

## Chapter 3964

From birth to the scene, Mark has suffered from the warmth and coldness of the world, and he has also experienced the scorching heat of the world.

When he was young, he was abandoned by his family and was bullied since childhood.

When he became an adult, he joined the Qiu family and was obedient.

For Mark, it was only thirty years after birth.

But he has endured almost all the suffering in this world, and he has seen all the malice in this world.

But what, after making Mark endure hardships, he still loves this world.

It is because, in this mortal world, in addition to those snobs and flatterers, there are many people like Yue'er.

They are not fettered by the world, they are not swayed by power, and they go out of their way to be kind to Mark.

But how could Suzumiya Yinyue know that she was willing to give everything for Mark and to be infamous for him.

But Mark, how could he be willing?

After a long silence, Mark smiled lightly.

He stretched out his hand, caressed the long blue hair of the beautiful woman in his arms with pity in his eyes, and said dotingly: "Silly girl, okay, how old you are, and still crying."

"I really thought I was still the little girl on the Skytree back then."

"It's all the honor of a country, but the nature of crying has not changed at all."

Mark smiled comfortably.

He didn't know how to say some words, so he simply didn't say it.

Therefore, Mark did not have a positive response to what Suzumiya Yingyue said just now.

In fact, a lot of words do not need to be said.

Anyone who is familiar with Mark knows that this is a proud man.

If one day, he is really ruined, in a desperate situation, and there is no hope of rising.

The pride in his heart will never let him linger, shrinking from other countries, and being sheltered by women.

But Suzumiya Yingyue was not reconciled, she still insisted: "Master, you haven't answered me yet, do you still recognize Yue'er?"

"Do you still consider Yue'er your own?"

“In this world, Yue’er has only the master to rely on in her heart.”

“I don’t allow my master to ignore me, and I don’t allow my master to alienate Yue’er...”

Suzumiya Yingyue raised her face, and there was a sparkle in her moving pupils.

Like an abandoned child in the world, a person trudges alone in the dark wasteland.

And Mark was the only light on the wasteland that gave her warmth.

She couldn’t imagine if the only light left her.

What kind of loneliness it will be for the rest of your life.

If this world, there is no one person, let you worry about.

Then what is the meaning of this life?

Suzumiya Yingyue was alone for twenty years until she met Mark.

The Moon God reincarnated for thousands of years and was alone for thousands of years until he met Chu Tianfan.

Mark never thought of it, and before he knew it, he became a woman in his arms, the only yearning and sustenance in life.

He couldn’t help being moved, and sighed again: “Yue’er, I really will hurt you.”

“I’m not afraid!” Suzumiya Yingyue gritted her teeth and shouted stubbornly again.

In desperation, Mark had to nod his head: “Okay, I promise you. In the future, if I, Chu Tianfan, really have nowhere to go, I will go back to Japan to find you.”

After receiving Mark’s promise, Suzumiya Yingyue smiled immediately.

A tearful face burst into a bright smile.

Like the lotus after the rain.

Beautiful, indescribable!

“hey-hey...”

“I knew that the master would not want me.”

Suzumiya Yingyue was extremely happy.

If the Japanese sword god Mochizuki River was here, he would definitely be shocked to see this scene.

How long.

Since the defeat of Mark and Chumen, why has the woman in front of her ever smiled?

But now, in front of this man, Suzumiya Yingyue has the most beautiful smile in the world.

Allure!

In the end, it's fun.

The excited Suzumiya Yingyue seemed to have forgotten her other identity, and even more seemed to forget that there were many people watching them around.

In the next second, in the stunned eyes of everyone, the supreme god of Japan, the god of moon reading gods, who made the world's warriors terrified.

He even stood on tiptoe, and in full view, he kissed Mark's lips forcefully.

This sudden "attack" caught Mark by surprise.

At that time, Mark's eyes widened!

The tiger body trembled violently.

I thought it was over.

If this had spread to Yanxia Lin'an Helen Qiu's ears, Mark felt that his eight mouths might not be able to explain it clearly.

This dead girl, Yue'er, hurt me!

When Mark's heart was bitter, he didn't know how the hearts of everyone around him collapsed.

Tianshidao and the Vias family were stupid on the spot.

I wonder what the hell is going on?

Didn't he come to kill Chu Tianfan?

Why is this still eaten?

"Could it be that popular kissing kills people now?"

"If that's the case, give me a bite too and kiss me to death!"

When many people were shocked, they were also full of envy.

Being offered a kiss by such an alluring woman, what else do you want in this life?

However, no matter how envious and shocked they were, they couldn't compare to the three kings of Fu Luo.

When these three old people saw that Luna and Brian Chuwere hugging each other, a mouthful of old blood spurted out in their hearts.

Who is Luna?

The strongest in Japan!

The only god realm in the world!

This class of people, in the eyes of the world's most powerful people, is definitely a holy and majestic existence like a fairy.

But now, is such a queen-like figure, hugging Mark and kissing?

oh my god!

The world is so crazy!

King Fro and they are completely mad.

I thought, Luna, what are you doing wrong?

Shouldn't you cut Mark with your sword?

Shouldn't you have a mortal feud with Mark?

Calling the master and hugging and kissing again, what does this mean?

Are we all watching?

We are not blind!

You are there to stimulate us, don't you?

King Furuo, they want to cry but have no tears.

