

Chapter 3726

When George Han looked at him like a dead man, his inner defense line completely collapsed.
destroyed.

“Withdraw, withdraw, withdraw, cover me and Elder Shenlong, withdraw.” He collapsed, shouting in a frenzy, and at the same time hurriedly ran in the direction where Ming Yu fell.

“Protect the city lord and the elder Shenlong.”

In a hurry, several commanders shouted loudly, greeting the soldiers who ran away and the attendants beside them.

“Want to run?” George Han snorted coldly, grabbed the breath in his hand, and came directly to kill the general.

“Block him.” Several major commanders shouted in unison, leading the dozens of masters and hundreds of soldiers who stopped them, and hurriedly blocked them.

Zhu Yanshuo didn't care about the 3721, he helped Mingyu to go behind the main hall.

“Let go of me, order the troops, no one is allowed to withdraw, hit me, hit me hard.” Although Ming Yu was seriously injured, he was not forgiving at all and shouted angrily.

She even tried to break free from Zhu Yanshuo's support.

Zhu Yanshuo looked worried and said, “Elder Shenlong, Yu Gong is my city, and Yu Shi and George Han have an inseparable hatred. I can say that I want to kill this Han more than anyone else. “Three thousand.”

“But the fact is that our army has already suffered a disastrous defeat, the army is not in the mood, and it has long since fled, let alone organizing effective forces to counterattack. Now our army can't even gather the most basic organizations. This... this How can you fight against George Han?”

“Withdraw,

Withdraw, this time we have lost, lost. “

Ming Yu looked around, yes, no matter how unwilling she is to admit it, she must be clear that their situation is over.

On the battlefield, one can see that his soldiers are dead, wounded, and run, while George Hanyi is on the other hand. However, Fang is high-spirited and murderous.

The two sides will be judged by the highest.

“... withdraw... withdraw. “Gritting her teeth, two big characters popped out of her mouth with extreme difficulty.

“Yes.” “Zhu Yanshuo finally felt at ease. He supported Ming Yu between gritted teeth and quickly withdrew towards the rear of the palace.

George Han was furious, but he was surrounded by the leaders and masters of the other side, and it was difficult for him to withdraw for a while.

The white-clothed leader was in the appearance bureau, and naturally quickly discovered this, and hurriedly commanded his white-clothed subordinates: “Immediately support George Han. “

Dozens of white-clothed masters immediately took orders, left the current battlefield, and flew towards George Han.

With the support of these masters, and George Han was already very ferocious, it only took a few seconds. He pulled away in an instant and approached Ming Yu, Zhu Yanshuo and others.

At this time, there were only a few guards beside them. Although these people were considered good players, to George Han, they were actually just ants.

“Protection Shenlong Special Envoy. Zhu Yanshuo roared loudly. The reason why the guard soldiers are guards is that their spiritual qualities are far superior to ordinary soldiers. Even if they know that they can’t stop the car, they still rushed forward without turning back.

“George Han chased It’s too tight, Elder Shenlong, with our strength, I’m afraid we won’t be able to escape. “Zhu Yanshuo said in a hurry

. The

guard soldiers are really like children in front of George Han. George Han is almost one palm, and he doesn’t make any trouble.

Ming Yu’s teeth clenched tightly, clearly understanding this.

But now, she has even revealed her last trump card, what else can she do to hold back George Han?

“Or...” Zhu Yanshuo said in a deep voice.

Before he could finish speaking, Ming Yu immediately interrupted angrily: “Impossible, absolutely impossible.”

“But, if we don’t use this method, we... we...” Zhu Yanshuo did not continue.

He also knew what the consequences of what he said would be, but George Han was already chasing after him. If he didn’t change in time, I’m afraid...

Ming Yu frowned, and suddenly, she stopped running away. The footsteps, perhaps, can only be like this...

Chapter 3727

Immediately after, she turned slightly and looked back at George Han.

Here, George Han also dealt with the guard soldiers, and he was a little surprised that Ming Yu did not escape but was standing opposite.

“What? Knowing that there is no point in running away?” George Han smiled lightly, threw the body of a guard soldier in his hand, and looked at Ming Yu indifferently.

Ming Yu took a deep breath and looked at George Han: “When did George Han become so arrogant?”

“It’s not like your personality.”

“Arrogant or not, it depends on your own perception. You know. In other words, it’s because you’re too desperate, that’s why you think I’m more arrogant.” George Han said with a sneer, “Don’t talk nonsense, if you have something to say, hurry up. “

Make a deal with you.”

“Sale

?” George Han sneered: “It’s all for now, are you still qualified to negotiate a deal with me?”

“You don’t want to save Amelia Su?” Mingyu laughed coldly.

Hearing this, George Han obviously paused and said, “Tell me about your business.”

“You changed your mind so soon?” Ming Yu chuckled softly: “Amelia Su and the others are locked in the east of the backyard. On the side, however, I have already arranged several masters in the backyard to guard against it.”

“Do you think your so-called masters can cause any harm to me?” George Han sneered.

“With your ability, George Han, of course they can’t hurt you. But what about Amelia Su?” Ming Yu smiled and said, “They are all dead soldiers, and they have no worries. As long as I give an order, they will directly blow themselves up.

Yuan Ying.”

“Think about it, how can Amelia Su and the others resist the huge explosion caused by dozens of masters’ self-destruction of the Nascent Soul?” As the

words fell, Ming Yu took out a red about the size of a thumb. Stone.

Her thumb pressed lightly on it, obviously, this might be some kind of communication stone for her remote command.

“If Amelia Su loses a single hair, I, George Han swear, even if you flee to the ends of the earth, I will definitely blow your bones to ashes.”

“If you want to kill me, I will die anyway, so what’s the good of me? Worried?”

“What do you think?”

“We have already prepared the flying instruments on the west side of the backyard, and I will take them to leave here. You know, in the process of escaping, I have no intention to take care of other things

. Of course. , do you want me to leave, I also believe that you, George Han, can do it, but, I don't know whether you are quick or mine?"

George Han sneered: "You want to take Amelia Su's safety and yours. Anwei make a deal?"

"It's almost a meaning, the door of the apse is in front, you'd better hurry up. You should know that once I'm safe, I won't be reconciled anyway, and maybe I'll give orders. After the

words were finished, Ming Yu smiled evilly, and in the next second, Zhu Yanshuo took him and ran to the door of the back hall.

George Han frowned, and the synchronization was also an acceleration, and suddenly it turned into a light and shadow and entered the apse first. He didn't know what kind of trouble the apse was still in, but he knew one thing, that was, Amelia Su and others had to be rescued

before Ming Yu and others left . Mingyu, the mother-in-law, can do what she says. Seeing George Han rushing into the backyard, Ming Yu, who was trying to go inside with Zhu Yanshuo, stopped again.

"It seems that George Han is also an idiot." Zhu Yanshuo sneered.

Ming Yu smiled lightly: "He is invincible, but he is too nervous for Amelia Su, and this is his only huge weakness."

"Flying magic weapon, stone of command? It's because George Han believes in him." Zhu Yanshuo laughed coldly. .

Ming Yu also looked at the stone in his hand, smiled coldly, and threw it on the ground: "The devil is one foot tall, the Tao is one foot tall, what are you still doing?"

Zhu Yanshuo smiled and helped Ming Yu, suddenly a Change the route and walk quickly towards the courtyard on the other side...
