

The One and The Only Chapter 391 - 400

Yash Nics also looked at Shentu coldly.

The two looked at each other, their gazes fought like thunder and fire. Over the past two decades, killings have been numb, with hundreds of blood on his hands, and a strong breath of death exuding from his body, which can be called the Shentu of the god of death.

At this moment, he looked at Yash Nics, his eyes were dead fish, and he suddenly showed fear.

The muscles in the corners of Shentu's eyes throbbed, a chill rose in his heart, and cold sweat rolled down his forehead.

This is the instinct of the ferocious wolf for danger. He smelled a terrible breath from Yash Nics.

It was as if the wild wolf smelled the breath of the tiger and was directly frightened.

He killed people like hemp, but he only killed hundreds of people.

Yash Nics walked out of the sea of blood in the corpse mountain, and the breath of death in

Shentu's body was nothing compared to the breath of Yash Nics's body. Song Xian wondered, why is Shentu, who kills decisively on weekdays, not doing anything today?

He urged: "Shentu, you do it. Don't worry about it, don't show mercy, just destroy him."

Shentu, like a jackal encountering a tiger, retreated in horror, and said with a trembling: "San

Ye, this person is terrible, I...I dare not shoot him!"

"I have a strong instinct. If I dare to shoot him, I will immediately die under his hands."

Shentu looked at him in fear. Following Yash Nics, he tremblingly backed away, then suddenly turned around, without running away with his head.

Song Xian and others looked at Shentu who was frightened and fleeing in disbelief.

All of them looked at each other!

Knowing that Shentu's figure had disappeared, Song Xian came back to his senses, and

scolded angrily: "Damn, he still brags about being a god of death on weekdays, killing people like hell."

"I didn't even have the courage to do it, so I was so scared to run away like a dog. I really did not care for you."

Song Xian felt that his face was lost, and the rest of the subordinates on the command

scene were so embarrassed: "I've abandoned this kid."

More than 20 thugs on the scene were preparing to besiege Yash Nics.

But at this time, a thunderous anger came from outside the gate: "Do you think our young master is no one?"

Everyone at the scene was surprised again and looked at the gate.

Then I saw Dong Tianbao, with a large number of his subordinates, there were hundreds of people.

Dong Tianbao came to Yash Nics and said respectfully: "Master, it's too late to come down, please master to convict."

Yash Nics said indifferently, "There is no need to convict. All the garbage from the provincial city will be interrupted. Both feet, and then return to the provincial capital Song family."

"Warning the provincial capital Song family not to step into Mannity for half a step, otherwise the title of the first Song family in the south of the Yangtze River will change ownership."

Dong Tianbao said solemnly: , Master!"

After speaking, Dong Tianbao led his men to take action against Song Xian.

In an instant, the sound of fighting, fighting, and screaming sounded at the same time.

Yash Nics said to Song Pingting, "Wife, let Tianbao take care of it, let's go home first!"

Song Pingting nodded, held her parents with Yash Nics, and turned to leave.

When they reached the gate, Song Xian had been kicked to the ground by Dong Tianbao.

Dong Tianbao severely kicked both of Song Xian's feet.

Song Xian screaming, resounded Song Jiazou house

.....

Ning them home, children from kindergarten to Ke Song Qingqing also just back from.

Seeing that Song Pingting's family looked wrong, Tong Ke asked what had happened?

Song Pingting simply told the story, and Tong Ke said angrily after hearing it: "What kind of

family, what kind of clan, it's just a group of wolves."

"When they see your cousin, your company has a boundless future, so they try to find ways

to find out. It's

terrible ." Ma Xiaoli was equally angry. Song Zhongbin and Song

Pingting's father and

daughter were all depressed, and they were obviously disappointed with these family

members.

Yash Nics was teasing her daughter, while faintly said: "Those who do not have good

intentions, don't take too much of your heart. We can be ourselves and live our lives well."

Song Pingting heard the words, eyes. The fighting spirit renewed in his eyes.

She raised her head and said to Song Zhongbin and Ma Xiaoli: "Parents, Yash Nics is right.

Starting today, we will focus on Ningda Group and work hard to improve."

Song Zhongbin also nodded: "Yes, as long as we take Ningda The group is bigger and

stronger. Whether it is the old man or the provincial capital Song family, who dare to look

down on us, who dare to bully us?"

The One and The Only Chapter 392

For more than half a month, Song Pingting and Song Zhongbin focused all their energy on their work.

The pharmaceutical factory in Fenghuangchong has been initially completed, the first production line has been installed, and the first batch of workers in the factory have also been recruited and trained.

Professor Jiang led Tong Ke and other technical personnel to formally stationed in the pharmaceutical factory to escort the production of liver cancer vaccines. Song Pingting was still worried that the Song family in the provincial capital would come to retaliate during this period, but to her surprise, the Song family in the provincial capital was still silent, which made her breathe a sigh of relief.

After all the employees of the pharmaceutical factory worked together, soon the first batch of samples for the mass production of liver cancer vaccines were manufactured.

