

Super Rich Dad Chapter 389-390

Chapter 389 - Lifting the Table

‘Jiang Hao, you’re simply crazy.’

Qin Yun hurriedly pulled at Jiang Hao with an incredulous expression.

She couldn’t believe what she was hearing with her own ears, ten million dollars?

It was still coming from Jiang Hao’s mouth next to her own.

Qin Yun’s mind was spinning, the thing she least wanted to see had finally happened, Jiang Hao had really never let herself down in terms of creating surprises for herself.

‘Who gave you the courage, Gigi Leung?’

Qin Yun’s head was simply spinning.

On the contrary, Jiang Hao still looked as breezy as if it wasn’t him who had just spoken.

‘It’s just 10 million, just for fun, don’t worry.’

‘My god, I really doubt if you’ve taken the wrong medicine today.’ Qin Yun was about to cry in anxiety, but she had come out with Jiang Hao, so naturally she knew that everything was normal with Jiang Hao.

So what kind of medicine was he selling in his gourd?

‘Ten million and one piece, huh, I can’t see it, this pretender boy actually has some strength.’

A cold laugh, but Xu Tianlin had long since started cursing in his heart.

Ten million was already his limit.

Don’t look at him as the youngest of the Xu family, but he didn’t have much money at his disposal. 10 million was already more than enough, and that was even with a lot of overdraft, if he continued to add more, he was afraid that he wouldn’t have any good consequences back.

The others looked at Xu Tianlin and Jiang Hao with interest. Anyone with a discerning eye could see that Jiang Hao had raised one dollar, which was a clear indication that he was on a collision course with Xu Tianlin, and the next step was to see if Xu Tianlin dared to take it.

‘10 million and one dollar, the next challenge comes back to Mr. Xu, Mr. Xu is a big name in Chujiang, I wonder if Mr. Xu will continue to follow this time.’ The hostess had a smile between her eyebrows.

These words were like putting Xu Tianlin on the fire, if he didn't make a sound, it meant he had gone soft, those who were familiar with him knew that there was no way he would do such a thing.

'Fight with me, Jiang Hao, I'll show you what real strength means today!'

Xu Tianlin said viciously.

His heart was already dripping blood, but he still pretended to be dashing and said, 'It's only 10 million, this young master has plenty of money, hey, I'm afraid you can't afford it, I'll add it slowly, 10 million plus 500,000!'

Those who were familiar with Xu Tianlin knew that he was also a bit overwhelmed.

If according to his past urine, shouting once was at least one million to start with, now he just shouted to half a million, he still seems to be a bit weak inside.

Qin Yun was ecstatic inside, was this all Jiang Hao's ploy to make that young Xu bleed a little more, if so, now it was as Jiang Hao had thought, his aim had been achieved!

It seemed that she had misjudged Jiang Hao just now.

Qin Yun looked at Jiang Hao with a slightly apologetic look, and was just about to say the words of apology when she heard Jiang Hao say indifferently, 'Eleven million!'

The tone of his voice was as bland as if he had bought a few cents worth of vegetables at the market, nothing to make a fuss about.

Qin Yun's mouth opened wide, the words that she had not been able to say just now were now swallowed back into her stomach, there was no need to say them anymore.

Everyone in the room drew a cold breath backwards.

This man, it seemed, was a ruthless character.

The astronomical sum of eleven million dollars came out of his mouth without the slightest fluctuation of emotion.

Although he had already thought that Jiang Hao was mysterious enough, he still didn't expect that in his eyes, eleven million was as worthless as a toilet paper that could be thrown away.

The hostess, who was used to seeing big scenes, licked her lips in excitement, she felt her throat tighten a little, she had never seen this scene in front of her before.

'Eleven million!' There was excitement in the hostess's voice, which everyone in the room could hear.

She certainly had a good reason to be excited, as she would be able to take part in the final figure of the auction, so naturally the hostess wanted the figure to be as high as possible.

‘Damned fellow!’

Xu Tianlin’s face clouded over as he grabbed the water cup in front of him, almost dropping it directly onto the floor, but eventually held back, his whitened knuckles wanting to crush the cup.

He felt everyone’s eyes shooting towards him, if he didn’t take it this time, he would become a laughing stock in Chu Jiang in the future!

