

The Charismatic Charlie Wade Chapter 3580

Chapter 3580

Charlie laughed: "What am I talking nonsense about? Just now you said yourself, so many people listened to it, did I say it wrong?"

Saying that, Charlie added: "Don't worry, I will definitely take your words to Joseph Wan intact, as for whether you deliberately stepped on him or not, let him judge for himself."

Olivia saw that Charlie even brought out Joseph's name to threaten her father, and immediately said in annoyance,

"Mr. Charlie! You don't have to talk out of your a55 here! Your Wade family has a father's murderous grudge against Joseph, and you were treated by him, lost your ancestral tomb and half of your family fortune, and all in the world know about it."

"And now you dare to bring up Joseph to threaten others, if he knows that you are using his name outside, I believe he will never let you go!"

When the others heard this, they also instantly looked at each other with approval.

After all, the Wade family had just been taught a lesson to death by Joseph, and to bring Joseph out to scare others at this time was indeed very untrustworthy.

Aman Ramovich, sitting next to Helena, said with a smile on his face: “Mr. Wade, the marriage contract itself is a contract, you can choose to perform, of course, you can also choose not to perform,”

“If the two sides initially set a breach of contract clause, then the non-performing party will have to compensate in accordance with the terms, if not set a breach of contract clause, it is more free to decide! We are all civilized people, there is no need to make such personal threats, right?”

Charlie frowned and asked, “Did I ask you? who are you? Do you have a role to speak here?”

Aman Ramovich didn't think that Charlie, who was a brat, would dare to publicly humiliate him on this occasion!

Charlie looked like he was in his twenties, but Aman Ramovich was already in his fifties, almost twenty years older than him, so he naturally could not bear to be humiliated by this boy.

So, he immediately stood up, slapped the table, and cursed angrily, “Charlie Wade! Do you know that this is Europe? Do you still think that this is China? Based on your rudeness to me just now, I can make you die in Europe, do you believe it?”

Charlie saw Aman Ramovich gnashing his teeth, did not say anything, but suddenly stepped forward, grabbed him by the collar, and slapped him hard on the face, and pushed him backward afterward, causing him to fall over.

Everyone at the scene was shocked speechless.

No one expected that Charlie would do it just like that!

Richard, who was the host, was also confused and didn't know what to do at once.

Aman also did not expect that Charlie would dare to make a direct move on himself.

These people on the scene, are the so-called noble gentlemen of Europe, the dogma is: I can kill his family behind his back, but on the surface must be polite, can not lose the aristocratic style.

But who would have expected that Charlie's style of action is so brutal, without saying a word upon the dry, immediately dry Aman Ramovich on the ground.

While everyone was dumbfounded, Charlie moved a new chair and sat on Amanramovich's previous position, saying in a cold voice:

"Just a Nordic royal family and a Russian oligarch with assets of more than 20 billion dollars, and you think my Wade family is a soft persimmon? The assets of the two of you combined are not even one tenth of my family!"

After saying that, he twisted his head and looked at Aman Ramovich, said indifferently: "I know you have some background in Russia, but I can tell you clearly, just your strength, in front of me is not even a fa.rt,"

"Be smart and honestly move a chair to sit far away, otherwise, I have ways to make your life worse than death."

Aman Ramovich was frightened by Charlie's coldness, but for a while was unwilling to admit defeat in front of so many people.

At this time, Prince Richard at the side repeatedly thought deep inside: "Why is this guy surnamed Wade so arrogant? Wasn't their Wade family just cleaned up by the Cataclysmic Front? Doesn't he know how to keep a low profile at all?"

When he was wondering, he suddenly thought of something and exclaimed, "Oh no! I almost forgot! The Front took half of the Wade family's assets, which

certainly can not be all cash, there must be a large part of the Wade family's shares!"

"The Cataclysmic Front is not good at running businesses, so in the future, it will still depend on the Wade family to run it?"

"According to this, although the Wade family has lost half of its assets, the Wade family and the Cataclysmic Front should somehow be considered integrated and become a community of interest!"

Thinking of this, he was horrified: "No wonder this boy has no fear! The Wade family is now substantially tied to the Cataclysmic Front!"