Song Pingting immediately sent the vaccine samples to the Food and Drug Administration for inspection.

If it goes well, it won't take long before you can get the Chinese Medicine Standard, and then you can enter the market for sales.

But what Song Pingting never expected was that the Food and Drug Administration notified

Ningda Group to get the test results the next morning.

She brought several company executives to the Food and Drug Administration.

Yuan Haifei, deputy bureau of the Food and Drug Administration, personally received Song Pingting and her party.

Yuan Haifei coldly threw a copy of the test result to Song Pingting, with a big red cross on it and three characters: Fail!

Song

Pingting opened her eyes wide, and said in surprise, "Deputy Bureau Yuan, did you make a mistake?" Yuan Haifei held the shelf and said impatiently, "What's wrong?"

Song Pingting said, "Our vaccine. After the research and development of the institute was completed, Professor Jiang sent samples to relevant institutions for various rigorous inspections. At that time, the inspection results were perfect."

"How come our mass-produced samples fail?"

Yuan Haifei hummed coldly: "The vaccine produced by Professor Jiang at the Institute is no problem, but after your Ningda Group acts as an agent, the mass-produced vaccine will not work. Obviously this is a problem with your Ningda Group's production."

Song Pingting was uncertain, but she still asked patiently: "I saw the inspection report of your Food and Drug Administration, and only one result failed, and it didn't point out which part of the vaccine was a problem. Can you tell me about it? I'll go back and let them improve!"

Yuan Haifei said impatiently: "Miss Song, we are only responsible for checking whether your vaccine is qualified or unqualified. We are not responsible for telling you what went wrong, do you understand?"

Song Pingting was anxious. Said: "If you fail the inspection, you should point out where it failed! How can one sentence fail, then how can we correct it?"

How to correct it?

When Yuan Haifei heard this, he coldly snorted: "This is your Ningda Group's problem. If your Ningda Group does not have the ability to produce good vaccines, I suggest you

transfer the agency right to a competent company to produce it. , Such as Blue Sky Company!”

Song Pingting was startled when she heard the words, she stared at Yuan Haifei closely:

“Deputy Bureau Yuan, what do you mean by this?”

Yuan Haifei folded his arms and sat on an office chair, no longer covering up. His fox tail was exposed directly.

He said carelessly: “I said that the vaccine produced by Ningda Group should not pass the inspection of our Food and Drug Administration. If you are interested, you should obediently transfer the vaccine agency to Blue Sky.”

“In that case, you guys. Ningda Company can also get a huge transfer fee!”

Song Pingting looked at Yuan Haifei in shock, took a deep breath, and said, “I understand, you have been bought by Blue Sky Company. You abused your power and thought. We are going to be stuck at the level of vaccine testing.”

Yuan Haifei raised the corner of his mouth slightly, and said triumphantly: “It seems that you are not too stupid.”

Song Pingting said angrily, “You abused your power, believe me or not. Report you?”

The One and The Only Chapter 393

Yuan Haifei laughed and said, “You report me? Who are you reporting me with, do you know who is the biggest director of Blue Sky Company? Jiangnan Wangye Tang!”

“Shizun met Tang The master has to flatter, and the provincial honor must be polite to Tang.”

“You report me? You go, I’m afraid you are boring to ask yourself, haha.”

Song

Pingting was anxious when he heard the words: “You!” He said with a sneer: “Everyone is

not guilty and guilty. The liver cancer vaccine is such a big cash cow that you can't eat. I

advise you to be honest and take the initiative to transfer the agency to Blue Sky."

"Otherwise. In my case, I will hold you for a year or a half. Your vaccine cannot be officially put into production and cannot be sold in the market."

"You will lose 1 billion a year in agency fees alone. When the stock price drops, you can lose you. The family went bankrupt." Song Pingting was anxious and angry when she heard the words, tears were about to fall.

She took several company executives and left the Food and Drug Administration angrily.

As soon as Song Pingting left, Yuan Haifei picked up the phone and called Ouyang Ting.

He triumphantly said: "Cousin, the Ningda Group's vaccine test has been rejected by me.

They don't want to pass the test in the future, don't think they can get the national medicine approval number, let alone go on the market."

Ouyang Ting said with satisfaction. "

Haifei, you did a good job, so you can kill Song Pingting, let her desperate, and transfer the

vaccine agency to me!" Yuan Haifei laughed and said, "Cousin, don't worry, I know what to do!"

...

Yash Nics came to Ningda Company and found that the whole company was full of anxiety.

He looked at the president's office, with one hand on his forehead, Song Pingting with anxious and angry face.

Then he beckoned, called Lin Wei not far away, and asked, "What happened, why are you frowning one by one?"

Lin Wei smiled bitterly: “Mr. Yash, you don’t know yet. The City Supervision Bureau deliberately targeted us. Ningda Group, deliberately prevented our vaccine from passing the inspection.”

“What’s even more hateful is that Yuan Haifei, the deputy bureau of the Municipal Supervision Bureau, also threatened Mr. Song and forced Mr. Song to transfer the agency rights of liver cancer vaccine to Blue Sky.”

