

Chapter 3554

Laila, could not stand it and said, "Charlie will be killed if continued to kowtow"

Charlie shook his head and said indifferently: "Do not worry aunt, this group of people, there is a count one, all are cowardly in fear of death incompetent rats,"

"Otherwise they could not sneak out last night to buy mourning clothes! Since they are all so afraid of death, how could they knock themselves to death here? This is not logical."

Saying that, he obviously saw that the strength of Morgan's kowtowing was obviously much smaller, and at first glance it was indiscriminate, so he said in a cold voice:

"Auntie, do you see Morgan? That forehead is also just kissing with the ground, can not see at all in the strength!"

Morgan heard this, a cold sweat on the back of the frightened, hurriedly forced his head for a knocked down, painful, teeth hardly bared in his mouth!

Charlie turned to look at Zhongquan and asked, "Grandpa, nowadays, who are responsible for the various businesses of the Wade family?"

Zhongquan said: "Wade family's core business, is basically held by a team of managers in charge, when your father worried that the family members do not learn, so insisted on the establishment of a team of elite professional managers,"

"These people, the most ordinary grassroots staff, but also basically recruited from the major top business school, the middle and senior almost all from the world's top 500 companies, or top venture capital institutions."

"In addition, we have a very professional team of elite lawyers, responsible for all the legal work of the Wade family."

"Oh yes, in addition to these two sectors, there is also a trusted team, responsible for the family can not use the part of the cash put into the family trust for investment and management."

Charlie was surprised and pointed to the row of kneeling and kowtowing people on the ground and opened his mouth and asked, "Don't these people do anything?"

Zhongquan shook his head and said, "If the Wade family were to be put in charge of them, I'm afraid it would have collapsed long ago!"

"They are all hanging, there are vice chairman, general manager, director, but the actual business and decisions do not need them to be in charge of."

"Small decisions are decided internally by the team of managers, big decisions are basically made by me, but in the future, it will be up to you to make the decisions."

Charlie nodded and said indifferently, "Since these people are of little practical use, then simply get them all out of the Wade Group, out of sight, out of mind."

Kowtowing almost knocked over when Andrew heard this, immediately got up and asked offhand: "Charlie you where are you going to get us?!"

Charlie said, "Do not worry, will not let you guys go far."

Saying that, he added: "Don't you guys like to wear mourning clothes? Since you are so filial, I will have people install a few simple houses for you at the foot of the Waderest Mountain,"

"And all of you who are eighteen years old or older, or who are no longer in school, one of you will stay here to properly observe mourning for the ancestors of the Wade family for three years!"

"During these three years, I will have people put electronic shackles on you, 24-hour monitoring of your location, no one is allowed to leave Waderest half a step!"

Once Morgan heard this, the whole person almost fainted, disheveled and powerless wailed: "Charlie you can not be so cruel! I am your cousin! The eldest grandson of the Wade family! You can't imprison me on Waderest Mountain!"

Charlie nodded his head and spoke, "People say that a gun hits a bird, this IQ of yours is really a bit worrying."

After saying that, he immediately said to Chengfeng Su: "It just so happens that you will soon go to Madagascar to be the landlord, when the time comes, take this guy along and let him be your long-time worker for three years!"

Upon hearing this, Morgan broke down on the spot and cried,

"Charlie, I'm willing to keep mourning for my ancestors at Waderest Mountain! I am the eldest son and grandson, how can I be absent from the mourning"

Charlie waved his hand: "Do not take yourself too seriously, mourning can be completed without you, without you here to disgrace, the old ancestors' face also looks better."

After that, he said in a cold voice: "Morgan, from now on, if you bargain with me again, I'll turn three years into six!"

Morgan wailed and collapsed to the ground on the spot.

Andrew's heart ached for his son, but also for himself, so he hurriedly asked,

"You let us stay here to observe mourning for the old ancestor for three years, what about our food and drink?"

Charlie said indifferently, "Your food and drink, I will have people send it to you over regularly."

Andrew asked again, "Then what if we get sick?"

Charlie said expressionlessly, "When you get sick, I will arrange for the doctors from the Wade family hospital to come to your homes to treat you!"

"If any of you are seriously ill and need surgery or hospitalization, I will build you a field hospital at the foot of Waderest Mountain!"

"In short, in the next three years, even if the sky falls, without my permission, you can't leave Waderest even for a second!"
