

Super Rich Dad Chapter 354-356

Chapter 354 - Kneeling down for you

‘Pay for it?’ When Wang Jiani heard Jiang Hao’s words, it was like she had heard some great joke, and besides mockery, there was an even stronger contempt.

‘I pooh!’ Wang Jiani said, ‘Do you know what the hell you’re talking about? You’ll pay for it? Can you afford to pay for it? Do you know what brand this dress is? Do you know how much this dress costs? Do you know where it was bought? I think you know nothing, and you’re lucky to be making things up here, it’s disgusting.’

In Wang Jiani’s opinion, Jiang Hao’s words just now were just to clam up, still immersed in that beautiful dream that he was a rich second generation and hadn’t woken up yet.

‘Damn it, wake up!’ Wang Jiani added with contempt.

Unreasonable, Jiang Hao frowned at the other party.

He wasn’t interested in cursing with the other party, this was Haisheng Yipin, he was the owner of the place, he was cursing at each other with a shrew here, people would only think he was crazy and end up behaving himself.

Jiang Hao didn’t want this kind of gossip flying around in the future.

‘Aiya, can you stop being so nonsense? I said I’ll compensate you and be done with it, why so much nonsense?’ Jiang Hao said impatiently, ‘Come on, how much is it, you’re swearing in a place like this, surprisingly, you’re not afraid of being laughed at!’

Jokes?

When Wang Jiani heard this, she really felt ridiculous.

Her own dress was splashed with mud and water, what was wrong with cursing?

This dress was a new Prada model, and she had only agreed to buy it for herself after she had been trying to get her father to do so for a long time.

Originally, Wang Jiani was thinking that she had to dress decently for such an upscale neighbourhood as Haisheng Yipin today.

But how could she have imagined that it would end up like this?

Moreover, she was already angry, but Jiang Hao even said such things to her.

Wang Jiani was furious and shouted, ‘Buy? Can you afford to buy it? Let me tell you, this dress costs twenty-two thousand dollars, and it’s a limited edition. Can you afford it? Idiot, don’t measure yourself!’

Jiang Hao frowned, he had thought how expensive the dress was, but it was only 20,000.

Jiang Hao shook his head helplessly, 'Fine, more than 20,000, I'll pay you back, just say it yourself, do you want the money, or the dress?'

At this point in time, Jiang Hao was still saying such things, and Wang Jiani was speechless.

Of course, she knew very well that Jiang Hao's ability, not to mention the 22,000 yuan, even if he was a poor loser, it would be good enough if he could get 2,000 yuan.

If she expected him to pay, it would be a nightmare!

Wang Jiani sneered, 'Fine, pay up, I'll pay up any way you want, as long as you can afford it, but'

Wang Jiani's gaze suddenly turned sinister and she said with a gloomy face, 'You can pay for it any way you like, provided you can afford it! However.'

Wang Jiani sneered, 'But I don't think you can afford it, for the sake of our alumni, I'll give you a chance. But.'

Wang Jiani smiled as she thought to herself that Jiang Hao would definitely choose this option, and as long as he chose this, just wait and see how she would humiliate him.

Wang Jiani raised her tone a few notches and continued, 'But I'm not giving you a discount for nothing, you'll have to pay something!'

Jiang Hao smiled at that, he just wanted to know what kind of plan this Wang Jiani had in mind, so he asked, 'Fine, go ahead, what's the price.'

Wang Jiani smiled and thought that Jiang Hao had fallen for the trap, so she was pleased with herself.

'The price, it's simple, you kneel down for me now!' Wang Jiani smiled sinisterly, 'I'll tell you the truth, today you only have two options, either give me money for compensation immediately, or kneel down for me, I can allow Mi to compensate me in installments!'

'I said, you only have these two options, if you neither compensate nor kneel down, then sorry, I guarantee to make you look good, my cousin knows a lot of people in the road, when the time comes, I guarantee to make you die a miserable death!'

Wang Jiani was so pleased with herself that she thought to herself that Jiang Hao would have nothing more to say and would definitely have to kneel down for herself.

She would have to record this scene later and show it to her friends, so that she could see if this fool would dare to be crazy in front of her again.

It was just that Wang Jiani seemed to be a bit too happy too soon, and after hearing her words, Jiang Hao laughed.

Not to mention what Wang Jiani said about her cousin on the road, just this little ploy of hers to humiliate herself, Jiang Hao found it beyond ridiculous.

Kneeling down, how dare she think of that.

If it hadn't been her own fault today, Jiang Hao would definitely not have wasted so much time talking to Wang Jiani.

Jiang Hao shook his head helplessly and said with a bitter smile, 'Bring your phone, I'll transfer money to you.'

Jiang Hao suddenly hesitated and looked at Wang Jiani with a playful smile, 'Hey? By the way, let me ask you something, if I want you to kneel down for me? How much money would have to be transferred to you?'

Jiang Hao's words made Wang Jiani anxious and annoyed.

