

The Charismatic Charlie Wade Chapter 3579

Chapter 3579

Seeing the yellow-skinned, black-eyed Charlie walk in, Richard immediately guessed that he was from the Wade family even though he had never seen him before.

So he said with a smile on his face, “Gentleman, I believe you’re from the Wade family?”

“Yes.” Charlie nodded slightly and asked with a smile, “I heard a general idea when I came in just now, do you have something to talk to me about?”

Olivia at the side immediately said, “Charlie, this is my father, Prince Richard of the Nordic royal family!”

Charlie nodded and smiled, “Prince Richard I don’t know what you want to say?”

Richard adjusted the knot of his tie and said with a proud look on his face, “When we made the marriage contract with the Wade family, we did not know that your Wade family would have involvement with a mercenary organization like the Cataclysmic Front!”

“And we, the Nordic royal family, have always been clean and never had any involvement with such gray organizations!”

“Therefore, in order to maintain the royal family’s reputation, we naturally cannot continue to fulfill the marriage contract with the Wade family. I hope that when you return, you will carry my words to the Wade family head.”

Saying that, he glanced at Helena and added: “As for Helena, since she has already returned, she will stay directly with the family this time and will no longer return to China with you.”

Charlie laughed: “Prince Richard, you see that my Wade family has lost power, so you want to unilaterally repeal the marriage!”

“If that’s the case, you can just say so, why do you need to make such a big circle, and then bring people from the Cataclysmic Front into this and step on it?”

If the Cataclysmic Front knows that you are using them as a shield to withdraw from the marriage, in case you annoy Joseph Wan, he will have to kill you when he gets hotheaded, what will you do then?

Richard’s expression changed instantly, and his heart panicked.

He originally wanted to find a reason to dissolve the marriage with the Wade family, but said straight out that the Wade family is now out of power, the royal family is not willing to play with them.

If the word gets out, everyone can see that the royal family’s words are not faithful, and go back on their word.

Therefore, he can only blame the reason on the principle.

The most reasonable way to say it is to take the royal family’s cleanliness as a principle, since the Wade family compromised with the Cataclysmic Front, it proves that the Wade family and the Cataclysmic Front have got involved.

His royal family does not want to be soiled by the Cataclysmic Front itself, so it is much more reasonable to withdraw from the deal with the Wade family.

However, how could Richard have thought that Charlie was such a provocative master?

As soon as he heard him say that, he immediately bit the bullet that he was using the Cataclysmic Front as a shield, and then directly brought out the Front's name as a threat, which immediately made Richard confused.

Don't look at him as a royal prince proud, but if really faced with the Cataclysmic Front, he can be scared to sh!t.

So he hurriedly waved his hand and said, "I didn't mean that! Don't talk nonsense!"