“Yuan Haifei. Having said that, if we don’t transfer, we will always be testing this level, so that we will never be officially put into production and will never be sold on the market.”

Yash Nics snorted after hearing Lin Wei’s words: “A little food and medicine. The deputy bureau dare to be so arrogant and interesting!”

Ningda Group was brutally targeted, and the vaccine submitted for inspection failed.

Song Pingting was full of sadness, thinking about whom to ask for help? At this moment, Yash Nics knocked on the door and came in.

When Song Pingting saw Yash Nics, she immediately vomited bitterness to Yash Nics and

told Yuan Haifei and the others about the Ningda Group.

She angrily said: “Yuan Haifei is so arrogant and even threatened that if we don’t transfer the

vaccine agency rights to Blue Sky, he will crucify us. Our vaccines will never pass the test, and never be marketed.”

“More He also said that the biggest boss of Lantian Company is Jiangnan Wang Beidou.”

“Even if we make a noise in Shizun and Shengzun, it is useless.

Shizun and Shengzun will sullen under Tang Beidou when they see Tang Beidou.” Frowning,

she said lightly: “Lin Wei told me about this just now, don’t worry, I will solve it.”

Song Pingting vomited bitterness with Yash Nics, in fact, she didn’t expect Yash Nics to

solve it.

She just encounters problems at work, no one can talk to her, talk to her husband, and

release her own inner grievances.

When she saw Yash Nics said it could be done, she said with a wry smile:

“Yash Nics, I just

complain to you. This matter is very tricky. Let me see who I can help and ask Yuan Haifei!”

Yash Nics said, “ You don’t have to ask him. On the contrary, he abused his power and

deliberately targeted us. He will come and beg us for forgiveness when the time comes.”

Song Pingting shook his head: “It’s impossible, Yuan Haifei’s identity is not simple. There is

Blue Sky Company behind him, even the city respects the province Zun is not afraid. He

deliberately targeted us, only we begged him, he could not beg us.”

The One and The Only Chapter 394

Yash Nics smiled without comment.

At this moment, Yash Nics’s cell phone rang, it was Dian Chu’s call.

Normally, there is nothing, Dian Chu will never call to disturb Yash Nics.

Yash Nics frowned slightly and answered the phone: “What’s the matter?”

Dian Chu said respectfully, “Master, Tao Donglin from Jiangnan Province came to the

grassroots to inspect. He learned that you are in Mannity, so he came to see him. I don’t

know if you would like to see him, Master. ”

Tao Donglin is the respect of Jiangnan Province, and he can be regarded as a member of

the party.

But Yash Nics coldly said: “No!” Dianchu

: “Yes, my subordinates understand.”

Yash Nics just wanted to hang up, but suddenly remembered something, he suddenly

changed his mind and said to Dianchu: “Wait. ! ”

Dian Chu stunned:”? What Master commanded ”

Ning squint, faint smile:” I decided to pleasure of seeing him, if you tell Tao Donglin week with tree, I asked them both to dinner. ”

Dian Chu Chen Sheng “Yes!”

Yash Nics walked through the clouds on the top floor of the Mannity Axis Building and

invited Tao Donglin to eat with Zhou Ruoshu.

Dong Tianbao, the owner of the wandering cloud, didn't dare to neglect, so he stopped doing

business today.

Only greet Yash Nics and several distinguished guests from the provincial and municipal

officials.

In the private room, a few dishes are placed on the table.

There are not many dishes, but they are done very carefully, and the taste is also at the level

of a state banquet.

The wine is in an inconspicuous ordinary bottle with a few words printed on it: Special wine

for the Northern Army!

Today, Yash Nics invited Zhou Ruoshu to dinner with Tao Donglin.

Except for Yash Nics, Zhou Ruoshu, and Tao Donglin, there is only one diary who is

responsible for serving in the entire elegant room.

Tao Donglin is about fifty years old and has a refined appearance.

At this point he is very respectful of reach for the glass, to Peizhao Xiao Ning said: “..

Marshal, I have come to inspect the sea, only to learn that you take the liberty to ask to see

here, please forgive me, I respect your cup of”

next Seeing this, Zhou Ruoshu hurriedly picked up the wine glass and followed Yash Nics.

Zhou Ruoshu felt that although he was the number one in Mannity, in front of these two

people, he had no voice at all.

He was honest and smiled. He should accompany the wine and speak less.

Tao Donglin and Zhou Ruoshu both toasted Yash Nics, but Yash Nics did not serve a glass.

Instead, he said to Tao Donglin with a smile but a smile: “Old Tao, you are not honest!”

“If I didn’t guess wrong, you come to Mannity to inspect. It’s false. It’s true to come to

Mannity to see me.”

Tao Donglin was a little embarrassed when he heard that, and admitted:

“The young

marshal’s eyes are like torches. I really came to see you on a special trip.

I have admired you

for a long time. I learned that you are in Jiangnan. I hurried to visit. You are here.”

