

Super Rich Dad Chapter 391-393

Chapter 391 - You Yun's Mind

The shock Qin Yun received was not the least bit less than the people present.

The feeling was indescribable, until the staff said the final result, her heart was all over the place, no one knew better than her how much weight Jiang Hao had.

'It's over, I'm definitely going to die here today.' This was the strongest thought in her mind.

But how could she bear to watch Jiang Hao in trouble like this? Qin Yun gritted her teeth, she could only go to her dad for help, she wasn't someone who wouldn't help if she saw death.

Although she had made an agreement with her dad before she left home, she couldn't just sit back and do nothing when it came to this kind of situation!

But all of a sudden, everything suddenly turned out to be okay, everything was beyond her imagination.

Jiang Hao had actually taken out ten million dollars.

The most tawdry thing was that he still looked calm and peaceful, as if he had casually done a trivial thing. Qin Yun really couldn't understand Jiang Hao more and more now.

After a long time, Xu Tianlin finally took a breath, his face was gloomy, he had never been in such a mess as today since he was a child, and it was all thanks to Jiang Hao in front of him.

'Jiang Hao, you're really something, this is something that Xu Tianlin will remember today, don't think that with 10 million dollars you can flaunt your power in this place in Chujiang, compared to me, you're still far from it, we'll see in the future!'

After saying that, he didn't care about Jiang Hao, and took a group of his disciples and left.

Jiang Hao knew that he had completely offended Xu Tianlin today, but he didn't care in the slightest, he didn't care about the Xu family.

If his father was Shen Haoting and he was still such a coward, then he would really be sorry for his hidden identity as a second generation rich man.

'Jiang Hao, aren't you really prepared to give me an explanation?' Qin Yun's sultry voice rang out in Jiang Hao's ears.

Jiang Hao was filled with a bitter smile, 'I haven't lied to you from the beginning to the end, it's just that you haven't believed me.'

When Qin Yun thought about it, it seemed that this was really the case, including Jiang Hao pulling out the golden invitation, it was also her own subconscious thought that Jiang Hao couldn't have the golden invitation, he hadn't said anything about it.

Could it be that he had been misunderstanding Jiang Hao all along?

By this time the imperial green jadeite necklace, which was worth a fortune, had also been packed, and You Yun personally took it into his hands and came to Jiang Hao.

'Mr. Jiang, the jadeite necklace has been packed for you, it's its good fortune to meet an owner like you.' You Yun complimented it very sincerely.

Jiang Hao took it and turned his hand to Qin Yun and said, 'Didn't you say you liked this? No, now it's yours.'

Qin Yun was taken aback and put her hand to her mouth, obviously not expecting Jiang Hao to act in such a way.

'Are you kidding me? It's such an expensive item, you spent ten million on it, how can you give it to me.'

'Didn't you say you liked it just now?' Jiang Hao asked again.

'Nonsense, what girl wouldn't like such a nice piece of jewellery, oops don't tell me so much, I won't take it no matter what you say, just hurry up and put it away.' Qin Yun's attitude was very resolute.

She couldn't help but be resolute, this gift was just too expensive, ten million dollars! It was enough to buy a mansion in Chu Jiang, but now it had become a necklace in Jiang Hao's hand, the world of the rich really was more exciting than one could imagine.

'Alright.'

Seeing that Qin Yun insisted on not wanting it, Jiang Hao would no longer force it, he himself did not have too many thoughts about this imperial green jade necklace, although 10 million was expensive, it was not to the point of being unacceptable.

Since Qin Yun was adamant that she didn't want it, she could leave it to Xue Yu Ning, which Jiang Hao had planned from the beginning, and now that he had come for nothing and got what he wanted, Jiang Hao was quite happy.

Looking at Jiang Hao turning around and giving away this top quality jewellery worth ten million, even though You Yun had seen a lot, he couldn't help but stare at this moment, this was a scene he had never really seen before.

