

Chapter 381: Is He Qualified?

Even Shen Fanxing was taken aback, as it was totally unexpected.

“Mister, my skills are really not presentable...”

The other party shook his head and said, “No, I believe you will definitely bring a surprise to the event.”

Shen Fanxing couldn't make up her mind and her gaze trailed in the direction of Bo Jinchuan.

Noticing her gaze, Bo Jinchuan smiled and nodded lightly.

Something sparkled in Shen Fanxing's eyes and she went silent for a while before nodding.

She spoke in a clear and confident manner.

“Thank you for appreciating me. I hope I won't disappoint you!”

“Country Y's state event! Will there be many royal families attending?”

“Of course! There will definitely be important ambassadors and prestigious families from all over the world in attendance!”

“Moreover, in previous years, only the national music association or the world's top musicians had the right to attend such events!”

“Playing at a national event is the most glorious and proudest moment in a musician's life and it could make a mark in history! It's not an exaggeration to say that it's the highest honor for a musician!”

Thereafter, someone took a look at Lin Shijia, who was sitting there silently with an ugly expression. They were strangely delighted at his expression!

“She has performed at so many events, but none of them is as important as one state event!”

“What pointers? Is he even qualified enough?”

“And look at Shen Qianrou. She was merely being invited to attend a local variety show. Yet, she looked so smug and arrogant just now...”

“So what if it's a local program? You are only supporting foreigners now?”

“What? Shen Fanxing is going to bring glory and honor for our country!”

Lin Shijia's face darkened and his voice was dripping with sarcasm and indignation.

“Congratulations, Miss Shen Fanxing. This is an opportunity that most people will never get in their lifetime.”

Shen Fanxing grinned and turned her head to look at him. “Including you?”

Lin Shijia pursed his lips and nodded with an ugly expression. “Of course...”

“That's good.”

Lin Shijia's face fell once again.

After successfully seeing Lin Shijia's expression, Shen Fanxing was satisfied. She then glanced at Bo Jinchuan.

Bo Jinchuan met her gaze and smiled at her. Then, he turned his head slightly and looked towards the left.

Suddenly, a figure stood up.

"As the producer for this music competition, the proposal and script that was prepared beforehand didn't mention any special guests. So, Miss Shen Qianrou, I'm sorry!"

The moment he announced, everyone was so embarrassed that they couldn't utter a word

This...

She was obviously not disregarding Lin Shijia and Shen Qianrou!

The producer paused before looking at Shen Fanxing with a fawning and respectful smile.

"But the suggestion of a special guest is indeed a good one. Miss Shen Fanxing, can you do me the honor..."

"Producer Gao, since there isn't a special guest planned, why are you asking now... You are being contradictory!"

Infuriated, Lin Shijia slammed the table and raised his voice.

However, the producer remained calm. "Aren't you the same? What's more, you invited a guest who's obviously not as good as her opponent? I really didn't expect that in the eyes of Producer Lin, music is only limited to the entertainment industry..."

Lin Shijia frowned even more. "I'm doing this for the overall success of the program!"

"It seems that Producer Lin hasn't fully understood the purpose of our program. We only produce music and not for the sake of the number of viewers only! I believe that precisely because of our original intention and aim, that is why the program has received everyone's approval!"

Chapter 382: How Embarrassed Was My Father?

"It seems that Producer Lin hasn't fully understood the purpose of our program. We only produce music and not for the sake of the number of viewers only! I believe that precisely because of our original intention and aim, that is why the program has received everyone's approval!"

"You..."

Lin Shijia was rendered speechless. The producer shifted her gaze to Shen Fanxing again, and her eyes were shining with hope.

However, Shen Fanxing shook her head and said, "I won't be appearing on the program. Currently, there is still a lot of attention on me online. And most of the comments will bring unnecessary trouble to the production team. I sincerely hope that we can work together again next time!"

The producer was a little disappointed, but nonetheless she nodded and smiled. "I'm looking forward to working with you!"

...

Old Master Pei looked at Shen Fanxing and nodded in satisfaction.

"Susu, where's Yunze?" His admiring gaze never left Shen Fanxing.

Given Ye Susu's intelligence, how could she not know what Old Master Pei was thinking?