Yash Nics smiled again: “Old Tao, you are not honest about what you said.” Tao

Donglin was surprised: “How to solve?”

Yash Nics said with a smile, “You know I don’t like being disturbed, if it’s okay. , You won’t

come to see me.”

“If I guessed correctly, you heard some news about the friction between me and Tang

Beidou. You were worried that the matter would be serious, so you came to see me quickly.”

Zhou Ruoshu and Dianchu heard the words, They just realized.

It turned out that Tao Donglin, the provincial respecter, learned of the friction between Yash

Nics and Tang Beidou, and was afraid that the situation would get out of control and the

matter would make a big fuss.

Tao Donglin was embarrassed and said with a dry smile: “Haha, I know that I can’t hide

anything from the

marshal !” Yash Nics smiled, and had a glass of wine with Tao Donglin and Zhou Ruoshu.

This wine is a special wine for the Northern Army. It is pure wine, but very strong.

After a glass of wine, Tao Donglin felt like he had drunk a burned knife.

His face was flushed

and sweating profusely, and he snorted excitedly: "Marshal's wine, so strong, good wine!"

Yash Nics laughed and said: "The Northern Territory is severely cold, and there are general seasons of the year where there is ice and snow. Therefore, the soldiers of the Northern Territory like spirits."

"Also, Lao Tao, I call you Lao Tao. You should call me Xiao Chen and call for position. I

'll see outsiders." Tao Donglin heard Yash Nics say not to see outsiders. This is to treat him as his own person!

It's an honor to be able to make friends with the marshal!

But Tao Donglin was not stupid. He didn't dare to call Yash Nics Xiaochen. Instead, he said

wittily: "Well, I will call the young marshal Chen Shaohao ." Seeing that Yash Nics had long understood his intentions, he also

said No longer hiding, he said straightforwardly: "Chen Shao, I am here this time, besides

admiring you. In addition, I want to see if I can be a peacemaker and mediate the conflict between you and Tang Beidou."

The One and The Only Chapter 395

Yash Nics squinted, "Did you reveal my identity to him?"

Tao Donglin quickly said, "No, without Chen Shao's permission, who would dare to disclose your identity secret." "

Yash Nics: "That means Tang Beidou still doesn't know who I am. It's no wonder that he came to trouble me one after another."

Tao Donglin was surprised: "Tang Beidou is still having trouble with Chen Shao you?"

Yash Nics said lightly: " Tang Beidou fell in love with the vaccine from my wife's company

and instructed Yuan Haifei, the deputy bureau of Mannity Food and Drug Administration, to deliberately prevent the vaccine from passing the test."

“Yuan Haifei also directly threatened to kill the Ningda Group. The Ningda Group vaccine will never pass. Check, and never even think about going on sale.”
“He even threatened that it would be useless to go there even if it made the city and the province respect!”

Tao Donglin became angry: “Yuan Haifei’s mother doesn’t want to do it anymore!”

Zhou Ruoshu was even more sweaty. Xiaxia: “I’ll call Yuan Haifei here!”

Yash Nics said with a smile: “No, I have sent someone to invite him over for dinner. I want to

see, he is in front of you, the city and the province. Isn’t it arrogant?”

At this moment, Dong Tianbao knocked on the door and said

respectfully: “Master, Yuan

Haifei is here.” In the

lobby, Yuan Haifei was looking around.

He dissatisfied and said to the waiter next to him: “Yash Nics invited me to eat here, why

didn’t he see him?”

“Oh, with his attitude of inviting people to dinner, he will never pass the test. ”

It turned out that Yuan Haifei thought that Yash Nics was inviting him to dinner in order to

bribe him, begging him to let him go!

Yuan Haifei thought that Yash Nics invited him to dinner in order to bribe him.

He looked around arrogantly at this moment, calling Yash Nics?

Then, I saw Yash Nics coming out of the VIP room.

Ning Yuan Haifei saw one: “? You’re eating Yuan, deputy director of pharmacy”

Yuan Haifei then the shelf, said: “? You’re husband Ning Song Painting it, you invited me to

dinner on this attitude.”

Carter, I saw an old man wearing a chef’s hat hurried over and said respectfully to Yash

Nics: “Mr. Yash, the last hard dish Buddha

jumped over the wall has been prepared, can we serve it?" Yuan Haifei saw this The old man couldn't help exclaiming: "You are not the Sanbao Lu Sanbao, the old chef, Mr. Lu?" The old God Chef answered Yuan Haifei lukewarmly, admitting that he is the Sanbao Lu. He waited eagerly for Yash Nics's instructions, should he serve the food immediately?

Yash Nics smiled and said: "Old Lu, you can order the kitchen to bring the Buddha jumped over the wall and bring it up."

"Yes, Mr. Yash!" The old God of Cookery received Yash Nics's order and went to do it immediately.

Yuan Haifei looked at the back of the old God of Cookery with a look of surprise, and was proud: Yash Nics actually asked the old God of Cookery to cook and entertain me

personally. It seems that this kid has lost his blood.

