

## Chapter 3566

Before Olivia could finish her sentence, her father Richard grabbed the phone from her hand and immediately terminated the message, then blurted out,

"Olivia are you crazy?! If you say anything in your voicemail threatening Helena to kill her mother, once she releases the recording, you're done!"

Olivia burst into a cold sweat and asked nervously, "Where was I?"

Richard said with a palpitating heart: "Fortunately, I reacted quickly! You just finished killing, I terminated the message!"

Olivia let out a long breath, rubbing her chest while cursing through gritted teeth, "Helena the b!tch! My sanity is ruined by her!"

Richard didn't say anything, but watched Helena's video with his wife before speaking, "What the hell does she want to do when she comes back at this time? Is it to get her mother out?"

Olivia's mother, Wendy, spoke up at this time and said, "Helena is not a fool, she must know that with her ability, it is impossible to find her mother's whereabouts."

"So, as I see it, it is very likely that she came back this time to show us goodwill and take the opportunity to ease the relationship."

Olivia said coldly: "I don't care what her purpose is, but she returned without my permission, this is clearly disobedient to my orders!"

Olivia said, "I already asked her to go to St. Petersburg, Russia yesterday, but she didn't listen to me, but she even dared to come back to Northern Europe.

"And she even had the audacity to say in the video that she was going to be my maid of honor! I won't let her be my bridesmaid! She will not be allowed to jump out and steal the limelight at my wedding!"

Richard frowned and said, "I heard that the Wade family has surrendered to the Cataclysmic Front,"

"Although it surrendered, but the Wade family should still have half of its assets, counting at least at least one or two hundred billion euros in asset size, this strength is not to be underestimated."

"Moreover, the Concorde that Helena sat on is also the assets of the Wade family, thus it can be seen that although the Wade family has suffered heavy losses, but has not completely fallen, to us, she is still very valuable."

Speaking here, he persuaded Olivia: "Therefore, I think you do not need to be too angry first, or first see what Helena really wants to do, if she really wants to come to repair relations with you, and at the same time after your big wedding, and can consciously."

"Then let her go back to cooperate with us properly, attract the Wade family's funds to Northern Europe, and why do you need to be at loggerheads with her?"

Olivia said with a disgusted expression, "Because I don't like to be on equal footing with Helena!"

After saying that, she gritted her teeth and continued, "For so many years, no matter what I do, I am always being suppressed by her, in terms of inheritance law, she ranks ahead of me!"

"In terms of looks, she is also prettier than me! In terms of achievements, she has always been better than me! Even in terms of popularity, she was far more beloved than me!"

"Later, I managed to get the first succession, but she still has the highest popular support rate!"

Speaking of this, Olivia angrily roared low: "What I can't stand the most is!"

"After I was named the first heir, nearly a million citizens who had nothing better to do than to go to the White House website to petition the White House to interfere with the Nordic royal family and restore Helena as the first heir!"

"This matter has been on the top of the news list in Europe and America, for me, it is a lifetime of shame!!!"

"So, what I want is for her to bow down to me permanently! Whenever she sees me, she must bow down and respectfully call me Olivia Highness!"

Her mother Wendy hurriedly said: "Olivia, don't be so angry, right now Helena has sent a video, publicly announced that she is coming back,"

"We can only temporarily accept her and let her attend your wedding in order to prevent the public from picking on her."

At the same time, she must also be your bridesmaid, because only in this way, to ensure that the public does not raise any questions,"

"And as soon as the wedding is over, to force her to consciously leave Scandinavia, never let her settle here again."

Olivia said with a twisted expression, "She is deliberately using the public to take advantage of me! I'm just going to let her come and go as she pleases!"

"If she gets her way this time, it won't be long before she gets her next one! If she does it again on the day of my enthronement ceremony, what will I do? This is outrageous!"

Wendy said: "Olivia, you do not have to worry about this, this time Helena has sent a video, on the plane, we will let her come back this time,"

"But after returning to control her, tell her that if she dares to return to Northern Europe without permission next time, then we will immediately kill her mother, let her use her discretion!"