"Grandpa, relationships can't be forced..."

Even though she and Anzhi were happy now, no one would be able to fully understand the feelings they had for each other after the arranged marriage.

"I didn't say that they have to be together. It's good to meet and get to know each other. Let nature take its course..."

Ye Susu pressed her lips and suddenly felt a chilly sensation creeping towards her.

Bo Jinchuan sat in the front row, where he had overheard Ye Susu and Old Master Pei's conversation.

When Ye Susu looked over, Bo Jinchuan's dashing face was as grim and menacing as Hades. His eyes were cold and murderous, as though he wanted to devour them alive.

She couldn't help but glance at Pei Anzhi, who stole a glance at Bo Jinchuan. Raising an eyebrow, he said calmly,

"The female lead in my scandal might become my daughter-in-law. That's interesting."

Bo Jinchuan turned to look at Pei Anzhi. An incomparably sharp and powerful aura radiated from his body, and it seemed as though it would tear everyone apart!

Ye Susu closed her eyes and shook her head resignedly.

Men!

He yearned to see the world in chaos...

"She's mine!" His expression was cold and calm. Every word he said was unyielding and determined.

"She's not married to you and you haven't married her. Even if both of you're married, she can get divorced. There's no such thing as absolute," Pei Anzhi added fuel to the fire.

"Don't try to provoke me," replied Bo Jinchuan as he forced himself to remain calm.

Pei Anzhi glanced at him briefly but didn't say anything.

...

At the entrance of the hall, a tall and robust figure stood there. He was clad in an expensive and luxurious suit. His suit was well-tailored and he exuded a distinguished aura. His skin was fair and his face...

His features were handsome and cold, and his eyes were bright. His gaze landed on Shen Fanxing, who was sitting at the piano.

“Who is she?”

A cold and deep voice sounded. Before he even moved, his secretary had already leaned forward and answered respectfully,

“Young Master, that’s Shen Fanxing. She was the woman rumored to have... a misunderstanding with Chairman Pei?”

Pei Yunze frowned slightly. With his father?

After contemplating for a while, understanding flashed across his eyes.

“However, that is indeed a misunderstanding. Madam was with the chairman back then. It seems that someone is trying to embarrass Miss Shen Fanxing.”

“By posting photos of her and my father to embarrass her?”

Pei Yunze’s eyes darkened and his lips turned into a smirk. “How embarrassed was my father?”

Chapter 383: I’ll Protect You

Pei Yunze’s eyes darkened and his lips turned into a smirk. “How embarrassed was my father?”

Mo Xing’s face tensed and he didn’t dare to speak.

...

After Shen Fanxing’s performance, there were no other highlights.

Old Master Pei left early as well.

The Pei family’s hotel was built near the ocean. The sea breeze was blowing and the sand was soft. Shen Fanxing sat on a long bench and massaged her temples with her slender fingers.

She had forcefully remembered how to play the tune just now. She had heard this tune a long time ago, but she had never really played it before.

She had not used her brain with such intensity in a long time. Now that she had overused her brain, the pain and discomfort she suffered...

It wasn’t something an ordinary person could withstand.

However, to her, this was still okay...

Her shoulders felt heavy as a familiar scent surrounded her.

Lowering her head to look at the blazer placed on her shoulders, Shen Fanxing gave a light sigh.

Bo Jinchuan sat down beside her and tugged her into his embrace.

Shen Fanxing leaned on his shoulder and closed her eyes. She asked softly, “Where did you go just now?”

Bo Jinchuan didn't reply and held her hand instead.

A cool sensation brushed past her finger, causing Shen Fanxing's eyes to flutter slowly.

A silver light flashed before her eyes and a diamond ring had materialized on her finger.

That ring was exceptionally exquisite. Five diamonds were embedded and it looked just like a star.

She looked up at Bo Jinchuan in surprise and asked, "This is..."

"Wear it first, in case someone has other ideas."

There was a tinge of gloominess on Bo Jinchuan's face. Shen Fanxing had no idea why he had gotten so angry that he had thought of doing such a thing.

"Is this considered a proposal?"

She waved the ring at Bo Jinchuan.

"Will you agree now?"

Shen Fanxing smiled and said, "Do I have a choice? You've already put the ring on me."