'He spent 1.88 million on a sapphire necklace without blinking his eyes in the morning, and now he has even thrown ten million on this jade necklace, what is the origin of this Jiang Hao, his background is so mysterious and he is so generous, he must not offend him.'

You Yun said secretly in his heart, at the same time remembering the resentful look in Xu Tianlin's eyes before he left just now, it seemed that Xu Tianlin was holding a grudge against himself along with him.

As long as he could pull the strings of Jiang Hao, it would all be worth it.

You Yun had already made up his mind in his heart that he had to win Jiang Hao over!

‘Mr. Jiang, I’m really happy that you were able to get the imperial green jade necklace this time, if Mr. Jiang doesn’t mind, I’ll treat Mr. Jiang to a meal together in my personal capacity, I wonder what Mr. Jiang would like?’

You Yun’s words were very polite.

Jiang Hao didn’t seem to have any excuse to say no. Moreover, he had a good impression of You Yun, and his words were quite polite, so he could give him a face.

Seeing Jiang Hao nodding his head and agreeing, You Yun’s heart was wildly happy, his face was still relatively stable, and he quickly said, ‘Good, tomorrow at noon, Kunlun Hotel, this hotel also happens to be my name’s property, and the dishes are quite special, so tomorrow we must let Mr. Jiang drink to his heart’s content.’

The Kunlun Hotel was a very distinctive five-star hotel in Chujiang, Jiang Hao had heard of it many times before, with a completely Chinese style of decoration, full of classical and traditional elements, although it was not accepted by the majority of foreign business people, it had gained a firm foothold in Chujiang with its unique style, and had killed its way out of the competition from the five-star hotels of the international first-tier big brands.

I didn’t expect the owner behind Kunlun Hotel to be You Yun, Jiang Hao still gave him an extra look.

‘I didn’t expect Boss You to be much involved, okay, tomorrow at twelve noon, I’ll be there on time.’ Jiang Hao made a note of it.

You Yun waved his hand modestly, ‘I’ve only been a small player for so many years, I’m no match for Mr. Jiang, I’ll be waiting for the big fight tomorrow!’

He had thought that his assets were also first-class in Chujiang, although not as big as the Xu family, but also enough to look at, Jiang Hao’s sudden emergence made him feel a sense of powerlessness, more than 10 million waved out, just like buying a few dollars of vegetables in the vegetable market, this kind of temperament, he thought he could not catch up at all.

Chapter 392 - Fighting for Yourself

After parting with You Yun, Jiang Hao didn’t rush to leave, but turned around and went to the toilet, but just as Jiang Hao was walking out of the toilet, a figure suddenly appeared in front of Jiang Hao.

‘Mr Jiang, do you still remember me?’

A soft, crispy voice that was so soft and sticky to the bone rang out.

Jiang Hao was shocked, wasn’t this the men’s bathroom, could it be that he had gone to the wrong place, it couldn’t be, he had clearly seen it clearly.

How could a woman’s voice suddenly appear.

Looking at Jiang Hao's panic-stricken appearance, the silhouette behind Jiang Hao 'poofed' and laughed out loud.

'Don't be afraid, I'm not a bad guy, I won't eat you, so why are you afraid?'

The voice was teasing, it was clear that Jiang Hao didn't even know this woman, but from the woman's tone, it sounded as if the two were good friends who were very familiar with each other.

Jiang Hao hurriedly put his trousers on first, then turned around and saw that the woman behind him was the hostess on the stage at the auction just now!

Jiang Hao still had a slight impression of her. At this time, the hostess had already changed her outfit, no longer the black suit she had just worn on stage, but a dark blue dress, bringing her very substantial figure into perfect play.

Watching Jiang Hao lose his concentration for a moment, a flash of joy flashed across the depths of the hostess's eyes and she pursed her lips and smiled!

'Mr. Jiang is really a noble man, haven't we met at the auction just now.'

