Looking at the image on the phone, Jiang Wan came up with a strategy. She handed it to Yvonne and said proudly, "Let me reveal you."

These boastful words also made Liu Zhijie blush a little. With his standing, how could he be Flavor Zong's friend? In order to boast, Jiang Wan really can say anything.

Yvonne really did not understand Flavor Zong, so she wouldn't be subjected.

Nevertheless, when Yvonne saw the picture, she didn't pay any kind of interest to Flavor Zong in any way. It was the back view that made her shocked.

After the event with the little prince of the piano, Yvonne had a deep understanding of Samuel's back view. If it had not been Samuel, that else could it be?

Seeing Yvonne in a daze, Jiang Wan thought that she was frightened as well as claimed with a smile, "Actually, this type of large character is still excellent in private."

He used to welcome us to supper. He is an extremely carefree person. If there is a possibility, I will present him to you."

Although Container Region was only a little location and also people like Flavor Zong were nothing in Cloud City, it would be strange if he can learn more about him.

They were in Bin Area, and also he had actually only been below as soon as.

Seeing Yvonne did not talk, Jiang Wan really felt that she was avoiding her inquiry. She nudged Yvonne with her elbow joint and also advised her, "You 'd much better call him. It's bad if he obtains shed."

Yvonne involved her senses, she stated, "Do not stress. He has gotten here in Bin County. He ought to be below quickly."

" That's great. I hesitate he will not be really familiar with this area. It'll be frustrating if he obtains shed." Jiang Wan was alleviated. Yvonne needs to have contacted Samuel considering that she claimed that.

As long as Samuel came, she could show off Liu Zhijie, belittle him, and likewise locate a feeling of supremacy before Yvonne.

" You can not claim that. It depends on Yvonne's ability. After saying that, Jiang Wan altered the subject as well as after that introduced Liu Zhijie, "You actually must learn from Zhijie.