Yuan Haifei was instructed by Ouyang Ting to use his authority to crucify the Ningda Group and prevent the Ningda Group's vaccine from passing the inspection. However, he felt that it would not prevent him from making a profit from the Ningda Group.

Since Yash Nics has bribed him, of course he has to take it. At most, what can Yash Nics do if he doesn't do anything there?

Yuan Haifei squinted his eyes and said with a faint smile: "Yash Nics, you actually asked the old God of Cookery to entertain me. It's quite intentional!"

Yash Nics smiled: "Then I don't know if Vice Bureau Yuan can stop targeting us Ning. Big group, let our vaccine pass the test?"

Yuan Haifei jokingly said: "Just this meal, you just want me to let you go?"

Yash Nics smiled and said, "I also invited two guests to dinner together. I think you will probably give them a little bit of face."

The One and The Only Chapter 396

Yuan Haifei widened his eyes when he heard the words and looked at Yash Nics in surprise:

“Okay, Yash Nics, I thought you asked me for dinner, but I didn’t expect you to call a helper.

This is a Hongmen Banquet set for me?”

Yuan Haifei said, sneered: “Even if you set a Hongmen Banquet, you are not the Overlord of

Chu, and I am not even the timid Liu Bang.”

“Don’t say you got two helpers as lobbyists. , Even if you call the city respect and province respect, it’s useless.”

“I said that the Ningda Group will be crucified, you must be nailed to the Ningda Group. I will

still be the deputy bureau of the China Food and Drug Administration for one day, and you

will be the Ningda Group. Don’t even think about passing the test for the vaccine.”

Yuan Haifei’s words just fell, and an angry voice suddenly came out: “In this case, Yuan

Haifei, you, the deputy bureau of the Food and Drug Administration, don’t become a deputy bureau!”

Yuan Haifei was shocked to see at this time. Zhou Ruoshu, the city veteran, was walking out

of the VIP box angrily.

His face was pale, and he lost his voice: ”

Master Shizun ...” At this time, another person walked out of the VIP box with a gloomy

expression, it was Tao Donglin, the provincial respect.

Tao Donglin’s voice was majestic and cold: “It’s useless to call Shizun and Shengzun. If I

hadn’t heard it with my

own ears , I wouldn’t have known a small grassroots cadre whose tone was so mad.” Yuan

Haifei had already seen Zhou Ruoshu . Shaking with fright.

Seeing Tao Donglin at this time, the whole person was like being struck by thunder. Then he

knelt down with a thunder, and looked at Tao Donglin desperately:

“Province, Honorable
Master...”

Yash Nics looked at Zhou Ruoshu and Tao Donglin, so scared to kneel on
the spot. next, not

a word of mouth Yuan Haifei, light laugh: “Yuan, deputy director what
are you doing, you

said, even if City Zun Zun province came not so that’s it?”

“Yuan, deputy director, when necessary hard bastard In the end, you are
like this, I am very
disappointed in you! ”

Hard to the end?

With the city respecting the province to the end?

What a joke!

Yuan Haifei couldn’t help but want to cry. He said that Shizun and
Shengzun were not easy

to come, but just talk about it.

Unexpectedly, Yash Nics, the bastard, actually called the city respect and
provincial respect.

At this time, he regretted that his intestines were all green, and his
desire to die was gone.

Zhou Ruoshu looked at Yuan Haifei, who was kneeling on the ground,
and turned his head to

ask Tao Donglin respectfully: “My Honorable Provincialist, this person
abuses his power and

persecutes private enterprises. His behavior is even more damaging to
our credibility. How

do you deal with it?”

Tao Donglin

Turning his head to look at Yash Nics, he said respectfully, “Shao Chen,
how do you handle

him?” Yuan Haifei raised his head, his face was shocked, and he looked
at Yash Nics

desperately.

The Honorable Master, with an extraordinary status and status, turned
out to be so obedient

to Yash Nics!

How big is Yash Nics?

Yuan Haifei's heart was desperate, bleeding, and regretting. If he could do it all over again, he would never help Ouyang Ting with the Ningda Group.

Unfortunately, it's too late to regret.

Yash Nics said indifferently: "I don't wrong any good person, nor miss any dirty official. First,

check this guy, find out all his crimes, and deal with it strictly."

"Also, let him go to the Ningda Group to do it for him. Yesterday's abuse of power, I

apologize to my wife."

Tao Donglin and Zhou Ruoshu said together: "Yes, Mr. Yash."

Ningda Group, Song Pingting is thinking hard, ask someone to be a lobbyist and ask. Yuan

Haifei opened the net and let Ningda Group go?

Suddenly, secretary Lin Wei hurriedly knocked on the door and came in, and said in a panic:

"Mr. Song!"

Song Pingting frowned: "What is it, panic."

Lin Wei: "The deputy bureau of the Food and Drug Administration, Yuan Hai, flew over.!"

Song Pingting was taken aback: "What is he here to do, is it possible to force us to transfer

the vaccine agency rights to Blue Sky Company? Damn it!"