Something that didn't measure itself and was still pretending, Wang Jiani sneered, 'You pretend, fine, if you can transfer me a million dollars, I'll kneel down for you!'

Chapter 355 - Wait for me

Jiang Hao smiled at his words, his heart couldn't help but move a little to tease Wang Jiani.

He nodded, 'Then it's done, I'll give you a million, so go back and kneel down for me.'

After saying that, Jiang Hao asked Wang Jiani to hand over her mobile phone so that he could transfer the money to him.

Jiang Hao's move really surprised Wang Jiani a little, but more than that, it was mocking.

'Heh, making a fool of yourself, good!' Wang Jiani took out her mobile phone without the slightest hesitation and handed it to Jiang Hao, 'Transfer it, I'll see if you can give me a million today or not, hehe, if you can really transfer a million to me, not to mention kneeling down, even if you ask me to kowtow to you a hundred times I'll satisfy you!'

Wang Jiani gave a 'bah', 'Unfortunately, you can't do it!'

Jiang Hao looked at Wang Jiani and couldn't help but feel amused, thinking to himself, 'I'll make you cry even if you don't have a tough mouth.'

Thinking of this, Jiang Hao hurriedly used WeChat to scan Wang Jiani's receipt QR code.

Then he directly entered the amount of one million and prepared to pay over.

Jiang Hao was certainly not stupid, he certainly wouldn't let this million go to waste.

He knew that Wang Jiani's family's decoration company was working for him, so he could just treat this million as an advance payment, as he would have to pay people sooner or later anyway.

Jiang Hao naturally believed that if Wang Jiani dared to embezzle the money, she would never end up in a good place.

Jiang Hao did this just to see how she would react when the money reached Wang Jiani.

This woman was too arrogant, so he could just kill her temper and see if she dared to be so arrogant with him in the future.

Jiang Hao entered the password while looking at Wang Jiani with a smile, taking away some provocative meaning, 'You just said that if I could transfer a million to you, you would kowtow to me a hundred times, is that true or not?'

Wang Jiani's face sank and she scolded, 'Humph, of course it's true, but unfortunately you don't have that much money!'

Jiang Hao sneered, by now he had finished entering his password and said blandly, 'Who said that?'

Jiang Hao held his phone up and gave Wang Jiani a look, smiling, 'Kowtow!'

Wang Jiani was taken aback by Jiang Hao's certainty and said, 'This idiot doesn't really have a million dollars, does he?'

She hurriedly looked at Jiang Hao's mobile phone screen, and when she did, she was instantly frozen.

But after just a moment, Wang Jiani was laughing again.

'Hahahahaha laughing my ass off, and kowtowing to you, kowtowing your grandma's leg!' Wang Jiani pointed at Jiang Hao and laughed uncontrollably, 'A fool is a fool, look at yourself, what's on your phone screen? How dare you pretend with me here, I think you really want me to die, but you want to laugh me to death'

When Jiang Hao heard Wang Jiani's words, he was stunned, thinking that there wouldn't be a problem again, right?

He hurriedly took back his phone and took a look, only this time, Jiang Hao gave himself a shot in the heart.

Because at this moment, his phone screen only showed a few short words: payment exceeded the limit.

Embarrassment with a capital letter.

Jiang Hao was really speechless and even wanted to drop this broken phone for a while.

If he had known he would have chosen to transfer money from the bank, Jiang Hao couldn't help but sigh in his heart and raised his head, blushing slightly, and said, 'Why don't I use my bank card to transfer it to you, I forgot that there is a limit on the amount of money you can pay by mobile phone'

'Fuck you, you take me for a fool, don't you? You think I'm like you?' Wang Jiani said with contempt, 'You obviously don't have any money and you're still pretending, I think you're doing it on purpose!'

Wang Jiani spat at Jiang Hao and shouted, 'Hurry up and pay back the money or kowtow to me and admit your mistake, otherwise you won't have a good time!'

Obviously, it was impossible for Jiang Hao to re-transfer money to Wang Jiani at this point.

Jiang Hao sighed at his bad luck, but there was nothing he could do about it, because it was such a coincidence.

Jiang Hao was also a bit angry, originally he wanted to hit Wang Jiani in the face, but in the end, he didn't hit her, but made himself embarrassed.

Jiang Hao glanced at Wang Jiani in anger and said: 'Okay, stop talking nonsense, I'll pay you back, I can't transfer a million, but I can't transfer 20,000? I'll give you the money right now, don't give me any more nonsense!'

As he spoke, Jiang Hao made another transfer to Wang Jiani, this time he entered twenty four thousand.

However, Jiang Hao's action was what made Wang Jiani laugh.

'Oh, and pretending to be a pussy? Who are you fooling?' Wang Jiani gritted her teeth as she looked at the Prada dress she was wearing, hating it with a passion and abhorring it, 'Just you wait, today's matter, it's not over!'

After saying her words, Wang Jiani turned around and walked away.

Of course she didn't believe Jiang Hao could give herself 24,000, Jiang Hao was just pretending to be a pussy again.