Bo Jinchuan hugged her tightly and said, "I'll give you a grand proposal when we get back."

Looking at the ring in her hand, Shen Fanxing grinned happily and said, "Previously, I wanted a proposal as an excuse. Actually, this is enough..."

"It's not enough. What the others have, you have to have it. And I want to give you the best."

She couldn't out-talk him.

"You were the one who helped me out at the event today. I didn't expect to bump Shen Qianrou's supporters everywhere."

"I'll protect you."

Shen Fanxing paused and the smile on her face deepened.

"Then I'm relieved. You alone can fight millions of her fans."

"Of course."

Shen Fanxing laughed at his lack of modesty.

After a while, she asked,

"Who's that man from Country Y tonight? Do you know him?"

"Yes, he's an earl from Country Y. We have business dealings."

Shen Fanxing asked doubtfully, "I think he's of mixed descent?"

"His grandmother and mother are both Chinese."

"I've heard of him before, but seeing him with my own eyes is quite interesting."

Bo Jinchuan gave a low laugh and said, "That's interesting? In the previous four generations, the queen of Country Y was a Chinese woman. After that, the queen's daughter, Youlaiya, inherited the throne and her husband was a Chinese. After that, she had two children and a daughter. Think about how strong are the genes of us Chinese in Country Y?"

"The current Queen Youlaiya? She actually has two sons and a daughter. Doesn't she only have two sons? And her daughter is an adopted daughter. Are you mistaken?"

Bo Jinchuan lowered his gaze to hers, his dark orbs shining quietly. "The queen has a real daughter, but I'm not sure if she's alive or dead..."

Chapter 384: I'm Not satisfied

Bo Jinchuan lowered his gaze to hers, his dark orbs shining quietly. "The queen has a real daughter, but I'm not sure if she's alive or dead..."

Shen Fanxing nodded thoughtfully. She wasn't entirely surprised. As a member of the royal family, there were bound to be sacrifices in the fight for power.

But it had nothing to do with her.

Sighing lightly, she basked and enjoyed the sea breeze. The unhappiness she had accumulated at the event had vanished completely.

"I know that the producer stepped forward earlier on because of you. I saw it. Bo Jinchuan, thank you..."

"Don't let me hear you thanking me again. I don't want to hear it, and it will also show your insincerity. If you feel that it can't repay the gratitude you have for me, then give me something substantial..."

Before he finished speaking, a soft kiss landed on his lips.

She planted a quick kiss and retreated quickly.

In the blink of an eye.

Bo Jinchuan snapped out of his trance and studied Shen Fanxing's smiling face.

Her hair was still tied up in a ponytail. Her features were exquisite and elegant, and she looked gentle and lovely.

Recalling the sight of her playing the piano at the event, Bo Jinchuan's eyes darkened.

"That's it?"

Shen Fanxing nodded her head firmly. "You mean you don't need me to thank me? But I have to thank you instead. You should be satisfied."

"I'm not satisfied."

The moment Bo Jinchuan finished speaking, he reached out to grab the back of her head. He pulled her to him and bent to kiss her lips...

Shen Fanxing paused and placed her hand on his shoulder. She followed his rhythm and responded shyly.

Ultimately, she couldn't resist his dominance and determination. Her back was pressed by him and she nearly fell to the ground. She couldn't help but let go of her grip on the wooden board behind her and wrapped her other hand around his neck. Then, she kissed him back harder and harder...

After the long passionate kiss, Bo Jinchuan looked at her and his deep and hoarse voice sounded.

"Let's head back and rest early."

Not far away on the balcony, Su Heng watched the couple stroll away. His usual gentle eyes had widened with shock!

Who was the one who kissed Fanxing just now...

That figure resembled the person whom he had seen with her at the mall. He was certain that they were the same man! But this was the capital city, not Ping Cheng city! That man had come here with Fanxing!

He thought about the people from Ping Cheng City that he had seen at the event tonight, as well as where Shen Fanxing was sitting. His mind instantly thought of a person.

Bo Jinchuan...

But why... How...

How did they end up together?

As the heir to the Bo Consortium, how could he have the power to decide his marriage?