They came all the way to watch a world-shattering battle, but after a long time, they realized that the theater had gone wrong. Martial arts action movies became love action movies.

It's okay to hug me and kiss me, and I'm still calling my master?

what is this?

\*\*?

Mad, young people can really play now!

In the panic of everyone, Nuoya and Yueyao, who were originally worried, no doubt let go of their tense heartstrings.

Others may not see it, but the two of them are women.

A woman's mind, only a woman understands best.

They could naturally see that this girl named "Yue'er" had a deep entanglement with Mark.

"Sister Yueyao, it seems that we all misunderstood."

"This is not a life-and-death fight, this is a meeting of magpie bridges."

Noah shook her head and looked at the touching woman who was still asking for a kiss in front of her, but her mind was complicated.

Sure enough, good men will always be liked by many good girls.

It was Sister Yueyao before, but now, there is another one.

Compared with them, he is so ordinary, so... bleak.

No wonder she never saw herself.

Once Noah, she felt that she was the brightest star in the night sky and a highly anticipated existence.

But it was not until she met Mark that she realized that she was only an ordinary one among the thousands of stars.

For these, Yueyao was already used to it.

Mark, the bad guy, was originally such a merciful and provocative existence.

The previous affair with Sect Master Truman hadn't been sorted out, but now he's provoked another.

"Hmph, Mark, this bastard, how many women does he have to provoke before he stops!"

"Wait, when I return to Lin'an, I will stab all these things about you to your wife!"

"I can't control you, I don't believe it, and neither can your wife!"

Yueyao wrinkled Qiong's nose and hummed angrily.

In his heart, he complained to Mark a hundred times.

### **Chapter 3965**

"You bastard, bastard!"

"Mark, you bastard."

....

When Yueyao was full of complaints, someone behind her actually told Yueyao's heart.

No, to be precise, it's not a man, it's a cow.

The scalper, who disappeared for several days, appeared here at an unknown time.

From the crowd, it stuck its head out and saw the two people kissing in front of it, but its eyes were red with anger.

...

"Pity me, Wan'er, who is still looking through the autumn water in the cave, waiting for you to pick her up?"

"Pity me, Wan'er, who passed on your unique skills, gave you medicinal pills, and sent you Yanhuang Ling?"

"Pity me, Wan'er, with such a big chest, such long legs, and such a beautiful face..."

"what about you?"

"It's only been out for a few days. It's not enough to hug you from the left and right, and you still have a kiss on your mouth."

“Mark, you are not human!”

“You play three at a time, poor old cow doesn’t have one at all!”

“You are not human!”

“I don’t have one!”

How abrupt the scalper’s scolding sound was in this quiet world.

For a time, everyone’s attention turned to the past.

Many people were shocked that when a cow could speak, Nuoya and Yueyao were very angry.

“Wan’er?”

“This bastard, is there another one outside?”

Yue Yao was going to die of anger!

Fortunately, she thought that Mark was a dedicated and affectionate master.

It turned out to be a merciless villain!

Hmph, man, sure enough every good thing.

Mark pushed Yue’er away with difficulty.

Because he couldn’t take it anymore.

I can’t stand that dead cow talking nonsense and ruining his reputation!

“You dead cow, you are not human!”

“Give me your life!”

Mark ran out with the knife in hand, chasing the scalper all the way.

It wasn’t until the man and the cow ran into the deep mountains and forests that Mark stopped the knife and lay on the grass, gasping for breath.

“No way, this damn girl is so cruel, she’s going to suffocate me!”

Of course Mark didn’t really chase down scalpers.

&nbs...> He just made an excuse to slip away.

If he stayed any longer, Mark was afraid that he would be squeezed dry by that girl Yue’er.

“I rely on!”

“You slut, are you still good when you get cheap?”

“Since you don’t want to, my old cow will kiss it for you!”

The ox’s white eyes.

“you dare?”

“The last time you harassed Yue’er and the others, I didn’t settle the account with you?” Mark stared.

“You blame me?”

“It’s not that you’re unethical!”

“I only care about my own happiness, and I don’t care about my brother’s life and death!” The scalper said very dissatisfied.

“My brother, your uncle!” Mark and the scalper have known each other for a long time, this dead cow is very black.

Whoever treats him as a brother will be pitted miserably.

“I’m too lazy to care about you.”

“I’m looking for a girl, farewell!”

The scalper didn’t want to talk nonsense with Mark.

Great free time, it’s natural to be happy.

But where did Mark let him go, he grabbed its tail and pulled it back.

At that time, the scalper was anxious: “Bastard, are you pulling my tail again? I am anxious with you!”

The ox was just pissed off.

Wan’er didn’t even pull its tail.

Mark, this bastard, dares to touch his ox tail!

“Okay, okay, I remember.”

“Don’t go first, I have something to ask you.”

“You just said Yanhuang Ling, is this the one?”

“What’s the use of this thing?”

While speaking, Mark took out a simple token from his arms.

This was given to Duanmu Wan’er before he left.

Mark has studied it for a long time, and only knows that this thing is extraordinary, but he has never known how to use it, let alone its efficacy.

“You’ll find out later.”

“This thing can be of great use.”

“When the doomsday comes, when the world will die, you will know the use of the Yanhuang Ling.”

The ox said lightly.

“Dead cow, are you fooling me?”

“Is the end still coming?”

“The world is fine, how come the end?”

“How many hundreds of millions of years will it be before the destruction of the earth?”
