Jade Monkey can wait until the reincarnation, and the Monkey Clan can also have a new seventh-generation Spirit Monkey, then, let alone a corpse, even Tuo Xiang, I will recognize it.” After the words were finished, George Han swept Glancing at the Mercury Man, with a move of his hand, a burst of energy directly hit him.

With a bang, the water polo in the Mercury Man’s hand instantly vanished into nothingness.

Even if he wanted to eat it, George Han definitely didn’t eat it

in such a humiliating way.

With a sigh of relief, a sigh of anger, and a closed eye, George Han simply came, and simply pulled one hand away and shoved it directly into his mouth.

In fact, George Han’s entire face was completely collapsed.

But...

just when George Han put this thing mixed with viscous liquid into his mouth, he was suddenly stunned.

This...

what's going on here? !

Although the viscous liquid on the outside looks disgusting, it is extremely sweet after entering the mouth. The extremely pure wine brewed by the Buddha has been treasured for hundreds of years. .

As for the rotten meat that was bitten, it may be a bit abnormal, but it must be admitted that...

this meat is delicious...

just like the kind of beef that has been stewed for a long time, but it is full of bursts in the mouth.
refreshing

.

In a word that is no exaggeration, this thing, even if George Han has eaten a lot of mountain delicacies and seafood over the years, it is still very much less than one-tenth of this meat.

“What’s wrong? I’m about to be poisoned to death? It’s a bit unpalatable, but... you have to finish it.”
The Mercury Man looked at George Han’s appearance and couldn’t help but said.

George Han came back to his senses, but smiled: “If you can eat this thing, you will know thoroughly what is the food in the world.” The

words ended, since it is not difficult to eat, it is very delicious, George Han Naturally, Qianye didn’t have to hide and swallow, and swallowed it directly.

Seeing how George Hanhu was eating and drinking, the Mercurial Man was completely dumbfounded.

He naturally thought that George Han’s so-called delicious food was just bragging, but how could he know that George Han could eat with such relish.

Is it possible that it is really delicious?

Because if it’s really unpalatable, no matter how good George Han’s acting is, it’s impossible not to frown or blink.

But shouldn’t it?

This is soaked in the sap of the corpse of an unknown number of years, how can it be delicious?

This corpse has been soaked for an unknown number of years, how can it be delicious?

Even if pickled vegetables and made fermented bean curd, it can’t be stored for such a long time...

However, just when the mercury man was completely confused, George Han had already eaten all the “food”. Finished, even...

even at this very moment, drank all the rest of the “soup”.

“Cool!”

George Han roared, wiped his mouth, and said soundly.

The Mercury Man was quite deflated, but when he was about to speak,

bang! !

George Han was suddenly shocked, and a strong light burst out from his body, and the Mercury Man was instantly ejected...

"Crack!"

With a sound of water, he slammed directly on the palace wall more than ten meters away, and the wall was cracked. His entire body also exploded like a water polo, turning into countless water droplets. down.

With a low scolding, the Mercury Man who turned into a drop of water re-condensed his body and stood up depressed. stand up.

When he raised his eyes and looked towards George Han, he saw that George Han was wearing a dark green light around him at this time, and the surrounding air was like a sunset.

"This is..." Mercury's whole body stopped cursing, on the contrary, his brows were wrinkled, and the eyes and pupils transformed by Mercury were also staring at George Han and fascinated.

"Is it the spiritual energy of the Seventh Spirit Monkey?"

Suddenly, the Mercury Man seemed to have thought of something, and the whole person couldn't help but turn pale in shock.

He could clearly feel that George Han was standing there like a god full of spiritual energy at this time.

"I understand." The

mercury man suddenly became emotional.

"The Seventh Spirit Monkey is the incarnation of all spiritual qi. As long as you eat the body of the Seventh Spirit Monkey, you can get all its spiritual qi. However, just

because its body is so precious, the cause and effect of heaven and earth also created his spirit. Without his approval, other people can't even touch it, let alone take a bite."

This makes people sigh at the wonder of the world, and they have to be deeply grateful for George Han's happy encounter at this time. the mighty.

"This guy, wonderful." The

quicksilver man suddenly laughed.

"Zhang Guoshi, Zhang Guoshi, why do you say that your kid is so impulsive, why do you have to fight with this kid? If you are like me and be a little more rational, you won't even lose your soul now. "

"If your boy hadn't lost his soul, you wouldn't be able to see what you've been thinking about all your life now, what it looks like."

"This guy is a godsend, what is your boy?"

"But You only serve tea and water to the chosen person , why are you messing with him?"

"Interesting and interesting, this is really interesting, but let me, the person who puts himself in the position, clearly see this entanglement for many years today. What is the result?"

"Om!"

And George Han over there, his eyes were slightly closed at this time, and his hands were slowly opening and opening slightly.

Surrounded by jade light, George Han's body slowly rose and stopped in mid-air.

Immediately afterwards, the speed of the jade light circle began to increase, and after a while, the speed of the jade light circle was almost as fast as stationary.

"It's not, it's not, it's not, it's not, it's not true, it's not true, it's not true, it's not true, it's not true..."

George Han, who was floating in the air, mouthed. Li muttered softly, but the echo echoed through the entire hall.

Although the Mercurial Man couldn't understand what George Han was reciting, he could clearly feel the echoes at

this moment . Although it only sounded like a whisper, it was like thunder when it entered his ears.

Every word is like a heavy hammer in my heart, and every word is like the loud noise of a landslide and a landslide in my ears.

If you hadn't felt it in person, the Mercury people would never have felt this powerful and steady power.

At this time, he also completely understood why Zhang Guoshi fell into madness because of it, so that he would never forget it after his death.

Those who have it can indeed reverse life, and can indeed dominate the world.

"Boom!"

At this moment, the entire hall shook violently again. When the Mercury Man raised his eyes, he was surprised to find that the Yuguang beside George Han began to undergo huge changes...

He was completely shocked . I was speechless: "This..."