The One and The Only Chapter 397

Soon, Yuan Haifei came in.

Yash Nics and a few staff from the Commission for Discipline Inspection also came in

together.

Yuan Haifei no longer had the insignificance of yesterday, and his whole person seemed to be much older.

He bowed his head and walked to Song Pingting, and apologized weakly and said: "Hello,

President Song, I abused my power yesterday and deliberately prevented your vaccine from

passing the test."

"I also said a lot of things too much, and I am here today. I will apologize for you."

Song Pingting opened her eyes wide and let out a silly cry. She was a little confused. Yesterday Yuan Haifei, who threatened to crucify the Ningda Group, went to the door to apologize today. After Yuan Haifei apologized to Song Pingting, a few staff from the Commission for Discipline Inspection came up immediately. The first person took out a document and said seriously to Yuan Haifei: "Yuan Haifei, you are involved in crimes such as abuse of power, corruption and acceptance of bribes." "We already have a lot of evidence of your crime. Please cooperate with us." After speaking, two people came up and handcuffed Yuan Haifei directly. Then, in front of Song Pingting and others, Yuan Haifei was taken away. Song Pingting, Lin Wei and others were all shocked, and Yuan Haifei was arrested. Song Pingting couldn't help thinking of what Yash Nics had said at noon. Yash Nics said that he didn't need to beg Yuan Haifei. Yuan Haifei also asked for an apology and begged for mercy. She turned her head to look up and down Yash Nics, and said suspiciously: "Yash Nics, this is what you did. Tell me honestly, how did you do it?" Song Pingting's pretty face was full of suspicion, staring at Yash Nics. She had already begun to wonder if Yash Nics was keeping any secrets from her?

Otherwise, every time he encounters trouble, he can handle it, and what he says will come true, even more powerful than the gods. Ning smile, said: "Well, I do not installed, I showdown, in fact, I was the Northern Territory army three hundred thousand soldiers of the commander in chief!" Ning words export, Wei Lin, who could not live Daochou Air-conditioning. It wasn't that Yash Nics was scared by the status of the young marshal of the North, but

that he felt that this guy was too bragging.
Song Pingting even rolled his eyes to Yash Nics directly, and said angrily:
“Stop talking
nonsense, why don’t you say that you are Da Luo Jinxian? Honestly, how
did you do it?”
Yash Nics smiled bitterly. He told the truth, but Song Pingting and the
others would not
believe it!
He can only helplessly say: “It’s very simple. Recently, the country has
severely punished
corrupt officials. I opened up the hotline in Jiangnan Province and
truthfully reflected Yuan
Haifei’s problems. I didn’t expect the above to attach great importance
to it and promptly
launched an investigation.”
“Yuan Haifei is not clean. , So there was the scene just now.”
Song Pingting and others heard Yash Nics’s explanation, all of them
suddenly.
However, Song Pingting vaguely felt that something was wrong, but Yash
Nics’s explanation
was impeccable, so she could only believe it temporarily.
Anyway, this is a good thing. Yuan Haifei was arrested. It is estimated
that no one would
dare to commit crimes and deliberately suppress the Ningda Group.
Song Pingting notified her staff to send another vaccine sample to the
Food and Drug
Administration for another test.
Ningda Group is happy here, but Ouyang Pavilion and Ye Zhiqiu in the
Jiangnan Business
Club are in shock and bewilderment.

Ouyang Ting said with an unbelievable expression: “I just got the news
that my cousin Yuan
Haifei was suddenly arrested.”
Ye Zhiqiu asked, “What’s the situation now?”
Ouyang Ting shook his head: “I don’t know. I only know that he was
suddenly under double
regulations and was investigated. He has been controlled and no one
can contact him, so I

don't know the details.”

Ye Zhiqiu frowned . : “Should it be related to us asking him to suppress Song Pingting?”

The One and The Only Chapter 398

Ouyang Ting pouted: “How could Yash Nics and Ouyang Ting have such great abilities, and

as usual, the Commission for Discipline Inspection usually conducts a secret investigation

for a month or two, and has a lot of evidence before arresting people. . ”

.” so Yuan Haifei estimate Discipline has long been eyeing, but it was only arrested today, ”

Ye Zhiqiu nodded:” Fortunately, we only verbally told him to suppress Song Painting, did not

play money or something to him, he was investigating We are not

going to get caught up in the fire.” Ouyang Ting said depressed: “I know a lot of people. I

thought that by saying hello, Yuan Haifei would be able to get Yuan Haifei out.”

“What I didn't expect was that those guys were all involved in the relationship. Unanimously

saying that Yuan Haifei is in serious condition and no one dared to help. It is really weird.”

Ye Zhiqiu said nonchalantly: “Yuan Haifei didn't go in because of us.

Since he has a serious

problem and is not easy to fish, then leave him alone.”

“We still Think about how to deal with Yash Nics and Song Pingting, how to seize the agency

rights of liver cancer vaccine!”

Ouyang Ting nodded: “Yes, we have not made any progress, but Ningda Group's vaccine will

soon be approved by the National Medicines Agency. The number will go on sale soon.”