If he didn’t take it this time, he would be a laughing stock in Chu Jiang! But if he continued to increase the amount, it would be more than 10 million, and Xu Tianlin didn’t dare to imagine what his father’s expression would be when he returned.

A man beside Xu Tianlin said, ‘That Jiang Hao, I’ve never seen him in Chujiang, there’s no such person in the high society of Chujiang, how can he just take out 10 million, I think he’s just bluffing, he doesn’t have any money!’

‘That’s right, this kind of loser is crazy to want to be famous, this time he must be portraying our young master, young master, ignore him, let him pay, when he can’t get the money out, we have plenty of ways to make him die!’

The two people around Xu Tianlin both laughed.

At the end of the sentence, even Xu Tianlin’s own eyes lit up, the gloom on his face swept away and turned into a sneer, ‘Right, why didn’t I think of that just now, how could this loser be able to come up with more than ten million, even I would take a few days to raise ten million, he must be pretending with me!’

Xu Tianlin, who felt he had grasped Jiang Hao’s bottom line, stood up with a bang and pointed at Jiang Hao, ‘Jiang Hao, there’s no way you can come up with 10 million, what are you pretending with me here, is it because no one usually pays attention to you at all and you want to brush up your presence here?’

‘I’ll satisfy you today, I don’t want this necklace, but you have to bring out 10 million for me now, if you can’t, humph.’

Xu Tianlin smiled threateningly, ‘Then don’t blame me for not telling you in advance, no one who dares to provoke my Xu Da Shao in Chu Jiang will have a good end.’

As the saying goes, those who are watching the fun are not too happy about it, once they saw that Xu Tianlin had been cornered and was now starting to lift the table, many people were showing their displeasure, only that no one dared to show it due to the terrifying power of the Xu family.

Whether the other auctioneers could come up with the money or not was a matter for the auction house. Xu Tianlin, seeing that he couldn’t play Jiang Hao anymore, was directly annoyed and lifted the table, which was what the crowd resented.

Jiang Hao looked as if he expected it and calmly said, ‘If I took out 10 million today, what are you going to do?’

Chapter 390 - Inviting you to dinner

At this moment, everyone’s gazes all converged on Jiang Hao.

Most of them had never heard of this name before, and there was dismay and surprise in their gazes, but more than that, they were scrutinizing and questioning.

This guy could take out 10 million?

Originally, many people were discontented with Xu Tianlin, but after seeing Jiang Hao, they could not help but believe a few more points in what Xu Tianlin had just said.

No wonder Xu Tianlin didn't believe him, if it were me I wouldn't believe him either, not to mention 10 million, even a million this guy couldn't get out.

'Take it out? How can you possibly take it out? At this point, still pretending with me, Jiang Hao, how old do you think you are? You're so arrogant in front of me!'

Xu Tianlin directly tore his face off, pointing at Jiang Hao and scolding him angrily.

'I'll ask you once more, if I took out ten million dollars today, would you apologise?' Jiang Hao was not in the least bit anxious, and there was a smile on his face that seemed to be indifferent.

Xu Tianlin was straightened out by Jiang Hao's smile, how was this guy different from all those original people, not the least bit flustered, even he now had a vague illusion that Jiang Hao could really take out 10 million

'Young master, don't talk nonsense to him, let me just throw this kind of liar out and beat him up hard, then he'll understand everything.' A fierce follower beside Xu Tianlin said.

You Yun stopped in front of Xu Tianlin, there was a smile on his face, but it was cold, 'Young Master Xu, since Jiang Hao said it, maybe he can really get it out, if he can't, it's not too late to settle the score then.'

Jiang Hao lit up a card and said, 'If it's true or not, just swipe the card and you'll know.'

Qin Yun had admired Jiang Hao a little by now.

If it were anyone else, I'm afraid he wouldn't have acted as realistically as Jiang Hao did.

You Yun took the card from Jiang Hao's hand, and a professional soon came over, and the crowd was waiting with baited breath for the final result.

'If it's a fake, this guy is definitely going to die a horrible death.'

'Daring to play with Xu Da Shao in this place in Chu Jiang, this guy really thinks his life is too long, the scene will be very bloody in a while.'