Or rather, as a wise businessman who prioritized interests first, why could he choose Fanxing?

He shook his head, forcing himself to deny the thought.

Impossible! It's absolutely impossible!

Yes, that was impossible.

If Bo Jinchuan was indeed related to Shen Fanxing, there was no need for them to take such a detour to get Fanxing and Qianrou to compete.

Why didn't he give the spot to Zhi Qin Cosmetics?

"Brother Heng, why are you here?"

Shen Qianrou's gentle voice sounded from behind.

Su Heng was in a trance. Even though he had a reason to convince himself, the unease in his heart didn't dissipate.

Seeing that Su Heng was silent, Shen Qianrou bit her lips, her pale face full of grievance and guilt.

"Sorry, Brother Heng, tonight I..."

Chapter 385: Let's Go Shopping

Shen Qianrou couldn't bring herself to say it. She had already avoided a direct conflict with Shen Fanxing tonight. She only wanted to prove how stupid it was for the organizers to take back her trophy.

Unexpectedly, Shen Fanxing stole the limelight from her again!

She had become the joke of the night!

Seeing how pale Shen Qianrou's beautiful face was, Su Heng gave a light sigh and his face softened.

"It's fine, you're already good enough. Go back and rest early. You have work tomorrow."

...

The next day, Pei Anzhi called Bo Jinchuan.

When Xu Qingzhi and Shen Fanxing visited the Pei family after breakfast, they learned that Shen Qianrou had gone shopping with Ye Susu.

The two of them stayed for half an hour before leaving.

"Shen Qianrou is indeed crafty. She brought Madam Pei away so early."

Shen Fanxing smiled. She had completely embarrassed herself last night. If she didn't show her enthusiasm today, how would she explain to Su Heng?

"Let's go. Since we're in the capital city, let's go shopping."

Xu Qingzhi gave a faint sigh and said, "All right. Even if I can't get the investment, I can't allow this trip to end in vain."

Shen Fanxing smiled lightly as a glint flashed across her eyes.

"Let's go."

At a mall in the capital city.

Shen Fanxing entered the luxury goods level.

"Are you living a luxurious life now that you have CEO Bo? I didn't see you displaying any interest in these luxury goods previously."

Xu Qingzhi rattled on as she shopped. Even a rich lady like her felt the pinch regarding the price of a jacket.

"The price of this dress is enough for me to get a new wardrobe for the entire summer. Why do I feel like I'm from the slums?"

Shen Fanxing gave a light chuckle and quipped, "Don't exaggerate. If you're from the slums, wouldn't most people in our country be beggars?"

"But I really can't bear to spend on these luxury items. I wonder what these people are thinking. Given the exorbitant prices, who would buy them?"

“Someone will...”

Shen Fanxing replied airily before walking ahead.

“Sighs...”

Xu Qingzhi didn't notice Shen Fanxing's sudden departure and was about to call her when she saw two women walking towards her.

Surprise flashed across her eyes before she understood.

She hurried after her.

Shen Qianrou was wearing a dress from Donna Karan's latest collection. Her diamond earrings and necklace were all part of a set.

At the sight of Shen Fanxing, she frowned and surveyed her warily.

Without even looking at her, Shen Fanxing smiled and said, “What a coincidence, Madam Pei.”

Ye Susu wore a light blue dress with lace embroidery. She looked elegant and her long hair was tied up in a ponytail. She looked refined and poised.

When she saw Shen Fanxing, a faint smile appeared on her face. “What a coincidence, you... came here to shop?”

Shen Fanxing shook her head and said, “I was just walking around. I'm not familiar with the mall and I accidentally... wandered here.”

“I see. Why don't we shop together?”

“That's great!” That was exactly what Shen Fanxing wanted.

It was then when Ye Susu noticed Xu Qingzhi, who was standing beside Shen Fanxing. Seeing how casually she was dressed and a polite smile on her face, she couldn't help but feel closer to her.

“She is...”

“I'm Fanxing's friend.. My name is Xu Qingzhi. Madam Pei, can you bring me around?”

Chapter 386: What Tricks Are You Playing Again?

Ye Susu flashed a smile and replied, “Of course.”

Shen Qianrou's face darkened even more.

