

The Charismatic Charlie Wade Chapter 3910

Thinking of this, she felt even more relaxed.

Even deep in her heart, she has begun to have uncontrollable fantasies.

At the fantasy auction, Grandpa missed the Rejuvenation Pill, and when he was heartbroken and deeply unwilling, he bought a Rejuvenation Pill directly from Charlie through his personal relationship with Charlie.

At that time, he was the savior in Grandpa's eyes.

Although Fei Kexin felt a little humiliated and ashamed for this idea of her own, when she thought of her family, only by this opportunity could she have a beautiful turnaround in Fei's family, so the shame in her heart suddenly became too. The smoke disappeared.

She knew very well in her heart that fighting for power in Fei's family was like fighting for the royal family's land. In order to achieve the goal, it was not surprising that any method was used.

five minutes later.

There was a knock on the door, and Mr. Luo's voice came from outside the door: "Miss, the car is ready."

"Okay, I am here."

Fei Kexin picked up a limited-edition Hermès Himalayan platinum bag, the black and white gradient color, complemented her long dress.

Standing in front of the vanity mirror at the door, Fei Kexin looked at herself in the mirror and shook her head helplessly. Feel like a clown..."

With a light sigh, Fei Kexin opened the door.

Six-star warrior Mr. Luo was already waiting outside the door.

Seeing her coming out, he immediately said respectfully: "Miss, you can go now."

"Good." Fei Kexin nodded, and went to the hotel lobby with Mr. Luo.

Her Cadillac bulletproof car of the same model as the President of the United States had been parked at the entrance of the lobby. One of her men handed the car keys to Mr. Luo, and then opened the rear door for Fei Kexin.

After Fei Kexin sat in, Mr. Luo came to the cab, opened the vehicle's central control lock, and asked: "Miss, where are we going?"

Fei Kexin said: "You can search for Liujiacun on the navigation, it seems to be on the edge of 104 National Highway."

Mr. Luo frowned and said, "Liujiacun? It sounds like a suburban area. Why are you going to such a place, Miss?"

Fei Kexin said: "charlie said he wanted to invite me to dinner, and the place was chosen there."

Mr. Luo entered Liujiacun on the navigation and found the location. After finding the location, he was surprised and said: "This place is nearly 30 kilometers away from the city. It's too remote. Why would charlie choose the place here? Isn't it a bit tricky? "

Fei Kexin was silent for a moment, and said in a low voice: "It shouldn't be, I have met Charlie once. Does Mr. Luo think I have exposed any clues?"

Mr. Luo thought for a while, and said, "I didn't follow you in yesterday, so I can't tell you specifically whether you exposed any clues, or if you missed anything."

Fei Kexin thought about it for a moment, then said, "It seems that there is nothing to say about it. I have always been very cautious."

Mr. Luo suddenly thought of something and seriously said: "Miss, I am actually a clue."

Fei Kexin asked curiously: "What does Mr. Luo mean by this?"

Mr. Luo said sternly: "If Charlie's strength is above me, he should be able to see that I am a six-star warrior. In that case, he will definitely doubt your identity, Miss, because with your Zhan's identity background, no There may be six-star warriors personally protected."

Fei Kexin asked nervously, "Mr. Luo, do you think Charlie's strength will be higher than you?"

Mr. Luo said very solemnly: "I haven't heard of a six-star warrior in my twenties, but I haven't heard of it, it doesn't mean there is no one!"