Ye Zhiqiu said: “The most important thing is that Lord Tang is impatient to wait. We must

deal with Yash Nics and Song Pingting before Lord Tang runs out of patience.”

Ouyang Ting: “You have What pay attention?”

Ye Zhiqiu squinted and said, "Yash Nics is actually not very capable. Apart from being lucky and having a subordinate Dong Tianbao, the most important thing is that he came from the northern border. He may have been a soldier of Wang Daofang before. , There is Wang Daofang covering him."

"However, my Wang Daofang will go to the north to participate in the act. It is estimated that he will not be able to return in a month or two."

"I suggest that we simply take advantage of Yash Nics's backing, and directly use thunder to kill him. It can be destroyed."

Ouyang Ting hesitated: "Although Yash Nics's backer is not there, he is very skilled. In addition, the Mannity underground circle has been completely taken over by Dong Tianbao.

We are going to kill Yash Nics in Mannity, I am afraid it will not be so easy."

Ye Zhiqiu said with a smile: "I also thought about this problem. I called Lord Tang just now and asked him to send someone to help. He has sent a terrifying killer to help us."

Ouyang Ting was taken aback: "Even Wu Chi is not Yash Nics's opponent, who did Lord Tang send over this time?"

Ye Zhiqiu said triumphantly: "Butcher!"

Ouyang Ting's eyes suddenly widened and he became extremely excited, and said excitedly,

"The butcher is a super ruthless killing machine. The strong, the monster that Tang raised in the crypt at home, the butcher!"

Ye Zhiqiu also said excitedly: "Yes, that's the terrifying weird master, the butcher."

Ouyang Ting was full of confidence and grinned: "There is a butcher.

Going out, coupled with the family masters you and I brought, is enough to calm Yash Nics and Dong Tianbao's gang."

At 12 o'clock in the evening, Dong Tianbao took Shi Qing and more than a dozen of his men and left from a stroll in the clouds.

The group drove three black cars and returned to Dong Tianbao's residence, the Sun City Community.

While waiting for the traffic lights at the intersection, dozens of small cars roared at the surrounding intersections, directly surrounding Dong Tianbao and their three cars.

Hundreds of men in suits and leather shoes got out of the car one after another and surrounded Dong Tianbao and the others.

Then, I saw a Bentley boarding, and two aristocratic middle-aged men coming down, it was

Ouyang Ting and Ye Zhiqiu.

The One and The Only Chapter 399

Shi Qing and others saw this, their expressions changed drastically, and they asked Dong

Tianbao: "Brother Bao, they came here prepared and came at us, what should we do?"

Dong Tianbao has not spoken yet. Outside Ouyang Ting sneered and shouted: "Dong

Tianbao, did you get out of the car yourself, or did my men smash your car and drag you out like a dog?"

Dong Tianbao calmly waited for Shi Qing. The subordinates shouted: "Get off!"

Soon, Dong Tianbao took Shi Qing's more than a dozen subordinates and got out of three cars.

Dong Tianbao looked at hundreds of enemies surrounding him with murderous aura, his eyes fell on Ouyang Ting and Ye Zhiqiu.

He suppressed his anger and said, "You two dare to play yin with me.

Believe it or not, if you

moved me, my master will make you unable to get out of the sea alive?"

Ouyang Ting snorted coldly: "Should you not use Yash Nics to scare me?"

We, in the eyes of
our Si Tingzhu, Yash Nics is a fart!"

Ye Zhiqiu also smiled and said, "Don't worry, Dong Tianbao, we will send you and your young master and others all on the road. Your family will die. It must be complete."

Dong Tianbao's eyes flashed angrily, and he shouted: "Do it, kill the encirclement."

Shi Qing and his subordinates all responded together: "Chong!"

Ouyang Ting sneered, waved his hands, and surrounded by hundreds of subordinates. ,

Moved immediately, and pounced on Dong Tianbao and his party like a pack of wolves.

The fierce battle unfolded on the long street in an instant.

Ouyang Ting and Ye Zhiqiu brought the group of subordinates, each is an elite, each is a master.

In the end, Dong Tianbao and his party were few and outnumbered, Shi Qing and others were knocked down one after another, dead and wounded.

Only Dong Tianbao is extraordinarily brave, like an angry tiger, roaring constantly, fists like lightning, legs like thunder, there are more than a dozen opponents in a row, and he is hit hard.

Just as Dong Tianbao showed great power, a man with a shaved head and a bloated figure

like Maitreya Buddha walked out from the darkness with heavy steps. He weighed more than three hundred jins, and the earth seemed to tremble every time he took a step.

He was so dirty that he looked like a butcher who killed cattle and pigs for a living.

He is the terrible weird man raised in the cellar of Tang Beidou, the killing machine that kills people without blinking, the butcher.

The butcher stopped a dozen meters away from the battlefield, and his nostrils sprayed out two white air like a monster.