After what happened last night, she went to the Pei family's residence early in the morning to try to salvage the situation.

She was well aware of how the business world worked. Sometimes, men would be too embarrassed to try to plead for something or had failed to do so. The partner's support was often the key to success.

It was a well-known fact that Chairman Pei doted on his wife. If she could handle Madam Pei well, it wouldn't be too difficult to ask for their investment.

Last night, she went to research the most famous shopping mall in the capital city. To her surprise, she bumped into them hours later.

Were they deliberately making things difficult for her?

The shopping trip became a four-person journey.

Noticing that Ye Susu wasn't paying attention, Shen Qianrou walked to Shen Fanxing and whispered,

"You were... very smug last night, weren't you?"

Shen Fanxing eyed her and sneered coldly.

"Seeing how disappointed you were last night, I was indeed quite smug!"

"You..." Shen Qianrou's blood rushed to her face, but she still glanced at Ye Susu. She gritted her teeth and hissed quietly,

"Shen Fanxing, you won't be able to stay smug for long! I'll embarrass you at the French perfume competition!"

Shen Fanxing nodded and said airily, "Sure, I want to see how the famous Rosanna can do that to me. To be honest, I'm looking forward to the competition more than you..."

As she spoke, she glanced at Ye Susu, who was choosing dresses with Xu Qingzhi. "Su Heng wants you to help him secure the Pei family's investment, right? It seems like you've done a lot of preparation today."

Shen Qianrou looked at her warily and said, "I'll definitely help the Su Corporation to secure this investment!"

"It's good to be confident," replied Shen Fanxing ambiguously. "But since you're so interested in this investment... I definitely don't want you to clinch the deal so easily."

Shen Qianrou's heart skipped a beat. "Shen Fanxing, what tricks are you playing this time?"

Shen Fanxing shot her a look and hastened her footsteps without another word to catch up with Ye Susu.

Panic gripped Shen Qianrou as she hurried after her, pushing Xu Qingzhi away from Ye Susu.

In a public place like this, Xu Qingzhi really didn't want to have any conflict with Shen Qianrou. She suppressed her anger and took two steps back to walk with Shen Fanxing.

"I really admire you for being sisters with such a woman! Oh my god, I really do admire you. She is the most disgusting person I've ever seen..."

Shen Fanxing watched from afar as Shen Qianrou accompanied Ye Susu. She pretended to stay poised and elegant, with a faint smile in her eyes as she fluttered around Ye Susu.

They reached the cosmetics store. Shen Qianrou immediately introduced some brands to Ye Susu. She picked up an international luxury brand perfume sample and sat beside Ye Susu.

"The scent of this perfume is refreshing and elegant. I think it suits you very well. Here, try it..."

Ye Susu smiled and said, “No...”

“It’s okay, try it first. I really think this perfume suits you.”

As Shen Qianrou spoke, she held Ye Susu’s wrist and put a drop of perfume on her wrist.

“Take a whiff...”

Ye Susu’s expression changed slightly. She raised her wrist to her nose and took a whiff before nodding lightly.

Chapter 387: I Can’t Accept It

Ye Susu’s expression changed slightly. She raised her wrist to her nose and took a whiff before nodding lightly.

“Not bad.”

The smile on Shen Qianrou’s face relaxed, but she didn’t notice the restrained expression on Ye Susu’s face because of her upbringing. Neither did she notice the sarcastic smile on Shen Fanxing’s face.

In the end, Shen Qianrou bought the perfume.

Ye Susu’s delicate features were showing signs of impatience. While Shen Qianrou was waiting for the staff to pack the item, she glanced at Shen Qianrou before walking out.

When Shen Qianrou came out with the packaged perfume, the three of them had already stopped at the clothing section.

The three women stood outside a clothing store, as their eyes swept across the clothes on a certain mannequin.

Shen Fanxing pulled Ye Susu’s wrist and whispered to her. No one knew what she was saying, but Ye Susu smiled warmly.

Shen Qianrou really couldn’t bear to see the three of them talking happily together. She looked at the dress on the mannequin and pursed her lips.

The designs of luxury items may seem simple, but they weren’t cheap.

Not long after, the three of them started to shop again.

Shen Qianrou walked to the spot where they had just stood and bought the dress according to Ye Susu’s estimated size.