Jiang Hao looked the woman up and down and couldn't help but frown, he was a little curious as to what this woman was up to, obviously she must have had a purpose in 'blocking' herself here.

'Oh, I remember, you were very good just now. But the auction is over, may I ask what you want to do?'

Hearing Jiang Hao compliment himself a few times, the woman couldn't help but cover her mouth and laugh, smiling as if she was unexpectedly happy.

'Is it true what you said? Haha, I never thought I could be complimented by you. What, I want to get to know you a bit and have a few words with you, can't I do that too, my name is Su Rong, your name is Jiang Hao, right? But why can't I think of any Jiang family in Chujiang that is so powerful? Or are you not a local youngster in Chujiang at all? Hehe guess you're not from a small family, right?'

Su Rong finished her words and looked at Jiang Hao with a complicated, yet flirtatious gaze.

Admittedly, Su Rong had experienced too many such occasions, and had even seen many children from rich families, but this was the first time she had seen a young man like Jiang Hao who was extremely generous, almost to the point of spending money without blinking, and she was even more curious about Jiang Hao's identity.

After all, he had offered more than ten million dollars, and he was able to give away the items he had auctioned at will.

Although she has a monthly salary of several tens of thousands of dollars, it is not enough for her to make ends meet. The reason she is here is that she hopes to meet a rich man.

Marrying into a rich family and flying up the branch to become a phoenix is the best home she can think of.

Even if she couldn't marry into it, grabbing a rich second generation and finding a way to con him out of all his money would be much faster than making money on her own now.

She works in an environment where she deals with all sorts of rich people every day. Su Rong's mind has been completely set free, and asking her to sink her teeth into working hard to earn a salary is now completely out of the question.

The effect of environment on a person is huge.

Jiang Hao turned red and wanted to leave the place so badly that he explained, 'Ahem that, I already have a girlfriend, so please behave yourself.'

Jiang Hao just wanted to leave, but his hand was grabbed by another hand, Su Rong was full of smiles, her red lips slightly raised, her shellfish teeth slightly exposed, 'Meeting each other is fate, we are all in Chu Jiang, there might be a chance to meet again in the future, or leave a contact, I can also keep an eye out for you if you like jewellery.'

Jiang Hao knew that the woman in front of him was a thorny rose and should never be easily provoked.

The most urgent task was to find a way to get out of it in a hurry.

'My girlfriend is waiting for me outside, let's talk some other time, I'll go first.'

In his desperation, Jiang Hao could only use Qin Yun as a shield and let her pretend to be his girlfriend.

Hearing Jiang Hao's words, Su Rong looked gloomy, 'Alright, let's get in touch some other time then, you must remember me sister!'

When Jiang Hao disappeared, Su Rong's complexion gradually cooled down, and a cold light appeared in her eyes.

She slowly lit a thin cigarette, put it in her mouth and took a deep puff, 'Jiang Hao, I have plenty of time to play with you, not this time, we'll see about that in the future!'

Jiang Hao came out of the bathroom with a red face and saw an anxious Qin Yun.

'What took you so long, I thought you'd fallen in.' Qin Yun said as soon as she saw Jiang Hao, her face full of concern.

'Don't say anything, let's go first and talk as we go.'

Jiang Hao pulled Qin Yun out of here, he didn't want to see that woman reappear in front of him in a moment and be seen by Qin Yun, that would be a real jump into the Yellow River.

'Jiang Hao, I find that you are becoming more and more mysterious now.' Qin Yun suddenly exclaimed.

'Have you? Haven't I always been like this, only it turns out that none of you have always believed me.' Jiang Hao smiled to himself.

He had never changed from the beginning to the end, except that no one had ever believed him, and by the time others recognized the truth of the matter, they instead felt that he was becoming more and more mysterious, so what more did they want from him anyway.

‘Is that so? Are you saying you’ve always been this way, and it’s us who have changed?’ Qin Yun said thoughtfully.