'This kind of crook should be taught a painful lesson, so that he knows that crooks will definitely not end up in a good way. What's wrong with being young but having to cheat people and running right into Mr Xu, he really deserves it.'

When handing Jiang Hao's bank card to the staff member, You Yun also made a point to explain, 'No matter what the result is, report it truthfully, or I won't spare you!'

The staff member nodded his head repeatedly and went down in fear and trepidation.

Xu Tianlin sank back into his huge, soft seat, the gloom on his face flickering, the Jiang Hao in front of him was just in his own pocket, and he was at his own mercy next.

It was very silent for a few minutes, the crowd looked at Jiang Hao with complicated eyes, with a few hints of pity, a few sympathy.

'Mr. You, the results are out.'

The staff member from earlier, went and returned a few minutes later.

The moment this was said, the crowd came to life, the reason they were waiting here was to wait for this result, to be more specific they were waiting to see the joke of Jiang Hao for a while.

'Hahaha Jiang Hao, you're dead, this time I'll see what else you have to say.' Xu Tianlin shouted excitedly.

'That's right, you say you're a poor loser, what kind of pussy do you pretend to have no money, a rich pussy is a bully, a poor pussy is a fool, this kid probably reads books to dumb his head down, it's really laughing me to death.'

'You don't have to look at the target, is Mr. Xu a target you can mess with, that is an existence you need to look up to, this guy really thinks he is a person, I have never seen such a foolish person in all my years of life, today really opened my eyes.'

Xu Tianlin also laughed coldly and stood up, his gaze full of smugness, fighting with me? This is what happens when you fight with me! Chu Jiang, it's still my world after all!

You Yun's gaze sank, unaffected by these outside voices, and asked in a deep voice, 'What's the result?'

The staff member felt the eagerness in his gaze, and also felt the gazes of the crowd shooting towards him, without hesitation, his facial muscles twitched slightly, very excited: 'We have just tried it, and the result is, Mr. Jiang's card has ten million dollars on it, and it has been transferred now!'

After saying that he was happy with himself, as if the 10 million had been transferred to his own account.

You Yun's face didn't change greatly, but the deep breath he exhaled still revealed how nervous he was.

'What? How is that possible!'

Xu Tianlin suspected that he had heard wrong!

'What did you say? Say it again for me, you said that he did have ten million dollars on his card?'

Xu Tianlin rushed straight over and grabbed the staff member by the collar of his shirt with both hands.

‘What I said is true, you’d just have to kill me.’ The staff member didn’t know where he got the courage to somehow harden his steel.

Xu Tianlin directly threw the staff member to the ground, his mouth still muttering, ‘Impossible, simply impossible, how can this poor loser have 10 million, even I don’t have 10 million in my account, how can he have it, I don’t believe it!’

Not to mention Xu Tianlin was dumbfounded, all the onlookers were petrified in place, very unable to believe this result.

That was a whole 10 million dollars in cash!

Many people had ten million dollars, but ten million dollars and ten million dollars in cash were two completely different concepts, many of the millionaires usually didn’t even have a few hundred thousand dollars in cash on their bank cards, but Jiang Hao had taken out ten million dollars without making a sound, and the crowd felt a chill.

‘So now that emerald necklace, it should be mine, right?’

Jiang Hao asked indifferently when everyone hadn’t yet slowed down.

You Yun nodded dumbfounded, the shock Jiang Hao had caused him was so great that it would take him a long time to finish digesting it.

‘Xu Tianlin, there are people outside the sky, from now on it’s better to keep a low profile, just a young master of the Xu family, huh?’ Jiang Hao coldly uttered these words.

If it were the original, Jiang Hao would never be able to say such words, but now he couldn’t help but say them, and his mentality was unconsciously changing.

Xu Tianlin’s body strength felt like it had been drained all of a sudden, sitting dully in his seat with his eyes dull, he had wanted to teach Jiang Hao a lesson, but he had been educated severely by Jiang Hao.

‘Jiang Hao, could you please treat me to a meal privately as an expression of my gratitude.’

You Yun hesitated slightly and extended his olive branch, there was a perfect opportunity in front of him that he absolutely could not miss, even if it offended the Xu family as a result, he would not hesitate.
