

The Charismatic Charlie Wade Chapter 3879

Fei Kexin knew better than anyone that Charlie couldn't care about these millions of commissions from Feng Shui.

After all, just a rejuvenating pill could be worth tens of billions, or even tens of billions of dollars, not to mention that Charlie is very likely to be the behind-the-scenes boss of Jiu Xuan Pharmaceutical.

If that were the case, the net profit of Jiu Xuan Pharmaceutical in one year could be at the level of tens of billions of dollars. How could such a person care about several million?

Therefore, Fei Kexin quickly guessed why Charlie wanted to establish the image of a Feng Shui master in front of his family. Since it was not for money, there must be other reasons.

Most likely, it was to give him another level of identity, to gain time and space.

So she said to Charlie: "MR. Wade, I don't know how to repay you for the kindness I owe you, but it will be a long time in the future. I hope we can have more courtesy in the future! If there is anything that needs me in the future, please don't ask MR. Wade to follow me. I'm polite!"

Charlie nodded slightly and smiled: "Miss Zhan, since there is nothing wrong here, let's go back."

Fei Kexin hurriedly said, "Okay, MR. Wade."

Later, Charlie walked out of Shuiyun Villa with Fei Kexin.

When reaching the gate of Shuiyun Villa, Fei Kexin asked Charlie: "MR. Wade has time at noon? How about I treat you to a light meal?"

Charlie smiled and declined and said, “No, Miss Zhan, I’ll still have things to do in a while, I have a chance to eat together another day.”

Hearing this, Fei Kexin did not continue to fight for it, and said with a smile: “MR. Wade, I must stay in Aurous Hill for a while anyway. If there is a chance another day, I will invite you to dinner with your wife.”

Charlie smiled politely, nodded and said: “If this is the case, then I will leave first.”

Fei Kexin nodded and said, “MR. Wade walks slowly.”

Watching Charlie get into the BMW car and drove away, Fei Kexin got into his Cadillac.

As soon as she sat in, she asked her driver and bodyguard: “Mr. Luo, did you see how strong Charlie was just now?”

What Fei Kexin calls Mr. Luo is Fei Kexin’s personal bodyguard, Mr. Luo.

Mr. Luo is 45 years old this year, but because of his strong strength and physical fitness far beyond ordinary people, he also looks like a middle-aged person in his thirties.

Mr. Luo has been with Fei Kexin for more than three years. Although he is very strong, he still has some respect for Fei Kexin.

In the eyes of the Luo family, Fei Kexin is the most outstanding one of the Fei family’s generation. Following her is also an excellent choice for himself.

At this time, Mr. Luo started the car and said respectfully: “Miss , I can’t see the strength of that Charlie, he is either not a martial artist, or his strength is above me.”

Fei said in surprise: "The possibility of being above you is very small, right? After all, he is only in his twenties. I haven't heard of anyone who can become a six-star warrior in his twenties."

Mr. Luo said seriously: "After the cultivation level reaches a certain level, his age cannot be seen from the outside. My master is 78 years old this year, but it looks like he is only 40 years old."

Fei Kexin shook his head and said, "I have read all the information about Charlie. He is indeed only in his twenties."

Mr. Luo thought for a while, then said: "The greater possibility is that he is not a martial artist, otherwise, as long as he enters the gate of the martial artist, I can see through his cultivation."

Fei Kexin nodded lightly, and said, "Although this person is not very old, he feels very mysterious and hard to see through."

skuna, who was sitting in the co-pilot, said: "Miss, I just discovered a very interesting thing."

Fei Kexin asked curiously: "What's the matter?"
