

## Chapter 3571

Hearing Charlie's words, William was immediately on fire and said, "Surnamed Wade, your words are a little too arrogant!"

Charlie smiled and asked, "Arrogant? Why do not I feel."

Saying that, he added: "Even if our family has suffered heavy losses, we still have trillions of assets, some families have not experienced such heavy losses, are not as much money as my Wade family, what can this be if it is not petty?"

Charlie looked at the two, a slight beat, flirted: "You see, if the water of the sea is half gone, it is still the sea, but the water in the mud pit is still a mud pit, even if it is filled to the brim."

Olivia and William's faces became very ugly.

Olivia knows very well the strength of the Nordic royal family, cash, antiques, real estate, and foreign investments, and so on all counted, but only a few billion euros in size.

Moreover, the royal family is not Olivia's family of three, there is a large number of royal relatives below, depending on the royal family to feed.

But even if the Wade family took out half of the assets to the Cataclysmic Front, the remaining assets there are hundreds of billions of euros, which is really much stronger than the royal family.

William's heart is as annoyed as Olivia's.

Although his surname Rothschild, but their family's overall economic strength, converted into euros can barely reach ten billion, in his opinion, may not be as good as a tenth of the current Wade family status.

However, William still gritted his teeth and retorted: "Our Ruthschild family is deep in the world for hundreds of years,"

"The combined assets of more than a trillion dollars, ten trillion may not be able to stop! In front of the Ruthschild family, a mere Wade family is not even trash!"

Charlie asked curiously, "You're from the Ruthschild family?"

Olivia was full of smugness and pride as she introduced, "I forgot to introduce you two, this is my fiancé, the young talent of the Ruthschild family, William Ruthschild!"

Charlie smiled faintly and said, "You are really from the Ruthschild family, no wonder you speak so loudly."

William sneered, "What? Do you now realize how petty the Wade family is in front of our Ruthschild family?"

Charlie shook his head and said indifferently, "Whether it's trash or not depends on who you compare it to. If you compare it to the core Ruthschild family, the Wade family is naturally much inferior,"

"But I heard that there are many side branches within the Ruthschild family, and these side lines are divided into three ladders, I wonder what ladder Mr. William's family is on?"

Hearing these words, William's face immediately became iron blue.

Talking about the Ruthschild family, he was full of pride.

But when it comes to the topic of his family in the first few steps, he is a bit at a loss as to what to do.

Because his family, in the Ruthschild family, is just a hanging third ladder.

Charlie saw his odd expression but did not speak, could not help but laugh and ask: "What is it Mr. William, just now is not quite able to talk? How come you're not talking now?"

William's expression was cloudy and uncertain, and he didn't know how to respond for a while.