But Wang Jiani would never let Jiang Hao go, she would definitely take revenge for ruining her favourite dress!

Thinking of this, Wang Jiani took out her mobile phone and prepared to call her cousin.

Chapter 356 - How much is it?

But just then, Wang Jiani's WeChat rang, and to his surprise, it was an arrival alert.

Wang Jiani was astonished, but she didn't even think it was Jiang Hao who had transferred the money to her, she thought it was some friend who had transferred money to her.

She hurriedly took a look, but her face became more and more shocked.

Because she saw that the person who transferred money to her was Jiang Hao, and the amount was a full 24,000 yuan.

‘This,’ Wang Jiani was dumbfounded and couldn’t believe it.

She hurriedly looked back at Jiang Hao, but found that at this moment, Jiang Hao had already ridden away on his little yellow bike.

‘Where did he get so much money?’ Wang Jiani muttered with a tight frown, ‘This is over 20,000, and he actually has it?’

Jiang Hao was famous for being poor, and also so fond of pretending, even if it killed Wang Jiani, she wouldn’t believe that Jiang Hao could come up with so much money at once ah.

‘It’s not possible that this is stolen money, is it?’ Wang Jiani muttered again, she suddenly felt that there was some truth in this speculation, otherwise it would be impossible to explain where Jiang Hao’s money came from, right?

Wang Jiani remembered that not long ago, Jiang Hao had bought a Yamaha guitar for that b*tch Xue Yuning.

This was more than 100,000 before and after. This fool had either won the lottery or must have stolen the money.

But if he had won the lottery, the word would have gotten around by now, so how could he not have gotten any news at all?

Then it must be stolen money

Wang Jiani simply smiled and said, 'I don't care if it's stolen money, it's my own money anyway. If Jiang Hao is found out and the dirty money can't be returned, just wait for someone to fix him.'

Wang Jiani looked down at her dress again and couldn't help but still feel a sigh of relief.

'Grandmother, I was going to wear this to the afternoon party, and now it's a bust! Damn it, every time I meet this guy, it's never good!'

Wang Jiani cursed in disgust, upset in her heart.

You know, for this party. Wang Jiani had been preparing for this party for a long time.

It was said that all the people who could attend the party were celebrities, and she was hoping to meet some celebrities or gentry at the party.

According to Wang Jiani, there seems to be a small auction house at the banquet, and there is a very famous sapphire necklace in the auction, so Wang Jiani is desperate to go to the banquet because she wants to see this sapphire necklace.

Who wouldn't want to be able to wear some exquisite and expensive jewellery and enjoy the attention of thousands of people?

However, Wang Jiani felt that she would not have the chance to wear the sapphire necklace, but it would be good to have a look.

Leaving the villa area of Haisheng Yipin, Jiang Hao rode his bike and strolled around for a while.

Jiang Hao was also a bit uncomfortable as Xue Yuning was angry with her, so he thought, 'How can I please her?'

Jiang Hao went to a nearby shopping mall, only to walk out again in disgust.

He believed in his own aesthetics, and the clothes he had chosen would definitely not be to Xue Yu Ning's liking, so it would be better not to buy them.

Jiang Hao left the vendor and happened to see a big new jewellery counter opening next to the mall, and immediately got excited and walked in.

He wouldn't buy clothes himself, but it would be okay to buy a piece of jewellery for Xue Yuning, right?

As it had just opened, the jewellery shop seemed to be holding some kind of event, and there was a large group of people gathered in the hall not far from the door.

In the middle of the crowd, a man seemed to be shouting something.

Jiang Hao was also a bit curious and pushed his way through the crowd to have a look, and saw that in the middle of the crowd, a young man was introducing something to the crowd.

At the man's hand, inside a beautiful transparent jewellery box, there was a crystal clear sky blue pendant.

‘Hello, everyone, let me introduce myself, my name is You Yun, I am the owner of Wutong Jewellery Shop. This pendant in my hand, this is our shop’s treasure, the sapphire pendant called the Tears of the Sky. This pendant, produced in South Africa, was designed by Europe’s top jewellery designer, Baroness Fiona, and weighs forty-seven carats’

The jewellery shop owner carefully introduced the sky blue gemstone, which immediately drew a gasp from all the onlookers present.

‘It’s so beautiful, my husband, I want it so badly, it’s so beautiful, I’ll be the centre of attention if I wear it out’

‘I don’t know how much it costs, if the price is still reasonable, I think I’ll just take it later and give it to my wife at home’

‘Aigoo, this sapphire is really crystal clear, good quality and high purity, I guess the price won’t be too cheap’

There was a lot of chatter in the crowd, and many of the scantily clad women were asking the men who were following them to buy them for themselves.

The men couldn’t resist this softly, and some of them relented, saying that they would buy it as soon as they heard the offer.

Suddenly, a man in the crowd shouted out, ‘Oops cut the crap, I just want to know, how much is this pendant?’