Shen Fanxing held Ye Susu’s wrist as they strolled casually. In the end, they walked out of the luxury goods section.

As the stream of customers increased, the dress became more pleasing to the eye.

“When the temperature is warmer, the fragrance of the perfume will intensify, especially when it’s mixed with perspiration. There will be unexpected effects. However, after this intense period, the smell

of the perfume will naturally dissipate much faster. Bear with it for a while longer, it will dissipate quickly if you perspire a little.”

Ye Susu smiled and nodded. “It’s all thanks to you...”

Shen Qianrou watched as the two of them chatted happily. Her palms were clasped tightly together and her face darkened.

Why did her cautious service and attention only result in Madam Pei’s aloof and distant attitude? Why was she so close to Shen Fanxing who had joined them much later?

When she came out to meet Mrs. Pei today, she had dressed up meticulously. How could Shen Fanxing, who was dressed casually in a white shirt with a lotus leaf design collar and a dark gray skirt, be favored over her?

Gritting her teeth, Shen Qianrou chased after them and handed the expensive dress to Ye Susu.

“Madam. Pei, you seem to like this dress. Please accept it.”

Ye Susu lowered her head to look at the logo on the bag. Her delicate brows furrowed slightly.

“It’s fine. It’s too expensive.”

“Why would it be? Since you like it, it’s not expensive.”

“No, I still can’t accept it...”

“Madam Pei, don’t stand on ceremony!”

Shen Qianrou assumed that Ye Susu was being polite.

Ye Susu pushed the bag in her hand and turned to Shen Fanxing and Xu Qingzhi. She said looking tired,

“I’m tired, let’s find a place to rest.”

“Sure.”

Shen Fanxing agreed, but Ye Susu had walked away.

Shen Qianrou stood rooted to the ground. Biting her lips, she felt awkward and was at a loss of what to do.

“Shen Fanxing, did you say something to Madam Pei? Don’t you find it meaningless to gossip behind my back?”

Shen Fanxing’s eyes darted to her and she smiled.

“I can’t compare myself to you when it comes to gossiping. If you think I’m a busybody, you can also gossip about me. Why don’t you tell her how I’ve framed you previously? Let Madam Pei know how evil I am.”

Chapter 388: Please Continue With Your Performance

Shen Qianrou's face paled.

Shen Fanxing snorted coldly and quipped, "Even a despicable person like you can't do that in front of Madam. Pei, let alone someone else."

Shen Fanxing said as she took a step closer to Shen Qianrou. Her voice was extremely icy as she said, "I don't want you to get the investment. I thought I would spend some effort on it. But Shen Qianrou, I didn't expect it to be so easy... Su Heng wants to use you to win the Pei Corporation's investment? Ha... does he have brains?"

Shen Fanxing didn't continue and flashed her an ambiguous smile.

Shen Qianrou felt a knot squeezing tighter in her heart. "What do you mean?"

Shen Fanxing shook her head and sneered with disdain. "Why should I tell you? Please continue with your performance."

She then ignored Shen Qianrou and spun around to leave.

Shen Qianrou was shaking with anger. She had been careful from the beginning and didn't dare to err at all. What right did she have to possess such a superior attitude?!

Shen Fanxing caught up with Ye Susu and after a short discussion, they decided to go to a cafe.

After asking Ye Susu for her preferences, Shen Fanxing didn't order any pastries or cake. Instead, she asked for an ice cream.

She and Xu Qingzhi each had a serving as well. Shen Qianrou said she was on a diet, and so she asked for a glass of fruit juice.

Ye Susu was excited to see the ice cream. "I've always felt that shopping and ice cream are a perfect match!"

Shen Fanxing smiled and nodded. "That's right. That's the biggest reason why I agreed to go shopping with my friends on weekends."

The more Ye Susu chatted with Shen Fanxing, the more chemistry she felt she had with her. After finishing the ice cream, the few of them resumed their shopping.

The three of them began to know each other better. They chatted and laughed like close friends on a shopping trip.

Shen Qianrou was the one being outcast.

She gripped the perfume and shopping bag in her hand. Her heels, which she had carefully selected this morning, had become a burden. Her feet and heart were aching terribly.

