

Chapter 3541

For Charlie, the opportunity is not left for Chengfeng, but since he can not grasp it, it is not a good thing that they do not show any mercy.

Although the Maldives is also economically underdeveloped, but at least it is a global vacation destination, as for Madagascar, one of the world's least developed countries in Africa, the conditions are naturally a million times tougher than the Maldives.

Chengfeng heard this, suddenly also anxious, off the record: "You you how can say change so many people listen to you just clearly said the Maldives, how now it suddenly become Madagascar again? You you just can't return on your words?"

Charlie said faintly: "Do you not understand what is a floating price? Just like speculation, the Maldives was the price just now, the current price is Madagascar, I suggest you better hurry up and say yes, otherwise it may become Congo or Somalia in the future."

Chengfeng wants to cry: "Even the stock is not so down, right, from the stop to stop, at most twenty percent of the float, you are shrinking 99.99 percent!"

Charlie ignored him and looked at Zynn, asking him, "Is your father usually like this?"

Zynn was embarrassed and said, "Mr. Wade, my father he is not usually like this, today must be too stimulated"

After saying that, he hurriedly said to Chengfeng, "Dad! You just quickly do not ink, if you do not agree, I'm afraid really have to go to Zimbabwe!"

Chengfeng's heart at this time is showing a million reluctance, but once he thought of the Cataclysmic Front, he immediately goaded down in his heart.

Charlie just said, this kind of thing does not need his personal efforts, to find the Cataclysmic Front will be done properly, then even if someone wants to help him, once the other side has the Cataclysmic Front's support, certainly he can not continue to advance.

Moreover, with the help of this organization, he can be sent to any place on the face of the earth.

Therefore, he is also clear that the current Charlie is certainly not talking just to scare him, right now he is in the Waderest mountain, he made the choice of coming here to witness the fall. Now he has no choice but to fall in line and agree to whatever they say.

Thinking of this, in tears, he spoke: "Okay I accept"

Charlie nodded and said, "You accept then it's good, tomorrow I'll let the people of the Cataclysmic Front take you to Madagascar, then leave a few people to protect your safety closely,"

"That kind of place is economically underdeveloped, and the security is not too good, you understand."

Chengfeng choked up and asked, "What about my food, clothing, and shelter?"

"This is good to do." Charlie lightly said: "You honestly, pass the family headship to Zhiyu, let her invest some money, buy you a larger piece of land in Madagascar, and build you a manor, and hire for you dozens of family guards, then you will be there as the landlord."

"Although you can not come back, but your family can come there to see you. If you have a more competent housekeeper or subordinate, you can also take them along, so at least you can ensure that your quality of life in Madagascar will not have too much degradation."

Saying, Charlie very seriously reminded: "You have to remember, this is based on your full cooperation, if you do not cooperate, then sorry, then build you a thatched hut on the plains of Madagascar, you will be there with the monkey companionship."

Once Chengfeng heard this, he said offhand almost without hesitation, "I'll cooperate! I'll cooperate! I absolutely cooperate!"