He indifferently looked at Dong Tianbao who showed great power in the distance, and suddenly walked towards the Wuling Hongguang next to him, opened his arms, hugged the body, and then let out a low growl, unexpectedly lifting Wuling Hongguang abruptly.

“Drink!” The butcher exhaled and shouted again. Wuling Hongguang lifted up and slammed directly at Dong Tianbao.

The two-thousand-jin van, like a huge cannonball, smashed at Dong Tianbao howling.

Dong Tianbao had just beaten two opponents into the air, but he didn’t expect a Wuling Hongguang to whistle and flew. He couldn’t dodge and was directly hit in the chest by Wuling Hongguang. boom!

Dong Tianbao snorted. If he was hit by a speeding vehicle, he would fly upside down and fall heavily to the ground, with blood gushing out of his mouth.

He struggled to get up, but the huge butcher had already stepped up to him.

Dong Tianbao hadn’t struggled yet, the bare-footed butcher had already raised his left foot and stepped heavily on Dong Tianbao’s chest.

Stepping on Dong Tianbao’s chest and ribs creaked, blood gushing out of his mouth not far away.

The butcher’s eyes flashed with a cruel cold light, and he said with a hoarse grin: “Die to me!”

The One and The Only Chapter 400

butcher grinned, and was about to increase the strength under his feet, and directly trampled Dong Tianbao to death.

But at this time, Ouyang Ting spoke: "Butcher, don't kill him first, we still need to use him as a bait to lure Yash Nics to die." The butcher slowly turned his head, his eyes staring at Ouyang Ting clearly, obviously dissatisfied. Ouyang Ting interfered with him arbitrarily. Ouyang Ting's face changed drastically, and Ye Zhiqiu quickly said, "Butcher, don't forget that Lord Tang asked you to assist us. You need to listen to our arrangements for this matter."

Speaking of Lord Tang, the butcher's eyes were fierce. It slowly dispersed, and the whole person became a little demented again. He slowly moved his foot away from Dong Tianbao, and turned away awkwardly.

Ouyang Ting and Ye Zhiqiu breathed a sigh of relief together. This butcher is simply a killer. If you are a little careless, you may not be able to kill them as well. In Jiangbin Garden Community, Yash Nics coaxed her daughter to sleep. Song Pingting and Song Zhongbin were taking care of Ma Xiaoli. When Ma Xiaoli went out to buy vegetables today, she was caught in the rain and caught a cold not long after she came back.

After taking cold medicine, Ma Xiaoli felt a little better. She said weakly, "Lao Song, I want to eat the boat porridge from Li Ji's midnight snack at the gate of the community." Although Song Zhongbin was honest and weak, he was very caring for his wife, and said immediately. "Then I'm going to buy it for you. Li Ji's supper should not be closed yet ." Song Pingting said, "Dad, you should take care of mom at home. I'll go out and buy porridge for mom to eat." After that, She went out alone.

She packed up a small boat porridge at Li Ji's supper not far from the gate of the

community, and then returned the same way.

Before she reached the gate of the community, a business car suddenly came over and stopped her.

A few people came down from the bus, headed by a woman who was very glamorous.

She is Ouyang Ting's subordinate, Li Mei, the black widow.

There are several men in suits beside Li Mei. She smiled and said to Song Pingting: "Hello

Miss Song, Mr. Ouyang Ting, the president of our Blue Sky Group, want to see you and talk

to you about the transfer of vaccine agency rights. "

Song Ping Ting alarmed: " I'm sorry, now my private time, I still go back and tell you to talk

about job Ouyang president, I do not intend to transfer vaccine from the agency, you let him

forget it. "

black widow laughed: "You should tell our president personally, and take it away." When the

voice fell, several of the men next to the black widow rushed up, grabbed Song Pingting's

arm, and dragged Song Pingting into the car. .

Song Pingting, where a weak woman could resist, screamed for help.

At this moment, not far from the intersection, a jeep suddenly came.

The two people in the jeep are on duty tonight, who are responsible for secretly protecting

Song Pingting's Tiger Guards, Aqi and Ajiu.

The two got off the jeep and shouted angrily: "Let go of Miss Song!" The two said, without stopping, they were already quickly approaching the black widow group.

The black widow didn't expect that Song Pingting was secretly protected, and she coldly

hummed her orders to stop both of them.

After that, she held Song Pingting into the car, and at the same time told the driver: "Drive!"

The

five men in black rushed towards Ah Qi and Ah Jiu, each holding a sharp dagger.

Seeing that the black widow had taken Song Pingting into the commercial car, A Qi saw that the commercial car had started slowly, and he was anxious in an instant, and shouted, “A Jiu, leave these trash fish to you. I will leave you with a wife!”

” Good!”

Ah Jiu drew out a three-rowed army stab, and the killing intent Ling Ran met the five men in black.

Ah Qi swiftly avoided the interception of the two men in black, ran like a cheetah, and then suddenly jumped, with a bang, and jumped onto the roof of the commercial vehicle.

The black widow frowned and told the driver: “Speed up, swing left and right, and shake the guy on the roof.”