She gritted her teeth and persevered. Every time Ye Susu saw something she wanted to buy, she would always rush to buy it for her. During the entire time, Shen Fanxing and Xu Qingzhi stood quietly and didn't do anything else other than giving Ye Susu advice.

Every time Shen Qianrou noticed that, she would feel that Shen Fanxing seemed rather awkward. She also felt that Shen Fanxing didn't know how to seize the opportunity and had given the chance to her.

Shen Fanxing had gone shopping with someone. Besides treating her to a scoop of cheap ice cream, Shen Fanxing didn't dare to say a word when the opportunity arose?

However, every time Shen Qianrou fought to pay, Ye Susu would politely reject her. In the end, Ye Susu had rejected her with a solemn expression.

Hours later, Shen Fanxing said, "I want to buy some local products back. Madam Pei, can you introduce any special ones?"

Realization dawned on Ye Susu. "Look at me... I wasn't thoughtful enough. Come, I'll bring you to take a look."

In the end, Ye Susu bought and paid for some local products for the three of them.

Feeling awkward, Shen Qianrou looked at the plain-looking snacks in her hand and tried to reject them.

Shen Fanxing merely thanked her before accepting it. Xu Qingzhi didn't reject her either.

"Thank you so much, Madam Pei. Next time if you come to Ping Cheng city, remember to call me. I'll bring you around."

"Sure, we can have ice cream together."

Shen Fanxing smiled and said warmly, "That's a must."

Just then, a black luxury car stopped outside the mall.

Chapter 389: Destroy It Little by Little

Just then, a black luxury car stopped outside the mall.

Ye Susu naturally recognized that it belonged to her family. She quickly hushed Shen Fanxing with a finger.

Shen Fanxing blinked at her as she hugged the bag in her chest tightly.

At this moment, the car door opened and Pei Anzhi's tall and lean figure stepped out. His regal aura surrounded him, and his handsome face seemed had accumulated more charm over time.

There were too many people at the event last night, so Shen Qianrou didn't really have a good look at Pei Anzhi. Today was the first time she saw him up close, and her heart couldn't help but flutter.

She didn't realize he was such a handsome man.

Pei Anzhi's cold and narrow gaze swept across everyone and it didn't linger on anyone else. In the end, it landed on his wife. The coldness in his eyes instantly softened. He strode towards Ye Susu swiftly and put his arm around her shoulders.

"Done shopping?"

"Yeah." Ye Susu smiled and nodded.

Seconds later, Pei Anzhi frowned and lowered his head to examine the delicate woman in his arms. He asked in a low voice,

“What is that smell on you?”

Ye Susu sighed softly and looked at Shen Fanxing resignedly.

Shen Fanxing gave her a comforting look.

Shen Qianrou snapped out of her trance and hurried forward. She handed the perfume and bag to them and asked, “Madam Pei, can you bring these back?”

Ye Susu’s smiling eyes turned distant again. “It’s all right, Miss Shen.”

Shen Qianrou turned a little awkward as she looked at Pei Anzhi pitifully.

Pei Anzhi’s eyes swept across the perfume in Shen Qianrou’s hand, and coldness flashed across his eyes.

“Let’s go back and shower.”

He didn’t even look at Shen Qianrou before he got into the car with his wife.

Shen Qianrou stood rooted to the ground, her delicate face turning red.

Ye Susu got into the car and the window rolled down.

“Fanxing, after you’ve had enough rest in the afternoon, come to my place for dinner tonight okay?”

Shen Fanxing smiled warmly and quipped, “Wouldn’t I be disturbing you?”

“No, you must come and try my cooking.”

“Really? Then I must go over! I’m telling you in advance that I have a huge appetite.”

“No problem! And Qingzhi, you must come as well!”

“Okay!” Xu Qingzhi chimed in quickly.

After confirming the time, the window rolled up and the car departed.

Shen Fanxing retracted her gaze and sneered coldly in her heart after she glanced at Shen Qianrou.

“Qingzhi, let’s go back too.”

“Sure.”

The two of them were about to leave when Shen Qianrou blocked their way.

“Shen Fanxing! What did you tell Madam Pei? Do you know that this is the investment that Brother Heng values the most?”