Jiang Hao waved his hand and said easily, ‘Forget about that, tomorrow You Yun is going to invite you to dinner, why don’t I pick you up then?’

Qin Yun politely refused, ‘Forget it, you’re the one he’s inviting, not me, I’ll just be a light bulb if I go, I won’t follow you, a rich man, and cause trouble.’

Jiang Hao laughed, ‘What tycoon, just remember that Jiang Hao is still the same Jiang Hao, that’s enough.’

Qin Yun, on the other hand, said in all seriousness, ‘Hmm, I’ll make a note of that.’

When they went out of the building, they unexpectedly met Su Rong at the entrance once again ‘unintentionally’.

As soon as he saw Su Rong, who was smiling, Jiang Hao had a headache.

This woman was really as difficult as a dog’s skin!

Chapter 393 - You Yun’s friend

‘What a coincidence, Mr. Jiang!’ Su Rong looked at Jiang Hao and smiled as she hurriedly and slowly walked up to him.

But soon, Su Rong’s gaze was drawn to Qin Yun beside Jiang Hao.

This should be Jiang Hao’s girlfriend?

Qin Yun was definitely a beautiful woman, and the kind that Su Rong sighed to herself when she saw her.

No wonder she had pestered Jiang Hao, but he didn’t even bother to look at her.

She couldn’t help but feel a bit of a headache, it seemed that she wanted to take Jiang Hao down next, but it was still a bit difficult.

‘Yo, Mr. Jiang’s girlfriend is really pretty, huh!’ Su Rong laughed sinisterly and spoke, ‘Haha, Mr Jiang you are really okay too, leaving such a beautiful girlfriend behind, just now you even made a move on an old woman like me, you are really a waste!’

Su Rong’s words were so sudden that not only Qin Yun, but also Jiang Hao, could not help but be stunned at her words.

‘Move your hands and feet?’ Jiang Hao exclaimed in surprise, looking at Su Rong with a stunned expression, thinking, ‘What’s this all about? Why does this woman open her mouth and talk nonsense?’

‘What do you mean? Please pay attention to what you say!’ Jiang Hao hurriedly warned with a serious face.

Su Rong didn’t care at all about Jiang Hao’s warning, instead she laughed, frowned and put on an innocent expression, ‘What, Mr. Jiang you’ve done this kind of thing and you still don’t want to admit it? Why, can’t you behave like a decent man in front of your girlfriend, but behind the scenes, you’re putting your hands on me?’

‘If Jiang Hao really didn’t know what this Su Rong was up to, but if she continued to talk nonsense like this, how would Qin Yun look at her later?’

But at that moment, Qin Yun, who was listening to the conversation between Jiang Hao and Su Rong and feeling foggy, spoke up.

She frowned deeply as she gazed at Jiang Hao and said, ‘Girlfriend? Jiang Hao, what girlfriend? What does she mean by that?’

Qin Yun hadn’t put much thought into what Su Rong had said about Jiang Hao putting his hands on her.

After all, from what Qin Yun knew about Jiang Hao, he would never be able to do such a thing.

Instead, she was more concerned about why Su Rong had identified herself as Jiang Hao’s girlfriend.

Moreover, listening to Su Rong’s tone, it was obvious that Jiang Hao had told her about this matter, so what was going on? What exactly did Jiang Hao mean?

Qin Yun was confused, but when she heard that Su Rong had identified herself as Jiang Hao’s girlfriend, deep down, there was still a little bit of excitement.

Why she felt this way herself, Qin Yun herself didn’t know, but she only felt her face rolling and obviously a little shy as she questioned Jiang Hao.

‘Qin Yun, don’t listen to her, I just said that casually, don’t take it seriously,’ Jiang Hao blushed awkwardly and busily tried to explain the matter clearly to Qin Yun.

Hearing Jiang Hao’s words, Qin Yun somehow could not help but feel a slight loss in her heart and asked with a frown, ‘Just a casual remark? You.’

