

The Charismatic Charlie Wade Chapter 3930

Jian blurted out: “Are you sure? Does that person have the strength of the dark realm?!”

Fei Kexin said: “I don’t have any direct evidence, but after analysis, he is the most likely, so I think it’s better to be cautious. In any case, you should not affect your bid for Rejuvenation Pill.”

Jian thought for a while, and said: “Ke Xin, I think you should come back as soon as possible. Since you should have the risk and possibility of exposure, there is no practical significance to staying in Aurous Hill, but it will increase the risk in vain. “

After all, Jian said again: “You come back first. When the auction is over, I will ask Master Jay to accompany me. Then we will go to Aurous Hill to participate in the auction in a fair manner, and other people who participate in the auction will probably also bring some martial arts masters as entourage, no matter how great he is, he can’t do anything to these entourage, right?”

Fei Kexin said: “If it is really him who is behind the scenes, he will definitely not do anything to the people participating in the auction. That is tantamount to smashing his own sign. Why don’t you let Master Jay accompany you when you arrive.”

Jian asked, “What about you? When will you be back?”

Fei Kexin thought for a moment, and said, “I still won’t go back now.”

Jian hurriedly asked, “Ke Xin, what are you doing here today? It’s dangerous!”

Fei Kexin explained: “Grandpa, based on what I know about this person these days, he is an extremely low-key person, so he will definitely not appear in person at this auction. The sky-high price that shocked the world, but the whole world still doesn’t know who he is, and I finally found him. If I was so scared away by him, wouldn’t a good opportunity be wasted!”

Jian persuaded: "Ke Xin, the other party has probably seen you through now, what good chance do you have if you continue to stay there?"

Fei Kexin said seriously: "Grandpa, he didn't do anything to me, it proved that he didn't hate me so much in his heart. Maybe he just wanted to let me get out of trouble through this matter, so I don't think I will be in any danger. "

Speaking of this, Fei Kexin paused slightly and continued: "I think he is a little dissatisfied or disgusted with me at best now, as long as I can in the next time, through my methods, let him alleviate My dissatisfaction and disgust, then my line still has a chance."

Immediately afterwards, Fei Kexin said in a sincere tone: "Grandpa, just leave me alone, let me run it myself!"

Fei Kexin is not a hero.

After carefully analyzing the many elements, she came to the conclusion that Charlie is unlikely to do it on her own.

She thought to herself: "If Charlie really achieves the strength of the dark realm and really wants my life, then he doesn't have to make such troubles at all, he can solve the problem once and for all by directly dealing with me."

"But since he didn't do this, and he chose to do the tricks, accompany me to act together, and even took me to the suburbs for dinner without too much trouble. Even after he solved Mr. Luo, he didn't turn his face with me, it proved that he was indeed. I don't want to do anything to me!"

"Perhaps, he just wants me to be more interesting and leave by myself..."

Thinking of this, Fei Kexin's heart unconsciously had a strong desire to win.

The more Charlie wanted her to go, the less she wanted to go!

What's more, right now is the last chance to show yourself in front of Grandpa. If you don't grasp it this time, then in the future, your family will never turn around!

So, she encouraged herself in her heart: "People say that wealth is in danger. This time I must seize the opportunity!"