Shen Fanxing frowned and replied sarcastically, “So what if Su Heng wants this investment?”

She paused and inched closer to Shen Qianrou.

“On the contrary, since this is the investment he values the most, that makes me want to snatch it. Since I’ve revived the Su Corporation, I want to destroy it bit by bit now! Do you know why? It’s not just because Su Heng has betrayed me, but because of you...”

In the end, Shen Fanxing inched closer to Shen Qianrou. Her words were like cold knives that stabbed into Shen Qianrou’s heart.

“You stole everything from me. Everything that you care about... I want it. I’ll destroy it little by little...”

Chapter 390: Blind People Are Everywhere

“You stole everything from me. Everything that you care about... I want it. I’ll destroy it little by little...”

Shen Qianrou was suddenly overwhelmed with fear and shock. Her legs turned jelly-like and she collapsed to the ground. The bags in her hand scattered around her, creating a hilarious sight.

Shen Fanxing straightened her body slowly and looked down at her.

“Don’t doubt me, Shen Qianrou. At least for now, the Su Corporation has no chance of getting the Pei Corporation’s investment.”

Concluding her threat, Shen Fanxing and Xu Qingzhi turned to leave.

Not long after they walked away, a black car pulled over in front of them.

The window rolled down and Bo Jinchuan’s dashing face appeared before her.

“Get in.”

Surprised by his appearance, Shen Fanxing got into the car obediently.

“Why are you here?”

“I didn’t see you this morning. Why are you running around?” asked Bo Jinchuan with a disgruntled expression. He had merely left for a few hours in the morning and when he reached his room, there was no one there.

Xu Qingzhi grinned and said, “Look at how nervous you are. Are you afraid that someone will abduct Fanxing?”

Bo Jinchuan remained silent and sent her a cold stare.

The grin on Xu Qingzhi’s face froze and she said awkwardly, “No way! You’re really afraid that she’ll be abducted?”

After being startled for some time, she couldn’t help but burst out laughing suddenly.

She jabbed Shen Fanxing with her elbow and laughed until tears trickled from the corners of her eyes.

“Fanxing, you’re indeed brilliant at taming a man. Look at him! He can’t wait to put you in his pocket every day! What did you do to our CEO Bo?”

Shen Fanxing grimaced and quickly buckled her seatbelt silently.

What did she do?

It was precisely because she didn't do anything, and that resulted in such drastic fluctuations in someone's emotions!

Xu Qingzhi couldn't help but chuckle.

"If I hear your laughter again, you'll get out of the car immediately!"

Bo Jinchuan's deep and cold voice was full of warning, and his face was eerily cold. Xu Qingzhi quickly retracted her smile.

Shen Fanxing, who was sitting beside him, turned her head to look at him. He had a cold expression and his dark orbs shone with his usual coldness and indifference.

Nothing seemed amiss.

Shen Fanxing pressed her lips as doubt flashed across her eyes.

Xu Qingzhi pursed her lips. In the blink of an eye, her gaze landed on Shen Qianrou, who was still sitting on the ground not far away. Her smile faded gradually.

"Fanxing, you came to the mall and headed directly to the luxury goods section. Did you already guess that Shen Qianrou and Madam Pei were there?"

Shen Fanxing's gaze swept across Shen Qianrou's figure before she averted her gaze.

"She's used to being fawned on by others. Now that it's her turn to fawn on others, it's naturally done according to her style. It's a pity that Madam Pei isn't like her."

Xu Qingzhi nodded and said, "Yes! As the wife of the chairman of a huge financial group in the capital city, Madam Pei can have whatever she wants. It's really tough on her. She had been groomed since she was a child and of course she would be used to and immune to people trying to pander to her..."

Shen Fanxing replied calmly, "In the capital city, Madam Pei is the host. Since she's the host, she naturally has to be the one to lead the situation. Shen Qianrou has always liked to stand out. She has done such things repeatedly. Naturally, she won't be liked..."

Xu Qingzhi gave a cold laugh and said, "The most important thing is that she's not a good person! Time will reveal the true nature of a person. Su Heng must be blind to have fallen for her!"

Shen Fanxing looked out of the window and said calmly,

"In this world, blind people are everywhere."