Jiang Hao smiled and hurriedly nodded, ‘Yes, yes, I really just said it casually, you must not take it seriously, I’

Jiang Hao was about to say something else, but he saw Qin Yun nodding her head seemingly lost, ‘Oh, okay then, I know’

Having said that, Qin Yun herself didn’t know what was going on, and turned her head away from herself, then walked towards the car park not far away.

‘Qin Yun? What’s wrong with you?’ Jiang Hao saw this and became even more bewildered, rushing to go up and ask what was going on, how could he say that he was saying this casually and Qin Yun turned around and left?

‘I’m fine, that I still have things to do, I’ll go first Jiang Hao.’ Qin Yun tried her best to smile at Jiang Hao and quickened her steps, ‘That later you can take a taxi back by yourself.’

Hearing Qin Yun’s words, Jiang Hao stopped Jiang Hao, just oh, and looked straight at Qin Yun as she got into the car and started it up to leave.

‘Yo, so it’s not a girlfriend, huh?’

Just then, Su Rong’s voice came over again, and she seemed slightly amused to see Jiang Hao’s embarrassed face.

Jiang Hao smiled and glared back at her with some anger, ‘What the hell are you doing?’

‘Aiyaa, what are you yelling at me for!’ Su Rong put on a delicate expression and said, ‘I just want to make friends with Mr Jiang, why, are you really resistant to me?’

Jiang Hao was really impatient with this Su Rong, and with a frown, he turned around and left.

‘Hey? Mr. Jiang,’ Su Rong shouted again, but Jiang Hao simply ignored her and quickened his pace.

This woman was really annoying, she had only met her once, so why was she pestering him so much?

The most important thing was that because of her, Qin Yun seemed to be a bit angry with herself.

The most important thing is that because of her, Qin Yun seems to be a bit angry with herself. Is Qin Yun really upset because she casually said that she is her girlfriend?

I blame myself, I made up my mind at that time, and now it’s fine!

It seems that I still have to find a chance to talk to Qin Yun to clear things up.

While thinking, Jiang Hao also left the hotel.

The next day at noon, Jiang Hao arrived at the Kunlun Hotel half an hour before the time he had agreed with You Yun.

Jiang Hao first waited downstairs for a while, because left and right You Yun only told Jiang Hao that he would invite him here for dinner, but forgot to tell Jiang Hao exactly which room.

Jiang Hao waited for a while before he saw You Yun walking in from outside the hotel in a hurry.

From a long distance away, You Yun also saw Jiang Hao and hurriedly greeted him with a smile, ‘This way, Jiang Shao! I didn’t expect it, you’ve come so early!’

Jiang Hao had spent more than ten million dollars with him, so he was already a big customer among big customers, so over time, You Yun's attitude towards Jiang Hao had become completely submissive.

'Good morning to you too, Mr. You.' Jiang Hao also hurriedly smiled, 'Are we going up here?'

You Yun smiled and nodded, 'Of course, of course, Jiang Shao please, I have two friends today, they had something to do yesterday and couldn't come to the banquet, but they heard about your great name, Jiang Shao, but they especially want to get to know you, I hope I hope you don't mind ah'

You Yun smiled, he was a little afraid that Jiang Hao would resent the fact that he had dragged in two random people.

Although he didn't know Jiang Hao's exact identity, You Yun was very clear about one thing, people like Jiang Hao were almost always naturally lonely and arrogant.

So if Jiang Hao didn't resent it, it would be fine if he did, but if he did, then he would be waiting for his wrath.

However, Jiang Hao did not show how disgusted he was, he just gave a faint oh.

Seeing this, You Yun was overjoyed and hurriedly said, 'Then I'm really grateful to you, young Jiang, let's go up now.'

Jiang Hao gave a hmph, turned his head and asked, 'Mr. You, these two friends of yours, what do they do?'
